2006 State Championship 3 Position Air Rifle

Pool International Shooting Complex
Fort Benning, Georgia

April 1, 2006

Dear GHSARifle Championship athletes and coaches:

Congratulations. Your hard work and dedication paid off. You earned the opportunity to compete for a state high school championship. Only a small percentage of students and coaches earn that privilege.

We are grateful to Fort Benning and the US Army Marksmanship Unit for their support of student-athletes. Their facility enables us to provide a more meaningful experience to all; competitors, coaches, family and friends.

Many schools had to withdraw from competition this year when the Army temporarily stopped usage of equipment that it had provided. We still had the most competing schools of any state. The Army developed a new marksmanship training and requirements program. It is now in place and hopefully the affected schools will return to our competition next year. Thank you to the Area chairs and coaches who helped us reorganize for our competing schools. It enabled us to continue to provide a quality season and playoff competitions.

Our special thanks go to our championship officials. They are some of the best qualified anywhere and still volunteer their time to support high school athletes.

Our Olympic style rifle shooting is a great sport where successful competitors learn many life skills. Perhaps the most important is training to control our thoughts and emotions while under pressure – what a great skill to take on to the workplace and family. We also have the safest sport offered if we do things right. Let's continue to do things right.
