1999 State Championship

3 Position Air Rifle

Tom Lowe Shooting Grounds Olympic Complex
Atlanta, Georgia

17 April, 1999

Dear State Championship Participants:

As we said last year, it is a special occasion when a student earns the privilege of representing his or her school and community at any state championship event. Most people never get such an opportunity. Athletes, coaches, schools and families should take great pride in this accomplishment. We hope that the 1999 championship provided all involved with a lasting memory of something special.

The Georgia High School Association adopted position air rifle as a varsity sport in school year 1991-92. This created an opportunity for students to compete and receive exposure to another Olympic sport; a sport where size is not important, a sport where males and females compete as equal and a sport that offers competition for a lifetime. Of great importance is that we have the opportunity to teach a nucleus of young people to be responsible and safe with guns.

Twenty-two schools entered the competition in 1991-92 and were divided into three rifle areas; this year ninety-six entered and there are eight areas. The growth is impressive but most impressive is the rapid increase in the performance level of the athletes. Many are among the best in the country. Thank you Georgia High School Association, coaches, administrators, parents and athletes who have made this possible.

We have tried to make the 1999 Georgia High School Association Rifle Championship memorable and world class in quality. Thank you to those who worked to make this event possible. Special thanks to Gary Anderson, Wolf Creek Manager, Duane Tallman, Chief Range Officer, Al Williams, our Chief of Classification, the Championship staff who are all volunteers and to the Georgia High School Association, especially Ms. Joyce Kay, for her support of our efforts.
