The President's Message

The cooperation and participation of the member schools of the Georgia High School Association lend active support to the objectives of the organization. The growth has been rapid but orderly as the GHSA has strived to promote education from the mental, physical, and moral points of view. We are experiencing an ever expanding number of schools and pupils participating in the programs sanctioned. I feel confident as this group assumes the sponsorship of Region and State Contests in the areas of public speaking, standardized athletics, music appreciation, homemaking and other fine arts, the young men and women in the member schools of GHSA shall benefit tremendously.

We are experiencing a period in our society when there is perhaps a greater need than ever before for children and adults not only to be satisfied with the increasing amount of leisure time available to them. Through the activities within the jurisdiction of GHSA, we look forward to enthusiastic, keen competition which teach cooperation, democracy, and many other skills necessary for successful adjustment in society. Every member school, large or small, is an integral part of this organization; each strenuously pursuing improvement of the quality of offerings to pupils affording them an opportunity for growth and individual development.

I encourage each of you to carefully read the Constitution and By-Laws. It is the code governing our ethical behavior, and it is of paramount importance that administrators, coaches, teachers, and students be familiar with the rules and regulation in order that all may have a broader understanding of the various programs and their value to students.

If you need assistance with any aspect of the bulletin, please do not hesitate to contact Mr. Fordham or members of his staff. The staff is most anxious to serve you and the boys and girls of Georgia in the fairest, most expeditious means possible. If your schedule permits at any time during the year, we would be most pleased for you to visit your state office and become better acquainted with the operations of the GHSA.

I appreciate the confidence of the association in electing me president for the 1978-79 school year. I wish for you and your staff a pleasant and successful year. Thank you for your continued interest in today's youth.

Dr. Gary D. Holmes

Artificial Limbs:

A school will need to petition the GHSA (using GHSA standard form) along with statement from Physician (Orthopedic Surgeon, preferable) and family, that the limbs are no more dangerous to players than the corresponding limb, and does not place an opponent at a disadvantage. This petition must be filed with the GHSA prior to any participation in any game or contest. A copy will be returned to the school so that the Coach can verify to game officials that all steps have been taken to insure equal protection for the player with the artificial limb and to opponents.

Basketball:

The starting time for games is optional at 6:45 or 7:00 p.m.

No High School Basketball team is allowed to play basketball games in or out of school uniforms during summer months.

Pairings will be drawn so as to not require two teams from the same region to meet each other except in the finals of the State Tournament.

No basketball practice may begin prior to October 15. (After school is in session).

A spring game or jamboree is permitted, after approval has been secured from the GHSA office by the Administrative Head of the school in writing.

Spring practice dates must be filed with the GHSA office ten days prior to the start of practice by the Administrative Head of the school.

Baseball:

End the regular season the third week in May. Adjust playoff dates accordingly.

In playoffs (second game) and State finals, the visiting team becomes the home team in going to bat in the bottom half of the inning. In the third game (if necessary) the two teams flip a coin for the home team designation.

Change of Record as to Date of First Entrance into Grade 9:

A policy has been set by the State Executive Committee that any request for a change in record as to date of first entrance into Grade 9, must be accompanied by a check, cash, or money order in the amount of \$10.00. A certified copy of the student's transcript **must** accompany the request and check for \$10.00. Resolved: That the Federal Government should establish a comprehensive program to significantly increase the energy independence of the United States.

ELIGIBILITY REPORTS:

The procedure for certification of pupils has been simplified. Work and time can be saved for the school administrator and the State Office if eligibility reports are properly filled out. Items to which specific attention should be directed are:

1. Eligibility Certificate

- a. Submit original and two carbons (1 is returned to the school; 1 goes to the region; 1 remains in the State Office).
- b. List pupils in alphabetical order, last name first.
- c. Separate report IS NOT required for each sport. After a pupil has once been reported and cleared during the school year, no further report is needed for that pupil during the school year.
- d. Boys and girls may be listed on the same sheet.
- e. For each pupil being reported for the first time by a school, an individual sheet for that pupil should accompany the eligibility certificate.

