## *The President's Message*

If it were not for problems there would not be any need for the Georgia High School Association.

We have tried to solve some of our problems. We have spent time. We have held meetings. We have expended man-hours. We have shared ideas. Yet, unsolved problems continue to arise in spite of our efforts to solve them.

We have one problem that has been slowly and surely creeping up on us, the problem of having enough energy to do all the things we would like to do. The time is here, now, when the Georgia High School Association must face up to the energy problem and begin to do what we can to recommend to its membership ways to conserve energy.

Please continue to carefully read the Constitution and By-laws. If you need assistance with an interpretation of a rule contact Mr. Fordham or Mr. Musselwhite.

Join me as we thank Mr. Fordham, Mr. Musselwhite, and the lovely ladies of the High School Association office for the excellent job they do for us.

The Executive Committee has honored me again by electing me as the President of the Georgia High School Association for the 1977-78 school year. It will be a challenge and a pleasure to serve you and the boys and girls under our jurisdiction.

I wish for you a happy, pleasant, and successful school year.

M. E. Nichols

**CONSTITUTIONAL CHANGES**—Delete Sec. 1, item 6, p.26 (1976-77) Constitution. This allows a student to participate on an outside team and a school team at the same time.

A member school will be fined \$1,000.00, with probation in that sport or activity for that school year, and full warning for a full calendar year, for illegal practice.

A member school entering a protest to the GHSA (in any activity), shall attach a check for \$100.00 to its written protest. If the protest is upheld, the check will be refunded.

**STATE CROSS COUNTRY MEET SCHEDULE** — Atlanta, Georgia,  
Nov. 19, 1977

10:30 a.m. - Class B Boys  
11:00 a.m. - Class A and B Girls  
11:30 a.m. - Class A Boys  
12:00 noon - Break for lunch

**DEBATE**—There will be a place on judges ballot for the judge to list the winner of that particular round.

**DEBATE TOPIC** — Resolved: That the federal government should establish a comprehensive program to regulate the health care system in the United States.

**ELIGIBILITY REPORTS** — The procedure for the certification of pupils has been simplified. Work and time can be saved for the school administrator and the State Office if eligibility reports are properly filled out. Items to which specific attention should be directed are:

1. Eligibility Certificate

- a. Submit original and two carbons (1 is returned to the school; 1 goes to the region; 1 remains in the State Office.)
- b. List pupils in alphabetical order, last name first.
- c. Separate report IS NOT required for each sport. After a pupil has once been reported and cleared during the school year, no further report is needed for that pupil during the school year.
- d. Boys and girls may be listed on the same sheet.
- e. For each pupil being reported for the first time by a school, an individual sheet for that pupil should accompany the eligibility certificate.

2. Individual Sheet

- a. File ONE sheet for each pupil who is being reported by the school for the first time. After an individual sheet has been filed by a school, no further individual sheet is necessary for that school for the pupil.
- b. List the name of the pupil in full. Nicknames can be placed in parentheses after the name. Listing a pupil as "Junior" Jones or "Slim" Jones, makes it difficult to identify pupils on future reports.
- c. Give date of birth — indicate authority for birthdate. You will be assisting a pupil if you require the pupil to furnish a birth certificate.
- d. The section showing date of completion of 8th and first entrance in 9th should be complete and accurate. An error in this section can seriously affect the future eligibility of a pupil.
- e. When a pupil certified for the first time is above the 9th grade level, be sure to fill in the attendance record by years to show where and when in each grade beginning with 9th. Be sure that the section is in agreement with the section showing date of first entrance into grade 9.
- f. If a pupil is a transfer to your school, it is necessary that you file an individual sheet for that pupil from your school. Use the space at the bottom of the individual sheet to indicate the situation in regards to the transfer. Frequently this will save correspondence

and establish the pupil's status without delay. Information as to where the pupil lived last year, with whom, relation, and where and with whom the pupil is living now and their relation will help to clear your report.

