1998 State Championship

3 Position Air Rifle

Wolf Creek Olympic Shooting Complex
Atlanta, Georgia

18 April, 1998

Dear State Championship Participants:

The Georgia High School Association adopted position air rifle as a varsity sport in school year 1991-92. This created an opportunity for students to compete and receive exposure to another Olympic sport; a sport where size is not important, a sport where males and females compete as equal and a sport that offers competition for a lifetime.

Twenty-two schools entered the competition that year and were divided into three rifle areas. This year eighty-four teams entered and there are eight areas! The growth is impressive. Perhaps most impressive is the rapid increase in the performance level of the athletes. Thank you to those who went the extra mile to make this a reality.

We have tried to make the 1998 Georgia High School Association Rifle Championship memorable and world class in quality. Thank you to those who worked to make this event possible. Special thanks to Gary Anderson, Wolf Creek Manager, Duane Tallman of the Wolf Creek staff, Al Williams, our Chief of Classification, the Championship staff who are all volunteers and to the Georgia High School Association, especially Ms. Joyce Kay for her support of our efforts.

It is a special occasion when a student earns the privilege of representing his or her school and community at any state championship event. Most people never get such an opportunity. Athletes, coaches, schools and families should take great pride in this accomplishment. We hope that the 1998 championship provided all involved with a lasting memory of something special.

Sincerely,
