The President's Message

We are in a great period of change in our history. Technical and scientific advances of all kinds have been greater in the last several years than any period of time in our recorded history. The events of the past few years have given us a sense of insecurity about what we believed to be fundamental certainties about our way of life and a disturbing apprehension about where we are headed. The "protestors," the "demonstrators," the "foreign flag wavers", and the "long hairs," etc. have all given us cause for deep alarm and concern for the road we are traveling and where it will lead us.

We should all be aware of the importance of interscholastic activities, both athletic and non-athletic, in our way of life. If we are prepared to exert any influence on the direction in which we are headed with our State Association programs and activities, we must show more faith than ever before in what we have always professed — that our interscholastic activity programs are a vital and integral part of the process of total education, and that properly conducted competitive athletic and non-athletic activities on the high school level are absolutely essential to the strength and stability of our great state. I am completely dedicated to the proposition that our Association programs must be preserved, strengthened, and enlarged in this rapidly changing world in which we live. The activity programs in every high school throughout our state must be designed to serve all the students and efforts must be made to have a well balanced program for every student with every degree of ability.

Thank you for the opportunity to serve again as the President of the Georgia High School Association for 1973-74, and all the high school students in our great state.

You are invited to join me in thanking Mr. Burke, Mr. Fordham, and the lovely and efficient ladies in the State Office for the excellent job they are doing for us.

Please feel free to call on the State Office and me at any time you think we may serve you, the students, and other personnel under your administration.

We wish for you a happy and successful school year.

From The Secretary's Desk

TRANSFER OF PUPILS FROM NON-MEMBER GEORGIA PRIVATE SCHOOLS — A special provision has been made for the return to the school of their residence those pupils who during the 1972-73 school year attended non-member Georgia private schools. The migratory rule will not apply to any pupil returning to the high school of his residence provided that such return be made within the first ten days of the 1973-74 school year.

DEBATE TOPIC — Problems have occurred in the selection of the Debate topic due to the national topic not being determined until December which is too late for the GHSA series of debates. The poll of NFL schools indicate preference for topic No. 1 of the three listed. This topic will be used for the GHSA 1973-74 series of debates. The topic is: Resolved: That the federal government should guarantee a minimum annual income to each family unit.

The national topic after December could possibly be topic No. 2 which has had considerable support. This topic which is in a related field is: Resolved: That the federal government should provide a program to employ all employable United States citizens living in poverty. Schools participating in invitational debates after the Georgia series should check the topic to be used.

CHANGE OF RECORD AS TO DATE OF FIRST ENTRANCE INTO GRADE 9 — A policy has been set up by the State Executive Committee that any request for a change in record as to date of first entrance into grade 9 must be accompanied by a check, cash, or money order in the amount of \$10.00, and that the school making such request for change be checked by some person designated by the State Executive Secretary-Treasurer, with the recommendation of the person making the examination being necessary before any change is made.

ELIGIBILITY REPORTS — The procedure for the certification of pupils has been simplified. Considerable work and time can be saved for the school administrator and the State Office if eligibility reports are properly filled out. Some of the items to which specific attention should be directed are:

1. Eligibility Certificate

- a. Submit original and two carbons (1 is returned to the school; 1 goes to the region; 1 remains in the State Office).
- b. List in alphabetical order, last name first.
- c. Separate report IS NOT required for each sport. After a pupil has once been reported and cleared during the year, no further report is needed in the State Office for that pupil during the

- year.
- d. Boys and girls may be listed on the same sheet.
- e. Individual sheet should accompany eligibility certificate for each pupil being reported for the first time by the school.
- f. Signature of the Principal or Superintendent is necessary.

