The President's Message

To The Member Schools,
Georgia High School Association:

As this is written, the world has just received the news of a most significant victory over the foes of Democracy. The schools of this nation, and particularly those of our own state, have had no small part in this conflict and in the prosecution of the war that brought about this momentous victory. Administrators, teachers, and pupils have responded with fervent patriotism whenever a call for service was made.

Now, we enter into a new epoch—one that will be fought with many problems, but which offer far greater opportunity for you who are training the youth of this day for the duties of citizenship tomorrow. In the worthy program of assuring an enduring peace, Georgia high schools will be found serving with the same zeal and loyalty as have characterized them in the past. To this end, the officials of your Association pledge to you our best efforts. We want to be of service in every way possible.

You have been advised by our State Secretary of an expanded program, authorized at the last annual meeting of the Association. We are sure that the extended services of this program are going to be received enthusiastically when properly understood by the member schools. As your President, I wish to be regarded as your humble servant, and soliciting your hearty cooperation, I pledge to you my best efforts in promoting the best interests of the Association and of Georgia high schools.

ANNUAL DUES—Annual membership dues are payable to the secretary of the District in which the school is located. The membership year runs from October 1st to October 1st. Dues which are paid on or before October 1st receive a discount. (see section 1, item 3).

TEACHER-COACH RULE—The authorization for the waiver of the Teacher-Coach rule (section 1, item 7) is still in force. In a case where a school cannot secure a regular certified teacher as a coach, application for waiver should be made to the executive committee of the district in which the school is located. The committee is authorized to waive or not to waive as it may see fit. In any case where a waiver is authorized the school assumes full responsibility for the actions of the coach employed.

DISCUS—The official high school discus has been adopted for the use of GHSA schools in all contests. Specifications on this discus are:

Weight: 3 lbs. 9 ozs.—Diameter: 8.25" — Core: 2" in diameter and 1 5/8" thick; Thickness 1/4" from perimeter: .48"

2½ UNITS CREDIT—A pupil is eligible for only three years of participation after he or she has earned 2½ units of credit. While a pupil can still participate four years the pupil is eligible for only three years of participation after earning 2½ units. In effect this means that a pupil has only three years of participation after completing the first year of high school for which credit is given. (Section 1, item 15).

CHANGE TO 12th GRADE—If a school changes from an 11-grade system to a 12-grade system, those pupils who were in the 11th grade the year preceding the change are ineligible for further compensation. (Section 1, item 16).

AGE LIMIT—Effective in 1946-47 the age limit for participation will be 19.

TENNIS—District and State Tennis tournaments for Class B and Class C will be played in the Fall of the year. (See announcements, page 2). Class A may set the dates for their tournaments as it sees fit.)

GAME CONTRACTS—In the past several years there have been a number of games cancelled without mutual consent. Under the regulations in Section 2, item 20, in any case where a properly executed game contract is cancelled except by mutual consent, the offending school shall be suspended for one full calendar year from the date of such cancellation. The GHSA has a supply of contract blanks. Those may be secured from your District Secretary or the State Secretary. Schools are urged to use these game contract forms so as to have a definite record in writing.

CHANGES IN ADMINISTRATIVE SETUP—At the last annual meeting of the State Executive Committee it was the unanimous decision based on the report of a special committee that had thoroughly canvassed the State, that the program of the Georgia High School Association should be expanded so as to render more service to its member schools. Steps have been taken by the State Committee to initiate these services. Part of the work will be included this year and part will be added next year.

All original rulings as to eligibility will be made by the State Secretary instead of the District Vice Presidents. All original rulings on matters of protest or investigation will be made by the State Secretary. This has been done to insure uniformity over the State. Local district control has been retained in that any appeals from original rulings will follow the regular channels as has been done before—district committee, state president, state executive committee.

Clinics will be held this year to instruct officials to football, boys basketball, and girls basketball rules.

A central eligibility file will be established this year in the State Office. This necessitates a change in the method of filing eligibility blanks. Two copies of the eligibility blank will be mailed to the State Secretary instead of to the District Secretary. (Section 2, item 6) It will be necessary the first time a pupil's name appears on an eligibility list to file an individual information card for that pupil. After an individual card has once been filed, no further individual card will be necessary for that pupil. This will simplify the work of the local school and at the same time will give an accurate record on each player. Eligibility blanks and individual sheets may be secured from your District Secretary or the State Secretary.

