These plans must spell out subdivisions, if any, for all activities. All regions must have been approved before any scheduling may be finalized.
- B. In the event that any member school has a complaint with the structure of a region, it shall so advise the Executive Director and all other schools in the subject region of such complaint in writing within five (5) days after the region meeting following the final reclassification vote. The Executive Director shall then convene a meeting of the Reclassification Committee to review the present and proposed region structure and to attempt to arbitrate the differences and, failing that, to make a recommendation to the Executive Committee.

All schools in the subject region shall be advised of the meeting of the Reclassification Committee by the Executive Director and shall have the right to present evidence to the Committee. Any member of the Committee which is a member of the subject region shall be disqualified from participation on the Committee.

- C. The Executive Committee shall have full authority to require all or any portion of a subregion to play cross-over games and to align or realign the subject region into new subregions.

**SECTION 4

Membership shall also include two female members appointed by the Executive Committee upon recommendation of the Board of Trustees from nominees submitted by each region. SECTION 5 HARDSHIP COMMITTEE

- A. 1. The Hardship Committee shall be composed of members selected from the full State Executive Committee on a rotating basis.
- 2. The duties of the Hardship Committee shall be performed by four (4) members of the Executive Committee sitting on an alternating basis as selected and notified by the Executive Director.
- B. The Hardship Committee shall have the authority to set aside the effect of the migratory rule, the courses passed rule, and the accumulation of credits rule upon an individual student when in its opinion the rule works an undue hardship upon that student. The Hardship Committee does not hear cases regarding normal semesters, four years of participation, or appeals arising under the By-Laws.
 - 1. The Hardship Committee shall meet at a location and on dates established by the Executive Director and published in the GHSA Calendar. Requests will be considered to have a rule or rules set aside for benefit of individual students and shall consider such requests at the meetings held for that purpose, but not at any other meetings of the committee. If conditions upon which a request is based develop after April 1, the Executive Director is authorized to set a date for a special meeting to be held at the State Office to consider such case or cases.
 - 2. The principals of all member schools who have filed requests to have the effect of a rule set aside for individual students shall be notified of the time of the meeting at which such requests will be considered not less than five working days before such meeting.
 - 3. A request will be considered at a meeting only if complete information concerning the case is filed in writing with the Executive Director at least ten days prior to the date of the meeting and if a representative of the school, along with the student, is present at the meeting to furnish the Hardship Committee with information. Complete information includes a transcript.
 - 4. The conditions which cause the student to fail to meet the eligibility requirements must have been beyond the control of the school, the student, and/or his parents, and such that none of them could reasonably have been expected to comply with the rule. Ignorance of the rule on the part of any or all of them shall not be considered sufficient cause for setting aside its effects.
 - 5. The decision of the Hardship Committee must be unanimous to set aside the effects of the rule in each individual case, and such decision shall not be considered as setting a precedent for other cases of a somewhat similar nature.
 - 6. The decision of the Hardship Committee shall be appealable to the Appeals Board by compliance with Sec. 9C. of the Constitution and then to the State Executive Committee by compliance with Sec. 9F. of the Constitution.
- C. 1. The Executive Director shall have the authority upon receiving an application by a member school to set aside the effect of any eligibility rule upon an individual student within the jurisdiction of the Hardship Committee and to grant the same without necessity of the appearance of the student or a representative of the school before the Hardship Committee when, in the judgement of the Executive Director, the circumstances regarding the application are such that:
 - (a) The conditions which cause the student to fail to meet the eligibility requirements are beyond the control of the school, the student, and/or his parents and such that none of them could reasonably have been expected to comply with the rule; and,
 - (b) The conditions which cause the student to fail to meet the eligibility requirements work an unjust, unfair, and unforeseeable hardship upon the student; and
 - (c) The facts are clear, undisputed, and supported by appropriate documentation.

2. The Executive Director shall not have the authority to deny an application for hardship status and shall be required to either grant the application or to schedule the application for hearing by the Hardship Committee.
- D. 1. The Executive Director shall have the discretion upon receiving an application by a member school to set aside the effect of any academic eligibility or eight semester rule upon individual students when, in the judgement of the Executive Director, the following criteria are met:
 - (a) The conditions which cause the student to fail to meet the eligibility requirements are beyond the control of the school, the student and his parents, and such that none of them could reasonably have been expected to comply with the rule; and
 - (b) The conditions which cause the student to fail to meet the eligibility requirements work an unjust, unfair and unforeseeable hardship upon the student; and
 - (c) The facts are clear, undisputed and supported by appropriate documentation and evidence; and
 - (d) The setting aside of the subject rule would not result in an unfair advantage to the school or student nor compromise the safety of any other student.
2. The decision of the Executive Director shall be appealable under the provisions of Section 9 of the GHSA Constitution and By-Laws.

SECTION 6 REGION OFFICERS

- A. Each Region of each Classification shall elect a President, a Vice President, a Secretary-Treasurer, and from one to three committee members. No two of the above shall be from the same school unless the two are President and the Secretary-Treasurer. These officers, together with any member of the State Executive Committee from the region, shall compose the Executive Committee in their region.
- B. A member of the State Executive Committee who is not an elected member of his Region Executive Committee shall be an added member of his respective Region Executive Committee. This provision that only one (1) member of the Region Executive Committee may come from the same school will apply only to the members elected by the region, and will not apply when the State Executive Committee member in the region is from the same school as an elected member.
- C. The treasurer of each region is required to make an itemized statement of the income and expenditures of all funds to the region. When a new treasurer is elected, any balance must be turned over to the new officer immediately.

SECTION 7 DUTIES OF OFFICERS

The duties of the various officers and committees shall be those usually devolving upon such officers and committees. It is specifically the duty of the State Executive Committee and the Region Executive Committees to seek at all times to educate the school officials under their jurisdiction, and at the same time, to check vigorously any practice or violation of the rules by exercising the full penalty for such violations if it is deemed necessary.

SECTION 8 ELECTION OF OFFICERS

- A. A President and a Vice President shall be elected as State Association officers at the spring meeting of the Georgia High School Association.
- B. The election and term of office of the Executive Director shall be for a term of one to five years at the discretion of the State Executive Committee and the President and Vice President of the Georgia High School Association and shall be authorized to execute a contract in the name of and for the Georgia High School Association.
- C. Only members of the State Executive Committee shall be entitled to vote in elections.
- D. Should the President become disqualified by death, resignation, or otherwise, the Vice President shall assume the office immediately and shall act as President until the vacancy is filled.

E. Any vacancy which may occur in the office of President or Vice President shall be filled at the next meeting of the State Executive Committee.

F. Each region in each Classification shall elect at any region meeting, a President, a Vice President, a Secretary-Treasurer, and from one to three region committee members as region officers.

Terms of office shall be for two (2) years, and elections shall be held at the beginning of each reclassification cycle. Any vacancy occurring on a Region Committee shall be filled by the Region Committee until the next meeting of the region.

G. The State Executive Committee member from each region shall be elected at any Region meeting when there is a vacancy to be filled. The term of office shall be for a period of two (2) years. Any vacancy occurring on the State Executive Committee shall be filled by the Region Committee until the next meeting of the region concerned.

SECTION 9
AUTHORITY OF EXECUTIVE DIRECTOR
APPELLATE PROCEDURE

A. The State Executive Director shall be authorized to interpret the rules of the Georgia High School Association and to impose the proper penalty for their violation. The Assistant Executive Director shall, upon the absence or at the direction of the Executive Director, have all the powers and responsibilities of the Executive Director as provided under this Constitution and the By-Laws of the GHSA. The State Executive Director shall make all arrangements for holding and conducting the State Meets and Tournaments.

B. All questions pertaining to eligibility or any other matters under the rules of the Georgia High School Association must first be submitted to the State Executive Director. If the question concerns a violation of any of the rules of the Georgia High School Association, the State Executive Director shall notify the member schools involved and advise them of the charges and advise them of their right to submit evidence and their right to request a hearing. The State Executive Director, after hearing or examining the evidence of the party or parties concerned, shall render a decision.

C. Should any member school not be satisfied with the decision, appeal may then be made to the State Appeal Board by filing a written notice of appeal to the State Appeal Board through the State Executive Director within five (5) days of the date of the decision, which notice of appeal shall clearly state the decision appealed and the reasons for such appeal. The State Executive Director shall notify the State Appeal Board and all other parties of the appeal. Provided however, that if the only issue under appeal is to request modification of the penalty imposed by the Executive Director, then the member school may appeal directly to the Executive Committee.

D. Appeal Board meetings shall be set on dates established by the Executive Director and published in the GHSA Calendar.

1. Any request to the Appeal Board must be in the hands of the Executive Director five (5) days before the scheduled meeting date.

2. Any other appeal requested (other than regularly scheduled dates) must be accompanied by a check sufficient to pay the entire estimated expenses of the Appeal Board to defray the cost of bringing the Appeal Board into session.

3. All requests for appeals must be in writing with the stated reasons for an appeal, and signed by the administrative head of the individual school.

E. The State Appeal Board, after hearing or examining the evidence submitted by the party or parties, may affirm or reverse the decision of the Executive Director. In order to sustain an appeal, the vote of the Appeal Board shall be unanimous.

F. Should any member school not be satisfied with the decision of the State Appeal Board, they may appeal to the State Executive Committee by filing a written notice of appeal to the State Executive Committee through the State Executive Director within five (5) days of the date of the decision. The notice of appeal shall clearly state the decision being appealed and the reasons for such appeal. Such notice of appeal shall be accompanied by a check sufficient to pay the entire expenses of the State Executive Committee when such appeal is required to be heard at a time other than regularly scheduled meetings of the State Executive Committee.

- G. The State Executive Committee, after hearing or examining the evidence submitted by the party or parties concerned, shall render a decision to affirm, reverse, or modify the decision under appeal.
- H. No other method of appeal shall be held valid and any appeal must begin with the first step outlined and not eliminate any step until reaching the final court of appeal, the State Executive Committee. When the decision by the State Executive Committee is in favor of the appealing party or parties, the State Executive Committee may charge the expense of the meeting to the Georgia High School Association and reimburse the appealing party or parties. Members of the Hardship Committee and the Appeal Board will not be eligible to vote (those members who have heard a specific case) as a member of the Executive Committee when an appeal goes before the full Executive Committee.

SECTION 10 VOTE

Each school shall have one (1) vote in a Region meeting and each member of the State Executive Committee shall have one (1) vote in the State Executive Committee meeting.