2. Individual Sheet

- a. File ONE sheet for each pupil who is being reported by the school for the first time. After an individual sheet has been filed by the school no further individual sheet is necessary for that school for the pupil.
- b. List the name of the pupil in full. Nickname can be placed in parentheses after the name. Listing pupils as "Junior" Jones or "Slim" Jones makes it difficult to identify pupils on future reports.
- c. Give date of birth—indicate authority for birthdate.
- d. Be sure that the section showing date of completion of 8th and first entrance into 9th grade is complete and correct. An error in this section can seriously affect the future eligibility of a pupil.
- e. When a pupil certified for the first time is above 9th grade level, be sure to fill in the attendance record by years to show where and when in each grade beginning with the 9th. Be sure that the attendance record is in agreement with the section showing date of first entrance into grade 9.
- f. If a pupil is a transfer to your school from some other high school, it is necessary for you to file an individual sheet for that pupil from your school. Use the space at the bottom of the individual sheet to indicate the situation in regards to the transfer. Quite frequently this will save considerable correspondence and establish the pupil's status without delay. Information as to where the pupil lived last year, with whom and relation, and where the pupil is living while attending your school, with whom and their relation will help to clear your report.

3 General

- a. The report submitted to the State Office becomes a permanent record. Care should be utilized to have the individual sheet complete and correct as an error on the original filing can cause difficulty one to three years later.
- b. Signature of the Principal or Superintendent is necessary on the individual sheet. Individual sheet should be completed based on school records. These sheets should not be filled out by the individual pupil involved.

PASSING OF WORK — Due to variations in programs — semester, quarters, work-school, etc., — the certification of units has caused complications. It will be necessary for a pupil to pass in three unit

subjects or their equivalent the quarter or semester immediately prior to participation. It will no longer be necessary to list the number of units passed on the eligibility report in the column "units passed last semester." The signature of the Principal certifying that the pupil is eligible will indicate that the pupil has passed the necessary units. Until the old forms are phased out disregard the column "units passed last semester."

POLICY IN REGARDS TO BAND AND MUSIC PARTICIPATION

— Below are given the general policy which applies to band and music groups. This policy has been set up by recommendation of GMEA and has been approved by the GHSA. A school may participate in band or music events as follows:

- a. GMEA music festivals on dates approved by the GHSA. A list of these is printed in this bulletin and on the GHSA calendar.
- b. GMEA music clinics. Dates and places for these will be set by the GMEA and efforts will be made to get this information to schools as soon as possible.
- c. One approved band day at a college or university. A list of these will be in the bulletin and on the calendar. Applications may be received and approved for other band days. If a school receives an invitation to a band day not listed, the GHSA State Office should be contacted prior to acceptance.
- d. One music festival in addition to a, b, and c. The reference to festivals means non-GMEA special music events in which an entire unit or a majority of a musical unit participates. This item does not apply to any music event which involves only schools of the same system.

A school is free to participate in one music festival in addition to a, b, and c and whether or not there is competition, awards, or prizes has no bearing.

A maximum of one school day per year may be missed from school for either of the two following events but not both:

1. One non-GMEA sponsored marching band event.
 2. A parade, concert, or exhibition as the local school may see fit.
- e. Bands and music groups are free to participate in any Georgia parade, concert or exhibition as the local system may see fit as long as there are no prizes, ratings or awards. Out of state communities which are a part of the schools local community may be visited under this provision, (i. e., Rossville—Chattanooga, Augusta—Aiken, Columbus—Phenix City.)
 - f. Music groups honored with an invitation to perform at professional meeting of educators are encouraged to do so.
 - g. For the school year 1973-74 the requirement that a participant in band or music festival meet the GHSA eligibility requirements has been suspended except in any case where there are prizes and/or awards, eligibility standards will apply.

In case a band or music group is exercising its option to participate in a festival and-or contest other than the GMEA contest and-or in an event in which prizes etc., are awarded, clearance must be made thru the GHSA office.

- a. If the event is within the State, it must be cleared by the GHSA office.
- b. If the event is an out-of-state event, it must be cleared by the home or host State Association. If the event is not approved by the State in which it is held for their schools, Georgia schools cannot participate.
- c. If there is a question as to whether the event is a parade or competition, such will be referred to the GMEA.
- d. See Section 4, By-Laws for the general rules that apply to all contestants.