Efforts will be made to keep each school better informed of the

GHSА plans through mimeograph bulletins and other publications. Each school will be furnished a copy of the "Southern Coach and Athlete" each month. In addition to the Georgia items of interest this magazine contains information in regards to the athletic activities of other Southern States and a variety of other athletic information.

Each school has been mailed an information sheet requesting the names and addresses of school officials, the name of the person to whom correspondence and magazine subscription should be mailed. This sheet also contains a section on which each school may indicate its choice of rule books. A large number of these information sheets have not been returned. It is impossible to get the material in the proper hands without a correct mailing list. If you are not receiving the various materials, advise the State Secretary.

In order to meet the increased costs of operation the financial structure has been revised. In the past football has not had to carry any of the load while basketball has had a large share. Under the current plans football will bear a part of the expense. This is outlined fully in Section 2, item 4. Payments for football are to be made to the District Secretary within five days after the game is played.

RULE BOOKS—Each school is entitled to three rules publications without charge. These are mailed to each school when the information sheet is returned showing the choice of rule books. A school may select from the following:

- Football Rule Books.....available now
- Boys Basketball Rule Books.....available now
- Girls Basketball Rule Books...to be shipped after Nov. 1
- Track Rule Books.....to be shipped after Nov 15

Each school makes its own choice—you may select three of the same book, or two of one and one of another, or one each of three different books. Additional copies of the rule books may be purchased at the prices shown on page 2 of this bulletin.

TRACK—The mile run has been added to the list of track events for the District and State Meets with the restriction that no contestant may enter over one event 440 yards or greater.

ATHLETIC INJURY INSURANCE—The athletic injury insurance plan has been explained to give greater coverage. Coverage can be obtained for the entire year or for the individual sports at a low cost. Information will be mailed by the State Secretary upon request.

These blanks shall have spaces to include the name, exact date of birth, grade, and number of years on team not including this year, for each individual on a team.
- Item (7) Shall determine in June or any subsequent date what approved contests shall be held during the coming year. All games won or lost during the season shall be defaulted. The State Secretary shall instigate proceedings against the offending school.
- Item (5) An exception to the migratory rule shall be made to allow public high schools of Class A to play Private Boarding Schools of Class A under conditions agreed upon by the schools concerned. (This exception does not apply when public high schools of Class A are playing each other and when any Class A school is playing a Class B or C school.)
- Item (6) Class A Boarding Schools which are members of the Mid-South Association will be permitted to enter any tournament or meets conducted by that Association in accordance with its rules and regulations when that tournament or meet is confined to member schools of the Mid-South Association.

Each member school shall have one vote in all sessions of the conference. A schedule shall be arranged where each school of the conference plays each other school at least one game during the season . . . exception, where the conference is large and such a plan would not be feasible then each school must play a representative schedule as recommended by this conference.

- Item (2) Each conference so organized must file with the State Secretary a copy of its Constitution and By-Laws. Each conference must file with the State Secretary a copy of its official conference football schedule.
- Item (3) If the schedule is arranged in such a way that a conference championship cannot be determined, one post season football game may be played to determine the championship of the conference.
- Item (4) In case of a tie in games won, then the conference may declare the tying teams equal champions of the conference.

LITERARY EVENTS

Due to the fact that it has been possible to complete the details of the Literary contests, the Literary section has been left out of this bulletin. Another bulletin will be printed in November which will contain the information in regards to the Literary events.

The District Literary meets have been advanced on the calendar to correspond with the advance of the State meet date. In the past two years there has been much confusion in attempting to conduct literary and athletic events at the same time. There have been many cases where it has worked to the disadvantage of the contestants. This year the State Literary meet will not be held at the same time as the Track meet. See the announcements on page two of this bulletin for dates.

In all events which carry a time limit contestants will not be disqualified if they stop promptly when time is called. The contestant will be warned at the expiration of time.

In all district contests a representative for the State meet must be determined. Ties for first place in the District must be broken by a continuation of the contest or by reholding the contest. The points stand as made in the original contest and no points will be allowed in the continued or reheld contest. The regulation permitting all contestants typing for first place in an event to participate in the State meet has been revoked and only one representative will be permitted from each district in each event.