SECTION 11 AMEND CONSTITUTION AND BY-LAWS

- A. To amend the Constitution, it shall take a two-thirds vote of the members of the Executive Committee who are present at a regular or properly called meeting at which a quorum is present. Blank ballots, abstentions and pass votes are excluded.
- B. To amend the By-Laws, it shall take a majority vote of the members of the Executive Committee who are present at a regular or properly called meeting at which a quorum is present. Blank ballots, abstentions and pass votes are excluded.
- C. The effective date of any changes in the Constitution & By-Laws will be the next school year unless otherwise provided by the change.

- B. In addition to these meetings, special meetings may be called by the State President or the Executive Director at any time or place upon giving reasonable notice to the members of the Committee.
- C. The Executive Director is required to present an itemized statement of the income and expenditures of all funds to the State Executive Committee.

SECTION 13 VIOLATION OF RULES

- A. Each school is required to abide by all rules of the Georgia High School Association as promulgated by the State Executive Committee and interpreted by the Executive Director.
- B. The Executive Director is authorized to make such investigation as may be necessary and to judge whether or not a school has violated a rule. When a school is adjudged guilty, the Executive Director is authorized to direct the penalty or penalties.
- C. A school violating any rule, whether it be due to carelessness, willfulness, ignorance or any other cause, may be subject to a fine of not more than two thousand-five hundred dollars (\$2,500.00) for each offense, and/or probation in the sports(s) in which the violation has been made, and/or suspension from the Association up to a full calendar

year, and/or forfeiture of games and/or contests involved. (NOTE: See Appendix "P" at the end of this publication for a detailed schedule of fines)

- D. PROBATION - placing a school on probation permits a school to compete in regular season games and/or contests, but bars that school from competing for any championship during the period of probation.
- E. A school which, after investigation, is adjudged guilty of violating the rules of the Georgia High School Association shall pay the costs incidental to such investigation; such cost to be in addition to fines or penalties assessed. Failure to pay the cost shall result in suspension or in lengthening the period of suspension.

SECTION 14 CODE OF ETHICS

The Georgia High School Association recognizes its responsibility with respect to the promotion of honesty, truthfulness, and accuracy in record-keeping and reporting. Therefore, the professional personnel of the member schools are charged with upholding the Code of Ethics adopted by the Professional Standards Commission as accepted and approved by the State Board of Education.

ARTICLE V — GENERAL PROVISIONS

SECTION 1 CONTESTS

- A. Each region may hold annual contests in literary, athletics, and other forms of contests designed to promote the cause of education and authorized by the State Executive Committee.

SECTION 2 ORGANIZATION PURPOSE

- A. The purpose for which the Georgia High School Association is organized is exclusively educational within the meaning of IRC 501 (c) (3) or the corresponding provisions of any future United States Internal Revenue Law.
- B. Notwithstanding any other provisions of these articles, the Georgia High School Association shall not carry on any other activities not permitted to be carried on by an organization exempt from Federal income tax under IRC 501 (c) (3) or the corresponding provision of any future United States Internal Revenue Law.
- C. In the event of dissolution, the residual assets of the organization will be turned over to one or more organizations which themselves are exempt as organizations described in sections 501 (c) (3) and 170 (c) (2) of the Code or corresponding sections of any prior or future Internal Revenue Code, or to the Federal, State, or local government for exclusive public purpose.

BY-LAWS

The Georgia High School Association recognizes that local boards and/or governing bodies may place more stringent requirements as they deem appropriate. The Association encourages all boards of education and/or governing bodies to extend the same rules and regulations to all extra-curricular activities under their jurisdiction.

These rules establish the provisions governing student eligibility to participate in interscholastic activities.

- A. The word “student” used in these By-Laws refers either to a boy or girl participant in interscholastic athletics, cheerleading, or literary activities. Therefore, according to correct grammatical usage, since the antecedent “student” can involve persons of both sexes, the masculine pronouns he, his, or him used throughout said By-Laws will refer to either male or female participants.
- B. The word “principal” used in these By-Laws refers either to a male or female head of a secondary school.  - (a) A student is not considered to have entered the 9th grade when a 9th grade course is taken if:
 - (1) the student is regularly enrolled in a member's feeder school in a grade below the ninth, AND
 - (2) the course is taken as an advanced course, AND
 - (3) the principal of the school attended by the student certifies to the GHSA that the subject and course(s) meet the criteria set forth above.

- Exception 1: First semester ninth grade students.
- Exception 2: A cheerleader who is academically ineligible for the spring semester may try out if she is passing ALL classes at the time of the tryout. The window of opportunity to try out under these conditions is available only during the ten (10) days set aside for tryouts that the school chooses.
- (a) Passing in all GHSA member schools is a grade of seventy (70).
 - (b) Students participating in junior varsity or "B" team competition must meet all scholastic requirements.
 - (c) If an eligible student transfers from a school that uses a block-schedule format to a school using a traditional format (or vice versa) and that student cannot get a full schedule of classes with equivalent credit in the semester of the transfer, the school may petition the Executive Director for a waiver of this rule for the first semester after the transfer occurs.

-
- (a) Exception: Students who successfully complete summer school to maintain eligibility become eligible the last day of summer school.
- (1) Summer school is an extension of the previous semester and courses may be:
- remedial in nature where a previously-taken course is repeated in its entirety with a new grade being given.
 - enrichment in nature where a new course is taken that results in new credit being earned.
- (2) A maximum of two (2) Carnegie unit credits earned in summer school may be counted for eligibility purposes. NOTE: Additional credits may be earned in credit recovery programs or make-up programs.
- (3) Summer school credits earned in non-accredited home study programs or non-accredited private schools may not be used to gain eligibility. Accreditation recognized under the rule shall be from the Georgia Accrediting Commission (GAC) or a regional accreditation agency (such as SACS) or the Georgia Private School Accreditation Council (GAPSAC).
- (4) An independent study course taken in summer school must be regionally accredited and accepted by the school system for graduation credit.

- (a) *Dual enrolled students shall take courses that are approved by the Georgia Department of Education.*
 - (b) *Courses may be taken in a variety of formats (including distance learning and virtual courses) as long as the courses are approved.*

- 1.56 **Loss of Eligibility:** Students assigned to an **alternative school** or on **out-of-school suspension for disciplinary reasons, or adjudicated to YDC**, lose their eligibility. Suspension is considered to have ended when the student is physically readmitted to the classroom.
- 1.57 **Failure to Meet Academic Standards:** When a school administrator believes that the student has failed to meet the academic eligibility requirements due to conditions that were beyond the control of the school, the student, and/or his parents, and such that none of them could have been expected reasonably to comply with the rule, he may request that the student's case be put on the agenda of the **Hardship Committee**.
- (a) Ignorance of the rule(s) on the part of any individual is not sufficient cause to set aside the rule(s).
 - (b) Schools must supply all the materials requested on the Hardship Application Form on the GHSA web site.
- 1.58 **Credit Recovery/Make-up Work:** Students who have academic deficiencies at the end of a semester may make up those deficiencies in programs that are available to any student in the school.
- (a) Credit recovery programs are short-term programs that involve a course that has been completed and a grade given. The student is given the opportunity to work on areas of deficiency.
 - (b) Make-up programs occur when a course has not been completed and an "Incomplete" grade has been given. The student is given the opportunity to work on areas of deficiency.
 - (c) Credit recovery and make-up work must be completed within fourteen (14) school days after the start of the next semester. The student is ineligible until such time as the work is completed and the required passing grade has been recorded. Exception: If the end-of-course test is not offered within 14 days of the beginning of the next semester, the student may be granted a reasonable extension by the GHSA.
 - (d) The GHSA Executive Director shall be authorized to approve credit recovery or make-up work completed later than fourteen days after the start of the next semester if he finds that the:
 - (1) timeframe was not met due to circumstances outside the control of the student, his parent(s), and the school, AND
 - (2) work was completed as soon as reasonably possible, AND
 - (3) allowance for such a delay is offered on the same basis to all students in the school.
 - (e) Credit recovery programs operated during the summer or in intersessions shall be completed within fourteen days of the beginning of the new semester. Students using those credits to gain eligibility are ineligible until the course is completed successfully. Credit recovery is used for remedial work only, and no new credit courses may be applied under this provision.
 - (f) Students using credit recovery or make-up programs must have their eligibility submitted to the GHSA office on a "Form C."

- (a) A student with disabilities who is enrolled in a special education program which is not physically located at the parent school (example: psycho-education center, regional occupation center, community-based instruction class, etc.) shall be eligible to participate, practice, and/or try out in interscholastic activities at the parent school if IEP (Individual Education Program) requirements are met.
- (b) Schools with students having to meet only IEP requirements for course credit must establish an accounting process for the number of courses passed each semester, and for the awarding of Carnegie units. Requirements for the date of entry into the ninth grade and for age apply to students with IEPs without variation.
- (c) Competitive interscholastic activities administered through local **special education programs** shall follow Georgia Department of Education guidelines and procedures for special education, and are exempt from GHSA requirements.

1.60 - SCHOOL SERVICE AREAS / TRANSFER / MIGRANT STUDENTS / MIGRATORY WAIVER

1.61 School **service areas** for member public schools are those attendance boundaries established by local boards of education from which a school normally draws its students. The school service area for a member private school is the county in which the private school is located. The school service area for a startup or converted charter school will be the same as the school from which the charter school draws its students.

1.62 A **transfer student** who has established eligibility at a former school in grades 9-12 shall be **immediately eligible** at the new school if:

- (a) The student moved simultaneously with the entire parental unit or persons he/she resided with at the former school, and the student and parent(s) or persons residing with the student live in the service area of the new school. This is known as a **“bona fide move.”**
 - (1) The student may choose the public or private school serving that area.
 - (2) It must be apparent that the parent(s) or the persons residing with the student and the student have relinquished the residence in the former service area and have occupied a residence in the new service area.
 - (3) Relinquishment of the former residence may be met by one of the following procedures: selling the residence; having the residence listed with a real estate agent for sale at a fair market value; having a contract with a buyer; having a lease agreement at a fair market value; or abandoning the house and shutting off unnecessary utilities. When a family claims multiple residences, the residence for which they apply for a homestead exemption will be declared the primary residence.
 - (4) The bona fide move is validated when the student's family maintains the new residence for at least one calendar year. A return to the previous residence within that year renders the student to be a migrant student. All hardship appeal processes are available.
- (b) The student was enrolled in a **private school or a magnet school** and has a bona fide move from one public school service area to another public school service area. A student in this situation may attend either the public school or a private school serving his area of residence.
- (c) The student was enrolled in a **non-member private school in Georgia or was boarded at a school out of state** and, without a bona fide move, transferred to a GHSA-member school that serves his area of residence as long as:
 - (1) The student was enrolled at the high school serving his/her area of residence in grades 9-12 before attending the non-member school, OR
 - (2) The student has not yet established eligibility at grades 9-12 at a member school serving his area of residence, OR
 - (3) the student has previously established his attendance at a school other than the school serving his area of residence, and chooses to return to that school, AND
 - (4) it is the initial move of the student from a non-member school to a member school serving his area of residence.
- (d) The student transfers from a non-member home school and the receiving school grants credit so that the student has accumulated sufficient Carnegie units. At the time such credit is given, the student must also have passed a minimum of five (5) courses the previous semester. The student becomes eligible when credit is awarded officially.
- (e) The student is involved in a **foreign exchange program** that is approved and published on the “Advisory List of International Educational Travel and Exchange Programs” published by the Council on Standards for International Educational Travel (CSIET). This list is found on the GHSA web site.
 - (1) The student shall be considered eligible for a maximum period of one calendar year.
 - (2) The student shall not be a graduate of a secondary school in his home country.
 - (3) The student must maintain eligibility requirements at the member school.
 - (4) The foreign exchange program must assign students to schools by a method that insures that no student, school, or other interested party may influence the assignment for athletic purposes.