3. General

- a. The report submitted to the State Office becomes a permanent record. Care should be utilized to have the individual sheet complete and correct as an error on the original filing can cause difficulty one to three years later.
- b. Signature of the Principal or Superintendent is required on the individual sheet.
- c. Individual sheets should be completed based on school records. Sheets should not be filled out by the individual pupil involved.

These items should assist you in completing your eligibility report:

- a. If a pupil's birthdate was prior to May 1, 1958, the pupil is overage and not eligible.
- b. If pupil first entered the Ninth grade prior to 1974, the pupil is over eight semesters and not eligible.
- c. Eligibility reports and Region reports are considered first class mail.
- d. Postage due mail will be returned to the sender.
- e. Mail for the GHSA should come to P. O. Box 271, Thomaston, Georgia 30286.

**CHANGE OF RECORD AS TO DATE OF FIRST ENTRANCE INTO GRADE 9**— A policy has been set by the State Executive Committee that any request for a change in record as to date of first entrance into Grade 9, must be accompanied by a check, cash, or money order in the amount of \$10.00. A certified copy of the students transcript must accompany the request and check for \$10.00. The use of the visiting examiner will be waived unless the Secretary-Treasurer feels this is necessary.

**ENERGY CRISIS — Policy on Energy Conservation**

The energy situation throughout our nation has reached critical proportions. It is imperative that every effort be made to conserve energy.

During the normal school day all physical education and athletic facilities will not exceed a maximum of 65 degrees. This will also apply to interschool related activities, which may use athletic or physical education facilities.

**SOCCER** — Only the first place team for each area shall advance to the State Soccer Tournament.

Limit B team Soccer matches to 14 minute quarters.

Limit 8th grade Soccer matches to 12 minute quarters.

#### **SWIMMING**

- a. Entries must be posted by the school ten days prior to the State event.
- b. No school entries by phone.
- c. No points will be allowed to a swimmer if they do not at least make the qualifying standards.

**TENNIS** — In the State meet a first and second place team trophy will be awarded, determined by points on the basis of 1 through 5 in advancing through the bracket. The point system will begin in the North and South Georgia Tournaments. All classifications end their season at the same time with state finals. The winner and runner-up advance to the finals.

**GIRLS TRACK** — Add the two (2) mile run after the 440 yard relay.

- a. Schools shall have alike uniforms on all participants.
- b. No jewelry is allowed.
- c. Time schedule will be adhered to in all meets.

**TRANSFER OF STUDENTS FROM NON-MEMBER GEORGIA PRIVATE SCHOOLS** — A special provision has been made for the return to the school of their residence all those students who during the 1976-77 school year attended non-member Georgia private schools. The migratory rule will not apply to any such student returning to the high school of their residence, provided such return be made not later than the first ten days of the 1977-78 school year.

**WRESTLING** — Break the area and State Tournaments down one more session by adding the first session on Thursday night.

**Sec. 4 FOOTBALL**

1. The State will be divided into regions in each class. Region lines may not be the same for all classes.
2. A region may be sub-divided by the schools of the region concerned. This number of sub-divisions may be two or more with approximately the same number of schools in each sub-region.