Listed below are some of the major changes in contests from last year:

Shorthand—A new contest for district and state meets.

Agriculture—Contests will be held in this phase of work if they can be worked out in time.

Reading—while the material for this year has not been selected, the material will not be limited to Shakespeare.

One Act Play—The regulation barring religious plays has been eliminated.

Typing—District winners will compete at the State meet. Contestants will be responsible for furnishing own typewriters. The District and State contests will be a 15-minute straight copy test.

Essay—Topics will be limited to current events.

Declamation—This is a contest for boys only.

Piano—Compositions by Boch have been eliminated. In the contest for this year each contestant will play one selection from section two and one from section three as listed in last year's bulletin with an overall time limit of ten minutes.

Debate—Topic—Resolved: That every able bodied Male Citizen of the United States should have one full year of Full Time Military Training Before Attaining Age 24.

Debate material may be purchased from the State Office as follows:

1945 Debate Handbooks -----75c each

Military Training, 15th Annual	
Debate Handbook, 2 vols. -----	\$1.25 set
National Debate of 1941 -----	15c set
Miscellaneous Material -----	25c

The 15th Annual Handbook is a combination of the Handbook and supplement of the 1941 debate pertaining to the present topic.

The National Debate is a copy of the Radio Demonstration debate on military training.

The miscellaneous material is free material mostly in pamphlet form obtained from various sources dealing with both sides of the question. Each package will contain a minimum of six items. The charge is made to cover shipment from source to State Office and from State to schools.

The above materials will be available in limited quantities after September 15th. Orders will be accepted now and will be filled in the order received and delivery made as long as the various types of material are available.

Limitations on contestants—A pupil may represent his or her school in not more than two events in which he or she performs alone. Pupils are not limited as to number of group events they may enter.

GENERAL INFORMATION

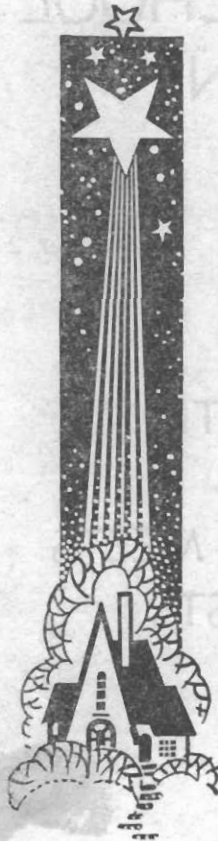

DISTRICT AND STATE MEETS LITERARY CONTESTS

1945-46

A MEMBER OF THE NATIONAL FEDERATION OF
STATE HIGH SCHOOL ATHLETIC
ASSOCIATIONS.

S. F. BURKE, Secretary
Thomaston, Ga.

December, 1945, Model

The waning year gets second wind for a fast finish. The North Wind blows a blast to test latent power. Plant life and the groundhog go below frost line. Oak leaves crackle in the wind. The sun sinks early and stars expand to double summer size. Flickering flame has new appeal.

Atom splitting and firing squads drop from the headlines as the Bohemian glass-blowing artist and the Swiss toymaker take their place in the sun. Peace wraps humanity in its soothing folds. Jagged war memories are sanded clean by new hopes and broadened tolerant viewpoints.

High purpose prevades the mind. Flaming candles and sparkling tinsel symbolize the eclipse of prejudice and hate. Friendliness is the vogue. Cheerfulness prevails. The catalyst, good will, transforms and purifies thought and action.

In the SCHOOL ATHLETIC DEPARTMENT, hanging football suits stir posthumously when the storeroom door opens. Basketball roars in to proclaim itself king. Yesterday's champions make way for today's challengers. The Coach turns from memories of what old teams have done to visions of what the new team can do. The administrator hopes for constructive leadership by those with athletic prowess but keeps his fingers crossed.

December games are vitalized by the holiday spirit. Early season victory is a good omen. The sting of defeat is assuaged by hope for later tournament success. An officials adverse decision is tolerated in a spirit of good fellowship in this brief era of good will. Former stars, recently returned from the serious business of yesterday, look on as current sharpshooters flash across the floor in lightning-fast strategic patterns which leave no time for thought of a possible serious business of tomorrow. Life is for today and it is good when the mind is flooded with warming waves of friendliness.

