The President's Message

Dear Friends:

Thank you for the confidence placed in me by electing me to serve as president of the Georgia High School Association. It is an honor and a privilege. I assure you that I will do everything in my power to justify your confidence in me.

The Georgia High School Association has developed and progressed each year since it was organized and should continue during the next year with your help and cooperation. Our association, with your help and understanding, will continue to go forward and to help students to develop to their fullest, mentally, morally, and physically.

It is my desire to also call to your attention the excellent manner in which our Secretary over so many years has charted our course and has been the guiding light of our association. Today we are respected and admired by all other state organizations and most of the prestige has come to us because of Sam Burke, our able, efficient, and loyal Executive Secretary. Thank you Sam for a job well done; and I'm sure I express the sentiments of my contemporaries.

With a feeling of humility and pride I deem it a privilege and honor to have such able men to work with; men of knowledge and wisdom. Working with those you like is a pleasant adventure, anytime, anywhere.

Again, thank you for your confidence in me and please feel free to call on me anytime I may serve you.

Respectfully yours,
M. E. Nichols, President
Georgia High School Association

From The Secretary's Desk

This section of the Bulletin contains in summary form special information.

TRACK—Several important changes have been made in the Track program.

1. The two-mile run has been added as an event in each classification.
2. A pupil who is enrolled in at least his sixth semester may participate in the 440 yards dash and the mile relay provided he meets the other limitations as to Track and Field events.
3. There will be no trials in the 880, the mile and the two-mile in the State Track Meets. These events will be run in flights with the time being taken on the first six men in each flight. Places will be decided on basis of time. The fastest men will be placed in the faster flight.
4. Decathlon will be added as an Open State event. If necessary eliminations will be held on an area basis.
5. Six places will be counted in the Region Track meets. First place will count 10 points; second place, 8; third place, 6; fourth place, 4; fifth place, 2; sixth place, 1.
6. In order to give an opportunity for more participation in track, the State Track Meets have been set later in the school year. The B and C meets will be held the second weekend in May; the AAA, AA and A will be held the third weekend in May.

FILING OF FOOTBALL SCHEDULES—Provision has been made that football schedules will be filed by March 1 of each year. The schedules will show day, date and place of each game. This information is needed in order to print schedule booklets and press releases. Schedules are to be filed even if incomplete. Open dates are to be shown and schools with open dates will be furnished with a list of other schools with the same open dates.

BASEBALL SEASON EXTENDED—The game limit for regular season baseball games will be 20. The season has been extended to give opportunity for more play. Region winners in Class C will be determined prior to May 19, 1962, with first round play offs being completed prior to May 26, 1962. Region winners in Class AAA, AA, A and B will be determined prior to May 26, 1962. On May 27, 1962 at 2:00 P. M. representatives from the four remaining schools in each classification will meet at the State Office, Thomas-ton, Georgia, to set the plans for the final play off in each classification.

The State final play offs will begin on June 7, 1962. Play offs may begin at an earlier or at a later date by agreement of the schools concerned.

CROSS COUNTRY—The State Cross Country meet will be held as an open meet to schools of all classifications. To compete in the Cross Country a school must enter a full team of contestants.

NOTIFICATION OF ENTRY IN SPECIAL STATE EVENTS—Notification of entry in Cross Country, Swimming, Wrestling, and Golf AA, A, B and C must be made in writing to the State Office by the deadline given in the section regarding each of these events. In the past there has been some confusion with notification being made to the State Office or to the Chairman of the event.

FILING OF HARDSHIP CASES—In order for a case to be considered by the Hardship Committee complete information must be filed in writing at least ten days prior to the meeting of the Committee. Postmark date will be considered as time of filing. An early filing enables a definite schedule to be set and avoids loss of time for those presenting their case. Complete information is necessary as the Committee may not be able to act on what might be a good case if all materials were complete. An early filing date will make it possible to notify the Secretary of a region of any school in the Region filing a case.

REGION RECOMMENDATIONS TO STATE EXECUTIVE COMMITTEE—In order for a recommendation from a Region to be considered by the State Executive Committee, such recommendation must be filed in writing by the Region Secretary with the State Executive Secretary Treasurer at least ten days prior to the meeting of the State Executive Committee.

BAND DAY UNIVERSITY OF GEORGIA—The University of Georgia Band Day will be October 7, 1961. Bands interested in attending are invited to contact Mr. Roger L. Dancz, Director, The Dixie Redcoat Band, University of Georgia, Athens, Georgia. Invitations are conditional that all travel by bands will be confined to October 7. No band may spend Friday or Saturday night enroute to or in Athens.

