The President's Message

Dear Friends:

On behalf of the Georgia High School Association's state office and Executive Committee, I want to thank each of you for the wonderful cooperation received this past year. However, I am sure this cooperation could be improved if every principal and coach would read and understand the rules and regulations set forth in the Association's Bulletin.

I believe that we are making rapid progress in attaining our ultimate goal for every girl and boy in Georgia—a sound healthy mind in a sound healthy body. I am convinced that the mind will function properly, emotionally and otherwise, only if it is part of a healthy body. If everyone could believe this and the Lord would give us the courage to defend our convictions, it would not be long until we reached our goal.

Please feel free to call on your state officers and the personnel of the state office for any assistance we may be able to render.

Wishing you every success in the coming year, I am,

Sincerely yours,

H. D. Butler Jr, President
Georgia High School Association

From The Secretary's Desk

This section of the Bulletin contains in summary form special information.

TRANSFER TO ANOTHER REGION OR TO A HIGHER CLASSIFICATION—Provision has been made that in a situation in which a school wishes to change from one region to another or to compete in a higher classification than that in which classified, that the approval of the regions concerned and the State Executive Secretary-Treasurer is necessary prior to such change. By direction of the State Executive Secretary-Treasurer a school may also be transferred.

CHANGES IN CONSTITUTION—Proposed amendments to the Constitution must be submitted to the State Executive Secretary-Treasurer in writing not later than October 31. Proposed changes will be sent to the various regions by November 30. Action on proposed changes in the Constitution may be made at the Fall meeting as well as at the annual meeting in the Spring.

PROBATION—The term probation has been defined so that in a situation where a school is placed on probation, the school will be permitted to compete in regular season contests but will not compete for any championships. This would mean, for example, that if a school were placed on probation for the basketball season, the school could play its regular schedule but could not participate in any tournaments. If a school were placed on probation during the football season, the school could play its schedule but even if the record of the school were such to qualify it for the playoffs, it could not participate in the playoffs.

STUDENT AND/OR PRACTICE TEACHERS—Clarification has been made so that a student or practice teacher assigned to a school in conjunction with a teacher training program of an institution of higher learning would be considered clear to coach or direct pupil activities.

LIMITATION ON BASKETBALL—Several important changes have been made in the limitations on basketball. These are given below:

1. The limit on the number of regular season games is twenty-six.
2. No basketball practice may be held prior to September 22.
3. No basketball game may be played prior to October 20.
4. Spring basketball practice shall be limited to a period of twenty-eight consecutive calendar days.
5. Only one game per week may be played on a night or a day preceding a school day.

POST-SEASON BASKETBALL—Each year pupils lose eligibility due to participation in post season basketball games. In any case where a pupil has represented a school in a game during the season, such pupil's eligibility can be seriously affected should the pupil participate with some basketball team after the high school season is over. The end of the basketball season is definitely set. Each school should impress upon its coaching staff the importance of being sure that the pupils understand the situation.

DIVISION OF A REGION—Whether or not a region is subdivided is a matter for the region to determine. In any case where a division is made, it may be two or more sub-divisions as determined by the schools involved with approximately the same number of schools in each division.

SWIMMING MEETS—AAU, SENIOR AND JUNIOR—The State AAU Senior and Junior Swimming meets have been sanctioned for participation by member high schools.

MUSIC FESTIVAL DATES—The below given dates have been approved by the State Executive Committee for the Music Festivals:

- District 1—Feb. 27, 28, 1959
- District 2—March 6, 7, 1959
- District 3W—March 6, 7, 1959
- District 3E—March 6, 7, 1959
- District 4—March 13, 14, 1959
- District 5—March 11 and March 13, 14, 1959
- District 6—March 6, 7, 1959
- District 7—Feb. 27, 28, 1959 (Instrumental)
March 13, 14, 1959 (Vocal)
- District 8—March 13, 14, 1959
- Districts 9 and 10—Feb. 27, 28, 1959

The Georgia Music Educators Association has been requested to set the starting time of events held on Friday as late in the day as possible so as to avoid school absences.

SPECIAL WORKSHOP IN ORAL INTERPRETATION AND DEBATE—The University of Georgia, Department of Speech and Drama, in cooperation with the Georgia High School Association has set up plans for a special workshop in the field of Oral Interpretation and in the field of Debate. This workshop will be a one day affair and will be held on Saturday, November 22, 1958, at the University of Georgia.

There will be general lectures and small group instruction. In addition there will be demonstration debates.

The University Theatre Play will be given on Friday night preceding the workshop and any who wish to attend the play will be guests of the University at the play.

Full details will be available later. For information in regards to the workshop contact Dr. Leighton M. Ballew or Mr. Arthur J. Fear, Department of Speech and Drama, University of Georgia, Athens, Georgia.

