The President's Message

Member Schools of the
Georgia High School Association

It is the general opinion of school people that the Georgia High School Association has just completed its most successful year. More schools and a larger number of students have participated in the various events than ever before and certainly the type of competition was just about tops.

Region and district officers with their special committees, State Executive committee members, and State Committees have all done a splendid job in helping promote the program. School officials and Coaches have been so cooperative and enthusiastic in their work with the contestants that you are to be commended for this guidance.

Contestants have shown remarkable ability as athletes, performers, writers, speakers, and singers. The Association wants participation and it is gratifying to see it on the increase.

The State Secretary and his assistants have shouldered a tremendous job in working out all details, setting up schedules, and administration of the entire setup. His program for improving all forms of officiating has made rapid progress and it is his sincere desire to have competent and efficient officials and judges for all contests.

The press, radio, and television have been good friends to the Association. You will find them anxious to serve if you will call on them and give them the information. Make use of their facilities as a means of public relations and promotions.

I am so happy to express to every one of you my deep appreciation and gratitude for all of this unselfish work. Truly if you will continue this support then boys and girls of Georgia will always have an opportunity to enjoy a great service.

Sincerely,
Jas. F. Woodall, President

From The Secretary's Desk

This section of the Bulletin contains in summary form information and explanation in regards to changes in the regulations of the Georgia High School Association.

DATES FOR DEBATES AND ONE ACT PLAYS—The District, Region, and State Debates and One Act Plays have been set as a part of the Fall program. The State finals in both Debates and One Act Plays will be held at the University of Georgia, Athens, Georgia, on December 6 and 7, 1954. Arrangements have been made with the University for low cost housing and meals.

NOTIFICATION OF ENTRY—LITERARY EVENTS—Notification of entry in Literary events must be filed in writing to District or Region Secretary. Deadline for notification of entry in Debate and One Act Play is October 15. For all other literary events the deadline is March 15.

ELIGIBILITY REPORTS—LITERARY EVENTS—Eligibility reports - just as for athletics - are required for the contestants in all literary events except Spelling. Eligibility reports for Debates and One Act Plays are due not later than October 15; eligibility reports for all other literary events are due not later than March 15. Any literary eligibility report filed after the due date must be accompanied by a delayed fee of \$10.00 per report.

NON-ACCREDITED SCHOOLS ELIGIBLE FOR MEMBERSHIP—The provision requiring a school to be accredited to be eligible for membership has been eliminated. Any white senior high school may apply for membership in the GHSA. This provision makes it possible for a group of non-accredited senior high schools to join in the GHSA program. In as much as non-accredited senior high school are now eligible for membership, member schools

may not engage in any contest with a non-member senior high school. The provision which permitted a member school to play a non-accredited non-member school in the same school system has been eliminated due to the fact that such non-accredited schools are eligible for membership.

HARDSHIP COMMITTEE MEETINGS—Section 7, Item 6, in regards to the Hardship Committee has been changed to provide for four meetings of the committee with the date and place of each meeting definitely set. In addition, provision has been made for a special meeting to consider a case when the conditions upon which the request is based develop after the last scheduled meeting of the year.

ASSOCIATE MEMBERS—Section 5 of the By-Laws provides for Associate membership for private or boarding schools and for the Georgia Industrial School. Such associate members are not eligible to compete for any championships. When a member school schedules and plays an associate member, the member school plays under high school eligibility rules but the associate member may use any of its pupils to which the member school may agree, provided such agreement is made in writing not less than ten days prior to the game or contest.

CLASS "A" STATE BASKETBALL TOURNAMENTS—The number of teams in the Class A State Basketball tournaments has been changed to two boys teams from each region and two girls teams from each region.

STATE GYMNASTIC MEET—There has been considerable interest shown in gymnastic work during the past year. At the request of a number of schools plans are being made to add a State Gymnastic meet to the program. The meet will be held at Atlanta with the date and other details to be announced later.

WRESTLING—The State Executive Committee discussed the possibility of adding Wrestling to the program. The State President was authorized to appoint a special committee to set up an outline for a program with such committee to report to the State Executive Committee.