3. No high school shall belong to any other football organization than that to which assigned by the Georgia High School Association and be eligible for membership in the Georgia High School Association.
4. All football games played by member schools of the Georgia High School Association must be played under the football rules as adopted by the National Football Rules Committee of the National Federation of State High School Associations. In case of suspended game, the State Executive Secretary will determine if and how a game will be resumed.
5. All varsity football games will be played with a minimum of four officially dressed football officials who are registered under the Georgia High School Association plan for the registration of officials, or with the State Association of another State.
6. a. Reclassification is provided in Article III of the Constitution.  
b. Following notice of reclassification each region will call a meeting for scheduling purposes. This meeting will be held on the second Saturday in January, 1978, to make and to complete all region football schedules.  
c. No school in the region may schedule any football game beyond the season of 1977 prior to the region meeting.  
d. Any contract extending beyond 1977 season may be voided, if necessary, to complete the region schedule. **NOTE:** All schools are urged to work toward adjusting of contracts so that no two-year contract will extend beyond the odd-calendar year. This will do much toward simplifying the making of region schedules.
7. a. Each school must file its football schedule with the State Executive Secretary-Treasurer not later than March 1 of each year. Schedule must show day, date, and place of game.  
b. Any school making a change in football after the schedule has been filed with the State Executive Secretary-Treasurer, shall notify the State Executive Secretary-Treasurer of such change. For any change in schedule involving a region game, notification must be made prior to the date for beginning of football practice.  
c. Any game or games involved in a change of schedule after the date set for the opening of football practice shall not count in region or sub-region standings.  
d. Limitation regarding a change in schedule shall also be construed to prevent a school from cancelling a game when such game could affect the region and-or sub-region standings.

**NOTE:** A change in date with the same opponent will not be construed as eliminating such game from region and-or sub-region standings.

8. a. The maximum number of games that a school may schedule in its regular season must be limited to ten. This limitation of ten games in the regular schedule shall not include playoff games.  
b. No football game may be played on a night preceding a school day without specific authorization from the State Executive Secretary-Treasurer.
9. The regular season must end by the Saturday prior to Thanksgiving. (4th Thursday)
10. No football practice in pads may be prior to the beginning date set for the respective season. For the 1977 season, those regions who opted for three weeks of Spring practice, the beginning date in pads is August 8, 1977. For all other regions the beginning date is August 15, 1977. A school may begin working out earlier than the set practice date, provided that such workouts shall be without pads. (Headgears, face guards, mouth pieces, and shoes may be used)

**NOTE:** Extra workouts without pads have been provided in an effort to secure better condition and reduce injuries.

11. There will be no inter-school practice and-or scrimmage in football.
12. Spring football practice shall be limited to a period of four consecutive calendar weeks (28 consecutive calendar days) and must be completed by the last day of the second semester, the last day of the spring quarter or June 10th whichever comes first. By region action, one week of Spring football practice may be eliminated for all schools of that region, and the schools in that region may practice in pads one week earlier than the Fall date for practice in pads.

**NOTE:** Playing a football game with alumni during the Spring football practice is a violation of the post-season rule. Intra-squad game involving pupils currently enrolled in the school is clear. Any other type game is an eligibility violation.

13. To qualify for championship consideration of a region or sub-region a school must play a minimum number of games with schools in its region and classification as follows:
  - a. In any region or sub-region in which there are eight (8) or less schools, each school must play each other school in that region or sub-region.
  - b. In any region or sub-region in which there are nine (9) or more schools, each school must play eight (8) regional or sub-regional games.
  - c. In a case where a school is assigned to a region or sub-region after

- the region or sub-region has been determined, (i.e., a school beginning football) any games played with that school will count but in case the region or sub-region is less than eight (8) schools it will not increase the minimum number of games for that region or sub-region until the year following the assignment of the new school.
- d. In any region or sub-region in which there are six (6) or less schools, if each school plays each other two games, both games will count as region games. In any other case where two schools have played more than once during the regular season only the first game shall count in the regional standings. (Exception—a tie among more than two teams.)
14. Any games scheduled by a school which does not play a regional or sub-regional schedule to qualify for championship consideration, will not count for or against any opponent.
15. a. - a. By percentage standing, counting the region or designated games and in case of a tie between two teams a play-off shall be held.  
b. In case of a tie among more than two teams, the percentage standings counting all games with schools of the same classification playing a region schedule qualifying for championship consideration shall be used to determine the region winner.  
c. If after the application of the above paragraph two or more teams remain tied, a play-off shall be held.  
d. A., b. and c. will apply to a sub-region except where two teams are tied in a sub-region and have played during the regular season, the winner of the regular season game will be the winner of the sub-region. Where there is a tie among more than two teams in a sub-region, if after the application of b, two teams remain tied, the winner of the regular season game will be the winner of the sub-region.  
e. In the playoffs not more than two games may be played by the same team within a period of six days (at least five days between games).