TIME OF CONTESTS—Schools are urged to start their games and contests at such times that games and contests can be completed early in order that pupils and spectators may return home early. In football it is suggested that the starting time of games be set at 7:30 pm—especially in the last half of the football season.

In basketball there are a number of factors that bring about long drawn out games. It is suggested that some or a combination of the following be used to get the pupils and spectators out of the gyms earlier.

1. When more than one game is to be played, players completing a game should leave the court promptly and teams playing the next game should come on the court promptly. Practice time between games should be limited to ten or twelve minutes.
2. Games should be started promptly at the time scheduled. Lineup should be given to the scorer in advance as provided in basketball rules. Game officials should confer with team captains in regards to choice of goal etc., at least five minutes prior to scheduled time of game.
3. Timers and scorers should be instructed as to the proper procedures for timing and scoring games. Prior to the beginning of each quarter and in cases of charged time outs, the timer should signal approximately 20 seconds prior to the time play is to begin. This procedure will save from five to ten minutes per game. Statistics kept on tournament games show that with proper timing the overall time for a girls game from the start to the final whistle should be one hour, and that for a boys game from five to seven minutes over an hour. Improper and inefficient timing can drag out a game.
4. The amount of time between the first half and the second half is set by rule as ten minutes. Teams should be on the floor and ready to play ten minutes after the first half ends. Any special events, special programs, etc., should be completed in time for play to begin at the end of the ten minute interval.

STUDY OF ONE ACT PLAY AND DEBATES—A special committee has been set up to study the One Act Plays and Debates. This committee is to study the overall program of the One Act

Plays and Debates and to report to the State Executive Committee. The committee is composed of:

M. E. Nichols, Superintendent, Jesup, Chairman
George T. Jarrard, Principal, Sandersville
Dr. F. W. Kirby, Principal, Baker, Columbus
S. W. Causey, Principal, Social Circle
E. R. Anderson, Superintendent, Fort Valley

STUDY OF BASEBALL AND SPRING SPORTS—A special committee has been set up to study the Baseball and the Spring Sports program problems. This committee will report to the State Executive Committee. The committee is composed of:

W. H. Drake, Superintendent, Newnan, Chairman
Marvin J. Jones, Ath. Dir., Lanier, Macon
J. W. Sutton, Principal, Pepperell, Lindale
Eric Staples, Principal, Perry
Y. T. Sheffield, Principal, Plains

STUDY OF FOOTBALL—At the last meeting of the State Executive Committee, serious consideration was given to either end the football season one to two weeks earlier or confine the football championships to a region level. Due to the fact that football contracts had already been made for the next two years, action on this was deferred. The State Football committee was requested to make a special study of the situation.

CHANGE IN TRACT MEET DATES—The date of the State tract meet for Class AAA and Class AA has been set one week later with a corresponding change in date of completion of region track meets. The date of the State tract meet for Class A, Class B, and Class C has been set one week later and the time interval between region and state meet has been changed from two weeks to one week. These changes extend the track season one week for Class AAA and AA and two weeks for Class A, Class B, and Class C. The short time interval between region and state meets makes it imperative that the deadlines for holding and reporting of region track meets be strictly observed.

CHANGE OF RECORD AS TO DATE OF FIRST ENTRANCE INTO GRADE 9—A policy was set up three years ago by the State Executive Committee that any request for a change in the record as to date of first entrance into grade 9 must be accompanied by check, money order or cash in the amount of \$10.00, and that the records of the school making the request for change be checked by some person designated by the State Executive Secretary-Treasurer with the recommendation of the person making the examination being necessary before any change can be made.

Upon receipt of a request, accompanied by the necessary fee, the State Executive Secretary-Treasurer will designate a visiting examiner to check the records of the school concerned. The visiting examiner checks the records and makes recommendation to the State Executive Secretary-Treasurer who acts on the recommendation.

DRESSING FACILITIES FOR FOOTBALL OFFICIALS—Schools are urged to provide dressing space for football officials separate from that used by players. Providing facilities for officials tends to avoid any unpleasant situation which might arise from contact in the dressing rooms between players and officials. It will also help to avoid unsportsmanlike action on the part of spectators during the half and at the end of the game if officials have facilities away from team and team followers.