- (f) If one of his/her parents or the custodial parent is a certified teacher or administrator teaching at the receiving school. This opportunity is available one time only at any given school.
- (g) The student has one of the following family-related situations that produces a **waiver of the bona fide move rule**:
- (1) There is a Superior Court or Juvenile Court awarded **change of permanent custody** and the student moves to the residence of the parent receiving custody.
 - (a) The student must attend the member school serving that area of residence.
 - (b) A copy of the court order must accompany the eligibility forms.
 - (c) NOTE: Temporary guardianship papers issued by a Probate Court are not valid for eligibility.
 - (2) There is a Superior Court or Juvenile Court final order awarding permanent **joint custody** to the parents and the student moves to a residence of his or her parent outside the service area of the previous school.
 - (a) This waiver may be made one time during a calendar year.
 - (b) A copy of the court order must accompany the eligibility forms.
 - (3) There is a **death of a custodial parent** and the student moves to live with the other natural parent in a new school service area.
NOTE: A copy of the death certificate shall be submitted with the eligibility papers.
 - (4) There is a military transfer of one or both custodial parents that creates a change of residence that is not a bona fide move. NOTE: A copy of the deployment order shall be submitted with the eligibility form.
- (h) Students who are U.S. citizens **returning from a foreign country** shall be eligible as long as they meet all other requirements of eligibility.
- (i) Students who are transferred from one school attendance area to another school attendance area by a **mandate of the local board of education** maintain their eligibility.
- (j) **Married students** setting up a household (domicile) shall be eligible in the school of their residence provided they meet all other requirements of eligibility.
- (k) Students at the Atlanta School for the Deaf will be eligible at the school serving their area of residence provided they meet all other eligibility requirements.
- (l) The migratory rule (See 1.63) will be waived **one time** for **students entering the following boarding schools**:
- | | | |
|--------------------------|----------------------------|-----------------------|
| Ben Franklin Academy | Rabun Gap School | Tallulah Falls School |
| Georgia Military College | Riverside Military Academy | |
- Exception: Students from foreign countries not on an approved foreign exchange program are not eligible.
- (m) Students entering a school as an “unaccompanied youth” under the conditions of the McKinney-Vento Act must go through the hardship appeal process to become eligible.
- 1.63 A “**migrant student**” is a student who transfers into a GHSA school without a bona fide move or without one of the exceptions listed in by-law 1.62. The student may practice or compete at the sub-varsity level, but may not compete at the varsity level for one calendar year from the date of his entry into the new school.
- 1.64 A student who is not eligible because of GHSA rules at the former school, and then transfers to a new school, cannot regain eligibility by the transfer. Ineligible students cannot gain eligibility by being adjudicated to YDC and subsequently returning to their resident school with earned credit.
- 1.65 Students whose transfers from member school to member school have been approved by the GHSA office after the end of regular season play or during post-season play are not eligible for participation in GHSA sponsored tournaments and/or playoffs in that particular sport for the school year of transfer.
- 1.66 A student who is not eligible at one school because of **suspension or expulsion** and then transfers to a member school cannot regain eligibility by such a transfer, for the length of the suspension or one calendar year, whichever is less.
- 1.67 A **permissive transfer** is defined as an allowance by a local board of education for students and/or their parents to choose a school to attend without regard to the location of residence.
- (a) A student transferring from member school to member school on a permissive transfer is considered a migrant student.
 - (b) A student transferring to or from a school housing a system-wide, singular academic or vocation program or a magnet program on a permissive transfer is considered a migrant student.
 - (1) *The offering of an individual course or series of courses by one school in a system does not provide inherent justification to grant GHSA eligibility.*
 - (2) *Special options offered by a school system that allow students to attend a school outside their area of residence do not provide inherent justification to grant GHSA eligibility.*

- (3) *Any such permissive transfer issue may be brought before the GHSA Hardship Committee.*
- (c) Students transferring under the provisions of “No Child Left Behind” and the failure to make “Adequate Yearly Progress” must be processed through the normal Hardship Appeal procedures. Such students must demonstrate that they have been materially affected by the issue(s) that caused the former school to be placed on the “Need to Improve” list.
 - (d) When a military base is located in two school districts, a student moving onto the base for the first time may choose to attend either school district, and that district will place the student appropriately. Any transfer after the initial move will be subject to standard eligibility regulations.
- 1.68 **Hardship Applications** may be filed to attempt to establish eligibility in the following situations:
- (a) A student who changes schools because of a **temporary custody transfer** from a parent to a guardian, or from one guardian to another (See Article IV, Section 5, in the GHSA Constitution).
 - (b) A student whose transfer is based upon his being **emancipated**, homeless, a child from a broken home, a **ward of the DFACS**, or a **ward of a Court** (See Article IV, Section 5, in the GHSA Constitution).
- 1.69 When a new school opens, student eligibility shall be determined as follows:
- (a) When a school district mandates an attendance area for a new school for all grades enrolled at the new school, all students living within the mandated attendance area in those grades are immediately eligible. All students living outside the mandated attendance area who desire to attend the new school are considered migrant students and are ineligible for one year. Hardship appeals may be filed if conditions warrant.
 - (b) When a school district mandates some students to attend the new school, allows some students to stay at their present school, and permits some students to transfer to the new school, the school shall set a deadline for students living in the attendance area of the new school to decide whether they will move to the new school, or stay at the present school. The decisions exercised at the deadline date are binding. Subsequent changes render the student to be a migrant student with the one-year period of ineligibility. Students who are granted permissive transfers to enroll at the new school from other schools within the system are considered to be migrant students. Hardship appeals may be filed if conditions warrant.

1.70 - RECRUITING/UNDUE INFLUENCE

- 1.71 **Recruiting and Undue Influence** is **defined** as the use of influence by any person connected directly or indirectly with a GHSA school to induce a student of any age **to transfer** from one school to another, or **to enter** the ninth grade at a member school for athletic or literary competition purposes, whether or not the school presently attended by the student is a member of the GHSA.
- (a) The use of undue influence to secure OR retain a student for competitive purposes is prohibited, and shall lead to penalties being assessed against **either school**. NOTE: This violation may cause the student to forfeit eligibility for one year from the date of enrollment.
 - (b) Evidence of undue influence includes, but is not limited to, personal contact by coaches and sponsors in an attempt to persuade transfer, gifts of money, jobs, supplies, clothing, free transportation, admission to contests, invitation to attend practices and/or games, or free tuition.
 - (c) Complaints or reports of violations of this rule will be investigated and handled on a case-by-case basis. If **coaches** are found to be in violation of the recruiting rule, a copy of the investigation will be forwarded to the Professional Standards Commission of the Department of Education.
- 1.72 A student athlete transferring from one member school to another shall be ruled ineligible for one year because of “undue influence” if it is proven that:
- (a) the coach of the receiving school coached an out-of-school team on which the athlete played prior to the transfer; OR
 - (b) the coach at the receiving school acted as a private athletic instructor for the transferring athlete, regardless of whether the coach was paid for his services and/or expertise
 - (c) Articles (a) and (b) shall be enforced even in the event the student made a bona fide move into the receiving school's service area.

1.80 - FINANCIAL AID

- 1.81 Any student who receives financial aid or non-GHSA approved gifts from any source and in any form (scholarships, tuition remission, cash, gifts, etc.) arising out of or **received in connection with their participation** in any sport or literary event shall be ruled ineligible. This prohibition shall not apply to awards under By-Law #1.90 or to other items approved by the GHSA.
- (a) The GHSA Executive Director will determine whether the financial aid or gift arose out of or in connection with participation in any sport or literary event.

- (b) If a school allows a student who has received such financial aid or gifts to participate in competition, the Executive Director shall assess an appropriate penalty.
- 1.82 Financial aid in the form of free or reduced tuition or other aid must be **need-based aid** as determined by a national student aid service or financial aid based on institutional policies for academic performance (classroom record and/or test scores) that is administered by persons not in the athletic department.
- 1.83 Member schools who award financial aid shall issue a statement to the Executive Director signed by the principal or headmaster of the school giving the following information:
- number of students enrolled in the school
 - number of students receiving financial aid
 - names of students (or a listing of student identification numbers) receiving financial aid who are involved in GHSA activities
 - certification that the percentage of students who participate in activities and who receive financial aid is the same percentage as the number of students receiving financial aid who do not participate in activities (plus or minus 5%)

1.90 - AMATEUR STATUS/AWARDS

- 1.91 A student who represents a school in interscholastic athletic competition shall be an **amateur** in that activity.
- An **amateur athlete** is one who engages in athletic competition solely for the physical, mental, social, and pleasure benefits derived therefrom.
 - Accepting nominal, standard fees or salary for instructing, supervising, or officiating in an organized youth sports program or recreation, playground or camp activity, shall not jeopardize an athlete's amateur status.
 - Reasonable compensation derived from private lessons in a sport is permissible.
- 1.92 An athlete **forfeits amateur status** in a sport by:
- competing for money or other monetary compensations except for reasonable allowances for travel, meals, and lodging. NOTE: Accepting expense allowances authorized by the United States Olympic Committee for Olympic Development Programs is acceptable for GHSA students.
 - receiving any award or prize of monetary value which has not been approved by the GHSA.
 - capitalizing on athletic fame by receiving money or gifts with monetary value except college scholarships.
 - signing a professional playing contract in any sport, or hiring an agent to manage his/her athletic career.
- 1.93 Only **awards** approved by the GHSA may be accepted by a high school student-athlete as a result of participation in school or non-school competition in a sport recognized by the GHSA.
- 1.94 **Symbolic awards** (i.e. non-cash) presented for winning or placing in GHSA competitions are limited to \$250 per year, per student in the aggregate, paid by the local school. These are the only GHSA-approved awards for interscholastic competition. Beyond this, a student may receive one (1) school sweater or jacket presented by the school during his high school career.
- 1.95 Athletes competing in golf or tennis events are limited to awards as specified in the United States Golf Association Rules of Golf, and the United States Tennis Association Handbook of Tennis Rules and Regulations, which includes (but not limited to) the following:
- No cash awards may be accepted.
 - Merchandise awards in tennis may be accepted up to a retail value of \$250.00.
 - Merchandise awards in golf may be accepted up to a retail value of \$750.00.