CLASS "AA" GOLF—A change has been made in the Class AA Golf program. The first and second place golf teams from each region will qualify for the Class AA State Golf tournament. The low scorer (medalist) and the second low scorer (runner up) in each region will also qualify for the State tournament even if not on a team qualifying in a region. The Class AA State Golf tournament for 1955 will be held at Columbus, Georgia, during the week following the Class AA State Track meet.

CLASS "AA"—TENNIS—BOYS AND GIRLS—In Class AA tennis the winner and the runner-up in each region in singles and in

doubles will qualify for the State tournament. This applies to both boys and girls tennis. The Class AA Boys State tournament will be played at Athens, Georgia, while the Class AA Girls State tournament will be played at Macon, Georgia. Dates for these are given in the calendar of events.

INVITATION BASKETBALL TOURNAMENTS—Some difficulty has been encountered by teams participating in approved invitation basketball tournaments. In some cases due to a team winning when not expected to win, the number of games played in the tournament added to the number of games scheduled for the balance of the season has given a total greater than the number of games permitted in a season. This has brought problems in attempting to cancel or postpone games. In order to avoid such difficulty and in order to enable schools to have a definite basis for calculation, the participation of a school in an approved invitation basketball tournament will count as two games. This will apply regardless of the number of games a team plays in an approved invitation tournament. If a team is eliminated in its first game, the participation will count as two games; if a team plays three games in a tournament, such participation will count as two games.

SCHEDULE—STATE LITERARY MEET—In the back of this bulletin there is a detailed schedule of time and place of the various events of the Spring State Literary meet. A time schedule of events has been worked out so that schools and contestants will have this information well in advance and can make their plans accordingly.

SCHEDULE—STATE TRACK MEETS—"A", "B", AND "C"—In the back of this bulletin there is a section in regards to the Class A, B, and C State Track meets. This section gives information as to the time that trials and finals are scheduled, order of events, and other information in connection with these track meets. With this information in the bulletin, it will not be necessary for the State Office to send this information to each school that qualifies for the State Track meet.

STATE BASEBALL ELIMINATIONS—In the back of this bulletin are plans for the State Baseball Elimination series. Schools which qualify for the elimination series will find in this section the information in regards to dates and other details of the playoffs.

MUSIC FESTIVALS—During the school year 1953-54, a joint committee from the GHSA and the Georgia Music Educators Association has been studying the operation of the Music Festivals. This committee made a series of recommendations which were accepted by the Georgia Music Educators Association at its April 1954 convention. These recommendations with several minor changes have been accepted by the GHSA State Executive Committee at its Spring meeting. The following will apply for the school year 1954-55:

1. All High Schools entering the Music Festivals must be members of the Georgia High School Association.
2. Only bona fide pupils in school may participate.
3. All high school pupils participating must meet the eligibility requirements of the GHSA.
4. Eligibility rules apply only after a student has entered the 9th grade.
5. All details of the 1954-55 Music Festivals such as classification, fee, selection of judges, etc., will be under the supervision of the GMEA.
6. Dates for the 1954-55 Music Festivals will be set in conjunction with the GHSA so there will be a minimum of conflicts.
7. A pupil enrolled in the 8th grade or below of a feeder elementary school will be permitted to participate with the high school band and such participation will not be charged against such pupil so as to affect later eligibility.
8. The GMEA will furnish each school competing in the Region Music Festival a copy of the financial report of that festival; a copy of the report of each festival and a composite report for all of the festivals will be furnished the GHSA by the GMEA.

The GMEA has requested that the corresponding dates as used in 1954 be set aside for the 1955 Region Festivals. This has been accepted by the GHSA. The corresponding dates for 1955 are as follows:

- Region 1—March 10, 11, and 12, 1955
- Region 2—Feb. 24, 25, and 26, 1955
- Region 3—Feb. 28, March 1 and 2, 1955
- Region 4—March 7, 8, and 9, 1955
- Region 5—March 3, 4, and 5, 1955

Item 7 in regards to the Music Festivals makes it possible for pupils enrolled in 8th grade or below of feeder elementary schools to participate with the high school band. It was the feeling of the State Executive Committee that there were a number of smaller high schools in which the music was extended into the 8th grade and lower in order to build up the band. It was the further feeling of the State Executive Committee that such pupils in feeder elementary schools should be permitted to participate as a part of the high school band without such participation being charged against the pupil so as to affect the pupil's future eligibility.

