The President's Message

Member Schools of the
Georgia High School Association

I am sure all of you realize that we are having an increase each year in the number of schools and individuals who participate in the Georgia High School program. This means that school officials, who have the final authority in the operation of these activities, must accept the responsibility of setting up a definite policy and have a complete understanding of that policy by coaches, faculty, students and parents. The program must be under complete control of the school and every effort should be made to develop the educational value of good sportsmanship on the part of everyone in the community.

The program is going to progress just as far as you care to take it. Never let it get away from you. The welfare of our schools demands a united front in sports direction policies. If we get lax and shirk our duties then the program will be a failure.

You have cooperated in a splendid manner and we appreciate it so much. Make a visit to the State Office when you can. You will always find a cordial welcome and valuable assistance. The services are there for you and we hope you will come often.

Sincerely,
Jas. F. Woodall, President

From The Secretary's Desk

This section of the Bulletin contains in summary form special information in regards to changes in the regulations of the Georgia High School Association.

FOOTBALL COMMITTEE — The State Executive Committee has referred to the Football Committee for study and recommendation two items that were presented at the annual meeting. One is the consideration of a possible revision and limitation of playoffs. The other is consideration of a plan by which the odd numbered regions would be the home team for the region playoffs(semi-finals) in the odd numbered calendar years, and the even numbered regions would be the home team in the even numbered calendar years, and the state final championship game in each classification would be alternated between the northern and southern divisions of the state, being set for the Northern division one year and for the Southern division the next.

DR. JOE STEWART — The State Executive Committee has approved plans for securing two memorial plaques in honor of Dr. Joe Stewart, one of the outstanding leaders in founding and setting up the original Georgia High School Association. One of the plaques will be placed in the State Office and one in the appropriate place at the University of Georgia, if possible.

BASKETBALL OFFICIALS STUDY COMMITTEE — Quite a few problems have developed in regards to securing of officials to work in various district and regional basketball tournaments. A special committee has been authorized to study the situation, to confer with schools and basketball officials, and to report back to the State Executive Committee. President Jas. F. Woodall has appointed the following committee: Jas. W. McAllister, Bainbridge,

Chairman; Y. T. Sheffield, Plains; Eric Staples, Perry; J. W. Sutton, Lindale; D. B. Carroll, Jasper; S. W. Causey, Social Circle; and the State Secretary and the State President.

CHANGE OF RECORD AS TO DATE OF FIRST ENTRANCE INTO GRADE 9 — A policy has been set up by the State Executive Committee that any request for a change in record as to date of first entrance into grade 9, must be accompanied by a check, money order or cash in the amount of \$10.00, and that the records of the school making a request for change be checked by some person designated by the State Secretary with the recommendation of the person examining the record being necessary before such change can be made.

STATE BASKETBALL TOURNAMENT CHANGES — In Class B and Class C the boys state tournaments are scheduled ahead of the girls state tournaments. This will bring a corresponding change in order of tournaments in Class B and Class C in the districts. In Class A the boys and girls state tournaments will be played at Macon, Georgia, the week prior to the Class B and C boys state tournaments, which will give the same completion dates for the Class A regional eliminations for boys and girls.

MUSIC FESTIVALS — A study of the operation of the Music Festivals was made by a joint committee from the GHSA and the Georgia Music Educators Association. This committee made a series of recommendations which were accepted by the GMEA at its April 1954 convention. These recommendations with several minor changes have been accepted by the GHSA State Executive Committee. The following will apply for the school year 1955-56:

1. All High Schools entering the Music Festivals must be members of the Georgia High School Association.
2. Only bona fide pupils in school may compete.
3. All high school pupils participating must meet the eligibility requirements of the GHSA.
4. Eligibility rules apply only after a student has entered the 9th grade.
5. All details of the 1955-56 Music Festivals, such as classification, fee, selection of judges, etc., will be under the supervision of the GMEA.
6. Dates for the 1955-56 Music Festivals will be set in conjunction with the GHSA so there will be a minimum of conflicts.
7. A pupil enrolled in the 8th grade or below of a feeder elementary school will be permitted to participate with a high school band and such participation will not be charged against such pupil so as to affect later eligibility.

8. The GHEA will furnish each school competing in the Region Music Festival a copy of the financial report of that festival; a copy of the report of each festival and a composite report of each festival will be furnished the GHSA by the GMEA.

The GMEA has requested that the corresponding dates as used in 1955 be set aside for the 1956 Region Festivals. This has been accepted by the GHSA. The corresponding dates for 1956 are as follows.