ORAL INTERPRETATION AND DEBATE WORKSHOP—The Department of Speech and Drama, University of Georgia, will hold its Fourth Annual Debate and Interpretation Workshop on Saturday, November 18, 1961. This is a one day program starting at 9:00 A. M.

INVITATION DEBATES—In order to create more interest in Debate, two invitation debates have been sanctioned.

The University of Georgia will hold an invitation debate on February 16 and 17, 1962, starting at 3:00 P. M. on February 16. For information in regards to this contact Dr. Leighton M. Ballew,

Head, Department of Speech and Drama, University of Georgia, Athens, Georgia.

The Barkley Forum Debates sponsored by Emory University will be held at Emory University on February 9 and 10, 1962. This event will involve debate teams from several Southern States. For information in regards to this event contact Pat Ward, President, Barkley Forum Debate, Emory University, Atlanta 22, Georgia.

GEORGIA ASSOCIATION OF LIBRARY ASSISTANTS—Annual meeting will be held at Camp Jackson on April 27-29, 1962.

CHANGE OF RECORD AS TO DATE OF FIRST ENTRANCE INTO GRADE 9—A policy was set up several years ago by the State Executive Committee that any request for a change in the record as to date of first entrance into grade 9 must be accompanied by a check, money order or cash in the amount of \$10.00, and that the records of the school making the request for change be checked by some person designated by the State Executive Secretary-Treasurer with the recommendation of the person making the examination being necessary before any change can be made.

Upon receipt of a request, accompanied by the necessary fee, the State Executive Secretary-Treasurer will designate a visiting examiner to check the records of the school concerned. The visiting examiner checks the records and makes recommendation to the State Executive Secretary-Treasurer who acts on the recommendation.

MUSIC FESTIVALS—Dates for the Music Festivals have been set for the various districts. Fridays and Saturdays will be utilized to decrease absences from school work. An additional day has been set up for District 5 in instrumental music by which Thursday after school hours will be used.

Solos and ensembles have been set up on a separate statewide date of March 31, 1962. All of the districts will hold their solos and ensembles on this date.

Festivals will be held on the dates as given below. No district has authority to make a change in these dates.

District 1	February 23, 24, 1962
District 2	March 9, 10, 1962
District 3W	March 2, 3, 1962
District 3E & 6	February 23, 24, 1962
District 4	February 23, 24, 1962
District 5	Instrumental, March 1, 2, 3, 1962
District 5	Choral, March 9, 10, 1962
District 7	March 2, 3, 1962
District 8	March 2, 3, 1962
District 9 & 10	March 9, 10, 1962
All Districts	Solos and Ensembles, March 31, 1962

ELIGIBILITY REPORTS—The procedure for the certification of pupils has been simplified. Considerable work and time can be saved for the school administrator and the State Office if eligibility reports are properly filled out. Some of the items to which specific attention should be directed are:

1. Eligibility Certificate—
 - a. Submit original and two carbons.
 - b. List in alphabetical order, last name first.
 - c. Separate report is NOT required for each sport. After a pupil has once been reported and cleared during the year, no further report is needed in the State Office for that pupil during the year.
 - d. Boys and girls may be listed on the same sheet.
 - e. Individual sheet should accompany eligibility certificate for each pupil being reported for the first time by the school.
 - f. Signature of Principal or Superintendent is necessary.
2. Individual Sheet—
 - a. File ONE sheet for each pupil who is being reported for the first time. After an individual sheet has been filed from a school no further individual sheet is necessary from that school for the pupil.
 - b. List name of each pupil in full. Nickname can be placed in parentheses after the name. Listing pupil as "Junior" Jones or "Slim" Jones makes it difficult to identify pupil on future reports.
 - c. Give date of birth.
 - d. Be sure that the section showing date of completion of 8th grade and first entrance into 9th grade is complete and correct. This can affect very seriously the future eligibility of a pupil.
 - e. In case a pupil being certified for the first time is above 9th grade level, be sure to fill in the attendance record by years to show where and when in each grade beginning with 9th. Be sure this attendance record is in agreement with the section showing date of first entrance into grade 9.
 - f. If any situation in which a pupil is a transfer to your school from some other high school, it is necessary for you to file an individual sheet for that pupil from your school. Use the space at the bottom of the individual sheet to indicate the situation in regards to the transfer. Quite frequently this will save considerable correspondence.