PASSING PREVIOUS SEMESTER WHEN CREDIT IS GIVEN ON A YEARLY BASIS—Some misunderstandings have occurred due to differences of opinions as to passing previous semester when credit is given on a yearly basis. The State Executive Committee

has directed that in the matter of passing previous semester when credit is given on a yearly basis, that whether or not a pupil is passing at the end of the first semester shall be determined by the grades which that pupil has made for the first semester; that whether or not a pupil is passing the second semester shall be determined by whether or not the pupil has received credit in terms of unit or units for the second semester. For example, if a pupil receives full credit for the subject for the year, the pupil is deemed to have passed that subject for the second semester, while if a pupil receives no credit for the year in a subject, the pupil is deemed not to have passed in that subject for the second semester.

CONSOLIDATION PROBLEMS—Due to the state wide school building program there will probably arise a number of problems in connection with the GHSA program. Two problems of state wide nature were presented to the State Executive Committee at its last meeting:

1. Status of pupils who change from schools that are to be consolidated when such change is made prior to the completion of the building program.
2. Classification of schools when consolidations of various types are made during the two-year classification interval.

It was the opinion of the State Executive Committee that in a case where a school is to be consolidated into or with another school when building facilities are available, if such pupils as are to be consolidated change prior to the actual consolidation, the regular provisions of the migratory rule shall apply as to transfer of pupils from one school to another. Under this provision it is possible that such pupils might or might not be eligible depending upon the circumstances. For example, if the entire 12th grade from the school to be consolidated is transferred, then such pupils as are in the 12th grade who transfer would be clear under the migratory rule, and the school from which they transfer would be eliminated as a senior high school. The same principle would apply if one or more grades were consolidated. However, if the change were either a voluntary one on the part of the pupils or a permissive one such would not clear the pupils' eligibility unless it met with the provision which apply to pupils changing schools.

In regards to consolidations during the classification period, the policy which the State Executive Secretary-Treasurer has been following was approved. In any case where one or more schools are consolidated to form a new school, the classification of such school shall be determined for the balance of the classification period by the ADA of the previous year of the schools consolidated. In any case where a school or schools are consolidated into a school which is already classified, the school already classified shall continue with its same classification until the next re-classification period.

Constitution

ARTICLE I—Name of the Organization

This organization shall be known as the Georgia High School Association.

ARTICLE II—Object of the Organization

The object of this organization shall be the promotion of education in Georgia from a mental, physical, and moral viewpoint; to promote the study of public speaking; to standardize and encourage athletics, and to promote appreciation for music, homemaking and other cultural arts through District, Region and State Contests.

ARTICLE III—Membership

Sec. 1. Schools Eligible for Membership—The Membership of the Georgia High School Association shall consist only of white senior high schools.

Sec. 2. Grouping of Membership By Size—The Membership of the Association shall be divided into four groups, as follows:

Class AA. Composed of eligible high schools with an adjusted A. D. A. of 650 or more.

Class A. Composed of eligible high schools with an adjusted A. D. A. from 300 to 650.

Class B. Composed of eligible high schools with an adjusted A. D. A. from 150 to 300.

Class C. Composed of eligible high schools with an adjusted A. D. A. of less than 150.

These membership classifications shall apply for purposes of administration and competition except for Class B and Class C football. Class B football will be composed of eligible high schools with an adjusted A. D. A. from 200 to 300; Class C football will be composed of eligible high schools with an adjusted A. D. A. of less than 200.

Class AA and Class A schools will be grouped by regions for all competition.

Class B and Class C schools will be grouped by Congressional districts for all competition except football. Football for Class B and Class C schools will be by regions.

Sec. 3. GROUPING—HOW DETERMINED—The classification of schools into various groups shall be based on the Average Daily Attendance (A. D. A.) secured from the State Department of Edu-

cation of July 1st annual report. The A. D. A. report at the classification period shall be used as a basis to determine the classification of a school for a two-year period. In case of a consolidation at a classification period the A. D. A. of the schools consolidated shall be combined to determine the classification. The adjusted A. D. A. shall be calculated as follows.

