The President's Message

Competitive athletics for our nation's youth is a character builder, a healthful and enjoyable physical conditioner, and a field for emotional and spiritual growth.

A well-administered local athletic program will nurture the community's most precious resource - the energy and vitality of its youth. Everybody in a community wins in supporting competitive athletics at the local level, including participants, spectators, families, schools, communities, and ultimately the nation itself.

There has been a changing of the guard in the Georgia High School Association. Mr. S. F. Burke, who has served as full time Executive Secretary-Treasurer of the Georgia High School Association, has retired and Mr. W. C. Fordham has taken Mr. Burke's place. Mr. Fordham has chosen as his assistant Mr. Charles Musselwhite, Assistant Principal of Gainesville High School.

We hope that Mr. and Mrs. Burke will have many years to enjoy the retirement they have earned and so richly deserve.

We hope Mr. Fordham and Mr. Musselwhite will have many years to serve the Georgia High School Association.

You are urged again to carefully read the bulletin of the Georgia High School Association for 1976-77. Please note in particular any changes that have been made since the last bulletin was issued for 1975-76.

The Executive Committee has honored me by electing me as President of Georgia High School Association for 1976-77 school year. It will be a pleasure and a challenge to serve you and the boys and girls of Georgia. Thank you for the opportunity.

Please join me in thanking Mr. Burke, Mr. Fordham and the lovely ladies in the State Office for the courteous and efficient manner in which they conduct our business. You have a cordial invitation to visit the State Office in Thomaston. If you have need for information or services rendered by the State Office, please feel free to call on them.

May you have a pleasant, happy, and successful school year.

Points Of Emphasis

CHANGE OF RECORD AS TO DATE OF FIRST ENTRANCE INTO GRADE 9 — A policy has been set by the State Executive Committee that any request for a change in record as to date of first entrance into grade 9 must be accompanied by a check, cash, or money order in the amount of \$10.00, and that the school making such request for change be checked by some person designated by the State Executive Secretary-Treasurer, with the recommendation of the person making the examination being necessary before any change is made.

ELIGIBILITY REPORTS — The procedure for the certification of pupils has been simplified. Work and time can be saved for the school administrator and the State Office if eligibility reports are properly filled out. Items to which specific attention should be directed are:

1. Eligibility Certificate

- a. Submit original and two carbons (1 is returned to the school; 1 goes to the region; 1 remains in the State Office.)
- b. List pupils in alphabetical order, last name first.
- c. Separate report IS NOT required for each sport. After a pupil has once been reported and cleared during the school year, no further report is needed for that pupil during the school year.
- d. Boys and girls may be listed on the same sheet.
- e. For each pupil being reported for the first time by a school, an individual sheet for that pupil should accompany the eligibility certificate.

2. Individual Sheet

- a. File ONE sheet for each pupil who is being reported by the school for the first time. After an individual sheet has been filed by a school, no further individual sheet is necessary for that school for the pupil.
- b. List the name of the pupil in full. Nicknames can be placed in parentheses after the name. Listing a pupil as "Junior" Jones or "Slim" Jones, makes it difficult to identify pupils on future reports.
- c. Give date of birth — indicate authority for birthdate. You will be assisting a pupil if you require the pupil to furnish a birth certificate.
- d. The section showing date of completion of 8th and first entrance in 9th should be complete and accurate. An error in this section can seriously affect the future eligibility of a pupil.
- e. When a pupil certified for the first time is above the 9th grade level, be sure to fill in the attendance record by years to show where and when in each grade beginning with 9th. Be sure that the

section is in agreement with the section showing date of first entrance into grade 9.

- f. If a pupil is a transfer to your school, it is necessary that you file an individual sheet for that pupil from your school. Use the space at the bottom of the individual sheet to indicate the situation in regards to the transfer. Frequently this will save correspondence and establish the pupil's status without delay. Information as to where the pupil lived last year, with whom, relation, and where and with whom the pupil is living now and their relation with help to clear your report.

3. General

- a. The report submitted to the State Office becomes a permanent record. Care should be utilized to have the individual sheet complete and correct as an error on the original filing can cause difficulty one to three years later.
- b. Signature of the Principal or Superintendent is required on the individual sheet.
- c. Individual sheets should be completed based on school records. Sheets should not be filled out by the individual pupil involved.

POLICY IN REGARDS TO FIELD MARCHING BANDS, CONCERT FESTIVALS — Full information in regards to approval of Marching Bands, Concerts, Festivals, etc., is printed in the 1974-75 GHSA Bulletin. Before entering any of the above type events be sure that it has been approved. Listed below are those that have been approved to date for any member school. Others may be added later. - g. In calculating the percentage standings the games won shall be divided by the games played with any tied game counting a one-half game won.
- h. By a majority vote of the schools of a region at the region meeting for scheduling, provision may be made for a playoff between the first and second place teams in the region. The regulations as to ties will apply when more than two teams are tied for first or when two or more teams are tied for second.

18. In case of a tie in any play-off game, sub-regional, regional, or semi-final, preceding the final state championship game the following system will be used to determine the winner:

- a. When a game ends in a tie score, two overtime periods of five minutes each will be played with all regular football rules applying, except that each team will be allowed one charged time out for each overtime period.
- b. After the conclusion of the regular game there will be an interval of two minutes. The two captains will meet on the field for a coin toss and the winner will have the same options as apply at the beginning of the game. The loser of the toss will have the same options at the beginning of the second overtime period as in the second half of a regular game.
- c. There will be a two minute interval between the first and the second overtime period during which each team may meet with its coaching staff at its bench area.
- d. The team which is ahead at the end of the second overtime period is the winner. Points scored will be added to the regular game score.
- e. Two different color flags furnished by the home team (markers) will be used to mark on the side lines the nearer advance of each team to the other team's goal line. If the score is tied at the end of the second overtime period, the team which has advanced nearer to its opponent's goal line is the winner. (One point is added for advancing nearer to the opponent's goal line.)
- f. There is a possibility that either or both teams may score a touchdown during the overtime periods and there is a possibility that the score will remain tied. The advancement in e. will apply, if prior or subsequent to the touchdown drive.
- g. It is suggested that an official (which is the responsibility of the host team) on the side line mark the spot of advancement for either team, and that in addition to marking with a flag (marker) that it

be noted in writing with each change of advancement indicated. (This will provide exact information in case a marker is moved by wind, accident, etc.)

- h. The score remains tied at the end of both overtime periods. Team A has its advance to its own 40 yard line (60 yards from opponent's goal): team B has its advance to its own 46 yard line (54 yards from opponent's goal). Team B is the winner.
 - i. A touchdown, field goal or safety does not eliminate any prior or subsequent advancement.
 - j. In the unlikely event of a tie at the end of the second overtime period, the plan in the current rule (football) book will be employed to break this tie. See pages 83-85.
19. In case of a tie in the State final championship game the two tying teams will be declared co-champions.