INTERPRETATIONS, 1.00 SECTION

BY-LAW 1.10 - CERTIFICATION OF ELIGIBILITY

- **SITUATION:** A student athlete and his parents move from the service area of School A to School B, and meet all eligibility requirements. When may he participate in interscholastic activities at School B?

INTERPRETATION: The student is eligible as soon as he is enrolled at School B and certified as being eligible by the GHSA. Academic eligibility must be certified before the student may try out or practice.

BY-LAW 1.20 - ENROLLMENT AND TEAM MEMBERSHIP**8TH GRADE PARTICIPATION**

- **SITUATION:** May eighth-grade students participate on sub-varsity teams at a member school?

INTERPRETATION: Yes. Eighth-grade students in a feeder school for a member school may participate on any sub-varsity team, but never on a varsity team.

- **SITUATION:** An eighth-grade student desires to try out in the Spring for the cheerleading team at a member school. Is this legal if the school the student is attending is a feeder school for the member school?

INTERPRETATION: Yes. Also, an eighth grade student in a private school that does not offer classes at the ninth grade level and above may try out for cheerleading at the public or private school serving that student's area of residence. Such a tryout must be preceded by a pre-enrollment at that GHSA school. The tryout establishes the student's eligibility at that school. NOTE: This procedure also applies to participation in spring football practice.

TRYOUT REQUIREMENTS

- **SITUATION:** A tenth-grade student who is on a cheerleading team at a member school anticipates moving to another part of the state over the Summer. May the student try out for the new school before the move is made?

INTERPRETATION: No. A student may not practice or try out at a member school until that student is properly enrolled at the new school. A student may be enrolled in only one school at a time.

BY-LAW 1.30 - AGE

- **SITUATION:** A student becomes 19 years of age on April 30, prior to his fourth year in high school. May the student participate in the fourth year?

INTERPRETATION: No. May 1 is the cut-off date.

BY-LAW 1.40 - LIMITS OF PARTICIPATION**EIGHT SEMESTER RULE**

- **SITUATION:** A student entered a member school eight (8) semesters ago. He was injured and missed one-half of the first semester of his senior year (7th semester). During the first six semesters, he has accumulated seventeen (17) units, and in the 8th semester he passed five courses and gained an additional 2.5 units. Is he eligible to participate the following Fall in his 9th semester?

INTERPRETATION: No. There are no provisions to allow for a student to participate beyond eight (8) semesters. His case could be presented to the GHSA Executive Committee for request to waive the eight semester rule (By-Law #1.42) by Hardship application.

NON-SCHOOL PARTICIPATION

- **SITUATION:** A student is a member of a high school soccer team and a club soccer team whose seasons run concurrently. Is this permissible?

INTERPRETATION: Yes. There is no state regulation prohibiting "dual participation" on the part of a student. The high school coach may not be involved in the non-school program, however. A local school may impose a rule prohibiting dual participation.

GIRLS ON BOYS TEAMS

- **SITUATION:** A girl wants to be on the high school wrestling team made up of boys. If she meets eligibility requirements, may she do so?

INTERPRETATION: Yes. Girls may participate on boys teams when there is no girls team in that sport at that school.

- **SITUATION:** A female student desires to try out for the boys' baseball team. May she do this?

INTERPRETATION: Yes, she is allowed to try out since there is no girls' baseball team.

- **SITUATION:** A male student desires to play on a girls volleyball team. Is this legal?

INTERPRETATION: No. The Federal Title IX legislation and the Georgia Equity in Sports Act both specify that the traditionally represented gender in athletics (males) may not play on teams designed for the traditionally under-represented gender (females).

SUB-VARSITY AND VARSITY PARTICIPATION

- **SITUATION:** A junior varsity basketball player participates in a JV game on Tuesday afternoon. May he also participate in the varsity game that night?

INTERPRETATION: Yes, but the student may not participate in more than five (5) quarters that day.

- **SITUATION:** A junior varsity football player plays in a JV game on Thursday. May he also play in the varsity game on Friday?

INTERPRETATION: Yes, but the student may not participate in more than six (6) quarters in a calendar week. The week begins with the day of the varsity game.

- **QUESTION:** In sports other than football, basketball, and soccer, what are the restrictions on students participating on both sub-varsity and varsity teams?

ANSWER: The total number of regular-season games and tournaments a student participates in on a sub-varsity team and the varsity team may not exceed the number of games and tournaments allotted to the varsity team in that sport. **Example:** A sport allows 18 varsity games plus two tournaments. A student could legally play in 10 JV games, 8 varsity games, 1 JV tournament, and 1 varsity tournament.

- **SITUATION:** At an invitational cheerleading tournament, a AAAAA school enters its varsity team in the competition for its classification, and enters its JV team in the competition for varsity teams of smaller schools? Is this legal?

RULING: No. Varsity teams must compete against varsity teams and non-varsity against non-varsity teams in all GHSA activities. The eligibility conditions are different in the two levels of competition, and it is possible to manipulate the limits on competition by allowing this to occur. New schools and schools just beginning a sport may petition the Executive Director for a waiver of this rule.

BY-LAW 1.50 - SCHOLASTIC STANDING/SCHOLARSHIP

DUAL ENROLLMENT PROGRAMS

- **SITUATION:** During the first semester of his senior year, a student is enrolled for three traditional courses (subjects) leading toward graduation at a member school, and one course for 5 hours of credit at a local college that will be accepted by his home school for graduation credit. If the student passes all the courses for which he is enrolled and has accumulated the proper number of Carnegie units, is he eligible to participate in golf during the second semester?

INTERPRETATION: Yes. If the student is enrolled in a dual enrollment program, the student must be enrolled for at least 2.5 Carnegie units and must pass courses giving at least 2.5 Carnegie units.

VOCATIONAL-TECHNICAL SCHOOL OPTIONS

- **SITUATION:** A senior is enrolled at a member school, but is attending a vocational-technical school for five hours each day, and is receiving credit for those courses at the member school. Is he eligible to participate in athletics at the home school?

INTERPRETATION: Yes. A student enrolled at a member school and attending a vocational-technical school taking courses carrying a minimum of 2.5 Carnegie Units may participate if the member school accepts the credit earned toward graduation at the vocational-technical school.

ADVANCE PLACEMENT

- **SITUATION:** May a student take a college or junior college class and receive credit for this work which may be counted toward scholastic eligibility?

INTERPRETATION: Yes. Such a class may be counted toward academic eligibility, provided that the student's high school accepts the credit and counts it toward graduation. The student still must pass a minimum of 2.5 Carnegie units at the end of the semester.

ELIGIBILITY ENDS

- **SITUATION:** A student who is eligible at the beginning of basketball season only passes four (4) traditional classes (carrying 2 Carnegie units) in the first semester which ends on December 17th. Is this student eligible to play in a basketball tournament December 20-23?

INTERPRETATION: The student loses eligibility on the first day of the second semester. If the tournament is played before the start of the new semester, he is eligible to play by GHSA standards.

ELIGIBILITY BEGINS

- **SITUATION:** A student who is academically ineligible for the second semester passes all courses that semester and has accumulated the proper number of units. May this student participate in practices that occur before the beginning of classes in the Fall?

INTERPRETATION: Yes. The student becomes eligible on the first day of the fall semester. The beginning of the first semester is interpreted as the first day of the first sport, or the first day of classes – whichever comes first.

- **SITUATION:** A student passes four (4) courses the last semester of the eighth grade. Is this student eligible the first semester of the ninth-grade year?

INTERPRETATION: Yes. Every student entering the ninth grade for the first time begins with a “clean slate.”

SUMMER SCHOOL RULES

- **SITUATION:** A student needs a science course for graduation purposes that is not taught during Summer School. The student and principal agree on an independent study course monitored by a coach. May this course be used for eligibility purposes?

INTERPRETATION: Yes, as long as the course is regionally accredited and accepted by the school district for graduation credit.

- **SITUATION:** How many units may a student earn in Summer School for the purpose of gaining academic eligibility for the Fall?

INTERPRETATION: A maximum of two (2) Carnegie units of credit earned in Summer School may be counted for eligibility purposes.

ALTERNATIVE SCHOOL RULES

- **SITUATION:** The principal of a member school assigned a student to attend an alternative school for the next six (6) weeks for disciplinary reasons. May the student participate on the football team during the six weeks he will be attending the alternative school?

INTERPRETATION: No. Students assigned to an alternative school for reasons of misconduct or who are in out-of-school suspension may not participate until they have returned physically to the regular classroom. The school may appeal to the Executive Director if a school holiday prevents the student from physically returning to the classroom at the end of the penalty.

OUT-OF-STATE RULES

- **SITUATION:** A student transfers to a member school from another state where scholastic eligibility rules are less restrictive than Georgia. The student is academically eligible by the standards of the state from which he transfers, but lacks sufficient credits to be eligible by GHSA standards. As a transfer student, is he eligible academically?

INTERPRETATION: No.

ANNUAL GRADING

- **SITUATION:** Since GHSA eligibility rules are written to apply to schools with semester grading, do schools that have yearlong classes with one grade given at the end of the year have to monitor eligibility for the first half of the year?

INTERPRETATION: Yes. Schools must determine that each student-athlete has a grade of 70% or higher in courses carrying at least 2.5 Carnegie units at the end of the first semester. Any student not meeting that standard is academically ineligible.

MULTI-UNIT COURSES

- **SITUATION:** A student is enrolled for four (4) regular courses (carrying .5 Carnegie units each), and one vocational course that carries the equivalent of two (2) Carnegie units. If the student fails the vocational course, is the student eligible the next semester?

INTERPRETATION: No. Since the vocational course carries the equivalent of two (2) Carnegie units and since the student passed courses totaling only 2 Carnegie units, he would not be eligible for the next semester.

MAKE-UP WORK

- **SITUATION:** A student taking five (5) subjects that carry .5 Carnegie units each receives an "Incomplete" in one of those courses. When the student returns to class on the first day of the next semester, is he eligible to practice or play?

INTERPRETATION: No. If the school allows make-up work for all students and the student makes up the "Incomplete" to a passing grade within fourteen (14) days of the beginning of the new semester, the student could become eligible. The student is not eligible while the work is being made up.