- f. If a situation develops where two or more teams are tied in a region or sub-region, and conditions are such that one or more teams would be required to play more than two games within six days (or within five day interval), then the schools in the region or sub-region involved, will determine by ballot their representative in the playoffs.
- g. In calculating the percentage standings the games won shall be divided by the games played with any tied game counting a one-half game won.
- h. By a majority vote of the schools of a region at the region meeting for scheduling, provision may be made for a playoff between the first and second place teams in the region. 17. The football playoffs for 1977 shall be as follows:

Region 5			
Region 7	(H)	_____	
Region 6			
Region 8	(H)	_____	(H)

b. AAA and A

Region 1			
Region 3	(H)	_____	
Region 2			
Region 4	(H)	_____	(H)
Region 5			
Region 7	(H)	_____	
Region 6			
Region 8	(H)	_____	(H)

- 18. In case of a tie in any play-off game, sub-regional, regional, or semi-final, preceding the final state championship game the following system will be used to determine the winner:
  - a. When a game ends in a tie score, two overtime periods of five minutes each will be played with all regular football rules applying, except that each team will be allowed one charged time out for each overtime period.
  - b. After the conclusion of the regular game there will be an interval of two minutes. The two captains will meet on the field for a coin toss and the winner will have the same options as apply at the

- beginning of the game. The loser of the toss will have the same options at the beginning of the second overtime period as in the second half of a regular game.
- c. There will be a two minute interval between the first and the second overtime period during which each team may meet with its coaching staff at its bench area.
  - d. The team which is ahead at the end of the second overtime period is the winner. Points scored will be added to the regular game score.
  - e. Two different color flags furnished by the home team (markers) will be used to mark on the side lines the nearer advance of each team to the other team's goal line. If the score is tied at the end of the second overtime period, the team which has advanced nearer to its opponent's goal line is the winner. (One point is added for advancing nearer to the opponent's goal line.)
  - f. There is a possibility that either or both teams may score a touchdown during the overtime periods and there is a possibility that the score will remain tied. The advancement in e. will apply, if prior or subsequent to the touchdown drive.
  - g. It is suggested that an official (which is the responsibility of the host team) on the side line mark the spot of advancement for either team, and that in addition to marking with a flag (marker) that it be noted in writing with each change of advancement indicated. (This will provide exact information in case a marker is moved by wind, accident, etc.)
  - h. The score remains tied at the end of both overtime periods. Team A has its advance to its own 40 yard line (60 yards from opponent's goal): team B has its advance to its own 46 yard line (54 yards from opponent's goal). Team B is the winner.
  - i. A touchdown, field goal or safety does not eliminate any prior or subsequent advancement.
  - j. In the unlikely event of a tie at the end of the second overtime period, the plan in the current rule (football) book will be employed to break this tie. See pages 83-85.
19. In case of a tie in the State final championship game the two tying teams will be declared co-champions.

**SPECIAL INFORMATION — ONE ACT PLAYS**

For special information in regards to facilities in connection with the One Act Plays, contact Dr. August Staub, Department of Speech and Drama, University of Georgia, Athens, Ga.

**Sec. 17. ORAL INTERPRETATION**

1. This is a reading contest of prose, poetry and-or dramatic literature. The contest is built on communication — one in which a reader communicates the author's meaning to the audience. In order to do this, the student must study and understand the selection and have an intense desire to share his understanding with his audience. However, this does not mean acting. The contestant will be disqualified for acting. Acting is acting, and reading is reading; and this is reading.
2. The material selected should be of good literary value and appropriate for the contest. The student gives to his audience a brief

expository statement about the selection. The material should not be memorized but must be read from a prepared manuscript. The manuscript must be used during presentation.

