The President's Message

Dear Friends:

Once again I want to thank the school people of this State for their confidence in electing me to serve as president of the Georgia High School Association for another year. I will serve to the best of my ability. It is gratifying to feel that I can still contribute something to the wonderful program we have in the high schools of Georgia. However, my contribution is very small in comparison to that made by our most capable Executive Secretary, your excellent State Executive Committee, other committees, and groups on the State and Regional level that make up this fine organization.

I have been somewhat concerned over the few sportsmanship cases arising from time to time—I hope that someday there will be no need for a Sportsmanship Committee.

It has been impressive to watch the pre-game programs conducted by some schools. One feature of these programs is an inspirational invocation by an outstanding religious leader of the community. This tends to minimize the tension and prevent possible friction. These invocations make all mindful of the true purpose of the game, and one can witness an athletic contest with the highest type of sportsmanship displayed by both players and spectators. The following is a pre-game invocation by Reverend Joe S. Holliday, Pastor, First Baptist Church, Columbus, Georgia. I pass this thought on to you:

"Our Heavenly Father, we thank thee for wholesome community activity—for gatherings such as this, where two institutions bring together their stronger and better disciplined young men to meet in an athletic contest. Give to them and to the spectators a spirit of genuine sportsmanship; that quality of life that strives to win, but knows how to accept defeat. Give to the losing team poise and dignity; to the winner, the spirit of humility.

Save us all from the folly of pride, the meanness of selfishness, and the blight of injustice.

Help us all to hear—like some strong echo that will never die—that word of Thine in which we are assured that 'he that doeth the will of God abideth forever.'
We ask in Thy name, Amen."

Wishing you the best of everything for the coming year, I am,

Respectfully yours,
H. D. Butler Jr., President

From The Secretary's Desk

This section of the Bulletin contains in summary form special information.

LIMITATION ON BASKETBALL—Last year a very important change was made in the basketball program limiting a school to playing only one night or day per week preceding a school day. The intent and the purpose of this rule is that only one night or day per week preceding a school day may be used by a school for playing basketball. It is not permissible for the varsity team to play one night preceding a school day and for a non-varsity team to play on another afternoon or night preceding a school day in the same week.

ELIGIBILITY FOR JUNIOR VARSITY OR "B" SQUADS — For the past several years it has been a policy of the GHSA that pupils participating on Junior varsity or "B" squads did not have to meet eligibility requirements in full. Effective with the school year 1959-60 this policy is rescinded and any high school pupil who represents a school must meet full eligibility requirements. (Exception—Spelling and American History contests.) A high school pupil is a pupil in grades 9-12. This will still permit elementary pupils to participate on bands or "B" squads as they are not high school pupils.

BROADCASTING, TELEVISIONING, TAPE RECORDING AND FILMING—Regulations have been adopted to make it very clear that broadcasting, televising, tape recording, and filming of any school sponsored contest and/or activity is subject to permission of the host school and that permission must be obtained in advance of the contest and/or activity.

It has been made very clear that in a region sponsored contest and/or activity that the matter of broadcasting, televising, tape recording and filming is under control of the respective region, and that permission must be obtained in advance of the contest and/or activity from the region or the designated region official.

At State level the matter is already covered in Article V, Section 4 of the Constitution.

EARLIER DATE FOR ENDING FOOTBALL SEASON—Beginning with the school year 1960-61 the football season will be closed a week earlier. This will have the affect of moving the semi-finals in the state championship playoffs a week earlier, and also moving the final championship games a week earlier.

DATE FOR MAKING FOOTBALL SCHEDULE—Due to the fact that some regions have met on one date and some on another,

several problems have occurred in the making of football schedules as some schools would have their schedules completed before schools in a nearby region held their meeting. To eliminate any problems in this matter, a definite date has been set for all regions to meet for the purpose of making and completing region football schedules. The second Saturday in January 1960 has been set as the date for each region to meet. On this date each region is to meet and make its region schedule for the next two years. No school should have any football contracts in effect at present extending beyond the Fall of 1959, as notice was given several years ago for schools to adjust their football contracts so that no contract would extend beyond the odd calendar year ending a classification period. In any case where a school may have made either a written or verbal football contract extending beyond 1959 such is subject to cancellation to make way for a region game.

