April 13, 2002

Dear State Championship Participants:

Congratulations on earning the privilege to represent your school, community and family at the 2002 Georgia High School Association (GHSAA) State Rifle Championship. Only a small percentage of competitors reach this level in any activity. You deserve to be proud.

Team and individual scores continue to rise throughout the state and your achievements are being noted throughout the country. "It is without question that Georgia has the best youth shooting education and competition program in the country." These are some of the comments written to the Georgia High School Association on November 14, 2001 by Mr. Robert Mitchell. Mr. Mitchell is Chief Executive Officer of USA Shooting, the National Governing Body for the Olympic Shooting Sports. He was also our National Rifle Coach for ten years. His comments are justified as a result of the hard work of many coaches and student athletes and the support of schools and parents.

The announced closing of the Olympic shooting complex this year has caused much uncertainty in our sport as it is absolutely the finest shooting facility in the country. Moving the State Championship here in 1998 enabled us to elevate to a really high-class event. Visitors here last year, preparing for the ISSF Atlanta World Cup, expressed their amazement at the levels of scores being fired, at the event itself and, most importantly, at the clean-cut appearance and conduct of our high school athletes. We made a positive international impression for our youth, our state and for America. What an opportunity! Some are making efforts to keep this fine facility open for future use. Hopefully you will do all that you can to assist in their efforts.

Thank you to all of our volunteers whose time and labor make this event possible. I especially thank the Georgia High School Association for its strong support of our sport and of the student athletes in Georgia.