2. Individual Sheet

- a. File ONE sheet for each pupil who is being reported by the school for the first time. After an individual sheet has been filed by a school, no further individual sheet is necessary for that school for the pupil.
- b. List the name of the pupil in full. Nicknames can be placed in parentheses after the name. Listing a pupil as "Junior" Jones or "Slim" Jones, makes it difficult to identify pupils on future reports.
- c. Give date of birth—indicate authority for birthdate. You will be assisting a pupil if you require the pupil to furnish a birth certificate.
- d. The section showing date of first entrance in 9th grade should be complete and accurate. An error in this section can seriously affect the future eligibility of a pupil.
- e. When a pupil certified for the first time is above the 9th grade level, be sure to fill in the attendance record by years to show

where and when in each grade beginning with the 9th. Be sure that the section is in agreement with the section showing date of first entrance into grade 9.

- f. If a pupil is a transfer to your school, it is necessary that you file an individual sheet for that pupil from your school. Use the space at the bottom of the individual sheet to indicate the situation in regards to the transfer. Frequently this will save correspondence and establish the student's status without delay. Information as to where the pupil lived last year, with whom, relation, and where and with whom the pupil is living now and their relation will help to clear your report.

3. General

- a. The report submitted to the State Office becomes a permanent record. Care should be utilized to have the individual sheet complete and correct as an error on the original filing can cause difficulty one to three years later.
- b. Signature of the Principal or Superintendent is required on the individual sheet.
- c. Individual sheets should be completed based on school records. Sheets should not be filled out by the individual pupil involved.

These items should assist you in completing your eligibility report:

- a. If a pupil's birthdate was prior to May 1, 1959, the pupil is overage and not eligible.
- b. If pupil first entered the Ninth grade prior to 1975, the pupil is over eight semesters and not eligible.
- c. Eligibility reports and Region reports are considered first class mail.
- d. Postage due mail will be returned to the sender.
- e. Mail for the GHSA should come to P.O. Box 271, Thomaston, Georgia 30286.

FOOTBALL:

Permit Spring football game or jamboree. To be approved in writing with the GHSA office. File dates of practice with the GHSA at least ten days prior to the start of practice by the Administrative Head of the school.

In all sub-region, region and state playoffs (where ties are to be played off) use the two five minutes overtimes found in the GHSA Constitution under football section.

Rotate the State football playoff pairings.

The starting time for games is optional at 7:30 or 8:00 p.m.

Utilize all eight members of the Committee and Alternates so that no member would be required to attend more than four meetings. Diffuse each group with those experienced on the Committee.

LEGAL EXPENSES:

All State Tournaments (except football) will increase the admission charge by 50c in all activities. This is in lieu of increased dues.

LITERARY EVENTS:

On the information sheet mailed to each school during the summer, one person is to be designated by the Administrative Head of the school as the Literary Coordinator for that school. This title does not entitle that person to a GHSA pass.

On all score sheets for timed events, place a blank for time allowed and one for time consumed. This will be completed by each judge.

Require the use of a stop watch for all timed events.

Request the media to give adequate coverage to all Literary events and all activities of the Association. A list should be mailed to the media of all activities with this request.

MIGRANT:

If custody of a student has changed, a copy of the court awarded custody by a court of proper jurisdiction, must be filed along with the eligibility requirements by the school authorities to the Executive Secretary. That status will be assessed as to eligibility and if they meet all other criteria the school will be advised.

A permissive transfer does not carry eligibility. (Without a bona fide change of residence with the people a student lived with at the other school).

OFFICIALS FEES:

No increase in fees will be allowed in excess of 10% (maximum) beginning with the school year 1978-79 (for any given year). The request for the increase must be approved by the Executive Secretary of the GHSA, and approved six months prior to the beginning of that sport season.

Earliest date for Soccer match is February 26. End the regular season April 28. State Tournament play begins May 5 and ends May 12.