SPRING SPORTS COMMITTEE—A special committee was appointed last year to study the Spring Sports Program. The committee held several meetings and sent out a comprehensive questionnaire to all schools and to all heads of school systems. The committee reported to the State Executive Committee that it had made a very thorough study of the situation and that there is not any decided statewide opinion to make any material changes in the Spring Sports Program except in baseball. The committee recommended that the number of regular season baseball games be reduced to 16. The recommendation was adopted and beginning with the baseball season in the Spring of 1960 the limit for the number of regular season baseball games will be 16. This does not include any region or state tournament or playoff games.

DEBATE AND ONE ACT PLAY COMMITTEE—After a thorough study of the returns on a state wide questionnaire the committee on Debate and One Act Play made the following recommendations which were adopted:

- (1) That in the One Act Plays the only properties that may be used will consist of bare tables, chairs, and benches.
- (2) That in the ballot in debate there will be a change made to provide that the total percentage score on each ballot will determine which team will receive the point for that ballot.
- (3) That contestants in debate will wear no identification such as school letters or specially lettered coats etc.

The limit on scenery is to be just as stated: no properties other than those indicated may be used. This eliminates completely all hand properties.

In debate where the judges have been indicating their choice by writing "Affirmative" or "Negative", the aggregate percentage score for each school on each ballot will be used. The point for the ballot will be determined by the school having the higher score on that ballot. This does not mean that the total points on all ballots will be used to determine the winner. It means that each ballot will count one point just as it always has but the determination of the school to receive the point will be the one with the higher percentage total on the individual ballot. In the past the percentage on the ballot has been merely a guide for the contestants and has not determined who would receive the point for that ballot.

Contestants in debate will not be permitted to wear during the debate any identification such as school letters, jackets or coats with school name or insignia.

TRANSFER PUPILS—In some areas there are both public and private high schools with the private schools operating grades 9-12, while the public schools have grade 9 and sometimes grade 10 in Junior High School. The State Executive Committee was presented with the matter of the right to transfer from public school system to private school system and from private school system to public school system. The State Executive Committee has ruled that in areas served by both public and private schools that the right to transfer from one system to another without loss of eligibility would be upon first entrance into grade 9, and that after a pupil once enters grade 9 in one type of school the pupil cannot change to the other without loss of eligibility. This means that if a pupil in an area served by both public and private schools elects to attend the public school system in grade 9, even though it may be a Junior High School or a feeder school, that after such entrance he cannot transfer even after completion of grade 9 to a private school except in a migratory category. It also means that in an area served by both public and private high schools where the public high school begins with grade 10, if a pupil enrolls in the private school in grade 9, he cannot at the completion of grade 9 transfer to the public school except in a migratory category.

GHSA MEDALLION ON TROPHIES—For the past several years the special GHSA medallion has been used on trophies furnished by the State Office. There have been several requests that this medallion be used on region trophies. The State Executive Committee directed that this medallion is for State furnished trophies only and is not to be used on region and individual school trophies.

AUTO DRIVING CONTEST ELIMINATED—Due to the small

number of schools participating in Auto Driving contest, the contest has been eliminated on region and state level. Pupils who wish to enter the Jay Cees Rodeo are free to do so without any affect on their high school eligibility.

LIFE TIME PASSES—The matter of a region awarding a life time pass to an individual good for admission to all events in that region was presented. The State Executive Committee directed that no such type of pass be issued on a statewide or a region basis as it has too many possible complications and difficulties. This action does not in any way affect the right of an individual school to issue such passes as it may see fit to its own home games on a game basis, season basis or life time basis.