TRYOUT ELIGIBILITY

- **SITUATION:** Cheerleader tryouts for the following year are to be held in the Spring (second semester). A student who earned only two (2) Carnegie units during the first semester would like to try out. Is this permissible?

INTERPRETATION: If the student is passing ALL courses at the time of the tryout, the student may participate.

ACCUMULATING UNITS

- **SITUATION:** A 9th grade student passed courses totaling two Carnegie units in the first semester and is ineligible for second semester. The student passed five courses in the second semester, giving him an accumulation of 4.5 Carnegie units for the year. Is the student eligible at the beginning of the second year?

INTERPRETATION: No. The student must have accumulated at least five (5) Carnegie units during the first year in order to be eligible in the second year.

- **SITUATION:** At the beginning of the 11th-grade year (third year of eligibility), a student has only accumulated 8 Carnegie units and is declared ineligible for the first semester. If the student passes all six (6) courses, and accumulates 3 units during the first semester, is the student eligible at the beginning of the second semester?

INTERPRETATION: Yes. Since the student has accumulated 11 Carnegie units at the beginning of the second semester of the third year of eligibility, he is eligible. A student may gain the units during the school year, and becomes eligible the first day of the next semester.

ADVANCED PLACEMENT COURSES

- **SITUATION:** A student is enrolled for three (3) Advanced Placement courses and two regular classes in the first semester, and all courses carry .5 Carnegie units. If the student fails one of the AP courses, is he eligible to participate second semester?

INTERPRETATION: No. There are no allowances made for course difficulty in the rule requiring the accumulation of 2.5 Carnegie units the previous semester.

BLOCK-FOUR PROGRAMS

- **SITUATION:** A member school has adopted the Block-Four Program in which students take four (4) courses each semester and receive 1 Carnegie unit for each course passed. How many units does a student have to accumulate each semester in order to be eligible?

INTERPRETATION: The students will have to accumulate at least 2.5 Carnegie units each semester in order to be eligible.

- **SITUATION:** A school is on the Block-Four Program and, additionally, requires a student to take a Physical Education course that earns .5 Carnegie unit. A student passes two (2) courses in the Block-Four setup plus the PE class. Is the student eligible?

INTERPRETATION: Yes. The two block courses provide a total of 2 units and the P.E. course provides a total of .5 units. This meets the GHSA requirement of at least 2.5 Carnegie units.

- **SITUATION:** A student in a Block-Four setting only passes one class in the Spring Semester. The student passes three (3) classes carrying .5 Carnegie units each in Summer School. Is the student eligible for Fall participation?

INTERPRETATION: Yes. The one block course provides 1 Carnegie unit and the three summer school courses provide 1.5 units, meeting the GHSA requirement of at least 2.5 Carnegie units.

BLOCK-EIGHT PROGRAMS

- **SITUATION:** A member school has adopted the Block-Eight Program in which students take eight courses over the semester and each one passed accumulates one-half Carnegie unit. How many courses do students at this school have to pass in order to be eligible for interscholastic activities?

INTERPRETATION: The students will have to earn at least 2.5 Carnegie units each semester to be eligible. The unit requirements remain the same as with any system of courses.

HYBRID SCHEDULING

- **SITUATION:** A student is taking two yearlong courses, two Block 4 courses and one traditional course during the semester. If the student failed one of the Block 4 courses, is he academically eligible for the next semester?

INTERPRETATION: Yes. The two yearlong courses and the one traditional course carry 1.5 Carnegie Units, and the Block 4 course he passed carried one (1) unit. This gives the student the 2.5 units he needs to be eligible.

BY-LAW 1.60 - SCHOOL SERVICE AREAS/TRANSFER STUDENTS/ MIGRANT STUDENTS/MIGRATORY RULE WAIVERS

SCHOOL SERVICE AREAS

- **QUESTION:** What is a public school's service area?

ANSWER: A school service area is the geographic boundary established by local boards of education that determine the public school a student must attend. NOTE: The service area is also referred to in this book as the "attendance area" and "area of residence."

- **QUESTION:** What is the service area designation for private schools?

ANSWER: The service area for a private school is the county in which the campus is physically located. This restriction only affects students who transfer into the school after beginning their high school careers at other schools.

- **SITUATION:** A 10th grade student moves to a county that has four school service areas (A, B, C, and D), and a city school system (service area E). The student and his parents reside in the service area of School “A,” but the student decides to enter School “E.” Is the student eligible in the new school?

INTERPRETATION: No. When a student and his parents move to a new service area, the student established eligibility at the school that serves his area of residence. When the student and his parents “elected” to attend a school outside his area of residence, the student became a migrant student.

FIRST-TIME ENROLLMENT

- **SITUATION:** A county has a school for students living in the county, and a separate school for students living in the city. The local boards of education allow students to choose whichever school they wish to attend (with or without tuition payments). A student and his parents live in the city, and the student is enrolled for the first time in ninth grade at the county school. Will he be able to participate in interscholastic activities?

INTERPRETATION: Yes. On a first-time entrance into the ninth grade, a student may enroll in the school of his choice if the local board of education gives approval. Once that choice is made, any other transfers must be accompanied by a corresponding move by the student and his parents. If the student transferred back to the school that serves his area of residence, the student would be ineligible for varsity competition for one year.

BONA FIDE MOVE DEFINED

- **QUESTION:** What is meant by the term “bona fide move?”

ANSWER: A “bona fide move” is defined as the actual physical relocation of all immediate family members residing in the previous residence, with the intent to reside indefinitely, and to relinquish the previous residence.

THE TRANSFER RULE

- **SITUATION:** A student attends School “A” while living in that school’s attendance area. He and his parents move into the service area of public School “B,” and the student enrolls in School “B.” Is the student eligible to participate in interscholastic activities?

INTERPRETATION: Yes. This is a classic example of a bona fide move.

- **SITUATION:** A student and his parents reside in the service area for a county school. The student enters the ninth grade at a non-member private school. At the end of the ninth-grade year, the student wishes to transfer from the non-member school to the high school that serves his area of residence. Will the student be eligible at the member school?

INTERPRETATION: Yes. A student may transfer from a non-member school to a member school serving his area of residence one time in his high school career as long as all other eligibility criteria are met.

- **SITUATION:** A student begins ninth grade at the school that serves his area of residence. With one month to go in the school year, the student transfers to a non-member private school. At the beginning of the tenth-grade year, the student enrolls at a member school that does not serve his area of residence. Is this student immediately eligible at the new school?

INTERPRETATION: No. The student is now a migrant student because he transferred to a school without living in that service area. If the student had transferred back to the member school at which he began the ninth-grade, he would have been eligible.

- **SITUATION:** A student who attended ninth and tenth grade in a non-member home school enrolls at the public school that serves his area of residence. That school specifies that students from home schools must be tested in order for the course work to be accepted. May this student participate in athletics before the testing is done?

INTERPRETATION: No, because eligibility cannot be determined until the course work is accepted.

CHOICE OF PUBLIC OR PRIVATE MEMBER SCHOOLS

- **SITUATION:** A tenth-grade student and his parents reside in the service area of School “A” and attends that school. The parents and the student have a bona fide move into the service area of public School “B” and private

School "C." Does the student have a choice about which school he may attend and remain eligible?

INTERPRETATION: Yes. When a student (attending any member school) moves into a new service area, he may choose to attend the public school that serves his new area of residence, or a private school that has been assigned his new area of residence.

- **SITUATION:** A tenth-grade student at member private School "C" resides in the service area of public School "A," and then moves into the service area of public School "B," which is still in the service area of School "C." Does the student have a choice in attending public School "B" or selecting a new private school that includes the service area of School "B" in its service area?

INTERPRETATION: Yes. When a student (attending any member school) moves into a new service area, he may choose to attend the public school that serves his new area of residence, or any private school that has been assigned his new area of residence.

- **SITUATION:** A twelfth-grade student has been at a member school since entering the ninth-grade. When his parents move into the service area of another school, the student wants to stay at his original school. May he remain at the school and retain his eligibility?

INTERPRETATION: Yes. Once a student has established eligibility at a school, he retains eligibility at that school as long as he is allowed by the local board of education to attend that school, and as long as he meets academic requirements.

- **SITUATION:** A school system grants a permissive transfer for a student to leave the school that serves his area of residence to go to a school that offers a course he cannot get at his home school. Is this a mandated transfer, and is the student eligible at the new school?

RULING: This is a permissive transfer and does not carry GHSA eligibility. The receiving school would have to file for a hardship in order for this student to have any chance of being eligible immediately.

- **SITUATION:** A student begins ninth grade at a magnet school, and (a) does not make grades high enough to stay in the magnet program and returns to his home school, or (b) decides to return to a regular study program at the school that serves his area of residence. Is the student eligible?

RULING: In both cases, the student is not eligible. Decisions to enter into or exit from a magnet school involve personal choices and/or permissive transfers, and do not carry GHSA eligibility. The inability of the student to meet the achievement standard was under the control of the student.

- **SITUATION:** A school district opens a new school and (a) mandates a service area for students going to the new school, or (b) gives students options about where they may attend. How does this affect eligibility for athletes?

RULING: In (a), students mandated to attend the new school are immediately eligible. In (b), the system should set up a deadline date for students to make their choices. Students may either stay or move to the mandated school and have eligibility if the deadline is met. Any decisions made after the deadline renders the student to be a migrant student.

MIGRANT STUDENT RULE

- **SITUATION:** A student enrolls in School "A," is certified eligible, and participates in athletic contests. Then it is discovered that the student's parents do not live in the service area of School "A." After the school forfeits all contests it won when the student played, what is the status of this student's eligibility if:
 - (a) the student remains in School "A," and the parents do not move into the service area of School "A?"
 - (b) The student remains in School "A," and the parents move into the service area of School "A?"
 - (c) the student transfers to the school that serves his area of residence?

INTERPRETATION:

- (a) The student is ineligible for a period of one (1) year from the date of entry to School "A."
- (b) The student becomes eligible on the date the parents move into the service area of School "A."
- (c) The student is ineligible for one (1) year from the date of entry to the school of his service area.

- **SITUATION:** A student who has been living with his mother in another state moves in with his grandparents and enters a member school. The grandparents go to a Probate Court and get a Letter of Temporary Guardianship. Will this student be eligible for interscholastic activities?

INTERPRETATION: No. This student is considered a migrant student. The student may practice and may play in sub-varsity contests if academic requirements are met, but he will be ineligible for varsity competition for one calendar year. Guardianship is not recognized for eligibility purposes.

- **SITUATION:** A school system has a policy that the children of teachers may attend the school where the parent teaches regardless of where the family lives. The high school hired a teacher, who has a tenth-grade student, and the family lives outside the service area of that school. If the student attends the school where the parent teaches, will he be immediately eligible?

