“Recognizing High School Students and Athletes on Television”

PROGRAM #: 370 (22 - 078)

This Week on *Prep Sports Plus*

Thursday, April 10 @ 7:30 PM - Saturday, April 12 @ 6:30 PM and Sunday, April 13 @ 12:30 PM

PLEASE NOTE: This is our last program for the 2007 – 2008 school year. Thank you for your coverage and kind words. Our best wishes for a safe and fun-filled summer.

MARIETTA

The seniors on the **Walton High** baseball team are a special group. As freshmen, they finished their JV season undefeated at 18 & 0. As juniors in 2007, they fought their way to the Class AAAAA State Championship, the school’s second baseball title. Now in 2008, their last season together brings a strong desire to finish their high school careers on top, repeating as the Class AAAAA champs.

CHAMBLEE

There is no doubt that **Chamblee High** senior **Emily Reese** is one of the state’s all-time long distance runners. With 10 State Titles under her belt and just a few weeks left before graduation, Reese has the chance to do something no Georgia runner, and likely no runner anywhere has accomplished in their high school career – win 12 State Titles.

POWDER SPRINGS

We visit with two of Georgia’s senior Track & Field standouts – **McEachern High’s William Wynne** and **Bobby Onyeukwu**. After hurdling his way last year to the 110 and 300M GHSA AAAAA titles, Wynne won his first international gold medal in the 400M hurdles last July at the World Youth Games. Onyeukwu, a 5th place finisher at state in the 800M last season recently placed 2nd in the 800 at a national indoor event. Onyeukwu will attend Syracuse University this fall with Wynn traveling south to the University of Florida.

ADAIRSVILLE

In the area surrounding Adairsville, **Adairsville High**, sophomore **Shamira Barrett** is making a name for herself. As a freshman, Barrett set the school long jump record then placed 3rd at state in the 100 and 200M dashes. Barrett set the school record in the 100M dash at 12.43 earlier this season and is looking forward to her second trip to the state meet.

GREENSBORO

Like numerous student athletes around the state, **Greene County High** senior **Clarence Hunt** is about to end his high school career. Hunt, a 2-sport athlete, carries a 3.2 GPA and is an active member of the school’s Leadership Class. We recognize Clarence Hunt as this week’s **“Academic Athlete of the Week.”**