ELIGIBILITY REPORTS—The procedure for the certification of pupils has been simplified. Considerable work and time can be saved for the school administrator and the state office if eligibility reports are properly filled out. Some of the items to which special attention should be directed are:

1. Eligibility certificate—
 - a. Submit original and two carbons.
 - b. List in alphabetical order, last name first.
 - c. Separate report NOT required for each sport. After a pupil has once been reported and cleared during the year, no further report is needed to the State Office for that pupil during the year.
 - d. Boys and girls may be listed on the same sheet.
 - e. Individual sheet should accompany eligibility certificate for each pupil being reported for the first time by the school.
 - f. Signature of Superintendent or Principal is necessary.
2. Individual sheet—
 - a. File ONE sheet for each pupil who is being reported for the first time. After an individual sheet has been filed by a school no further individual sheet is necessary from that school for the pupil.
 - b. List name of each pupil in full. Nickname can be placed in parentheses after the name. Listing pupils as "Junior" Jones or "Slim" Jones makes it difficult to identify the pupil on future reports.
 - c. Give date of birth.
 - d. Be sure that the section showing date of completion of 8th grade and first entrance into 9th grade is complete and correct. This can affect the future eligibility of a pupil very seriously.

- e. In case a pupil being certified for the first time is above the 9th grade level, be sure to fill in the attendance record by years to show where and when in each grade beginning with 9th.
- d. In any situation in which a pupil is a transfer to your school from some other high school, use the space at the bottom of the page to indicate the situation in regards to the transfer. Quite frequently this will save considerable correspondence.

EMERGENCY HOSPITAL SERVICE—During the past year two very fine hospitals located in areas in which State events are held, have offered special services to the Georgia High School Association. These two hospitals are the Macon City Hospital in Macon, Georgia, and the Upson County Hospital, Thomaston, Georgia.

The Macon City Hospital Commission and the Upson County Hospital Commission have both advised that the services of their respective emergency rooms will be available without charge for any person injured in connection with a GHSA event held in their respective cities. This service extends to the use of the emergency room only. In any case where a person is admitted to the hospital as a patient, the regular hospital charges will apply.

Constitution

ARTICLE III—Membership

Sec. 1. Schools Eligible for Membership—The Membership of the Georgia High School Association shall consist only of white senior high schools.

Sec. 2. Grouping of Membership By Size—The Membership of the Association shall be divided into five groups as follows:

Class AAA. Composed of eligible high school with an adjusted **A. D. A. of 650 or more**

Class AA. Composed of eligible high schools with an adjusted **A. D. A. from 400 to 650.**

Class A. Composed of eligible high schools with an adjusted **A. D. A. from 300 to 400.**

Class B. Composed of eligible high schools with an adjusted **A. D. A. from 200 to 300.**

These membership classifications shall apply for purposes of administration and competition.

Class AAA, Class AA, Class A and Class B schools will be grouped by regions for all competitions.

Class C schools will be grouped by regions for all competition; however, the special football regions for Class C will be different from Class C regions for all other competition.

For the 1958-59 and 1959-60 school years, schools are frozen in the classification in which they were listed in 1957-58 unless:

- (a) A.D.A. is 50 more than the maximum limit for Class B and Class C and 100 more than the maximum limit for Class AA and Class A, in which case the school or schools will be moved to the classification according to their figure.

- (b) A.D.A. is under the classification minimum for that class, in which case the school or schools will be permitted to return to the classification indicated by their figure.
- (c) A request to move to a higher classification or a different region is approved in accordance with general regulations.

(Note: Classification for the school years 1958-59 and 1959-60 is based on the A. D. A. reports for the school year 1956-57. The next reclassification will be based on the reports for the school year 1958-59 and will become effective in the school year 1960-61.

- b. The co-educational school will be used as a base, and for a single sex school the A. D. A. will be doubled to secure the classification.
- c. The classification of a school will be determined by the following scale:

Class AAA	—650 and up
Class AA	—400 to 650
Class A	—300 to 400
Class B	—200 to 300
Class C	—under 200

NOTE: For 1958-59 and 1959-60, schools are frozen in the classification in which they were listed for 1957-58 unless:

- (a) A.D.A. is 50 more than the maximum limit for Class B and Class C and 100 more than the maximum limit for Class AA and A, in which case the school or schools would be moved to the classification according to their figure.
- (b) A.D.A. figure is under the classification minimum for that class, in which case the school or schools would be permitted to return to their figure.
- (c) A request to move to a higher classification is approved in accordance with general regulations.

Item (2) Classification shall be for a period of two years. Classification for the school years 1958-59 and 1959-60 is based on the A. D. A. figures for the school year 1956-57. Re-classification will be based on the A. D. A. figures for 1958-59. Schools will be notified of their classification by December 1, 1959. Any requests to move into a higher classification will have to be filed by December 31, 1959. A school on application to the State Executive Secretary-Treasurer may be permitted to move from a lower to a higher classification but a school will not be permitted to change from the classification as set by its classification figure to a lower classification. Any school which moves from a lower to a higher classification by application must remain in the higher classification until schools are reclassified on a state wide basis.