- Region 1—March 8, 9, 10, 1956
- Region 2—February 23, 24, 25, 1956
- Region 3—February 27, 28, 29, 1956
- Region 4—March 5, 6, 7, 1956
- Region 5—March 1, 2, 3, 1956

Item 7 in regards to the Music Festival makes it possible for pupils enrolled in the 8th grade or below of feeder elementary schools to participate with the high school band. It was the feeling of the State Committee that there were a number of high schools in which the music program was extended into the 8th grade or lower in order to build up a band. It was the further feeling of the State Executive committee that such pupils in feeder elementary schools should be permitted to participate as a part of the high school band without such participation being charged against the pupil so as to affect the pupil's future eligibility.

AUTO DRIVING CONTEST — An Auto Driving Contest has been added to the program. This will be on a district and region level by classification and on a state level by classification. The Safety Education Division of the State Department of Education and the State Highway Patrol will cooperate with the GHSA in setting up, planning and operating the contests. The date and place for each region and district contest will be set by the district or region concerned and the contest will be operated as a part of district and region contests. Three dates have been set up for the district and region contests. This has been done so that the districts and regions may be able to work out a date to fit in with the availability of State Patrolmen.

HARDSHIP COMMITTEE — Attention of schools is called to the fact that the Hardship Committee (Section 7, Item 6) has four definite meetings scheduled—September 3, September 28, November 17 and January 21. If any school has a case to present, it should be filed with the State Secretary as soon as possible. Careful study should be given to Section 7, Item 6, which sets up the scope of authority and the conditions under which the Hardship Committee operates.

DEBATES AND ONE ACT PLAYS — The dates for District, Region and State One Act Plays and Debates have been set later in the school year than last year. The finals will be held at the University of Georgia, Athens, Georgia, in conjunction with the Seventh Annual Speech and Drama Festival on January 27 and 28, 1956. A special section has been added to this Bulletin which gives complete details and time schedule for the State Final One Act Plays and Debates.

NOTIFICATION OF ENTRY—LITERARY EVENTS — Due to the One Act Plays and Debates being held later in the school year, the deadline date for filing written notice with district or region secretary of intent to enter has been changed to December 1st. Deadline date for filing eligibility list with the State Office without penalty has been set for December 15. Deadline date for written notice to district or region secretary of intent to enter any of the other literary events remains as March 15.

SPECIAL SCHEDULES AND INFORMATION — In the back part of this Bulletin there are sections which give detailed time schedules and information in regards to various meets and tournaments. These sections cover the following:

- a. State One Act Plays and Debates
- b. State Literary Meet
- c. State Track Meet—B and C
- d. State Track Meet—AA and A
- e. State Baseball Eliminations
- f. Basketball Tournament Pairings (Except B and C)
- g. State Tennis Tournaments

SEMESTER ELIGIBILITY REPORTS — Eligibility reports are made by semester. Once a pupil has been certified and cleared during a semester no further eligibility report for that pupil is necessary during the semester. For example, a pupil is reported on the first list sent in during the fall to cover football. The same pupil participates in basketball during the first semester—no further eligibility certification for that pupil is necessary during the first semester. However, the pupil will have to be certified again the second semester in order to cover passing of work.

CONSOLIDATION PROBLEMS — Due to the statewide school building program, there have occurred a number of problems in connection with the GHSA program. There will be a number of consolidations within the next few months. Two problems have occurred rather frequently and may continue to occur:

1. Status of pupils who change from school or schools that are to be consolidated when such change is made prior to the completion of the building program.
2. Classification of schools when consolidation of various types are made during the two-year classification interval.

In any case where a school is to be consolidated into or with another school when building facilities are available, if such pupils as are to be consolidated change prior to the actual consolidation, the regular provisions of the migratory rule shall apply as to transfer of pupils from one school to another. Under this provision a pupil might or might not be eligible depending upon the circumstances. For example, if the entire 12th grade from the school to be consolidated is transferred, then such pupils as are in the 12th grade who transfer would be clear under the migratory rule, and the school from which they transfer would be eliminated as a senior high school. The same principle would apply if one or more grades were consolidated. However, if the change were either a voluntary one on the part of the pupils or a permissive one such would not clear the pupils' eligibility unless it met with the provisions which apply to pupils changing schools.