3. General—

- a. The record submitted to the State Office becomes a permanent record. Care should be utilized to have the individual sheet complete and correct as an error made on the original filing can cause difficulty one to three years later.
- b. Individual sheets carry the signature of the Superintendent or Principal and should be completed by school authorities based on school records.

UNSPORTSMANLIKE CONDUCT—In order to handle cases of unsportsmanlike conduct more rapidly the State Executive Secretary-Treasurer has been given authority to handle such cases or to refer cases to the Sportsmanship Committee. Rulings of the State Executive Secretary-Treasurer in a case of unsportsmanlike conduct may be appealed to the Sportsmanship Committee.

UNSPORTSMANLIKE AND FLAGRANT FOULS—Football and basketball game officials have been directed to report the following types of fouls to the State Office.

Football—

1. Any foul for which a player is disqualified.
2. Any foul involving unsportsmanlike conduct by a player.
3. Any foul called because of unsportsmanlike conduct on the sideline by any person on the team's bench or sideline.

Basketball—

1. Any flagrant technical foul or flagrant personal foul that results in disqualification of a player.
2. Any technical foul of an unsportsmanlike nature called against a player, coach or bench occupant.

FOOTBALL EXPERIMENT—Special permission has been given to Region 3 AA to use a type of play off with either of its sub-regions should there be a tie in the sub-region involving three or more teams. This has been authorized for a period of one year as an experiment. Under this experiment the tied teams will play each other on an elimination basis for a time equal to one half of a regular game with the penetration system being used. For example, if three teams are tied, A plays B and the winner would meet C. If four teams are tied, A plays B, C plays D, with the winners meeting. The play off will be a one night affair with all teams playing in the same location in tournament type elimination play.

BASKETBALL EXPERIMENT—Basketball rules, boys and girls, contain a provision eliminating some of the restrictions regarding coaching from the sideline. In Georgia, as part of a rules experiment and with authorization from the Rules Committee, the

only type of coaching permitted from the sideline will be the use of a signal from the bench by coach or player making a "T" with hands or fingers to indicate that a time out is desired. This signal may be made seated or standing. This is a signal to the team or team captain indicating that the coach wishes a time out. Other than this signal, there will be no coaching from the sideline.

TERMINATION TIME FOR REGULAR SEASON BASKETBALL GAMES—All regular season basketball games must be terminated not later than 10:00 P. M. Game officials are instructed to stop a game at deadline time with the team ahead at the deadline time declared the winner. When there is a foul committed prior to the deadline time, the team entitled to the free throw or throws shall be given the opportunity to attempt throw or throws even if such attempt is after the deadline time.

SANCTION FOR INVITATION TRACK MEET OR RELAYS—Attention is called to the regulation which requires that sanction be secured from the State Office for any Track Meet if:

1. More than four schools participate.
2. More than two schools participate and any one school travels a distance greater than 50 miles one way.
3. More than two schools participate and any one school is out of the State of Georgia.

LIMITATION OF EVENTS IN SWIMMING—Attention is called to the National Swimming Rules which limit a contestant to two and only two events.

MIGRATORY RULE CHANGE—A change has been made in the migratory rule whereby a pupil who returns from a private school to a public school in the area of his parents residence will be clear provided such return is made at and not later than the beginning of the following school year. This change applies only to a pupil returning from a private to a public school. It does not apply to a pupil of high school level in a private school when such pupil has not previously transferred from a high school grade in a public school to a private school. Special provision is made as to time of transfer. In order to be clear the transfer must be made at the beginning of the school year following the transfer to the private school.

HAND PROPERTIES—Considerable difficulty was encountered in regards to the hand properties in the One Act Play. A definition of hand properties was sent to each Region. Each Region determined on the basis of the definition which properties in its One Act Plays were hand properties. This same procedure will be followed this year. In making the report of the winners to the State Office, the Region will list the hand properties which it has approved.

It is suggested that each Region Secretary call to the attention of each school entering the One Act Play the definition given below and request the school to file with the Region a list of the hand properties which it plans to use. The Region Secretary can then eliminate any hand properties that do not fit the definition.

Hand properties are usually items carried by the actor, but also properties that are on the set which are picked up, or carried on, or moved, or used in some way by the actor and are not merely decorative or ornamental in terms of the setting. An object that is carried in the hand or on the person or is on the set, but is picked up and used by the actor is termed a hand property and not a set property which is decorative only.