MUSIC FESTIVALS — Dates for the Music Festivals and for Solos and Ensembles are listed below. Some of the locations are listed. For those not listed the GMEA will designate the sites and will advise the schools. A change in date can be made only by request to the President of the GMEA, and by joint approval of the President of the GMEA and the Executive Secretary-Treasurer of the GHSA.

 - a. The Region secretary shall group the schools into two circles according to geographical arrangement and notify each school concerned by December 1. Each school shall present two teams of debaters, one team on the affirmative and one team on the negative, with the affirmative team debating at home and the negative team debating away from home.
 - b. The Region Secretary shall group the schools into two circles and notify each school concerned by December 1. Each school shall present two teams of debaters, one team on the affirmative and one team on the negative. All schools in the same circle shall meet at the same place at a time set by the Region.
 - c. All schools in the Region shall meet at the same place at a time set by the Region. The Region Secretary or a special committee designated by the Region shall group the schools in two circles. Each school shall present two teams of debaters, one team on the affirmative and one team on the negative.
 - d. In a Region in which there are four or less schools in the debate, these may be grouped in one circle which will be the final debate.
 - e. In plan b, c, or d instead of a circle debate, a round robin type debate may be held with each school in the circle debating each other.

3. a. Where a school drops out, consolidations are to be made by the Region Secretary and schools must be ready to meet any assigned contestant on the date for debate. Should all schools but one in the circle fail to debate, that school shall be declared the winner of the circle and be entitled to represent the school at the Region final debate. If only two schools remain in a circle, these debate on a dual plan.
 - b. The winner of the respective circles meet in the Region finals on a dual debate plan with the affirmative team of each school meeting the negative team of the other school.

4. Any school entering debate and dropping out without giving notice to the Region Secretary at least ten days prior to the date of the debate shall not be allowed to enter any other literary event during that school year.

5. At all contests, time and order of speeches shall be as follows.
 - a. Main speeches—

7. The debate topic for 1973-74 will be:
 Resolved: That the federal government should guarantee a minimum annual income to each family unit.

8. The Regional Debates shall be held as follows:
 - a. All of the preliminary debates shall be held not later than December 14.
 - b. The winning school in each circle will be entitled to compete in the region final which must be completed not later than December 19.

 - d. Where there is a tie in the region finals the points toward the

- literary trophy shall be equally divided between the tied schools.
- e. The continued or reheld contest shall carry no points.
9. In every debate there will be three judges. In selecting the winners the vote of each judge shall count 1, a perfect score making 6 points. The team with the greater aggregate score on the respective ballot shall receive the vote (1 point) for that ballot. A school is not eliminated as long as it does not lose a decision in its circle.
10. The judges shall complete their ballots from their places without conference.
11. As a basis for scoring the judges will use the GHSA Ballot.
12. a. At the close of the debate each judge shall complete his ballot and deliver it to the presiding officer.

After the debate envelopes have been turned in to the Chairman, he shall, in the presence of representatives from the competing schools, open the envelopes, make an official tabulation of the results, and announce the results.
13. Coaching is necessary but does not mean writing speeches. Coaching must be done by a teacher of the school and not by outside parties. Each school will observe these general principals of honesty for the sake of the pupil. Coaching shall be limited to:
a. Instruction in the art of debating.
b. Help in the collection of material on the subject.
c. Advice, suggestions, directions, criticisms, outlines, and English as in regular class room work.

15. No speaker may be interrupted during the main speech or rebuttal, nor may any speaker utilize any time other than that allowed for main speech and rebuttal. For violation of this provision, the presiding officer shall forfeit the debate to opponents.
16. The team constituting the debating team from a given school may not change from one team to another or change from affirmative to negative or vice versa, in order to give the school a stronger representation on that side of the debate.