INTERPRETATION: Yes, as long as the parent is a certified teacher or administrator at the receiving school.

- **SITUATION:** A ninth-grade student transfers from one member school to another member school without a bona fide move. May he participate on the JV basketball team if he has met all academic requirements?

INTERPRETATION: Yes. The student is a migrant student and migrant students may practice and may play on a sub-varsity team during the year that he is ineligible for varsity competition.

SUSPENDED OR EXPELLED STUDENT

- **SITUATION:** A student is expelled from a member private school for behavioral problems. The student and his parents move to a different service area and the student enrolls in a member public school. Is the student eligible to participate in interscholastic activities?

INTERPRETATION: No. The student will not be eligible until the time frame of the suspension at the first school is complete or one calendar year – whichever is shorter.

UNFINISHED HOME

- **SITUATION:** A family has purchased a new home in a school district other than the one where the student has been attending school. However, the new home will not be available for occupancy until six weeks after the start of the semester. In the meantime, the new local board of education allows the student to begin attendance in anticipation of the family move when the home is available. When will the student be eligible at the new school?

INTERPRETATION: The student will be eligible immediately upon the date the parents physically occupy the residence in the new district.

- **SITUATION:** A family has purchased a new home in a school district other than the one where the student has been attending school. However, the new home will not be available for occupancy until six weeks after the start of the semester. The parents desire the student to begin and complete the semester at the original school, before transferring to the new school. How will this affect the student's eligibility?

INTERPRETATION: The GHSA By-Laws permit students to complete the current semester in a given district if their parents move from that district after school has commenced. Therefore, the student in this case may remain in his original district for the remainder of the semester and be eligible in respect to residence. If the student continues to attend school in that district in the succeeding semesters, he will continue eligibility. If he begins the next semester and then decides to transfer to the school in his area of residence, he would be ineligible for varsity competition for one (1) year.

RECRUITING/UNDUE INFLUENCE

- **QUESTION:** What factors are involved in the determination of “undue influence?”

ANSWER: In addition to the specific statement of the By-Laws, “undue influence” shall be determined by considering the following issues as factors:

- personal contact by a coach, teacher or administrator
- offer or award of any part of the student's tuition, books, and/or fees based on athletic performance or potential

- (c) other privileges or considerations not accorded to other students similarly situated
- (d) a coach at the receiving school coached the transferring student on a non-school team
- (e) a coach at the receiving school gave the transferring student private athletic instructions

AMATEUR STATUS AND AWARDS

- **SITUATION:** A team wins the state championship and school and community people put on a banquet honoring this accomplishment. The athletes and their parents are provided the meal at no expense, and the following awards are given:
 - (a) a gift certificate for a dinner at a local restaurant to be used by the individual player at his convenience
 - (b) a jacket, sweater, and/or shoes in school colors with lettering that proclaims the state championship
 - (c) a plaque commemorating the accomplishment
 Is this legal?

INTERPRETATION: The free meal at the banquet is not a violation, nor is the plaque that was given. All other items must fit under the \$250 per student, per year allowance. **NOTE:** A school may provide one jacket to each athlete who letters in the student's high school career.

- **SITUATION:** A school wins the state championship and desires for the players to have a commemorative award. May the school buy rings for the players?

INTERPRETATION: Yes, symbolic awards (i.e., non-cash) presented for winning or placing in GHSA competitions are limited to \$250.00 per year, per student in the aggregate, paid for by the local school.

- **SITUATION:** A student who wins a non-GHSA tennis tournament is offered (a) a cash prize of \$100.00, or (b) a merchandise certificate worth \$250.00 in tennis equipment and/or apparel. How will these awards affect the student's amateur status?

RULING: The GHSA follows the rules of the United States Tennis Association. USTA rules forbid the acceptance of money but do allow the acceptance of merchandise not to exceed \$250.00.

- **SITUATION:** A student wins her flight in a non-GHSA golf tournament and is offered (a) a cash prize of \$150.00, or (b) a set of irons valued at \$600.00. How will these awards affect the student's amateur status?

RULING: The GHSA follows the rules of the United States Golf Association. USGA rules forbid the acceptance of money, but do allow the acceptance of merchandise not to exceed \$750.00.

BY-LAW 2.00 - SCHOOL

2.10 - SCHOOL MEMBERSHIP TO GHSA

- (a) Member schools agree to **conform to the Constitution and By-Laws of the GHSA.**
 - (b) Member schools agree to **conform to the rules of the region** organizations to which they are assigned.
 - (c) Should a conflict arise between state rules and region rules, the **state rules always take precedent.**

2.12 **Procedure for Membership:**

- (b) Membership is continued through the original resolution as long as the school is in good standing with the GHSA.
- (c) April 1 preceding the reclassification alignment process is the deadline date for new and existing private schools to join the GHSA for the next reclassification period. Newly established public schools will have a deadline date of April 1 to join the GHSA for the upcoming school year. No private school with an actual numerical enrollment of less than 150 students in grades 9 through 12 will be admitted to the GHSA.
- (d) Converted charter schools whose attendance zones and eligibility requirements do not change retain their membership in the GHSA. Converted charter schools or startup charter schools must apply for membership in the GHSA.

2.13 Dues for Membership:

- (1) Dues must be paid prior to October 15 of each year.
- (2) Schools failing to meet the dues-payment deadline are not eligible to participate in any contest until membership dues are paid.
- (b) Dues are prorated according to the school's classification.
NOTE: Schools with a total enrollment of less than 50 students are assessed their insurance fees according to the actual number of participants.
- (c) The Dues schedule is as follows:

- 2.15 If the association conducts an investigation of a member school in reference to a possible violation of association rules and the member school is found to be in violation, the school shall be assessed the cost of the investigation in addition to any fines.
- 2.16 **Playing a Non-Region Schedule:** A school may choose to play a non-region schedule in football, basketball, and/or baseball, and this choice is in effect for the entire reclassification period.
- (a) A school playing a non-region schedule may not participate in post-season competition.
- (b) Results of games with a school playing a non-region schedule may not be used in region standings.
- 2.17 **Region and Area Divisions:** A classification in any sport will be considered Regionalized when a majority of the schools (with a minimum of 5) in all regions participate in that sport. If that is not the case, the classification (or combination of classifications) will be divided into Areas in that sport.

2.20 - ADMINISTRATIVE RESPONSIBILITIES

- 2.21 The administrative head of each school shall have on file in the school office a certificate of an **annual physical examination** given by a licensed medical physician, a doctor of Osteopathic medicine, nurse practitioner or a physician's assistant indicating the student is approved for participation in athletic activities before that student may try-out, participate in practice or conditioning drills, or participate in interscholastic contests (see By-Law 1.41). The physical exam form must be signed by the physician or osteopath after reviewing the data from the examination and the student's health history on the form.
- 2.22 The administrative head of each school shall **operate** all interscholastic **contests and activities** under direct and complete control of the school administration or designated school personnel. These responsibilities are not to be delegated by the board of education, superintendent, or principal to any person or persons who are not a part of the school staff.
- 2.23 The administrative head of each school is expected to be a person who believes in fairness and honesty as evidenced by the **strict adherence to all rules** and regulations in regards to eligibility of contestants representing his/her school.
- 2.24 The administrative head of each school is expected to employ those persons who exemplify fairness and honesty. Any certificated person who violates rules in regard to student eligibility, or illegal practices, or knowingly misleads a member school and/or the GHSA will have a report of that behavior sent to the Professional Standards Commission.
- 2.25 The administrative head of each school may submit to the GHSA Executive Committee such **recommendations for the improvement of the GHSA** as he/she may deem necessary. These recommendations must be submitted to the GHSA Office at least thirty (30) days prior to the meeting of the Executive Committee.

- 2.26 The member institution has a responsibility to educate student-athletes, coaches, and other appropriate persons on GHSA rules and procedures that could affect them. Further, the member school should monitor its compliance with State Association guidelines.
- 2.27 Member schools that fail to follow stated procedures and deadlines may be assessed a fine for each violation.
- 2.28 Schools that need to cancel appointments scheduled with the Hardship Committee or the Appeals Board must do so at least 24 hours before the appointment. Failure to cancel properly will result in a fine.
- 2.29 Member schools are expected to fulfill their responsibilities for a sports season once they have committed to play that sport.
- (a) If a school commits to play a sport at the region meeting that precedes the sport, or on April 1 for Area sports, and then drops out of competition before or during the season, the school will have to play a non-region schedule in that sport the next year.
 - (b) If a school enters the competitive structure that qualifies it to advance in postseason competition, that school is expected to advance if it qualifies. Schools that drop out of competition after qualifying may be penalized with fines or probation.
 - (c) Appeals for emergency circumstances may be filed with the Executive Director.

2.30 - ELIGIBILITY REPORTS FILED BY THE SCHOOL

- 2.31 **Eligibility reports** are required for all contestants in any GHSA activity twenty (20) days prior to the date allowed for the first contest in each activity.
- (a) Students are not allowed to participate in academic, athletic, or literary competitions until their eligibility reports have been received and processed by the GHSA Office.
 - (b) Failure to meet the eligibility deadline may lead the GHSA Executive Director to:
 - (1) Assess a fine to the school that is delinquent.
 - (2) Suspend the membership of a school that does not file eligibility reports.
 - (c) Reports not filed properly will be returned to the school for resubmission.
- 2.32 Schools **playing interscholastic contests before the filing of an eligibility report** on one or more participating students may be subject to one or more of the following penalties imposed by the GHSA Executive Director:
- (a) a fine per game or contest in which one or more participants had no eligibility report filed.
 - (b) forfeiture of any game in which one or more participants did not have eligibility report filed.
 - (c) restriction from competition in any sport if the fines assessed are not paid within ten (10) days of notification.
- 2.33 **Supplementary eligibility reports** may be submitted at any time on transfer students, students coming out for the team after the initial report, and/or those students who gain eligibility at the beginning of a semester.
- 2.34 Once a student has been certified eligible by the school and has been processed by the GHSA, **eligibility is assumed to be continuing**, and no further eligibility report is necessary for that student during the school year.
- 2.35 If a student **loses eligibility and regains** it during the school year, a new eligibility report should be filed for that student.
- 2.36 **Changes of Eligibility Records:** When a school discovers that incorrect information has been given on an eligibility report, the following procedures shall be followed:
- (a) **To change the date of ninth grade entry:**
 - (1) Submit a new eligibility report form on which you have written "Corrected Copy" AND a certified copy of the student's transcript

 - (1) Submit a new eligibility report form on which you have written "Corrected Copy"
 - (2) Give the date of the original eligibility submission
- 2.37 Requests to investigate a student's eligibility in regard to the transfer rule must be filed with the GHSA office at least twenty (20) calendar days before the end of the regular season in order for any penalties to be applied before the end of the playoffs.