- Item (3) The State will be divided into a maximum of four regions in each class. Region lines will not be the same for all classes. A region composed of a large number of schools may be divided into sub-regions.
- Item (4) Whether a region is to be sub-divided or not is a matter to be determined by the region concerned. The number of sub-divisions may be two or more with approximately the same number of schools in each sub-division.
- Item (5) The Region Committee for each classification shall be composed of one member of each school in said region.

- By percentage standing, counting the regional or designated games, and in case of a tie between two teams, a playoff shall be held.
 - In case of a tie among more than two teams, the percentage standing counting all games with schools of the same classification shall be used to determine the regional winner.
 - If after the application of the above paragraph two or more teams remained tied, a playoff shall be held.
- (NOTE: In calculating the percentage standing the games won shall be divided by the games played with any tie game counting as one-half game won.)
- Item (8) To qualify for championship of a region or sub-region a team must play a minimum number of games with teams in its region and classification as follows:

 - In any region or sub-region in which there are 9 or more schools each school must play 8 regional or sub-regional games to qualify for championship consideration.

Upon presentation to the State Executive Secretary-Treasurer of evidence to show that a school cannot secure the required number of games in a region or sub-region, the State Executive Secretary-Treasurer may authorize such school to substitute any number of games in any classification or region to qualify for championship consideration, provided that any such request for substitution of game or games shall be submitted to the State Executive Secretary-Treasurer prior to September 1st.
- e. In a case where a school is assigned to a region after the region has been determined (i. e., a school beginning football) any games played with that school will count but in case the region is less than eight teams it will not increase the minimum number of games for that region until the year following the assignment of the new school.

Item (9) Reclassification for football is provided in Item 2 of this section. Following notice of reclassification each region will call a meeting for scheduling purposes. Such meeting will not be set prior to January 10, 1960, nor later than February 10, 1960. No school in the region may schedule any football game beyond the season of 1959 prior to the regional meeting. Any contract extending beyond the 1959 season may be voided, if necessary, to complete the regional schedule. (NOTE: All schools are urged to work towards adjusting of contracts so that no two year contracts will extend beyond the odd calendar season. This will do much toward simplifying the making of regional schedules.)

Item (10) In any region or sub-region in which there are six or less schools, if each school plays each other two games, both games will count as region games. In any other case where two teams have played more than once during the season only the first game played shall count in the regional standings. (Exception—a tie among more than two teams.)

Item (11) The State Football Committee shall be composed of one member from each region of each classification and the State Officers of the Georgia High School Association. The member from each region of each classification shall be elected by the schools of the respective region.

The terms of the members of the State Football Com-

mittee shall be for two years. The members from the even numbered regions shall be elected in the Spring of the even numbered years and the members from the odd numbered region shall be elected in the Spring of the odd numbered years.

In case a vacancy occurs in any region for any reasons, the region is authorized to fill the unexpired term at the next meeting of the region after the vacancy occurs.

The officers of the State Football Committee will be a Chairman and a Secretary who will be elected from the Membership of the State Football Committee by the Committee. The officers so elected shall serve until their terms of office on the committee expire. In case a vacancy occurs in either or both offices, the vacancy shall be filled at the first meeting of the State Football Committee following such vacancy.

The State Officers of the Georgia High School Association shall be ex-officio members of the State Football Committee but with no vote. The State Executive Secretary-Treasurer will assist the Secretary of the committee in taking minutes and will mail a copy of such minutes to each member of the committee after the minutes have been checked by the Secretary of the Committee and the State Executive Secretary-Treasurer.

The State Executive Secretary-Treasurer shall be responsible for notifying each member of the State Football Committee of the time and place of any meeting of the State Football Committee.

- Item (12) The State Football Committee shall set the Regional Divisions for each classification.
- Item (13) For the seasons 1958 and 1959 the regional and sectional playoffs shall be as follows:

- Item (20) In case of a tie in the state final championship game the two tying teams will be declared co-champions.
- Item (21) In case of a tie in any playoff game—sub-regional, regional, or sectional—preceding the final state championship game the following point system will be used as to determine the winner:
- 1 point will be allowed for the team that has made the most penetrations of the opponents 20-yard line during the game.
 - 1 point will be allowed for the team that has the greater number of first downs during the game.
 - 1 point will be allowed for the team that has the greater net yardage during the game.
- If the teams are still tied after the application of this system, the winner will be the team with the greater net yardage.
- (NOTE: Whenever the application of this system is necessary the points allowed are added to those scored in the game to determine final score.)
- Item (22) All football games will be played with a minimum of four officially dressed football officials who are registered under the Georgia High School Association plan for the registration of officials, or with the State Association of another state. Violation of this rule shall be treated as a violation of eligibility rules as provided in Section 7, Item 4.