* * * *

For the good things you have done in 1945—for the fine things you are doing, and for the great things that you plan to do in 1946—

a medal of merit. May the holiday flame and tinsel be a symbol of happiness and contentment which will hover around you and yours through this December and on to more Decembers.

That is the wish,

Wished for you this Holiday Season
by Your State and National Association Staff and
Your State Executive Committee.

Sportsmanship

Your State Executive Committee at a recent meeting had placed before it several examples of poor sportsmanship. The sentiment of your Committee which feels that it expresses the sentiment of all schoolmen in the state is that it is a definite responsibility of the administrative officials of the school and the athletic coaches to promote and foster a spirit of good sportsmanship by extending in every way possible all courtesies to visiting teams, officials, and spectators; to educate your home town spectators and the pupils of your school so that they will conduct themselves in such a way that your locality and its school will build for itself a reputation for sportsmanship of the highest order.

The New Jersey State Interscholastic Athletic has placed in the hands of each of its member schools an article written by a principal of a New Jersey High School. With permission of the New Jersey Association this article is given below.

A Creed For Athletics

We talk a good deal about promoting international amity. Educators particularly are constantly and solely being enjoyed on the necessity of their educating young people, so that they may understand how vital it is for all nations to learn to live together in a spirit of good will. We are told again and again that our foreign affairs must be conducted in neighborly kindness, if mankind is to survive.

Athletics are the chief "foreign affairs" of New Jersey schools; athletics in general are the means whereby groups meet, in friendly fashion, with other schools just as nations do in the dealings of commerce.

But while athletics, like commercial dealings, are competitive in nature, they are not war. They are, in fact, historically and biologically considered, nature's substitute for war. Viewing athletic contests from that angle, we shall find it important not to let the sense of rivalry and conflict develop in athletics to the point that dangerous violence flares up. If we expect to teach our young people international amity, it is well to begin on the playing field and in the gymnasium. There they must learn self-restraint, a code of honor in conflict, a willingness to concede merit to opponents and to give them fair opportunity to show their prowess, modest in victory, and an avoidance of acts that are barbaric rather than civilized. War has degenerated into a callous savagery that would appal Sioux Indians or Attila's Huns. Let's keep athletics on a loftier plane, as one way of redeeming mankind.

The situation is made either more difficult or easier, I don't know which, by the fact that, in general, it is not usually the actual players who offend. It is most frequently the bleachers. Often the worst culprits are adults—alumni or residents of a particular school district, who (through insulting shouts or cowardly blows while watching an athletic contest) vent a frustration or soothe a feeling of inferiority. Physical educators and coaches, along with the rest of the faculty of a school, must make it their function to educate all persons interested in athletics into a realization of the fact that athletics at its best is **Chivalry**—the modern name for which is **sportsmanship**.

DISCUS—The official high school discus has been adopted for the use of GHSA schools in all contests. Specifications can be found in the Track rules book or on page 5 of the September bulletin.

ELIGIBILITY REPORTS—A central eligibility file has been established in the State Office. Two copies of the eligibility certificate (form E-2) are to be mailed to the State Secretary before the first contest of the year in the respective sport. The first time a pupil's name appears on an eligibility certificate, an individual information sheet is to be filed for that pupil—form E-1. After an individual sheet has once been filed for a pupil no further individual sheet will be needed as the record of that pupil will be kept up to date from the information contained on the eligibility certificate.

It has been evident from some of the reports received during football season that a number of schools are permitting the pupils to fill out the information sheets. If this is done, the sheet should be checked carefully by the head of the school for accuracy. If a duplicate information sheet is made by the school and kept in the school permanent record file it gives the school an excellent means of keeping its athletic record up to date.

(b) How judged: Verbal and grammatical correctness, spelling, and punctuation shall be considered of less importance than the interest and general effectiveness of the whole composition, but should have weight. The essay shall be judged by the thought, the

The District winners in the Essay do not come to the State Meet for further contests. The State winners are determined from the winning papers sent in from each district.

Item (6) SPELLING

(a) The State Secretary, on or about the first day of April each year shall send, securely sealed, to the District Secretary as many lists of words as the District may have schools entering the contest. The list will consist of 100 words to be spelled by the senior class of said schools on the first Wednesday in April. A minimum of 80 per cent of the words will be selected from the spellers on the State Textbook list; the remaining words will be selected from current news publications.