2.40 - STUDENT RETENTION FOR INTERSCHOLASTIC ATHLETIC ACTIVITIES

- 2.41 Member schools shall prohibit participation in interscholastic activities by any student who was **retained in the eight grade for competitive purposes**. The governing body of each school system shall develop a written policy showing that the system does not allow retention for competitive purposes. (See State Board Policy 160-5-1.19; IDE (2).

2.50 - QUALIFICATIONS TO COACH

- 2.51 An athletic coach must be a professional teacher **meeting the teaching requirements and be employed** by only one board of education or similar governing authority within the GHSA membership, regardless of whether or not they are paid for their coaching (Exception: when all boards of education or similar governing authorities and all principals/headmasters involved sign a consent form on an annual basis he/she may coach at another school system), AND:
- be employed for 20 or more hours per week on a regular basis in a professional, contracted position and must hold a **teaching certificate or leadership certificate** issued by the State of Georgia, OR

 - be a **retired teacher** teaching or supervising less than one-half time (forty hours considered full time), OR
 - be a certified teacher or administrator at a member school on medical leave governed by the "Family Medical Leave Act" and/or the "Georgia Teacher Maternity Leave of Absence" policy (see the GHSA web site for the required form).
- 2.52 Member schools may employ persons who are not professionally certificated teachers as assistant coaches in their athletic programs. These individuals are referred to as "**community coaches**."
- Community Coach is defined as a person who does not have a professional-level certification, who relates in role and function to a professional and does a portion of the professional's job or tasks under the supervision of the professional, and whose decision-making authority is limited and regulated by the professional. Community coaches are not allowed to function without the immediate supervision of a professional *and may not function as a Head Coach or be named by the school as a Head Coach*.
 - Licensed para-professionals and full-time substitute teachers must complete the GHSA Coaches Education Program and testing program to be eligible to coach.
 - All community coaches should be signed to a written "agreement to coach." They may coach for only one board of education annually, regardless of whether or not they are paid for their services.
 - All community coaches must complete the **GHSA Coaches Education Training and Testing Program** in "Sport First Aid" and "Principles for Coaches."
 - Prospective coaches must be subject to a criminal background check before they are registered for the GHSA coaches education program.
 - Courses are offered at various times each school year throughout the state.
 - Prospective coaches are registered with the GHSA office by the school hiring them.
 - No community coach may do any GHSA coaching until he/she has been notified that the GHSA Coaches Education Program had been completed successfully.
 - It is recommended that the following **priority for employment** be used:
 - certified employees in the local system (secondary, middle, elementary, central office, etc.)
 - retired certificated personnel
 - community coaches who have completed the GHSA Coaches Education Program.
 - All community coaches must attend a regular GHSA rules clinic each year for any sport in which they coach beginning with their first year of service or the school will be fined.
- 2.53 GHSA member schools must **register** all coaches in all GHSA governed activities according to the following:
- An initial directory listing of administrators and coaches must be completed and filed with the State Office by August 1 of each year. Only professionally certificated personnel are to be included on the initial directory listings.
 - Qualified** Community Coaches are to be reported on the "List of Community Coaches' form. Only those persons who have successfully completed the **GHSA Coaches Education Program** are to be listed on this form. NOTE: Schools must verify the successful completion of the coaches education program BEFORE community coaches are submitted to the GHSA and BEFORE any coaching activities are allowed (forms on the GHSA web site).
 - After August 1, schools will have occasion to add members to their coaching staff. It is the responsibility

- of the member school to register these additions in a timely manner. (A supplemental staffing form has been provided on the GHSA web site).
- (d) Failure to comply with these procedures could result in punitive actions including, but not limited to, fines, forfeitures and other penalties assessed to the member school.
- 2.54 **Every faculty coach, community coach, and student-teaching intern at a GHSA member school must attend a GHSA-sponsored rules clinic** if he/she coaches the following sports: football, softball, volleyball, riflery, cheerleading (spirit and/or competitive), basketball, lacrosse, wrestling, swimming and diving, track, baseball, soccer and gymnastics. NOTE: A fine for each coach who does not complete a clinic will be assessed to the school.
- 2.55 A **football coach** on the payroll of one school district, but under contract to another school district for the following year, may help with **spring practice** at the new school if arrangements are satisfactory with both systems.

2.60 - INTERSCHOLASTIC CONTESTS AND PRACTICES

- 2.61 All **practices** (team and individual) and all regular-season interscholastic **contests** for GHSA-member schools shall be **conducted outside the school day of the participants' school**.
- (a) Regional, Sectional, and/or State **playoffs are exempt** from this rule.
- (b) The **“school day” is defined** as: that period of time between when students are required to report to school and the time of dismissal of the host school. EXCEPTION: When the host school is not in session on a given day, competitions may be scheduled earlier than normal dismissal time for that school. However, any school that is in session on that day may not compete in that event before the normal dismissal time of the host school.
- 2.62 The GHSA shall provide **rules and regulations for competition** among member schools for those competitive activities listed in the GHSA Constitution and By-Laws.
- (a) Member schools shall **compete, practice or scrimmage only against other member schools** or against schools who are affiliated with the State Association in their respective states. When competing internationally, member schools may compete only against school teams in that nation that are composed of students of similar ages. International exhibition competitions or scrimmages are not allowed. NOTE: When member schools compete out of state, the host state’s adaptations of NFHS playing rules will be enforced, and all GHSA by-laws regarding sportsmanship, eligibility and game times will be enforced.
- (b) Member schools are **permitted to compete against non-member schools** in activities not listed in the GHSA Constitution and By-Laws.
- (c) The GHSA Executive Director has the authority to approve competition between GHSA schools and **private schools from states in which membership in the State Association is not allowed**. These non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.
- (d) A member school shall have no more than one varsity, one junior varsity, and one 9th grade team.
- (1) Any **sub-varsity team** is limited to a maximum number of games equal to 70% of the varsity allotment in that sport. EXCEPTION: New schools that have only 9th and 10 grades with JV teams only (no varsity) are allowed to play the number of games allowed for varsity teams.
- (2) **Competition between sub-varsity and varsity teams and/or individuals** at the same event is prohibited. An exception may be made by the Executive Director for schools just opening and for schools just starting a particular sport.
- (3) In the sports of Cross Country, Golf, Swimming, Tennis and Wrestling, a school may use a **“split squad”** at two regular season events on the same day at the varsity or sub-varsity levels. Both of the contests must be counted against the total number of contests allowed in that sport. Individual players may not exceed the total number of contests allowed at the varsity level of that sport.
- (4) **Unattached Competitor:** Individual athletes may participate in non-GHSA events in the sports of Cross Country, Golf, Gymnastics, Riflery, Swimming, Tennis, Track and Wrestling as long as they do not represent their school, do not wear the school uniform, and are not coached at the event, or transported to the event, by their high school coach.
- (5) In any GHSA sport, there may be no **“open”** competitions or exhibition performances that extend participation beyond the three levels of competition (i.e., varsity, JV, 9th grade) mandated in this by-law. The only interscholastic contests in which results are disregarded are scrimmages as defined below.
- (e) One **interscholastic scrimmage** (two teams meeting head-to-head) is allowed in the sports of Baseball, Basketball, Football, Lacrosse, Soccer, Softball and Volleyball.
- (a) This scrimmage may be scheduled anytime between the beginning of practice as set by the GHSA and the first regular season game for each team.

- (b) This scrimmage is for varsity teams only, and shall be played with normal timing and/or scoring rules except as noted in individual sports sections.
 - (c) Game officials must be used.
- 2.63 **Written contracts are required** for all football, basketball and wrestling contests, and are strongly **recommended** in all other interscholastic contests that are scheduled between member schools.
- (a) Contract forms can be found on the GHSA web site.
 - (b) Contracts are also recommended for all sub-varsity contests.
 - (c) GHSA-member schools are expected to fulfill the conditions of any game contract that has been properly executed.
 - (1) Exceptions to the contract may be made with the agreement and consent of both schools.
 - (2) Member schools that fail to fulfill the requirements of a scheduled event may be required to make **restitution** to the competing school *if that school is unable to secure an opponent. The offended school shall petition the Executive Director for the desire restitution.*
 - (3) Schools failing to fulfill a game contract may be **suspended** in that sport for one (1) full calendar year or the corresponding date of the next calendar year, whichever is greater.
 - (4) **EXCEPTION:** The GHSA Executive Director may excuse the failure to fulfill a game contract if, in his opinion, the circumstances causing the failure were outside the control of the school officials.
 - (d) **Forfeiture and Restitution Policy**
 - (1) If a team does not arrive at the game site for any contest without notifying the host opponent of a late arrival, that contest will be forfeited 30 minutes after the scheduled game-time. If the second game or contest was to be played by a different team (EXAMPLE: girl/boy or JV/varsity combination events), then a decision to forfeit that game will be made 30 minutes after the scheduled beginning of the second game.
 - (2) If there are to be multiple games by the same team and the team does not arrive at the game site without notifying the host opponent of a late arrival, all games will be forfeited 30 minutes after the scheduled game-time of the first contest.
EXAMPLE: softball or baseball doubleheaders
 - (3) If a school fails to show up for a game or cancels a game within four (4) hours of the scheduled starting time without an emergency condition or weather-related conditions, that school shall pay a forfeiture fee to the host school equivalent to the cost of the officials.
NOTE: If the host school is the violating team, the fee will be paid directly to the officials association.
 - (4) If a school fails to show up for a game or cancels within four (4) hours of the scheduled game time without emergency reasons or weather-related reasons for a second time, that school must make restitution again and must show cause to the GHSA Executive Director as to why they should not be placed on probation by the GHSA.
 - (e) The minimum penalty for allowing an ineligible athlete to participate in an interscholastic contest is forfeiture of the game(s). Fines or other penalties may also be imposed. NOTE: If it is determined by the Executive Director that the school has exercised every reasonable precaution and has been deceived regarding the student's data, any or all penalties may be set aside.
 - (f) A team shall forfeit any team standing or points toward team honors when an ineligible student participates in a contest. In sports where individual titles may be won (Cross Country, Literary, Swimming and Diving, Traditional Wrestling, Gymnastics, Golf and Track), eligible individuals will keep their placements and opportunities to advance toward individual honors even if a teammate participated while ineligible.
- 2.64 **Tournaments or multiple-meets**, other than the Region or State elimination series must be approved (**sanctioned**) by the GHSA Executive Director, subject to the special conditions for athletics and/or other activities.
- (a) A GHSA-member school shall not enter a tournament which requires sanctioning until that tournament has been **approved by the GHSA Executive Director**.
 - (1) The GHSA Executive Director may assess a fine and/or other penalties against a member school that violates the sanctioning rules.
 - (2) Approval will not be granted for any tournament, meet, or other contest to qualify for and/or determine a **national high school championship**. The GHSA strongly discourages participation in events that qualify a team representing a member school for a national championship during the Summer.
 - (3) **Tournament participation limits** are set for each sport, and they are listed in the specific sport sections in this document.
 - (b) All **applications for sanctioning** must be submitted to the GHSA thirty (30) days prior to the tournament by a GHSA-member school.
NOTE: Tournaments that require National Federation sanctioning are an exception to this rule.
 - (c) The host school for all sanctioned tournaments shall **pay five percent (5%)** of all gross gate receipts **to the GHSA** within ten (10) days after the tournament.
 - (1) Total gate receipts before expenses are paid equals the gross receipts.