DEADLINE TO NOTIFY OF ENTRY IN TRACK—Due to the fact that it is necessary to make considerable plans in advance for region track meets as for any other region events, a deadline has been set for notification of entry in track. In any case where a school plans to enter the region track meet it must notify in writing its region Secretary in Class AA, A, B, and C and its region Chairman in Class AAA not later than April 1. At least ten days prior to the region track meet notification must be given to the region of the events which the school will enter and the names of the contestants in the respective events. A substitution or change may be made prior to the event.

OFFICIALS REGISTRATION CARDS—The cards issued to officials indicate the rating that the officials hold. In some areas these cards are honored for admission and in some areas they are not. While individual schools have the right to honor any cards that they may see fit, there will be a statement on the officials card that they are for rating only and not good for admission.

BASEBALL PROGRAM AND RECLASSIFICATION STUDY—A special committee has been appointed to study the situation in regards to baseball and the reclassification problems in all areas except football. The reason for eliminating football from consideration by this committee is that another special committee has been set up to work with football to report early in the Fall. The committee to study baseball and reclassification is as follows:

Marshal O'Rear	Asst. Supt., Waycross Public Schools, Chm.
W. H. Drake	Supt., Newnan Public Schools
Glenn Wade	Athletic Director, Griffin H. S.
J. W. Sutton	Principal, Pepperell H. S.
C. H. Cofer	Principal, Louisville Academy
J. R. Trippe	Supt., Vidalia Public Schools

ENRICHED AND ACCELERATED PROGRAMS—A special committee has been set up to study the affect on eligibility of en-

riched and accelerated programs. The possible use of ungraded sections may present problems in connection with the eight semester rule such as determining when a pupil enters 9th grade. The matter of credits in terms of units may also present problems. The committee is as follows:

Sidney Scarborough	Ath. Dir., Atlanta Public Schools, Chm.
Dr. F. W. Kirby	Principal Baker H. S.
W. E. Pafford	State Dept. of Education, Atlanta

DECLAMATION—In the Declamation contest there has been a provision "All purely funny pieces, dramatic readings, and impersonations are barred from consideration." There has been considerable difficulty in determining what is "funny, dramatic or impersonations." The restriction which barred funny pieces, dramatic readings, and impersonations has been eliminated.

SWIMMING—Regulations in Swimming have been changed to permit a contestant in the State Swimming meet to enter two events and the relays.

AMERICAN HISTORY CONTEST—A contest has been added in American History. This will be an objective type test to be taken by all seniors similar to the Spelling contest. It will be held on the same date as the Spelling contest. The American History contest will be judged on a school average the same as Spelling. Points will be awarded in the Literary meet as for Spelling.

FOOTBALL COMMITTEE—The State Football committee has the responsibility of recommending to the State Executive Committee the football reclassification set up. A special committee has been set up to work with the State Executive Secretary in preparing information and recommendations to the football committee. This special committee is composed of:

Marshal O'Rear	Asst. Supt., Waycross Public Schools
Glenn Wade	Athletic Director, Griffin H. S.
C. H. Cofer	Principal, Louisville Academy
J. W. Sutton	Principal, Pepperell H. S.
Norman Faircloth	Athletic Director, Fort Valley H. S.

In some regions and sub-regions there have been ties resulting in an additional playoff game in football. Some regions have enacted special regulations to eliminate such extra games. A special committee has been appointed to study the matter with a possible state wide regulation to determine winner in a region or sub-region in case of a tie. This committee is composed of:

Bill Campbell	Coach, Hapeville H. S.
Ernest Teal	Coach, Statesboro H. S.
D. D. Brooks	Coach, Tucker H. S.

ORAL INTERPRETATION AND DEBATE WORKSHOP—The Department of Speech and Drama, University of Georgia, will hold its second annual workshop in oral interpretation and debate on Saturday, November 21, 1959. This is a one-day program starting at nine in the morning. Those who can plan to arrive Friday evening, November 20, may attend the University theatre production as guests of the University.