- a. The four-year high school shall be used as a base and for a three-year high school $1/3$ shall be added to the A. D. A. to determine classification figure.
- b. The double sex school (co-ed) shall be used as a base, and for a single sex school the A. D. A. shall be doubled to determine classification figure.

(NOTE: Classification for the school years 1954-55 and 1955-56 is based on the A. D. A. reports for the school year 1952-53. The next reclassification will be based on the reports for the school year 1954-55 and will become effective in the school year 1956-57.)

Sec. 4. GROUPING OF MEMBERSHIP BY DISTRICTS AND REGIONS—All Class AA (District-at-Large) and all Class A schools shall be members of the Region organization in which they are located. All Class B and Class C schools shall be members of the District organization in the Congressional District in which they are located.

Sec. 5. COLLEGES—Junior Colleges and preparatory departments of colleges are ineligible for membership in this Association.

Sec. 6. JUNIOR HIGH SCHOOLS—Junior High Schools are ineligible for membership in this Association.

Sec. 7. TRANSFERS FROM A DISTRICT—Any eligible school which is located near the border of a district and because of its location wishes to be transferred to membership in a neighboring district, may do so on consent of the District Committee from both districts and the State Executive Secretary-Treasurer, provided no rules are violated otherwise, and provided that request for transfer of membership is made to the State Office within 30 days after notice of reclassification has been made.

Sec. 8. TRANSFER TO A HIGHER CLASSIFICATION—Any eligible school on application to the State Executive Secretary-Treasurer may be permitted to move from a lower to a higher classification but a school will not be permitted to change from the classification as set by its classification figures to a lower classification. Any school which moves from a lower to a higher classification by application, must remain in the higher classification

until schools are reclassified on a state wide basis. Request for transfer to a higher classification must be made to the State Office within 30 days after notice of reclassification has been made. A school which transfers to a higher classification transfers to that classification for all administration and competition.

Sec. 9. MEMBERSHIP IN ANOTHER ASSOCIATION—A school is ineligible for membership in the Georgia High School Association if it is or becomes a member of any association whose Constitution and/or By-Laws conflict with those of the Georgia High School Association.

ARTICLE IV—How Governed

Sec. 1. STATE OFFICERS—The State Officers of this Association shall consist of a President, a Vice-President, and an Executive Secretary-Treasurer. The officers and the Director of State School Supervision shall be ex-officio members of the State Executive Committee and shall have the right to vote on all matters pertaining to the operation of the Association. These with the members elected from the Congressional Districts by the Class B and Class C schools and with the members elected from the Regions by the Class AA and the Class A schools shall constitute the State Executive Committee.

Sec. 2. BOARD OF TRUSTEES—Said Georgia High School Association shall have a Board of Trustees (three in number) consisting of the three persons holding the following State offices of said Association to wit: President, Vice-President, and Executive Secretary-Treasurer, and their respective successors in office. Said Board of Trustees shall receive and hold title to all real and personal property of said Association, in trust for the benefit of said Association and shall have general custody and administration of such property with power and authority to lease, sell and convey said property of said Association; provided, however, said Board of Trustees shall not sell or convey any real property so held by them in trust for said Association without first being authorized to do so by a majority vote of the State Executive Committee of said Association at a meeting duly called for such purpose.

Sec. 3. STATE APPEAL BOARD—The State Appeal Board shall be composed of five members elected by the State Executive Committee. The members of this Board shall be selected from the various classifications of schools with each classification being represented. The term of each member of the State Appeal Board shall be for three years and terms shall be so staggered that not more than two members' terms will expire in the same year.

Sec. 4. DISTRICT AND REGION OFFICERS.

(a) Each Congressional District shall elect a President, a

Vice-President, a Secretary-Treasurer, and three other committeemen who shall be from Class B and Class C in proportion to the number of member schools from each class. No two shall be from the same school, and any person so elected shall be connected with a member school in an administrative or instructional capacity. These officers shall compose the Executive Committee in their district.