SUNDAY COMPETITION:

No Sunday competition is approved by the GHSA for GHSA events. (Sunday practice is a local matter).

SWIMMING:

Move Swimming back to the Winter season.

TEAM LIMITATION:

B team, 10th grade, 9th grade are limited to 70% of the number of games the varsity is allowed. 60% participation for the 8th grade. State Board Standards cover those grades below the eighth grade. (This applies to those schools who are members of the Georgia High School Association only). Middle schools are not members, nor are Junior High Schools.

TRACK:

Accepted the request from Jefferson to sponsor the State Boys Track Meet for 1979-80 and 1980-81.

TRANSFER OF STUDENTS FROM NON-MEMBER GEORGIA PRIVATE SCHOOLS:

A special provision has been made for the return of the school of their

residence all those students who during the 1977-78 school year attended non-member Georgia private schools. The migratory rule will not apply to any such student returning to the high school of their residence, provided such return be made not later than the first ten days of the 1978-79 school year.

Sec. 4. FOOTBALL

1. The State will be divided into regions in each class. Region lines may not be the same for all classes.
2. A region may be sub-divided by the schools of the region concerned. The number of sub-divisions may be two or more with approximately the same number of schools in each sub-region.

3. No high school shall belong to any other football organization than that to which assigned by the Georgia High School Association and be eligible for membership in the Georgia High School Association.
4. All football games played by member schools of the Georgia High School Association must be played under the football rules as adopted by the National Football Rules Committee of the National Federation of State Football Associations. In case of a suspended game, the State Executive Secretary will determine if and how a game will be resumed.
5. All varsity football games will be played with a minimum of four officially dressed football officials who are registered under the Georgia High School Association plan for the registration of officials, or with the State Association of another State.
6.
 - a. Reclassification is provided in Article III of the Constitution.
 - b. Following notice of reclassification each region will call a meeting for scheduling purposes. This meeting will end on the second Saturday in January, 1981 to make and complete all football schedules.
 - c. No school in the region may schedule any football game beyond the season of 1979 prior to the region meeting.
 - d. Any contract extending beyond 1979 season may be voided, if necessary, to complete the region schedule. **NOTE:** All schools are urged to work toward adjusting of contracts so that no two-year contract will extend beyond the odd-calendar year. This will do much toward simplifying the making of region schedules.
7.
 - a. Each school must file its football schedule with the State Executive Secretary-Treasurer no later than March 1 of each year. Schedule must show day, date, and place of game.
 - b. Any school making a change in football after the schedule has been filed with the State Executive Secretary-Treasurer, shall notify the State Executive Secretary-Treasurer of such change. For any change in schedule involving a region game, notification must be made prior to the date for beginning of football practice.
 - c. Any game or games involved in a change of schedule after the date set for the opening of football practice shall not count in region or sub-region standings.
 - d. Limitation regarding a change in schedule shall also be construed to prevent a school from cancelling a game when such a game could affect the region and-or sub-region standings.

NOTE: A change in date with the same opponent will not be construed as eliminating such game from region and-or sub-region standings.

8. a. The maximum number of games that a school may schedule in its regular season must be limited to ten. This limitation of ten games in the regular season shall not include playoff games.
- b. No football game may be played on a night preceding a school day without specific authorization from the State Executive Secretary-Treasurer.
9. The regular season must end by the Saturday prior to Thanksgiving. (4th Thursday)
10. No football practice in pads may be prior to the beginning date set for the respective season. For the 1978 season, those regions who opted for three weeks of Spring practice, the beginning date in pads is August 7, 1978. For all other regions the beginning date is August 14, 1978. A school may begin working out earlier than the set practice date, provided that such workouts will be without pads. (Head-gears, face guards, mouth pieces, and shoes may be used)

NOTE: Extra workouts without pads have been provided in an effort to secure better condition and reduce injuries.