The workshop program will include a demonstration debate, small group instruction and discussion projects and lectures. The nature of the program makes it necessary to limit enrollment to about fifteen schools. Schools interested in participating are invited to write directly to Dr. Leighton Ballew or Mr. Arthur Fear, Department of Speech and Drama, University of Georgia, Athens, Georgia.

MUSIC FESTIVAL DATES—The Georgia Music Educators Association has recommended two changes in the music festival program:

- (1) That additional days be used for the programs
- (2) That the programs not be held on Saturdays.

The dates for the Music Festivals as listed below have been approved for the school year 1959-60 with the recommendation that the schedule of events be so arranged to hold as many as possible in late afternoon and night to eliminate school absences.

TIME OF CONTESTS—Schools are urged to start their games and contests at such time that games and contests can be completed early in order that pupils and spectators may return home early. In football it is suggested that the starting time of games be set at 7:30 pm—especially in the last half of the football season.

In basketball considerable progress was made last year in getting games started on time and operated efficiently. There are a number of factors that bring about long drawn out basketball

games. It is suggested that some or a combination of the following be used to get the pupils and spectators out of the gym earlier.

1. When more than one game is to be played, players completing a game should leave the court promptly and teams playing the next game should come on the court promptly. Practice time between games should be limited to ten or twelve minutes.
2. Games should be started promptly at the time scheduled. Lineup should be given to the scorer in advance as provided in basketball rules. Game officials should confer with team captains in regards to choice of goal etc., at least five minutes prior to scheduled time of game.
3. Timers and scorers should be instructed as to the proper procedures for timing and scoring games. Prior to the beginning of each quarter and in cases of charged time outs, the timer should signal approximately 20 seconds prior to the time play is to begin. This procedure will save from five to ten minutes per game. Statistics kept on tournament games show that with proper timing the overall time for a girls game from the start to the final whistle should be one hour, and that for a boys game from five to seven minutes over an hour. Improper and inefficient timing can drag out a game.
4. The amount of time between the first half and the second half is set by rule as ten minutes. Teams should be on the floor and ready to play ten minutes after the first half ends. Any special events, special programs, etc., should be completed in time for play to begin at the end of the ten minute interval.

CHANGE OF RECORD AS TO DATE OF FIRST ENTRANCE INTO GRADE 9—A policy was set up three years ago by the State Executive Committee that any request for a change in the record as to date of first entrance into grade 9 must be accompanied by check, money order or cash in the amount of \$10.00, and that the records of the school making the request for change be checked by some person designated by the State Executive Secretary-Treasurer with the recommendation of the person making the examination being necessary before any change can be made.

Upon receipt of a request, accompanied by the necessary fee, the State Executive Secretary-Treasurer will designate a visiting examiner to check the records of the school concerned. The visiting examiner checks the records and makes recommendation to the State Executive Secretary-Treasurer who acts on the recommendation.

ELIGIBILITY REPORTS—The procedure for the certification of pupils has been simplified. Considerable work and time can be saved for the school administrator and the state office if eligibility reports are properly filled out. Some of the items to which special attention should be directed are:

1. Eligibility certificate—
 - a. Submit original and two carbons.
 - b. List in alphabetical order, last name first.
 - c. Separate report NOT required for each sport. After a pupil has once been reported and cleared during the year, no further report is needed to the State Office for that pupil during the year.
 - d. Boys and girls may be listed on the same sheet.
 - e. Individual sheet should accompany eligibility certificate for each pupil being reported for the first time by the school.
 - f. Signature of Superintendent or Principal is necessary.
2. Individual sheet—
 - a. File ONE sheet for each pupil who is being reported for the first time. After an individual sheet has been filed by a school no further individual sheet is necessary from that school for the pupil.
 - b. List name of each pupil in full. Nickname can be placed in parentheses after the name. Listing pupils as "Junior" Jones or "Slim" Jones makes it difficult to identify the pupil on future reports.
 - c. Give date of birth.
 - d. Be sure that the section showing date of completion of 8th grade and first entrance into 9th grade is complete and correct. This can affect the future eligibility of a pupil very seriously.
 - e. In case a pupil being certified for the first time is above the 9th grade level, be sure to fill in the attendance record by years to show where and when in each grade beginning with 9th.
 - f. In any situation in which a pupil is a transfer to your school from some other high school, use the space at the bottom of the page to indicate the situation in regards to the transfer. Quite frequently this will save considerable correspondence.

A. report at the classification period shall be used as a basis to determine the classification of a school for a two-year period. In case of a consolidation at a classification period the A. D. A. of the schools consolidated shall be combined to determine the classification. The adjusted A. D. A. shall be calculated as follows:

- a. The four-year high school shall be used as a base and for a three-year high school $1/3$ shall be added to the A. D. A. to determine classification figure.
- b. The double sex school (co-ed) shall be used as a base, and for a single sex school the A. D. A. shall be doubled to determine classification figure.

(Note: Classification for the school years 1958-59 and 1959-60 is based on the A. D. A. reports for the school year 1956-57. The next reclassification will be based on the reports for the school year 1958-59 and will become effective in the school year 1960-61.

Sec. 4. GROUPING OF MEMBERSHIP BY REGIONS—All Class AAA, Class AA, Class A, Class B, and Class C schools shall be members of the Region organization in which they are located. Region boundaries shall be determined by the State Executive Committee at each classification period.

Any school which moves from one region to another by applica-

tion must remain in the region to which transferred until schools are reclassified on a statewide basis.

By direction of the State Executive Secretary-Treasurer a school may be moved from one region to another.

Sec. 8. TRANSFER TO A HIGHER CLASSIFICATION — Any eligible school which wishes to be transferred from a lower to a higher classification may do so with the consent of the regions concerned and the State Executive Secretary-Treasurer, provided no rules are violated otherwise, and provided that the request for transfer is made to the State Office within 30 days after notice of reclassification has been made. A school may not move from a higher to a lower classification.

Any school which moves from a lower to a higher classification by application must remain in the higher classification until schools are reclassified on a statewide basis.

By direction of the State Executive Secretary-Treasurer a school may be moved from a lower to a higher classification.

Sec. 9. MEMBERSHIP IN ANOTHER ASSOCIATION — A school is ineligible for membership in the Georgia High School Association if it is or becomes a member of any association whose Constitution and/or By-Laws conflict with those of the Georgia High School Association.

ARTICLE IV—How Governed

The officers and the Director of State School Supervision shall be ex-officio members to the State Executive Committee and shall have the right to vote on all matters pertaining to the operation of the Association. The provision that only one member of the Region Executive Committee may come from the same school will apply only to the members elected by the Region, and in any case where the State Executive Committee member in a Region is from the same school as an elected member, such shall not bar either from serving.

Sec. 5. DUTIES OF OFFICERS—The duties of the various officers and committees shall be those usually devolving upon such officers and committees. It is specifically the duty of the State Executive Committee, and the Region Executive Committee to seek at all times to educate the school officials under their jurisdiction and at the same time to check vigorously any practice or viola-

tion of the rules by exercising the full penalty for such violations if it seems necessary.

Sec. 6. ELECTION OF OFFICERS

(a) A President and a Vice-President shall be elected as State Association officers at the annual meeting of the Georgia High School Association each year. Class AAA shall elect one member from each region in Class AAA with such election being made at the Spring meeting of the Class AAA. In any region meeting each member school shall have one vote.

(NOTE: This section does not make the Region President or Region Chairman the automatic representative to the State Executive Committee, neither does it bar the election of any region officers to membership on the State Executive Committee.)