(b) Each Class A Region shall elect a President, a Secretary-Treasurer, and from one to three other committeemen. No two shall be from the same school, and any person so elected shall be connected with a member school in an administrative or instructional capacity. These officers shall compose the Executive Committee in their region.

(c) Class AA (District-at-Large) shall elect a President and a Vice-President. These together with the Chairman elected by each region shall compose the Executive Committee for Class AA. Sec. 6.

- a. The four-year high school will be used as a base, and for a three-year high school one-third of the A. D. A. will be added to secure the classification figure.
- b. The co-educational school will be used as a base, and for a single sex school the A. D. A. will be doubled to secure the classification.

- c. The classification of a school will be determined by the following scale:

Class AA—650 and up

Class A—300 to 650

Class B—200 to 300

Class C—under 200

- Item (2) Classification shall be for a period of two years. Classification for the school years 1954-55 and 1955-56 is based on the A. D. A. figures for the school year 1952-53. Re-classification will be based on the A. D. A. figures for 1954-55. Schools will be notified of their classification by November 1, 1955. Any requests to move into a higher classification will have to be filed by November 30, 1955.
- A school on application to the State Executive Secretary-Treasurer may be permitted to move from a lower to a higher classification but a school will not be permitted to change from the classification as set by its classification figure to a lower classification. Any school which moves from a lower to a higher classification by application must remain in the higher classification until schools are reclassified on a state wide basis.

- a. By percentage standing, counting the regional or designated games, and in case of a tie between two teams, a playoff shall be held.

- b. In case of a tie among more than two teams, the percentage standing counting all games with schools of the same classification shall be used to determine the regional winner.
- c. If after the application of the above paragraph b two or more teams remained tied, a playoff shall be held.

(NOTE: In calculating the percentage standing the games won shall be divided by the games played with any tie game counting as one-half game won.)

Item (8) To qualify for championship of a region or sub-region a team must play a minimum number of games with teams in its region and classification as follows:

- e. In a case where a school is assigned to a region after the region has been determined (i. e., a school beginning football) any games played with that school will count but in case the region is less than eight teams it will not increase the minimum number of games for that region until the year following the assignment of the new school.

Any contract with team outside of the region and classification extending beyond the 1955 season may be voided, if necessary, to complete the regional schedule. (NOTE: All schools are urged to work towards adjusting of contracts so that no two-year contracts will extend beyond the odd calendar season. This will do much toward simplifying the making of regional schedules.)

Item (10) In any case where two teams have played each other more than once during the season, only the first game played shall count in the regional standings. (Exception—a tie among more than two teams.)

Item (11) The State Football Committee shall be composed of one member from each region of each classification and the State Officers of the Georgia High School Association. The member from each region of each classification shall be elected by the schools of the respective region.

The terms of the members of the State Football Committee shall be for two years. The members from the even numbered regions shall be elected in the Spring of the even numbered years and the members from the odd numbered regions shall be elected in the Spring of the odd numbered years.

In case a vacancy occurs in any region for any reason, the region is authorized to fill the unexpired term at the next meeting of the region after the vacancy occurs.

The officers of the State Football Committee will be a Chairman and a Secretary who will be elected from the membership of the State Football Committee by the Committee. The officers so elected shall serve until their terms of office on the committee expire. In case a vacancy occurs in either or both offices, the vacancy shall be filled at the first meeting of the State Football Committee following such vacancy.

The State Officers of the Georgia High School Association shall be ex-officio members of the State Football Committee but with no vote. 1 point will be allowed for the team that has the greater number of first downs during the game.

1 point will be allowed for the team that has the greater net yardage during the game.

If the teams are still tied after the application of this system, the winner will be the team with the greater net yardage.

(NOTE: Whenever the application of this system is necessary the points allowed are added to those scored in the game to determine final score.)