11. There will be no inter-school practice and-or scrimmage in football.
12. Spring football practice shall be limited to a period of four consecutive calendar weeks (28 consecutive calendar days) and must be completed by the last day of the second semester, the last day of the spring quarter or June 10th whichever comes first. By region action, one week of Spring football practice may be eliminated for all schools of that region, and the schools in that region may practice in pads one week earlier than the Fall date for practice in pads.

NOTE: Playing a football game with alumni during the Spring football practice is a violation of the post-season rule. Intra-squad game involving pupils currently enrolled in the school is clear. Any other type game is an eligibility violation.

13. To qualify for championship consideration of a region or sub-region a school must play a minimum number of games with schools in its region and classification as follows:
 - a. In any region or sub-region in which there are eight (8) or less schools, each school must play each other school in that region or sub-region.
 - b. In any region or sub-region in which there are nine (9) or more schools, each school must play eight (8) regional or sub-regional games.
 - c. In a case where a school is assigned to a region or sub-region after the region or sub-region has been determined, (i.e., a school beginning football) any games played with that school will count but in case the region or sub-region is less than eight (8) schools it

will not increase the minimum number of games for that region or sub-region until the year following the assignment of the new school.

- d. In any region or sub-region in which there are six (6) or less schools, if each school plays each other two games, both games will count as region games. 14. Any games scheduled by a school which does not play a regional or sub-regional schedule to qualify for championship consideration, will not count for or against any opponent.

 - d. A., b. and c. will apply to sub-region except where two teams are tied in a sub-region and have played during the regular season, the winner of the regular season game will be the winner of the sub-region. Where there is a tie among more than two teams in a sub-region, if after the application of b, two teams remain tied, the winner of the regular season game will be the winner of the sub-region.
 - e. In the playoffs not more than two games may be played by the same team within a period of six days (at least five between games).

- g. In calculating the percentage standings the games won shall be divided by the games played with any tied game counting a one-half game won.

Region 6	(H)		(H)
Region 7			

b. AAAA and AA

Region 1	(H)		
Region 4		(H)

- b. After the conclusion of the regular game there will be an interval

- of two minutes. The two captains will meet on the field for a coin toss and the winner will have the same options that apply at the beginning of the game. The loser of the toss shall have the same options at the beginning of the second overtime period as in the second half of a regular game.

 - d. The team which is ahead at the end of the second overtime period is the winner. Points scored will be added to the regular game score.
 - e. Two different color flags furnished by the home team (markers) will be used to mark on the side lines the nearer advance of each team to the other team's goal line. If the score is tied at the end of the second overtime period, the team which has advanced nearer to its opponent's goal line is the winner. (One point is added for advancing nearer to the opponent's goal line.)
 - f. There is a possibility that either or both teams may score a touchdown during the overtime periods and there is a possibility that the score will remain tied. The advancement in e. will apply, if prior or subsequent to the touchdown drive.
 - g. It is suggested that an official (which is the responsibility of the host team) on the side line mark the spot of advancement for either team, and that in addition to marking with a flag (marker) that it be noted in writing with each change of advancement indicated. (This will provide exact information in case a marker is moved by wind, accident, etc.)
 - h. The score remains tied at the end of both overtime periods. Team A has its advance to its own forty yard line (60 yards from opponent's goal): team B has its advance to its own 46 yard line (54 yards from opponent's goal). Team B is the winner.
 - i. A touchdown, field goal or safety does not eliminate any prior or subsequent advancement.
 - j. In the unlikely event of a tie at the end of the second overtime period, the plan in the current rule (football) book will be employed to break this tie.
19. In case of a tie in the State final championship game the two tying teams will be declared co-champions.