(e) Vacancies occurring on a Region Committee shall be filled by the Committee until the next meeting of the Region. Vacancies occurring on the State Executive Committee shall be filled by the Region Committee until the next meeting of the Region concerned.

Sec. 7. AUTHORITY.

(a) The State Executive Secretary-Treasurer shall be authorized to interpret rules with authority to impose the proper penalty.

(b) All questions of eligibility, or of any other matter subject to investigation, must first be submitted to the State Executive Secretary-Treasurer, who shall make a ruling thereon after hearing and/or examining the evidence of both sides and/or other party or parties concerned with authority to impose the proper penalty. If either the defendant or the plaintiff is not satisfied with the decision, appeal may then be made to the State Appeal Board through the State Executive Secretary-Treasurer. In the event that State Executive Secretary-Treasurer fails to act within one week, an appeal may then be made direct to the State Appeal Board either through the State President or the State Secretary-Treasurer. After hearing and/or examining the evidence submitted by both sides and/or other party or parties concerned the State Appeal Board shall render a decision in the matter. If either party is still dissatisfied with the decision or if the State Appeal Board fails to act within one week, either party may appeal to the State Executive Committee through the State Executive Secretary-Treasurer provided the party or parties appealing shall pay the entire expenses of the State Executive Committee when called together for this purpose. The State Executive Committee shall then hear and/or examine the evidence submitted by both sides and/or other parties concerned and render a decision. This last appeal shall be final and anyone seeking redress through any other channel shall forfeit their membership in the Georgia High School Association for a minimum period of one calendar year. No other method of appeal shall be held valid and any appeal must begin with the first step outlined and not eliminate any step until reaching the final court of appeal, the State Executive Committee. In any case where the decision by the State Executive Committee is in favor of the appealing party or parties the State Executive Committee may charge the expense of the meeting to the Georgia High School Association and reimburse the appealing party or parties.

Sec. 8. VOTE—Each school shall have one vote in a Region meeting and each member of the State Executive Committee shall

have one vote in a State Executive Committee meeting. In any case where a member of the State Executive Committee is unable to attend a State Executive Committee meeting, the Region President for Class AA, Class A, Class B and Class C, or the Region Chairman for Class AAA shall have the power to appoint some schoolman from the membership of the region to represent the region at this particular meeting.

Sec. 9. AMEND CONSTITUTION AND BY-LAWS—It shall take a two-thirds vote of the State Executive Committee to amend the Constitution. A majority of votes shall be required to amend the By-Laws. Changes shall not go into effect until the beginning of the next school year. Any proposed changes in the Constitution must be submitted to the State Executive Secretary-Treasurer in writing by October 31. These proposed changes shall be submitted by the State Executive Secretary-Treasurer to each Region Chairman in Class AAA and to each Region Secretary in Class AA, Class A, Class B and Class C, not later than November 30.

In addition to these meetings, special meetings may be called by the State President at any time or place provided that written notice is given to all members of the committee at least twenty-four hours prior to the time of meeting.

Sec. 11. FORFEITURE, SUSPENSION, PROBATION—The State Executive Committee and/or the Region Executive Committee and/or the State Executive Secretary-Treasurer have authority to forfeit any games or events won by a school under its jurisdiction and/or to suspend from membership in the Association any school under its jurisdiction and/or to place on probation any school under its jurisdiction on sufficient evidence of the violation of the rules of the Association, with the provision that appeal may be made in the manner presented in Article IV, Section 7. Any supplementary eligibility reports for basketball and/or additions to basketball eligibility reports made after February 10th must be accompanied by a delayed fee of \$5.00 per list. This will not apply in a case where a pupil has transferred from one school to another within ten days prior to February 10th or after February 10th and in a case where the first semester ends after February 10th. No school is eligible to participate in any region event until a certified copy of the eligibility report for that school from the State Office is in the hands of the region secretary or chairman prior to the event.