(b) *How conducted:* The District Executive Committee shall appoint for each contesting school a visiting examiner to conduct the contest in each school, said examiner being a superintendent (or his representative) of some member school. The District Secretary shall send by registered mail to each representative examiner at post office where the said examiner is to go, the sealed list of words, with the instructions on the envelope: "To be held until called for." The visiting examiner is directed to select two assistants from the faculty in the school where the examination is being held to assist him in the conduct of the examination. The local spelling teacher may give out the words to the class. Definitions of words may be given.

The examiner shall make a written report of the result of the examination, signed by all members of the committee. It shall be sealed and mailed to District Secretary on the same day on which the examination is held with all of the examination papers of the class, together with such written explanation of absences as may be submitted to him. No excuse for absence other than a doctor's certificate will be accepted, except in the case of extraordinary providential hinderance, such as death in the family or some similar circumstances. One hundred words must be counted off for each unexcused absentee.

The District Secretary must notify the State Secretary by Monday of the last week in March what schools in the district will enter the spelling contests. Every examination not held according to these rules and regulations will be thrown out.

(c) Winning papers: The District Committee may review the list sent in. The District Secretary shall send to the State Secretary the averages of all schools in his district and the papers of the winning schools. The District or State Secretary shall from these data award first, second, third, and fourth places according as to whether it is a District or State Contest.

5. All words which are not numbered to agree with the number of the word as given out by the examiner.
6. All words omitted.

Item (7) DEBATE

Each school must notify the Secretary of the District Committee not later than February 25th of its intention to enter the debates for the current year. The District Secretary shall group the school entering according to geographical arrangements or conditions of highways connecting the schools by March 10th and notify each school entering concerning the groupings. Each school so grouped shall present two teams of debaters, one team on the affirmative and one team on the negative, the affirmative team debating at home and the negative team away from home. Where schools drop out consolidations are to be made by the District Secretaries, and schools must be ready to meet any assigned contestants on the final date. Should all schools but one in a circle fail to debate, that school shall be declared the winner and be entitled to represent the school at the District Meet. If only two schools remain, these debate on the dual plan, each school sending a negative team to the other school.

Any school entering debate and dropping out without giving three days notice to the District Secretary shall not be allowed to enter any other literary event that year.

(a) Order of speeches: At all contests, time and order of Speeches shall be as follows:

MAIN SPEECHES

First affirmative speaker	-----10 minutes
First negative speaker	-----10 minutes
Second affirmative speaker	-----10 minutes
Second negative speaker	-----10 minutes

PREPARATION OF REBUTTAL

Time for preparation of rebuttal shall be given. The maximum time shall be limited to ten minutes. By unanimous consent of all participants in the debate, less time for preparation of rebuttal may be used and the debate continued.

REBUTTAL SPEECHES

First negative speaker	-----4 minutes
First affirmative speaker	-----4 minutes
Second negative speaker	-----4 minutes
Second affirmative speaker	-----4 minutes

Speakers on respective sides must speak in the same order in rebuttal as in main speech.

(b) For 1945-46 the debate subject will be:

“Resolved: That every able bodied Male Citizen of the United States should have one year Full Time Military Training Before Attaining Age 24.”

(c) Judging and Scoring: In every debate there shall be three judges. A copy of the instructions as given below shall be given to each judge. In selecting the winners each decision shall count 1, and the vote of each judge shall count 1, a perfect score making 8 points. All of the preliminary debates in the several districts shall be held the fourth Friday in March, at such hour as may be agreed upon, and in case of a tie, the tie must be settled by the following Friday. Both teams of the winning school in each circle will be entitled to contest at the District Meet, and the school scoring the most points will be declared the winner. Should there be a tie in points scored by each school at the District Meet, it shall be decided by lot which school shall represent the District at the State Meet. Each school winning in the District shall send two teams, one affirmative and one negative to the State Meet.