Item (22) All football games will be played with a minimum of four officially dressed football officials who are registered under the Georgia High School Association plan for the registration of officials, or with the State Association of another state. (b) How conducted: The District or Region Executive Committee or through its secretary shall appoint for each contesting school a visiting examiner to conduct the contest in each school, said examiner being a Superintendent or Principal of some member school or his representative. The District or Region Secretary shall send by mail to the Superintendent or the Principal of the school participating in the contest, the sealed list of words. The outside envelope shall be addressed to the Superintendent or the Principal of the participating school; the inside envelope shall contain the sealed list of words and the District or Region Secretary shall write the name of the visiting examiner on the outside of this envelope. The envelope with the sealed list of words is not to be opened by any person other than the visiting examiner or his representative. The material may be registered if the district or region so sees fit, however, it is not mandatory. The visiting examiner is directed to select two assistants from the faculty in the school where the examination is being held to assist him in conducting the examination. The local spelling teacher may give out the words to the class. Definitions of words may be given.

The examiner shall make a written report of the result of the examination on the report enclosed with the list of spelling words with such report being signed by the examiner and his assistants. It shall be sealed and mailed to the District or Region Secretary on the same day on which the examination is held together with all of the examination papers and with such written explanation of absence as may be submitted to him. No excuse for absence other than a doctor's certificate will be accepted, except in the case of extraordinary providential hindrance such as death in the family or some similar circumstance. One hundred words must be counted off for each unexcused absence.

The District or Region Secretary must notify the State Executive Secretary-Treasurer by Monday of the last week in March what schools in that district or region will enter the spelling contest. Every examination not held according to these rules and regulations will be disqualified.

(c) **Winning papers:** The District or Region Committee may review the reports and papers sent in. The District or Region Secretary shall send to the State Office the averages of all schools in his district or region and the papers of the winning school. The State Executive Secretary-Treasurer is authorized to review or regrade the papers or to have same done. The District, Region, or State Secretary shall from the data award first, second, third, and fourth places according to whether it is a District, Region or State Contest.

(d) All spelling papers must be written in ink. One hundred errors must be counted off for each paper not written in ink. In correcting papers count as errors the following:

1. All words so poorly written you cannot read them.
2. All words written as "i" over an "e".
3. All words which show erasures and/or changes.
4. All words erased and/or crossed out and rewritten.
5. All words which are not numbered to agree with the number of the word as given out by the examiner.
6. All words omitted.

(e) Each school wishing to enter the Spelling must notify the District or Region Secretary in writing not later than March 15 of its intention to enter Spelling for the current year.

Item (7) DEBATE

Each school wishing to enter debate must notify the District or Region Secretary in writing not later than October 15 of its intention to enter debates for the current year.

Elimination on District and Regional levels will be conducted by one of the following plans as the District or Region may direct.

- (1) The District or Region Secretary shall group the schools entering into two circles according to geographical arrangement by November 5th, and notify each school concerning the groupings. Each school so grouped shall present two teams of debaters, one team on the affirmative and one team on the negative, with the affirmative team debating at home and the negative team away from home.
- (2) The District or Region Secretary shall group the schools entering into two circles by November 5th and notify each school concerning the groupings. Each school so grouped shall present two teams of debaters, one team on the affirmative and one team on the negative. All schools in the same circle shall meet at the same place at a time set by the District or Region.

Where a school drops out, consolidations are to be made by the District or Region Secretary and schools must be ready to meet any assigned contestants on the date for debate. Should all schools but one in a circle fail to debate, that school shall be declared the winner of the circle and be entitled to represent the school at the District or Region final debate. If only two schools remain in a circle, these debate on a dual plan. The winners of the respective circles meet in the District or Region finals on a dual debate plan with the affirmative team of each school meeting the negative team of the other school.

Any school entering debate and dropping out without giving notice to the District or Region Secretary at least three days prior to the date of the debate shall not be allowed to enter any other literary event during that school year.

(a) Order of speeches: At all contest, time and order of speeches shall be as follows:

MAIN SPEECHES

First affirmative speaker	10 minutes
First negative speaker	10 minutes
Second affirmative speaker	10 minutes
Second negative speaker	10 minutes

PREPARATION OF REBUTTAL

Time for preparation of rebuttal shall be given. The maximum time shall be limited to ten minutes. By unanimous consent of all participants in the debate, less time for the preparation of the rebuttal may be used and the debate continued.

REBUTTAL SPEECHES

First negative speaker	4 minutes
First affirmative speaker	4 minutes
Second negative speaker	4 minutes
Second affirmative speaker	4 minutes

Speakers on respective sides must speak in the same order in rebuttals as in main speech.