Classifications for 1956-57 and 1957-58 will be based on the ADA figures for 1954-55. There will probably be a number of consolidations after the classifications are set for 1956-57 and 1957-58 school years. In any case where one or more schools are consolidated to form a new school, the classification of such school shall be determined for the balance of the classification period by the combined ADA of the previous year of the schools consolidated. In any case where a school or schools are consolidated into a school which is already classified, the school already classified shall continue with its same classification until the next re-classification period.

NUMBER OF EVENTS THAT A PUPIL MAY ENTER IN TRACK — Efforts have been made to clarify the section in regards to the maximum number of events a contestant may enter in track in district, region or state track meet. A pupil may enter the relay, and three other events other than the relay. There are some restrictions on these additional events but they do not affect the right to enter the relay. Not more than two of the additional events may be running events and only one of the two running events may come from the following: 440 Yards Dash, 880 Yards Run (Half Mile), Mile Run. This means that in addition to the relay a pupil may enter to a maximum of three field events; or in addition to the relay a pupil may enter up to a maximum of two field events and any other one running event; or in addition to the relay the pupil may enter up to a maximum of one field event and two running events, but only one of the running events in this combination may be from the following: 440 Yards Dash, 880 Yards Run (Half Mile), Mile.

CLASS A STATE TRACK MEET — The Class A State Track meet has been shifted to Athens, Georgia, and will be held on the same dates as the Class AA Track meet. No local entertainment is

to be furnished by the University of Georgia for either the AA or the A contestants in track.

PARTICIPATION IN CONTESTS and/or ACTIVITIES REPRESENTING THE SCHOOL — Section 2, Item 24 provides that no school will permit any of its students to represent the school in any interscholastic contest and/or activity unless such activity and/or contest has been approved by the GHSA. Care should be exercised by each school to ascertain that a contest and/or activity has been approved prior to permitting students to enter as representatives of the school. Special attention should be given to invitation basketball tournaments, invitation music festivals, and invitation parade contests. A number of these contests are approved each year; a number are not approved.

RULES CHANGES

ATTENDANCE WITHIN 25 DAYS OF BEGINNING OF SEMESTER — (Section 1, Item 5) — Provision has been made as a part of the eligibility requirements that a student must be in attendance within 25 calendar days of the beginning of the semester in which he wishes to participate. This replaces the former provision which required proper registration within 15 calendar days of the beginning of the semester. The old rule had a number of loopholes. The new rule emphasizes attendance rather than registration.

SCHOOL CONTROL OF CONTESTS AND ACTIVITIES — (Section 2, Item 6) — The matter of school control of contests and activities has not been previously covered directly in the GHSA regulations. It had been covered in the standards of the Georgia Accrediting Commission and in the standards of the Southern Association of Secondary Schools and Colleges. The new provision is a composite of the standards of the Georgia Accrediting Commission and the Southern Association. This new provision makes it clear that the contests and activities in which a school participates must be under complete control of the school administration or designated school personnel.

BASEBALL GAME LIMITATION — (Section 2, Item 12) — The provision limiting the number of baseball games to two per week on a season average has been eliminated and a provision made placing the season limit at twenty games. This season limit does not count games played in district, region, and state elimination series. This makes it possible for a school to schedule and to play up to a total of twenty games in regular season schedule.

NON-PARTICIPATION IN SELECTION OF ALL-TOURNAMENT, ALL-STATE, ETC., TEAMS — (Section 2, Item 25) — Provision has been made whereby no member of a school staff will participate in the selection of all-tournament, all-state, all-region,

and all-district teams. This also eliminates the provision under the football set up for all-region team selections and awards. While there will be number of all-state, all-region, all-district, and all-tournament teams selected in various sports, it takes the schools and their personnel out of participation in such selections.

OUTSIDE BASKETBALL PARTICIPATION AFTER END OF SEASON — END OF BASKETBALL SEASON — (Section 7, Item 8; Athletic Section 7, Item 2) — The basketball season ends for a school when the school is eliminated from play in the district, region, or state basketball tournament, with the exception that if a school has not already participated in an invitation basketball tournament, it may play in a county basketball tournament held for the schools of that respective county after the end of the basketball season. With the exception made for county tournaments, any further play is post-season play and is covered by the regulations which apply to post-season games.

Any student who has represented his school in a varsity contest in basketball during the season, is in violation of eligibility regulations if he participates with any outside basketball team during the school year after the end of the basketball season. If a pupil is a senior, he is ineligible in all sports for the balance of his high school career; if he is not a senior he will be ineligible for interscholastic basketball during his succeeding school year.