(d) Instructions to Judges: A copy of the following instructions shall be given to each of the three judges: “The judges, who shall sit apart during the debate, shall judge the contest as a debate

voting without consultation 'Affirmative' or 'Negative' on the merits of the debate irrespective of their individual opinions as to the merits of the question. In deciding which team has done the most effective debating the judges shall take into consideration:

1. Argument, by which is meant the substance and value of the proof offered and its skilful use in the discussion, and not the mere number of points.
2. Rebuttal, by which is meant impromptu argument used to refute the direct argument on the opposing side as made. New evidence may be submitted, but new argument is forbidden. A marked difference in the style of rebuttal speeches and those of direct argument is a sign of poor preparation.
3. Effectiveness, by which is meant the combination of good English with pleasing delivery.
4. In case of doubt, argument shall be stressed relatively more than delivery and rebuttal work more than main speeches, consideration being given to the directness of the rebuttal and the non-use of manuscripts. At the close of the debate each judge shall indicate his choice by ballot and deliver it to the presiding officer. In district debates the presiding officer shall inspect the ballots in the presence of a representative of each school and announce the result. In the State Meet the ballots in each individual debate shall be placed in a properly marked envelope by the presiding officer, shall be sealed, and delivered to the Chairman in charge of the State Meet Debates. After all of the debate envelopes have been turned in to the Chairman, he shall in the presence of one representative from each of the contesting schools, open the envelopes, read aloud the ballots, make an official tabulation of the results, and announce the results."

(e) No Visiting: It shall be considered dishonorable for pupils, teachers or followers of one school to visit the debaters of another school for the purpose of securing information when the two schools are likely to meet on the same question.

(f) Coaching: Coaching is necessary, but does not mean writing speeches. Coaching should be limited to (a) instruction in the art of debating in general; (b) help in the collection of material bearing on the subject; (c) advice, suggestion, direction, criticism, outline, and English as in regular class work; (d) drill on delivery. The coaching must be done by a teacher of the school and not by outside parties. Each school will observe these general principles of honesty for the sake of the pupils.

At least three days before the debate the coach of each team shall sign and send to the principal of the opposing high school the following statement: "I hereby certify that to the best of my knowledge the preparation of the argument for this debate has been the work of the members of my team who will participate."

(g) In all contests the debaters shall be separated from the audience and shall receive no coaching while the debate is in progress.

(h) Teams: The teams constituting the debating team from a given school may not change from one team to another or change from negative to affirmative, or vice versa, in order to give the school a stronger representation on that side of the debate. Each school must be represented by the same debator or an alternate at the District or State Meet, that represented the school for the first circle debate and on the same side of the question that they originally represented.

(i) At the State Meet, the Debate Committee shall arrange the district winners into the circles of five or less in each circle in the respective class, these to be designated as Circle 1 and Circle 2. The winning school in Circle 1 shall meet the winning school in Circle 2 for the State Championship. In the case of a tie between schools in the same circle before the circle winner is determined, the schools tied shall debate off the tie, each school furnishing two teams. Both teams of the winning school in each circle will be entitled to contest in the final debate, and the school scoring the most points shall be declared the winner. Should there be a tie in points scored in the final debate, a co-championship will be declared.

Item (8) QUARTET

In both District and State Meets each quartet will be limited to six minutes. Not more than three selections may be presented by each quartet. A quartet may be composed of male, female, or mixed voices. Quartet may be with or without accompanist. The judges shall select a first, second, third, and fourth place winner.

Item (9) TYPING

Typing will be a contest limited to pupils who are enrolled in their first year of typing. Any pupil who has had any instruction in typing prior to the beginning of the school year shall not be eligible. Either a boy or girl may represent a school. This will be a straight copy contest in speed and accuracy and will be graded on the basis of International Typing Rules. Each contestant will be required to type for a period of fifteen minutes. Each contestant will be given the same copy to transcribe.

First place winners from each district will compete at the State Meet. Each contestant is responsible for furnishing the typewriter which is to be used in the contest.

The judges will select a first, second, third, and fourth place winner.

Item (10) VOCAL SOLO

In both District and State Meets there will be a contest in vocal solo for boys and a contest in vocal solo for girls. Each contestant will be limited to five minutes. Not more than three selections may be presented by each contestant. Vocal solo may be given with or without accompanist. The judges shall select a first, second, third, and fourth place winner.

Subject: Green and Yellow Vegetables (Group I of the "Basic 7" Food). Selection, storage, preparation and serving of raw and cooked green and yellow vegetables.

Various methods of cooking green and yellow vegetables. Planning of daily diet to include green and yellow vegetables.