3. The time limit shall be at least 5 minutes but not more than 7 minutes or the contestant shall be disqualified. An official timekeeper and time cards must be used.
4. No costumes, properties, musical or sound effects may be used in the presentation.
5. This event is open to boys and girls, who will compete in the same contest.
6. Contestants shall draw for positions.
7. Judges shall take into consideration the following: selection, communication, vocal technique and visible technique.
8. The judge shall select a first, second, third and fourth place winner.

#### Sec. 18. PIANO

7. The judges shall select a first, second, third, and fourth place winner.

**Sec. 19. QUARTET**

1. In Region and State meets the quartet contest shall be a male quartet.
2. A Male Quartet shall consist of four voices and carry the following distinct harmony parts: (1) first tenor; (2) second tenor; (3) first bass; (4) second bass. Unless these four harmony parts are heard the group will not be considered by the judges.
3. Each quartet will be limited to eight minutes.

4. Two selections shall be sung each of which shall be appropriate for a small group of singers and one of which must have serious musical value: a chorale, madrigal, art song, or folk song whether originally composed or in an arrangement.
5. Quartet may be with or without pianist. No other accompanist or tape recording may be used.
6. Contestants will be prepared to furnish a copy of music for the use of judge or judges.
7. The judges shall select a first, second, third, and fourth place winner.

#### Sec. 20. SHORTHAND

1. The contest in Shorthand in Region and State Meets will consist of dictation and transcription. The contest is open to both boys and girls of any grade level in high school.
2. The shorthand contest will be judged on the finished manuscript from which will include accuracy in the transcribed material and correctness of punctuation and spelling. The finished product will be graded on the basis of Georgia High School Association Shorthand Contest Rules.
3. The rate of dictation will be 100 words per minute for five minutes.
4. Contestants will begin transcription at the same time and be allowed 60 minutes to read and type their notes. Transcription time will be recorded but will count only in case of a tie.
5. Contestants are expected to furnish own notebooks, pen or pencil, typewriter (which may be electric or manual), typing paper and eraser. Eraser type ribbon may not be used. (8½"x11" paper only.)
6. Contestants may furnish and use own dictionary. A reference manual may not be used.
7. The original transcription of the contestant's notes is the copy to be graded. Errors may be corrected only with typewriter eraser. Recopying and-or rewriting of the material is not permitted.
8. Only contestants and those administering the test are allowed in the room during the contest.
9. The judge or judges administering and grading the contest must have a minimum of one year's teaching experience in shorthand.
10. Transcriptions which score less than 90 percent accuracy, will be

disqualified and will not be placed in scoring.

11. The judges shall select a first, second, third and fourth place winner. Scores may be released upon request, but no papers are to be shown or returned.
12. **GHSA SHORTHAND CONTEST RULES.\***

1. **GENERAL RULE.** Every word omitted, inserted, misspelled, or in any manner changed from the dictated material (except in the case of transposition and rewritten material) must be penalized.

Errors are not charged both for the transcribing of wrong words and for the insertion of others on the same construction. For instance, the checker should count the number of words incorrectly transcribed and that will be the total of errors on that construction; but if the number of incorrect words the student transcribes on a particular construction exceeds the number of those he should have transcribed, he is charged always with the greater number.