(b) For 1954-55 the debate subject will be:

Resolve: That the federal government should initiate a policy of free trade among nations friendly to the United States.

(c) District and Regional Debates: All of the preliminary debates in the various districts and regions shall be held on November 17 at such hours as may be agreed upon or at such time as may be set by the District or Region. In case of a tie in a circle the tie must be settled not later than November 20. The winning school in each circle will be entitled to compete in the district or region final. The district or region final must be completed not later than November 24. Should there be a tie in the district or region final the contest must be continued or reheld until a representative for the State contest is determined. In case of a tie in the district or region final the points towards the literary trophy shall be equally divided between the tied schools. The continued or reheld contest shall carry no points but is held merely to determine the representative of the district or region to the State contest.

(d) Judging and Scoring: In every debate there shall be three judges. A copy of instructions shall be given to each judge. In selecting the winners, the vote of each judge shall count 1, a perfect score making 6 points. A school is not eliminated as long as it wins both decisions in its circle.

(e) Instructions to Judges: The judges shall vote from their places without conference. Judges are to consider both the constructive and the rebuttal speeches, and should regard proof, organization, refutation and delivery of the constructive speech; and the analysis, refutation and delivery of the rebuttal speech.

The judges will select the best team of debaters by rating the best team as Number 1, and the losing team as Number 2. In addition the judges will give each speaker a percentile score.

As a basis for marking the judges will use the following:

Organization and proof	50
Analysis and refutation	30
Delivery	20

Each judge will be furnished a blank ballot similar to the following:

Team Number 1

Team Number 2

Affirmative Team:

1st speaker's score

2nd speaker's score

Negative Team:

1st speaker's score _____

2nd speaker's score _____

Judge's signature

At the close of the debate each judge shall indicate his choice by ballot and deliver it to the presiding officer. In district and region debates the presiding officer shall inspect the ballots in the presence of a representative of each school and announce the result. In the State debates the ballots in each individual debate shall be sealed and delivered to the Chairman in charge of the State debates. *After all of the debate envelopes have been turned in to the Chairman, he shall forward them to State meet office, where the State Executive Secretary-Treasurer or his representative shall, in the presence of representatives from the competing schools, open the envelopes, read aloud the ballots, make an official tabulation of the results, and announce the results.*

(f) No Visiting: It shall be considered dishonorable for pupils, teachers or followers of one school to visit debates of another school for the purpose of securing information when the two schools are likely to meet on the same question.

(g) Coaching: Coaching is necessary, but does not mean writing speeches. Coaching shall be limited to (a) instruction in the art of debating in general; (b) help in the collection of material bearing on the subject; (c) advice, suggestions, directions, criticism, outlines, and English as in regular class room work; (d) drill on delivery. The coaching must be done by a teacher of the school and not by outside parties. Each school will observe these general principles of honesty for the sake of the pupils.

(h) In all contests the debaters shall be separated from the audience and shall receive no coaching while the debate is in progress.

(i) No speaker may be interrupted during the main speech or rebuttal, nor may any speaker utilize any time other than that allotted for main speech and rebuttal. For violation of this provision, the presiding officer shall forfeit the debate to opponents.

(j) Teams: The teams constituting the debating team from a given school may not change from one team to another or change from affirmative to negative or vice versa, in order to give the school a stronger representation on that side of the debate. Each school must be represented by the same debaters or alternate at the District, Region, and State debates that represented the school for the first circle debate and on the same side of the question that they originally represented.

(k) At the State debates, the State Executive Secretary-Treasurer shall arrange the districts or region winners into two circles in each class with approximately the same number of schools in the respective class in each circle, these to be designated as Circle 1 and Circle 2. (Exception—if there are four or less schools in the State debate in any class these may be arranged in one circle which will be the final debate.) The winning school in Circle 1 will meet the winning school in Circle 2 for the State Championship. In case of a tie between schools in the same circle for first place in that circle, the schools tied shall debate off the tie, each school furnishing two teams. Both teams of the winning school in each circle will be entitled to contest in the final debate, and the school scoring the most points in the final debate shall be declared the winner. Should there be a tie in the final debate a co-championship will be declared.
