## "ITEMS OF INTEREST"

September 2021

### Continue the Practices That Will Keep Our Seasons Going

As I look back to last school year's initial "Items of Interest," there are many things that are the same now. We continue to deal with COVID-19, although it's the Delta Variant.

What is different is that we know much more than we did this time last year and our schools continue to do a great job ensuring that our student-athletes have opportunities to compete this fall. As the fall seasons progress, we encourage our schools to continue those practices we know allow us to provide sports and activities for our young people.

There are a couple of things I would like to bring to your attention, the first being the NFHS Network and how your school can participate and receive an additional revenue stream through your participation.

The NFHS Network will provide Pixellot cameras and installation of those units in your gyms and stadiums at no cost to your school. You may choose the plan of participation (exclusive or not) for streaming and earn income from those subscriptions that are associated with your school.

There are many schools that are earning over \$10,000 annually for creating content on the network and several that are earning much more than this amount. Approximately 50% of GHSAA schools are participating and if we get to 95%, the NFHS Network will write the GHSAA a check for \$1,000,000.00 which will then be divided among participating schools.

Keep in mind that this comes at no cost to our schools and the network is focused on your participation and success. Please contact me for more information and I will make sure you are contacted by a NFHS Network representative that can answer any questions you may have regarding the units, installation and terms of the contracts. Let's reach the 95% level and earn funds beyond the subscription shares you generate.

If you are not using GoFan for digital ticketing, I want to encourage you to do so as this will provide additional funds from GoFan for your school. Our participation as an association grew exponentially last year due to COVID-19 and those same issues remain with us this year.

Our schools realized how beneficial and "healthy" a choice digital ticketing is for our membership so I would encourage you to maximize your school's participation for all the reasons mentioned.

I hope everyone is off to a great start and your school is up and running with as few bumps in the road as possible. I appreciate all you do for our young people and as always, feel free to contact me or any of the staff at the GHSAA office if there is anything we can do for you.

September is official fall sports "Cancer Awareness Month" in the Georgia High School Association to help fight all types of this dreaded disease. Teams may wear colored jerseys, socks, wristbands, and headbands during a home game to show support for their chosen cancer fundraiser.

In honor of Childhood Cancer Awareness, the GHSA is partnering with the Rally Foundation for Childhood Cancer Research to be #Goldstrong, united against Childhood Cancer during September, Childhood Cancer Awareness Month.

Each school day in America, 46 kids are diagnosed with cancer, the leading disease killer of children in America ages 1 to 19, yet less than 4% of federal cancer research funding is allocated to childhood cancers. Learn more at [RallyFoundation.org](http://RallyFoundation.org).

GHSA first partnered with Rally in September 2016. The initiative raised more than \$100,000 statewide for childhood cancer research through change collection at various sporting events and other school activities.

In observance of Breast Cancer "Pink" awareness, the GHSA allows member schools to wear "Pink" at their HOME event.

January (winter) and April (spring) are additional "cancer awareness" months throughout the GHSA scholastic season. Thank you to everyone in advance.

# GHSA Student Athlete Advisory Council Holds First Meeting

## 2021-22 GHSA Student Athlete Advisory Council Members

The 2021-22 GHSA Student-Athlete Advisory Council (SAAC) had its first meeting in Macon on August 25, 2021.

The Council is made up of 18 student-athletes from 470 GHSA member schools. The students submitted applications last spring and were chosen by a panel that scored their applications based on answers to five questions. There is a male and female representative for each classification and two "at large" members.

The focus this year is directed to several projects: A contest between member schools' student sections that promotes school spirit and good sportsmanship; The GHSA Inspiration Award, presented by Wild Adventures; and highlighting the "trailblazers of Title IX" in their schools since the NFHS is celebrating 50 years of Title IX.

Members also will try to help other students understand the role of the GHSA and be their voice. The council will be posting on Instagram (@ghsa.saac) and Twitter (@athleteGhsa).

For more information on the SAAC, you can contact Penny Mitchell at [penny@ghsa.net](mailto:penny@ghsa.net) or Tanya Anderson at [tanyaanderson@ghsa.net](mailto:tanyaanderson@ghsa.net).

## New Radio PSAs Now Available

The GHSA greatly appreciates radio station coverage of local high school teams in communities statewide. High school sports and performing arts need your station's support now more than ever before, and we think these new PSA's will help.

This year's NFHS/NIAAA radio PSA campaign has been produced and is ready for distribution. We think you'll agree the commercials are among the best ever!

GHSA encourages all statewide radio station that carry high school sports and member schools to broadcast the PSAs during your events. These PSAs tell a great story, and the more people who hear them, the better. Thank you for all you're doing to promote the value of high school sports and performing arts in your state!

# GHSA Honors 2020-21 Cooperative Spirit Award Winners

Georgia's Electric Membership Cooperatives (EMCs) proudly sponsor the Georgia High School Association (GHSA) Cooperative Spirit Sportsmanship Award and are pleased to announce the 64 GHSA-member high schools that will receive this year's award. The award honors schools that demonstrated impeccable sportsmanship during the 2020-2021 school year.