2. **TRANSPOSITION.** Words when transposed are penalized one error for the transposition; additional penalties are imposed for errors in the transposed words.
3. **REWRITTEN MATTER.** In any rewritten matter, every error must be penalized, whether in first or second writing, and one additional error charged for the rewriting. Do not charge an additional error for each rewritten word.
4. **STRIKE OVERS AND CORRECTIONS.** Strike overs will be counted as errors. Acceptable erasures made with a typewriting eraser will not be penalized.
5. **DEDUCTION FOR ERRORS.** Deduction for each type of error will be the same.
6. **LINE SPACING.** Work must be double spaced—"two notches." Every line singly or irregularly spaced is penalized one error in addition to all other errors in the same line.
7. **LENGTH OF LINE.** Use a 70-space line calculated on the basis of the center of the machine.
8. **SALUTATION AND COMPLIMENTARY CLOSE.** If letters are dictated, the salutation is to be indented five spaces as a part of the first line of typewriting followed by a colon and two spaces; and the complimentary close is to be a part of the last line of typewriting

followed by a comma.

9. **SIZE OF PAPER.** Only 8½" x 11" paper may be used.
10. **PARAGRAPHING.** Paragraphs must be indented five spaces and only five. An error in paragraphing is penalized in addition to all other errors in the same line.
11. **PUNCTUATION.** Each mark of punctuation inserted, omitted or in any manner changed from the printed copy will be penalized one error.
12. **SPACING AFTER PUNCTUATION.** Two spaces must follow the period, the colon, and the interrogation and exclamation points—one space after all other punctuation points.

If punctuation is followed by a quotation mark, the spacing follows the rule laid down for the punctuation point, viz., a colon followed by a quotation mark calls for two spaces, a period at the end of the sentence followed by a quotation mark calls for two spaces after the quotation mark, but a comma followed by a quotation mark calls for one space.

In initial groupings, internal periods after capitals are followed by one space, but those after small letters are not: O.K., C.O.D., A.M.; a.m., c.o.d.

13. **A DASH** must be written with two hyphens without spacing before or after. If a dash is necessary at the beginning of a line, there should be no space between it and the following word.
14. **CUT CHARACTERS.** If any word is written so close to the top, bottom, or side of pages that a portion of any letter is cut off the word must be penalized.
15. **WORDS WRONGLY DIVIDED.** A word divided at the end of a line other than between syllables must be penalized. A word hyphenated at the end of a line in the printed copy may or may not need the hyphen if occurring medially in the contestant's work. For instance: "Devilfish" might be hyphenated at the end of a printed line; but medially, if contestant's rendering conforms to any standard dictionary, there is no error.
16. **FAULTY SHIFTING.** An error must be charged against every word where the shift is incorrectly used.

---

\*Adapted from International Typewriting Contest Rules and N.S.R.A. Rules for Correcting Shorthand Contest Transcripts.

17. **LIGHTLY STRUCK LETTERS.** If the outline of any character is discernible, there is no error.
18. **SQUEEZING.** It is permissible to "squeeze" an omitted letter into a half space. However, if any portion of the body of one character overlaps any portion of the body of another character, it is an error.
19. **SPREADING.** It is permissible to "spread" letters to fill out spaces to avoid erasing an entire word.
20. **LEFT-HAND MARGIN.** Characters beginning all lines, except the first lines of paragraphs, must be struck at the same point of the scale. If printed to the left or right of that point, an error must be charged.
21. **X-ING.** Work in which words are x-ed will not be received.
22. **ERASING.** The use of an eraser is permitted, but Ko-Rec-Type or similar correcting methods or fluids may not be used.

#### Sec. 21. SOLO

1. In Region and State Meets there will be a contest in vocal solo for boys and a contest in vocal solo for girls.
2. Each contestant will be limited to seven minutes.
3. Two selections shall be sung, one of which must be from the standard repertory of the art song, oratorio aria or operatic aria. Both selections must be original vocal solo compositions and not arrangements of instrumental or choral pieces.
4. Vocal solo may be with or without pianist. No other accompanist or tape recording may be used.
5. Contestant will be prepared to furnish a copy of music for the use of judge or judges.
6. The judges shall select a first, second, third and fourth place winner.

#### Sec. 22. SPELLING

1. Separate contests will be held in Spelling for boys and for girls.
2. The contestants, one boy and one girl of any grade level, from each school will take a written test consisting of 100 words furnished each region by the State Office.