Special attention of schools is directed to these two changes. Pupils should be made familiar with the regulation in regards to outside participation so as to avoid possible difficulty.

ONE JUDGE FOR LITERARY EVENTS — (Literary Events, Section 1, Item 2) — Provision has been made whereby one judge will be used in those literary events in which score sheets are used. One to three judges may be used in other events in which score sheets are not used such as in grading shorthand and typing papers, scoring objective tests and rating oral presentations in home economics.

SPELLING — (Literary Events, Section 6, Item 6) — Several changes have been made in this section. Provision has been made whereby this contest will be held at least a week prior to the District and Region Literary meets. This means that sometimes the Spelling contest will be the last Wednesday in March and sometimes the first Wednesday in April. For the current school year the contest will be held the last Wednesday in March.

Due to some confusion as to what constitutes a senior, a definition has been added to this, and instructions to visiting examiners provide that the visiting examiner shall check the Senior Attendance Register or Registers and certify the number of pupils listed in Senior Class, listing those marked withdrawn and giving date and reason for withdrawal.

Provision has also been made that in case a medical certificate is to be submitted for absence, that such be filed with the District or Region Secretary not later than 48 hours after the contest.

Due to the fact that the deadline for notification of entry in Spelling is March 15, and that this does not leave much time for district and region secretaries to advise the State Office of the number of copies of Spelling test needed, a change has been made in the procedure for supplying the tests to districts and regions. The State Secretary will send to each district and region a number of tests sufficient to take care of the schools in that district or region. After the contest has been held the district and region secretaries will account for all sets of tests with the number of sets returned unopened plus the number of schools taking the test being equal to the number of tests sent to the district or region.

AA FOOTBALL PLAYOFFS — SEMI-FINALS AND FINALS—
(AA Section, Football 1b and 1c) — In order to avoid the necessity of tossing a coin and in order to give all areas of the state an opportunity to see their teams in the playoffs, by vote as provided in the football regulations, the Class AA schools have set the playoffs in Class AA for the coming year by the following plan:

1. In the odd calendar year, the odd numbered region will be the home team, and in the even number year, the even numbered region will be the home team in the playoffs between regions (semi-finals).
2. The State Final Championship game will be alternated between the North and South divisions of the State, with the Northern winner being the host or home team in the odd numbered calendar year and the Southern winner being the host or home team in the even numbered calendar year. For 1955 the Northern winner will be the home or host team.

AA TRACK & FIELD — NUMBER OF EVENTS PER EVENT BY SCHOOLS — (Track and Field Events, Section 1, Item 1) — Provision has been made in Track for the Class AA schools whereby each school may have up to three entries in each event in Track and Field.

- b. The co-educational school will be used as a base, and for a single sex school the A. D. A. will be doubled to secure the classification.

- c. The classification of a school will be determined by the following scale:

Class AA—650 and up

Class A—300 to 650

Class B—200 to 300

Class C—under 200

Item (2) Classification shall be for a period of two years. Classification for the school years 1954-55 and 1955-56 is based on the A. D. A. figures for the school year 1952-53. Re-classification will be based on the A. D. A. figures for 1954-55. Schools will be notified of their classification by November 1, 1955. Any requests to move into a higher classification will have to be filed by November 30, 1955.

Any school which moves from a lower to a higher classification by application must remain in the higher classification until schools are reclassified on a state wide basis.

Item (3) The State will be divided into a maximum of four regions in each class. Region lines will not be the same for all classes. A region composed of a large number of schools may be divided into sub-regions.

a. By percentage standing, counting the regional or designated games, and in case of a tie between two teams, a playoff shall be held.

(NOTE: In calculating the percentage standing the games won shall be divided by the games played with any tie game counting as one-half game won.)

Item (8) To qualify for championship of a region or sub-region a team must play a minimum number of games with teams in its region and classification as follows:

e. In a case where a school is assigned to a region after the region has been determined (i. e., a school beginning football) any games played with that school will count but in case the region is less than eight teams it will not increase the minimum number of games for that region until the year following the assignment of the new school.

Item (9) Reclassification for football is provided in Item 2 of this section. Following notice of reclassification each region will call a meeting for scheduling purposes. Such meeting will not be set prior to December 1, 1955, nor later

than February 1, 1956. No school in the region may schedule any football game beyond the season of 1955 prior to the regional meeting. Any contract with team outside of the region and classification extending beyond the 1955 season may be voided, if necessary, to complete the regional schedule. (NOTE: All schools are urged to work towards adjusting of contracts so that no two-year contracts will extend beyond the odd calendar season. This will do much toward simplifying the making of regional schedules.)