"Congratulations to all of the region winners of the GHSA Cooperative Spirit Sportsmanship Award for 2020-2021," says Dr. Robin Hines, GHSA executive director. "It is an honor for these member schools to be selected by their regions for this award. The characteristics of good sportsmanship are critical to the development of our young people as they transition into productive adults. The GHSA applauds our schools on this accomplishment and appreciates Georgia's EMCs for their support of this outstanding recognition program."

Since 2006, the GHSA and Georgia's EMCs have sponsored the Cooperative Spirit Sportsmanship Award which reinforces the GHSA philosophy: "Students, athletes, coaches, spectators and all others associated with high school activities programs should adhere to the fundamental values of respect, fairness, honesty and responsibility." Schools winning this award are thus honored for displaying exemplary sportsmanship during competition throughout the school year.

Student athletes, fellow students, school staff, parents and event spectators are recognized for the sportsmanship they display. The award is not only a school honor, but a community honor as well. The GHSA region secretaries select winners based upon sportsmanship demonstrated throughout the school year.

Cooperative Spirit Sportsmanship Awards are presented annually to the GHSA-member high schools in the 64 regions from the eight classifications by EMC representatives during fall athletic events and school assemblies.

## NFHS Offering New Online Course for High School PA Announcers

The proliferation of online streaming of high school athletic events has put a new focus on the need for a qualified play-by-play announcer when broadcasting live games.

With the release of the new, free online course "Play-by-Play Announcing," the NFHS Learning Center provides important training to properly announce a live game.

"The NFHS Learning Center is pleased to introduce this first online course and valuable resource specifically for play-by-play announcers," said Dan Schuster, NFHS director of educational services. "We are committed to assisting members of the

interscholastic community and beyond."

The best play-by-play announcers use their voice as an instrument. This course instructs users how to use proper tone and inflection when delivering game action to the audience and

how to determine the important and relevant information of the contest.

An entire section is devoted to starting a broadcast, including planning the open, setting the scene and introducing the game's participants.

The course demonstrates how to professionally prepare for a game, before arriving at the game and just prior to broadcast. It also provides a chapter on developing team chemistry with an analyst or sideline reporter.

For more information and to access "Play-by-Play Announcing," please visit the following NFHS link: <https://nfhslearn.com/courses/play-by-play-announcing>.

### **GHSA SPORTSMANSHIP STATEMENT**

Please insure that the following statement is read as a public address announcement prior to the start of every GHSA sanctioned contest:

"The GHSA and its member schools have made a commitment to promote good sportsmanship by student/athletes, coaches, and spectators at all GHSA sanctioned events.

Profanity, degrading remarks, and intimidating actions directed at officials or competitors will not be tolerated, and are grounds for removal from the event site.

Spectators are not allowed to enter the competition area during warm-ups or while the contest is being conducted. Thank you for your cooperation in the promotion of good sportsmanship at today's event."

# Esports is Here!

Join over hundreds of schools already competing on the PlayVS Platform (pronounced 'Play Versus'), and enable your students to do what they love by providing them with opportunities to earn recognition while developing priceless critical thinking and interpersonal skills.

## Benefits of Esports

### Character Development

Students build character and develop discipline, self-esteem, and sportsmanship through practice and competition.

### Socialization Skills

Many students are already passionate about gaming. Esports provides an environment where different students can come together and bond over a shared interest.

### STEM Skill Growth

Esports competition is rooted in technology. Research has found a significant crossover between esports players and STEM interest. In fact, >50% of aspiring esports students pursue college majors in the STEM (Science, Technology, Engineering, Math) category<sup>1</sup>.

### Increase Student Engagement

Esports are co-ed, inclusive, and engage students who might not otherwise participate in school athletics or activities.

### Experience in a Rapidly Growing Industry

Esports is a relatively new field offering a wide variety of careers from on-screen sports analysts to back-end engineers who build the games. In 2019 alone, the esports job market grew by 87%.<sup>2</sup>

### Scholastic Improvement

Participation in esports follows the same strict scholastic requirements as any other high school sport. Teachers and parents both reported renewed interest in schoolwork and improvement in student grades due to participation.

## How to Get Started

### 1. Find Your Players

Post flyers, share the news in the morning announcements, let other teachers know to spread the word around your campus!

### 2. Compete Together

Compete online with other schools in the state. No travel is required.

### 3. Find a Coach

Schools approve interested teachers, principals, or faculty members can coach esports. PlayVS provides training and support networks, including access to Super Coaches, so that you can get your program up and running fast!

### 4. Build a Team

Coaches can build multiple teams that all represent the same school. Teams are co-ed and inclusive to any student who wants to play. You can create a team with just three students.

### 5. Win a Championship

Build on your success throughout the regular season for a chance to compete for a state championship.