3. All spelling examinations must be written in ink. (Exception — Typewritten papers will be permitted for the Georgia Academy for the Blind.)
4. Contestants will not be permitted to write a word or words on scratch paper and then write the word or words on the examination sheet.
5. If an error is made, it is not permissible to start over on a new sheet with the next word and recopy the previous word or words.
6. After the original examination sheet has been completed, it is not permissible to recopy the examination.
7. In correcting papers count as errors the following:
  - a. All words so poorly written you cannot read them.
  - b. All words written as an "i" over an "e".
  - c. All words which show erasures and-or changes.
  - d. All words erased and-or crossed out and re-written.
  - e. All words omitted.
  - f. All words in which the preferred spelling is not used. When a word can be spelled two or more ways the preferred spelling will be the correct spelling.
8. At the end of the examination, if two or more contestants are tied, additional word or words will be given and each contestant's paper will be checked as each word is written, with an error eliminating contestant or contestants to determine a winner.
9. If a contestant asks for a definition of a word and-or the use of a word in a sentence, the examiner will do so.
10. The judges will select a first, second, third and fourth place winner.

#### Sec. 23. TRIO

1. In Region and State Meets there will be a contest in Girls trio.
2. A girls' trio shall consist of three female voices carrying three distinct harmony parts, namely, first soprano, second soprano, and alto. (Referred to in music as S.S.A.) Unless these three harmony parts are heard the group will not be considered by the judges.
3. Each trio will be limited to eight minutes.

4. Two selections shall be sung each of which shall be appropriate for a small group of singers and one of which must have serious musical value: a choral, madrigal, art song or folk song whether originally composed or in an arrangement.
5. Trio may be with or without pianist. No other accompanist or tape recording may be used.
6. Contestants will be prepared to furnish a copy of music for the use of judge or judges.
7. The judges shall select a first, second, third, and fourth place winner.

#### Sec. 24. TYPEWRITING

1. Separate contest will be held in typewriting for boys and girls. A school may enter one boys contestant and one girls contestant. The contest is open to pupils of any grade level in high school.
2. The contest will be a straight-copy contest in speed and accuracy and will be graded on the basis of the Georgia High School Association Typewriting Contest Rules.
3. Each contestant will be given the same copy to type.
4. Each contestant will be required to type for a period of five minutes.
5. Each contestant is responsible for furnishing the typewriter to be used in the contest. Typewriter may be manual or electric. Typewriters should be clean type and a comparatively new ribbon.
6. Only contestants and those administering the test are allowed in the room during the contest.
7. The judge or judges administering and grading the contest must have a minimum of one year's teaching experience in typewriting.
8. Papers with a score less than 40 words per minute will be disqualified and will not be placed in scoring. (8½" x 11" paper only.)
9. The judges shall select a first, second, third, and fourth place winner. Scores may be released upon request, but no papers are to be shown or returned.
10. GHSA TYPEWRITING CONTEST RULES.

#### TYPEWRITING CONTEST

##### Instructions for Administering Contest

1. The typewriting contest is a five-minute straight-copy contest. If a

contestant finishes copying the test before the time is up, he is to start again from the beginning and continue until time is up.

2. Contestants are expected to be familiar with Georgia High School Association Typewriting Contest Rules.
3. Each contestant is expected to furnish his or her own typewriter and paper.
4. Scoring of papers:
  - a. Determine the number of words from the figure at the end of the last line completed, and add one word for each five additional strokes typed.
  - b. Subtract ten for each error.
  - c. Divide by 5. (This gives the score.)