The team with the greater aggregate score on the respective ballot shall receive the vote (1 point) for that ballot. A school is not eliminated as long as it does not lose a decision in its circle.
10. The judges shall complete their ballots from their places without conference.
11. As a basis for scoring the judges will use the GHSA ballot.
12.
 - a. At the close of the debate each judge shall complete his ballot and deliver it to the presiding officer.
 - b. In region debates the presiding officer shall inspect the ballots in the presence of a representative of each school, tabulate and announce the results.
 - c. In the State debates the ballots in each individual debate shall be sealed and delivered to the Chairman in charge of the State debates. After the debate envelopes have been turned in to the Chairman, he shall, in the presence of representatives from the competing schools, open the envelopes, make an official tabulation of the results, and announce the results.
13. Coaching is necessary but does not mean writing speeches. Coaching must be done by a teacher of the school and not by outside parties. Each school will observe these general principles of honesty for the sake of the pupil. Coaching shall be limited to:
 - a. Instruction in the art of debating.
 - b. Help in the collection of material on the subject.
 - c. Advice, suggestions, directions, criticisms, outlines, and English as in regular class room work.
 - d. Drill or delivery
14. In all contests the debaters shall be separated from the audience and shall receive no coaching while the debate is in progress.
15. No speaker may be interrupted during the main speech or rebuttal. For violation of this provision the presiding officer shall forfeit the debate to the opponent.
16. The State Debates will be held as follows:
 - a. The region winners in each classification will be divided into two circles. A random draw will determine which teams are placed in

each circle.

- b. A round-robin format will be used in each circle. This means each school (affirmative and negative teams) will debate each other school in the respective circle.
 - c. The school with the best won-loss record (affirmative and negative) from Circle 1 will meet the school with the best won-loss record from Circle 2. This debate will be for the State championship.
 - d. There will be one judge per debate in circle debates and three judges per debate in championship debates.
17. The State final debates will be held at West Georgia College, Carrollton, Georgia, as follows:
- a. AAAA, February 23, 1979
 - b. AAA, February 24, 1979
 - c. AA, February 16, 1979

7. The essay shall be judged by the thought, the order, the arrangement, and the elements of style. Verbal and grammatical correct-

8. The judges shall select a first, second, third and fourth place winner.
9. The first essay in each Class in each region shall be sent by the Region Secretary just as handed to the committee at the Region contest, with the name on the separate sheet, to the State Executive Secretary-Treasurer at the time that the report is made to the State Executive Secretary-Treasurer of the winners of the Region meet.

SPECIAL INFORMATION—ONE ACT PLAYS

Sec. 17. ORAL INTERPRETATION

1. This is a reading contest of prose, poetry and-or dramatic literature. The contest is built on communication—one in which the reader communicates the author's meaning to the audience. In order to do this, the student must study and understand the selection and have an intense desire to share his understanding with his audience. However, this does not mean acting. The contestant will be disqualified for acting. Acting is acting, and reading is reading; and this is reading.

2. The material selected should be of good literary value and appropriate for the contest. The student gives to his audience a brief expository statement about the selection. The material should not be memorized but must be read from a prepared manuscript. The manuscript must be used during presentation.
3. The time limit shall be at least 5 minutes but not more than 7 minutes or the contestant shall be disqualified. An official timekeeper and time cards must be used.
4. No costumes, properties, musical or sound effects may be used in the presentation.

graded. Errors may be corrected only with a typewriter eraser. Recopying and-or rewriting of the material is not permitted.

8. Only contestants and those administering the test are allowed in the room during the contest.
9. The judge or judges administering the contest must have a minimum of one year's teaching experience in shorthand.
10. Transcriptions which score less than 90 percent accuracy, will be disqualified and will not be placed in scoring.
11. The judges shall select a first, second, third and fourth place winner. Scores may be released upon request, but no papers are to be shown or returned.
12. GHSA SHORTHAND CONTEST RULES.*

1. GENERAL RULE. Every word omitted, inserted, misspelled, or in any manner changed from the dictated material (except in case of transposition and rewritten material) must be penalized.

Errors are not charged both for the transcribing of wrong words and for the insertion of others on the same construction. For instance, the checker should count the number of words incorrectly transcribe and that will be the total of errors on that construction; but if the number of incorrect words the student transcribes on a particular construction exceeds the number of those he should have transcribed, he is charged always with the greater number.