Item (10) In any case where two teams have played each other more than once during the season, only the first game played shall count in the regional standings. (Exception—a tie among more than two teams.)

Item (11) The State Football Committee shall be composed of one member from each region of each classification and the State Officers of the Georgia High School Association. The member from each region of each classification shall be elected by the schools of the respective region.

The terms of the members of the State Football Committee shall be for two years. The members from the even numbered regions shall be elected in the Spring of the even numbered years and the members from the odd numbered regions shall be elected in the Spring of the odd numbered years.

In case a vacancy occurs in any region for any reason, the region is authorized to fill the unexpired term at the next meeting of the region after the vacancy occurs.

The officers of the State Football Committee will be a Chairman and a Secretary who will be elected from the Membership of the State Football Committee by the Committee. The officers so elected shall serve until their terms of office on the committee expire. In case a vacancy occurs in either or both offices, the vacancy shall be filled at the first meeting of the State Football Committee following such vacancy.

The State Officers of the Georgia High School Association shall be ex-officio members of the State Football Committee but with no vote. The State Executive Secretary-Treasurer will assist the Secretary of the committee in taking minutes and will mail a copy of such minutes to each member of the committee after the minutes have been checked by the Secretary of the Committee and the State Executive Secretary-Treasurer.

- 1 point will be allowed for the team that has the greater number of first downs during the game.

1 point will be allowed for the team that has the greater net yardage during the game.

If the teams are still tied after the application of this system, the winner will be the team with the greater net yardage.

(NOTE: Whenever the application of this system is necessary the points allowed are added to those scored in the game to determine final score.)

Item (22) All football games will be played with a minimum of four officially dressed football officials who are registered under the Georgia High School Association plan for the registration of officials, or with the State Association of another state. Violation of this rule shall be treated as a violation of eligibility rules as provided in Section 7, Item 4.

The material may be registered if the district or region so sees fit, however, it is not mandatory. The visiting examiner is directed to select two assistants from the faculty in the school where the examination is being held to assist him in conducting the examination. The local spelling teacher may give out the words to the class. Definitions of words may be given.

The visiting examiner shall examine the Senior Class Attendance register or registers and shall from this information certify the number of students listed in the Senior Class, and he shall give the name of each pupil shown as withdrawn, including the date of withdrawal and the reason for withdrawal.

The examiner shall make a written report of the result of the examination on the report enclosed with the list of spelling words with such report being signed by the examiner and his assistants. It shall be sealed and mailed to the District or Region Secretary on the same day on which the examination is held together with all of the examination papers and with such written explanation of absence as may be submitted to him. Elimination on District and Regional levels will be conducted by one of the following plans as the District or Region may direct.

- (1) The District or Region Secretary shall group the schools entering into two circles according to geographical arrangement by January 5th, and notify each school concerning the groupings. Each school so grouped shall present two teams or debaters, one team on the affirmative and one team on the negative, with the affirmative team debating at home and the negative team away from home.
- (2) The District or Region Secretary shall group the schools entering into two circles by January 5th and notify each school concerning the groupings. Each school so grouped shall present two teams of debaters, one team on the affirmative and one team on the negative. All schools in the same circle shall meet at the same place at a time set by the District or Region.

Where a school drops out, consolidations are to be made by the District or Region Secretary and schools must be ready to meet any assigned contestants on the date for debate. Should all schools but one in a circle fail to debate, that school shall be declared the

winner of the circle and be entitled to represent the school at the District or Region final debate. If only two schools remain in a circle, these debate on a dual plan. The winners of the respective circles meet in the District or Region finals on a dual debate plan with the affirmative team of each school meeting the negative team of the other school.

Any school entering debate and dropping out without giving notice to the District or Region Secretary at least three days prior to the date of the debate shall not be allowed to enter any other literary event during that school year.

First negative speaker	10 minutes
Second affirmative speaker	10 minutes
Second negative speaker	10 minutes

First affirmative speaker	4 minutes
Second negative speaker	4 minutes
Second affirmative speaker	4 minutes

Speakers on respective sides must speak in the same order in rebuttals as in main speech.

Resolve: That the federal government should guarantee higher education to qualified high school graduates through grants to colleges and universities.