#### **GEORGIA HIGH SCHOOL ASSOCIATION TYPWRITING CONTEST RULES. \***

1. **LINE SPACING.** Work must be double spaced-- "two notches." Every line irregularly spaced is penalized one error in addition to all other errors in the same line.
2. **LENGTH OF LINE.** Use a 70-space line calculated on the basis of the center of the machine. Except at end of a paragraph, any line having fewer than 61 or more than 76 characters and spaces is penalized one error in addition to all other errors in the same line.
3. **LENGTH OF PAGE.** Each 8½" x 11" page, except the last, must have at least 27 lines of writing. One error is charged for short page--not one error for each line that the page is short.
4. **PARAGRAPHING.** Paragraphs must be indented five spaces and only five. An error in paragraphing is penalized in addition to all other errors in the same line.
5. **SPACES AND PUNCTUATION POINTS.** All spaces and punctuation points are treated as parts of the preceding word; but if incorrectly made, inserted, omitted, or in any manner changed from the printed copy, an error must be charged unless the preceding word has already been penalized. (See Rule No. 6)

---

\*

Adapted from International Typewriting Contest Rules

6. **SPACING AFTER PUNCTUATION.** Two spaces must follow the period, the colon, and the interrogation and exclamation points—one space after all other punctuation points.

If punctuation is followed by a quotation mark, the spacing follows the rule laid down for the punctuation point; viz., a colon followed by a quotation mark calls for two spaces, a period at the end of the sentence followed by a quotation mark calls for two spaces after the quotation mark, but a comma followed by a quotation mark calls for one space.

In initial groupings, internal periods after capitals are followed by one space, but those after small letters are not: O.K., C.O.D., A.M.; a.m., p.m., c.o.d.

7. **A DASH** must be written with two hyphens without spacing before or after. If a dash is necessary at the beginning of a line there should be no space between it and the following word.
8. **CUT CHARACTERS.** If any word is written so close to the top, bottom, or side of page that a portion of any letter is cut off, the word must be penalized.
9. **WORDS WRONGLY DIVIDED.** A word divided at the end of a line other than between syllables must be penalized. A word hyphenated at the end of a line in the printed copy may or may not need the hyphen if occurring medially in the contestant's work. For instance: "Devilfish" might be hyphenated at the end of a printed line; but medially, if contestant's rendering conforms to any standard dictionary, there is no error.
10. **FAULTY SHIFTING.** An error must be charged against every word where the shift is incorrectly used. If parts only of the proper character appear, it is an error. If the complete character is discernible, it is no error.
11. **LIGHTLY STRUCK LETTERS.** If the outline of a y character is discernible, there is no error.
12. **TRANSPOSITION.** Letters transposed in any word constitute an error. Words when transposed are penalized one error for the transposition; additional penalties are imposed for errors in the transposed words.
13. **REWRITTEN MATTER.** In any rewritten matter, every error must be penalized, whether in first or second writing, and one additional error charged for the rewriting. Do not charge an additional error for each rewritten word.

14. **CROWDING.** No word shall occupy less than its proper number of spaces.
15. **PILING.** If any portion of the body of one character overlaps any portion of the body of another character, or extends into the line space between words to the extent that it would overlap any portion of the body of a character were there a character in that space, then it is an error.
16. **LEFT-HAND MARGIN.** Characters beginning all lines, except the first line of paragraphs, must be struck at the same point of the scale. If printed to the left or right of that point, an error must be charged.
17. **X-ING.** Work in which words are x-ed will not be received.
18. **ERASING.** The use of an eraser is not allowed.
19. **ERRORS IN PRINTED COPY.** Errors found in the printed copy may be corrected, or written as per copy, but in no case will an error be charged against such words unless they are omitted.
20. **LAST WORD.** An error made in the last word written, whether the word is completed or not, must be charged.
21. **ONE ERROR PER WORD.** But one error shall be penalized in any one word.
22. **GENERAL RULE.** Every word omitted, inserted, misspelled, or in any manner changed from the printed copy (except in the case of transposition and rewritten matter) must be penalized.
23. **PENALTY.** For every error ten words must be taken from the total gross number of words typed.