2. TRANSPOSITION. Words when transposed are penalized one error for the transposition; additional penalties are imposed for errors in the transposed words.
3. REWRITTEN MATTER. In any rewritten matter, every error must be penalized, whether in first or second writing, and one additional error charged for the rewriting. Do not charge an additional error for each rewritten word.
4. STRIKE OVERS AND CORRECTIONS. Strike overs will be counted as errors. Acceptable erasures made with a typewriting eraser will not be penalized.
5. DEDUCTION FOR ERRORS. Deduction for each type of error will be the same.
6. LINE SPACING. Work must be double spaced—"two notches."

*Adapted from International Typewriting Contest Rules and N.S.R.A. Rules for Correcting Shorthand Contest Transcripts.

Every line singly or irregularly spaced is penalized one error in addition to all other errors in the same line.

7. **LENGTH OF LINE.** Use a 70-space line calculated on the basis of the center of the machine.
8. **SALUTATION AND COMPLIMENTARY CLOSE.** If letters are dictated, the salutation is to be indented five spaces as part of the first line of typewriting followed by a colon and two spaces; and the complimentary close is to be a part of the last line of typewriting followed by a comma.
9. **SIZE OF PAPER.** Only 8½"x11" paper may be used.
10. **PARAGRAPHING.** Paragraphs must be indented five spaces and only five. An error in paragraphing is penalized in addition to all other errors in the same line.
11. **PUNCTUATION.** Each mark of punctuation inserted, omitted or in any manner changed from the printed copy will be penalized one error.
12. **SPACING AFTER PUNCTUATION.** Two spaces must follow the period, the colon, and the interrogation and exclamation points—one space after all other punctuation points.

If punctuation is followed by a quotation mark, the spacing follows the rule laid down for punctuation point, viz., a colon followed by a quotation mark calls for two spaces, a period at the end of the sentence followed by a quotation mark calls for two spaces after the quotation mark, but a comma followed by a quotation mark calls for one space.

In initial groupings, internal periods after capitals are followed by one space, but those after small letters are not: O.K., C.O.D., A.M.; a.m., c.o.d.

13. **A DASH** must be written with two hyphens without spacing before or after. If a dash is necessary at the beginning of a line, there should be no space between it and the following word.
14. **CUT CHARACTERS.** If any word is written so close to the top, bottom, or side of pages that a portion of any letter is cut off the word must be penalized.
15. **WORDS WRONGLY DIVIDED.** A word divided at the end of a line other than between syllables must be penalized. A word hyphenated at the end of a line in the printed copy may or may not need the hyphen if occurring medially in the contestant's work. For instance: "Devilfish" might be hyphenated at the end of a printed line; but

medially, if contestant's rendering conforms to any standard dictionary, there is no error.

16. **FAULTY SHIFTING.** An error must be charged against every word where the shift is incorrectly used.
17. **LIGHTLY STRUCK LETTERS.** If the outline of any character is discernible, there is no error.
18. **SQUEEZING.** It is permissible to "squeeze" an omitted letter into a half space. However, if any portion of the body of one character overlaps any portion of the body of another character, it is an error.
19. **SPREADING.** It is permissible to "spread" letters to fill out spaces to avoid erasing an entire word.
20. **LEFT-HAND MARGIN.** Characters beginning all lines, except the first lines of paragraphs, must be struck at the same point of the scale. If printed to the left or right of that point, an error must be charged.
21. **X-ING.** Work in which words are x-ed will not be received.
22. **ERASING.** The use of an eraser is permitted, but Ko-Rec-Type or similar correcting methods or fluids may not be used.

 - e. All words omitted.
 - f. All words in which the preferred spelling is not used. When a word can be spelled two or more ways the preferred spelling will be the correct spelling.
8. At the end of the examination, if two or more contestants are tied, additional word or words will be given and each contestant's paper will be checked as each word is written, with an error eliminating contestant or contestants to determine a winner.