(c) District and Regional Debates: All of the preliminary debates in the various districts and regions shall be held on January 12 and 13 at such hours as may be agreed upon or at such time as may be set by the District or Region. In case of a tie in a circle the tie must be settled not later than January 16. The winning school in each circle will be entitled to compete in the district or region final. The district or region final must be completed not later than January 19. Should there be a tie in the district or region final the contest must be continued or reheld until a representative for the State contest is determined. In case of a tie in the district or

region final the points towards the literary trophy shall be equally divided between the tied schools. The continued or reheld contest shall carry no points but is held merely to determine the representative of the district or region to the State contest.

(d) **Judging and Scoring:** In every debate there shall be three judges. A copy of instructions shall be given to each judge. In selecting the winners, the vote of each judge shall count 1, a perfect score making 6 points. A school is not eliminated as long as it wins both decisions in its circle.

(e) **Instructions to Judges:** The judges shall vote from their places without conference. Judges are to consider both the constructive and the rebuttal speeches, and should regard proof, organization, refutation and delivery of the constructive speech; and the analysis, refutation and delivery of the rebuttal speech.

The judges will select the best team of debaters by rating the best team as Number 1, and the losing team as Number 2. In addition the judges will give each speaker a percentile score.

As a basis for marking the judges will use the following:

Organization and proof	50
Analysis and refutation	30
Delivery	20

Each judge will be furnished a blank ballot similar to the following:

Team Number 1

Team Number 2

Affirmative Team:

1st speaker's score

2nd speaker's score

Negative Team:

1st speaker's score

2nd speaker's score

Judge's signature

At the close of the debate each judge shall indicate his choice by ballot and deliver it to the presiding officer. In district and region debates the presiding officer shall inspect the ballots in the presence of a representative of each school and announce the result. In the State debates the ballots in each individual debate shall be sealed and delivered to the Chairman in charge of the State debates. After all of the debate envelopes have been turned in to the Chairman, he shall forward them to State meet office, where the State Executive Secretary-Treasurer or his representative shall, in the presence of representatives from the competing schools, open the

envelopes, read aloud the ballots, make an official tabulation of the results, and announce the results.

(f) No Visiting: It shall be considered dishonorable for pupils, teachers or followers of one school to visit debates of another school for the purpose of securing information when the two schools are likely to meet on the same question.

(g) Coaching: Coaching is necessary, but does not mean writing speeches. Coaching shall be limited to (a) instruction in the art of debating in general; (b) help in the collection of material bearing on the subject; (c) advice, suggestions, directions, criticism, outlines, and English as in regular class room work; (d) drill on delivery. The coaching must be done by a teacher of the school and not by outside parties. Each school will observe these general principles of honesty for the sake of the pupils.

(h) In all contests the debaters shall be separated from the audience and shall receive no coaching while the debate is in progress.

(i) No speaker may be interrupted during the main speech or rebuttal, nor may any speaker utilize any time other than that allotted for main speech and rebuttal. For violation of this provision, the presiding officer shall forfeit the debate to opponents.

(j) Teams: The teams constituting the debating team from a given school may not change from one team to another or change from affirmative to negative or vice versa, in order to give the school a stronger representation on that side of the debate. Each school must be represented by the same debaters or alternate at the District, Region, and State debates that represented the school for the first circle debate and on the same side of the question that they originally represented.

(k) At the State debates, the State Executive Secretary-Treasurer shall arrange the districts or region winners into two circles in each class with approximately the same number of schools in the respective class in each circle, these to be designated as Circle 1 and Circle 2. (Exception—if there are four or less schools in the State debate in any class these may be arranged in one circle which will be the final debate.) The winning school in Circle 1 will meet the winning school in Circle 2 for the State Championship. In case of a tie between schools in the same circle for first place in that circle, the schools tied shall debate off the tie, each school furnishing two teams. Both teams of the winning school in each circle will be entitled to contest in the final debate, and the school scoring the most points in the final debate shall be declared the winner. Should there be a tie in the final debate a co-championship will be declared.

6. If you plan to be married soon: plan 2 budgets for a bride and groom; estimate the income if the wife works and if she does not work. Find the costs of expenditures such as housing, food, furniture. Compare the two budgets.
7. If you plan to go to work soon: estimate your salary, list possible expenditures, make 2 tentative budgets, one if you plan to live at home and one if you plan to live elsewhere. Compare the two budgets.
8. If you plan to go to college soon: find the cost of items such as tuition, books, and room at the college of your preference. Estimate costs of other items such as clothes,

transportation, and medical expenses. Plan a budget for a year and plan with your parents for putting this budget into effect.