GEORGIA HIGH SCHOOL ASSOCIATION TYPEWRITING CONTEST RULES.*

1. **LINE SPACING.** Work must be double spaced--"two notches." Every line irregularly spaced is penalized one error in addition to all other errors in the same line.
2. **LENGTH OF LINE.** Use a 70-space line calculated on the basis of the center of the machine. Except at end of a paragraph, any line having fewer than 61 or more than 76 characters and spaces is penalized one error in addition to all other errors in the same line.
3. **LENGTH OF PAGE.** Each 8½" x 11" page, except the last, must have at least 27 lines of writing. One error is charged for short page--not one error for each line that the page is short.
4. **PARAGRAPHING.** Paragraphs must be indented five spaces and only five. An error in paragraphing is penalized in addition to all other errors in the same line.
5. **SPACES AND PUNCTUATION POINTS.** All spaces and punctuation points are treated as parts of the preceding word; but if incorrectly made, inserted, omitted, or in any manner changed from the printed copy, an error must be charged unless the preceding word has already been penalized. (See Rule No. 6)

Adaped from International Typewriting Contest Rules.

6. **SPACING AFTER PUNCTUATION.** Two spaces must follow the period, the colon, and the interrogation and exclamation points—one space after all other punctuation points.

If punctuation is followed by a quotation mark, the spacing follows the rule laid down for the punctuation point; viz., a colon followed by a quotation mark calls for two spaces, a period at the end of a sentence followed by a quotation mark calls for two spaces after the quotation mark, but a comma followed by a quotation mark calls for one space.

In initial groupings, internal periods after capitals are followed by one space, but those after small letters are not: O.K., C.O.D., A.M.; a.m., c.o.d.

7. **A DASH** must be written with two hyphens without spacing before or after. If a dash is necessary at the beginning of a line there should be no space between it and the following word.
8. **CUT CHARACTERS.** If any word is written so close to the top, bottom, or side of a page that a portion of any letter is cut off, the word must be penalized.
9. **WORDS WRONGLY DIVIDED.** A word divided at the end of a line other than between syllables must be penalized. A word hyphenated at the end of a line in the printed copy may or may not need the hyphen if occurring medially in the contestant's work. For instance: "Devilfish" might be hyphenated at the end of a printed line; but medially, if contestant's rendering conforms to any standard dictionary, there is no error.
10. **FAULTY SHIFTING.** An error must be charged against every word where the shift is incorrectly used. If parts only of the proper character appear, it is an error. If the complete character is discernible, it is no error.
11. **LIGHTLY STRUCK ERRORS.** If the outline of any character is discernible, there is no error.
12. **TRANSPOSITION.** Letters transposed in any word constitute an error. Words when transposed are penalized one error for the transposition; additional penalties are imposed for errors in the transposed words.
13. **REWRITTEN MATTER.** In any rewritten matter, every error must be penalized, whether in first or second writing, and one additional error for each rewritten word.
14. **CROWDING.** No word shall occupy less than its proper number of spaces.

15. **PILING.** If any portion of the body of one character overlaps any portion of the body of another character, or extends into the line space between words to the extent that it would overlap any portion of the body of a character were there a character in that space, then it is an error.
16. **LEFT-HAND MARGIN.** Characters beginning all lines, except the first line of paragraphs, must be struck at the same point of the scale. If printed to the left or right of that point, an error must be charged.
17. **X-ING.** Work in which words are x-ed will not be received.
18. **ERASING.** The use of an eraser is not allowed.
19. **ERRORS IN PRINTED COPY.** Errors found in the printed copy may be corrected, or written as per copy, but in no case will an error be charged against such words unless they are omitted.
20. **LAST WORD.** An error made in the last word written, whether the word is completed or not, must be charged.
21. **ONE ERROR PER WORD.** But one error shall be penalized in any one word.
22. **GENERAL RULE.** Every word omitted, inserted, misspelled, or in any manner changed from the printed copy (except in the case of transposition and rewritten matter) must be penalized.
23. **PENALTY.** For every error ten words must be taken from the total gross number of words typed.