- (2) A financial report of the event shall accompany the payment.
 - (d) GHSA approval for **tournaments in contiguous states** is needed when there are four or more schools participating.
 - (e) Approval for **tournaments in Georgia** is needed when:
 - (1) it is a tournament involving four or more schools OR
 - (2) it is a tournament in which awards are given.
 - (f) Tournaments that require **approval from the National Federation** with a processing fee of \$100.00 (NOTE: All NFHS sanctioning forms must be submitted to the State Association ninety (90) days prior to the event.) are:
 - (1) any interstate tournament in which more than eight schools participate, and at least one participant is from a non-contiguous state OR
 - (2) any interstate tournament that involves schools from five or more State High School Associations, and at least one of them does not border on the State of the sponsoring school OR
 - (3) any international tournament (except competition with Canadian and Mexican high schools) OR
 - (4) any interstate tournament involving two (2) or more schools which is co-sponsored by or titled in the name of an organization outside the high school community (e.g., a university, a theme park, an athletic company).
 - (g) The GHSA Executive Director has the authority to approve competition between GHSA schools and **private schools from states in which membership in the State Association is not allowed**. These non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.
 - (h) In all sports except Football, a team (subvarsity or varsity) may play multiple games on a single calendar day in a tournament setting. NOTE: In these instances, the special "quarter/half participation rules" in basketball and soccer are waived.
 - (i) For any one-day event in which more than two schools compete (i.e., a basketball showcase or some similar event), the following stipulations are in effect:
 - (1) A "host school" must be designated for each game even if the games are played at neutral sites.
 - (2) The host school must provide a Game Manager for that game.
 - (3) The host school must schedule game officials through the local association assigned to it.
 - (4) These special events will require sanctioning approval from the GHSA office.
- 2.65 **Available Seating:** Member schools shall provide a seat for each ticket sold to any contest regulated by the GHSA.
- (a) An available seat is defined as twenty-four (24) inches in width.
 - (b) Each school is required to make a determination of the available seats prior to the beginning of the contest.
 - (c) At outdoor events, "standing room" tickets may be sold as long as they are identified as such at the time of the purchase, and as long as there are no problems with safety and security with such an arrangement.
- 2.66 **Weekday Contests:** Only one day and/or night preceding a school day per week may be used for a contest or activity with a starting time of 6:00 pm or later.
- (a) Regional, Sectional, and/or State playoffs are exempt from this rule.
 - (b) The GHSA Executive Director has the authority to set aside this rule upon request when there are extenuating circumstances.
 - (c) Teams playing any regular season contest when there are classes the next day shall be limited to a travel distance of no more than 100 miles one way as determined using the maps program at www.Yahoo.com.
- 2.67 **Practice Policy for Heat and Humidity:**
- (a) Each member school shall have a written policy for conducting practices in all sports during times of extremely high heat and/or humidity that will be signed by each head coach and distributed to all players. The policy shall include, but is not limited to:
 - (1) the time of day the practices are to be scheduled at various heat index levels
 - (2) the ratio of workout time to time allotted for rest and hydration at various heat index levels
 - (3) the heat index level that will result in outdoor practices being terminated
 - (b) A scientifically-approved instrument that measures the heat index must be utilized at each practice to ensure that the written policy is being followed properly.
- 2.68 All athletic events hosted by GHSA-member schools (except Cross Country, Golf, Riflery, Swimming, Tennis and Track) shall be officiated at all levels of competition by **officials** who are members of associations that are approved by the GHSA. (Exception: situation noted in By-Law 2.95)
- (a) In Soccer, Volleyball and Wrestling, **when competing schools cannot agree on officials** for regular-season games, the principals should send in a written request for the GHSA office to assign the officials.
 - (1) This shall be done for both years of the scheduling period.
 - (2) The visiting team shall pay the mileage fees for the assigned officials, and the home team will pay the game fees.

- (b) Officials' associations and their assigned schools shall include the method of payment in their contract.
- (c) *It is recommended that the same number of officials be used in regular-season competitions as the number used in playoff competitions in that sport.*

2.69 **Legal practice dates** are established for each activity (see the calendar at the beginning of this publication), and schools shall not conduct or allow an **illegal practice**.

- (a) The **beginning of each school year** is designated as the first date of practice for the earliest GHSA sport.
 - (b) **Illegal practices** are **defined** as practices involving three or more students participating in any extracurricular activity in the presence of, or under the direct or indirect supervision of any coach of the school (including a community coach). At any given point in time, only one (1) coach in a sport may work with up to two (2) athletes in skill-building drills.
 - (1) Any practice occurring after the beginning of the school year and **before the opening of the designated season** is an illegal practice.
 - (2) Any practice occurring **after the end of the season** for that team and the end of the school year for students in that school is an illegal practice.
 - (3) **During the summer** (i.e., between the ending of one school year and the beginning of the next) the only restrictions on practices and competition are that all activities must be strictly voluntary, and the **"Dead Week"** must be observed, as follows: Schools are prohibited from participating in voluntary workouts, camps and/or clinics, weight training or competitions during the week (Sunday through Saturday) in which the Fourth of July falls each year.
 - (4) It is illegal for a team to go to a competitive or instructional camp or clinic during the school year other than in-season events designed for that team alone.
 - (a) If the event is held out of season, it would constitute an illegal practice.
 - (b) If the event is held in-season, it would involve illegal coaching.
 - (c) Boys and girls teams in the same sport are considered the same activity.
 - (d) This prohibition does not apply to the summer months.
 - (5) Neither coaches, former coaches (including community coaches), nor any other school personnel shall suggest, require, or otherwise **attempt to influence students** to participate in or practice for a sport outside the GHSA-designated season.
 - (6) The following activities are **examples of illegal practices**:
 - (a) interscholastic scrimmages or practice competitions not in compliance with By-Law 2.62e
 - (b) practices involving alumni or students who presently are not eligible at the member school at any time in the school year
 - (c) practices against a non-school team at any time in the school year
 - (d) practices of any kind outside the season designated by the GHSA.
- NOTE: Free Style and Greco-Roman Wrestling are considered to be the same sport as Folk Style (high school) Wrestling and are subject to GHSA rules regulating illegal practices.
- (7) Coaches are allowed to be spectators or "fellow competitors" at non-school events out of season as long as no coaching occurs.
 - (8) Schools found guilty of having illegal practices will be subject to **penalties** that may include a fine, warning, probation, and/or suspension by the GHSA Executive Director.
- (c) A GHSA coach (certified teacher or community coach) may not coach a non-GHSA team in a competitive setting during the school year that includes any player(s) who participate in the sport he/she coaches at the member school. EXCEPTION: In a situation in which the child or step-child of the coach is the only player on a non-school team from the coach's school, the coach would be exempted from this rule.

2.70 - SPORTSMANSHIP

2.71 GHSA-member schools are required to conduct all relationships with other schools in a **spirit of good sportsmanship**.

- (a) It shall be the responsibility of a member school to use every means at its disposal to impress upon faculty, students, team members, coaches, and spectators the **values of sportsmanship** in preparation for the management of interscholastic contests.
- (b) The Executive Director shall have the authority to assess penalties against schools and/or coaches for conduct unbecoming a professional educator or coach committed by coaches or other school personnel at GHSA events. Penalties against schools may include fines, probation or suspensions; and penalties against coaches and other school personnel may include suspension from GHSA events.
- (c) It shall be the **responsibility of the home or host school** to take the following precautions at all interscholastic athletic events:
 - (1) take proper steps and precautions to insure crowd and spectator control, including having an administrator (or designee) from the host school to function as "game manager" at all GHSA sanctioned events. EXCEPTIONS: Golf and Tennis
 - (2) take steps to insure the **comfort and security** of all players, coaches, and officials

- (3) have in place sufficient **security personnel** to handle any crowd-control problems that might reasonably be expected. Security escorts must be provided to game officials by the host school at all GHSA sanctioned contests, before, during and following the contest - including to their vehicles.
 - (d) Each school must develop a **plan to handle fight situations** that may occur during an athletic contest.
 - (1) Attention must be given to keeping **substitutes** in the bench areas throughout the fight, and to keeping **spectators** away from the competitive area.
 - (2) **Schools** whose substitutes leave the bench area to go to the area of a fight will be **finned** by the GHSA Executive Director.
 - (3) All players who are involved in a fight and any substitutes who leave the bench area during a fight and are **ejected** from the current contest, will be subject to the sit-out rule.
 - (e) Players and coaches are expected to exhibit good sportsmanship before and after a contest, even if the game officials do not have jurisdiction. Behaviors such as taunting, fighting, etc., are forbidden.
 - (f) No coach may remove his/her team from competition before the end of the contest unless it is done in accordance with the playing rules of that sport.
- 2.72 Any **player, coach, or team attendant** who is **ejected** from a GHSA contest shall be suspended from all levels of competition (i.e., varsity or sub-varsity) in that sport or activity (regular season or playoffs) until the period of suspension has expired.
- (a) Ejections are based on judgment calls by an official and are not reviewable or reversible.
 - (b) A coach shall have no role nor be in attendance at pre-contest warm-ups or activities, and shall not be in attendance at contests until the period of suspension has expired.
 - (c) A player or team attendant may not be on the competitive area nor in the team bench area during any contest until the period of suspension has expired.
 - (d) The **period of suspension** resulting from an ejection will expire as follows:
 - (1) **Football:** after the individual has been withheld from the next-scheduled game at the level at which the ejection occurred (and all contests at any other level).
 - (2) **Soccer:**
 - (a) One-Game Sit-out:
 - 1. Two yellow cards in the same game
 - 2. Yellow-Red cards for taunting
 - 3. Deliberate handball to prevent a goal

- **SITUATION:** A student is retained in the 8th grade until January because; (a) he did not pass the promotion test until the fall semester, or (b) his parents did not feel he was ready for high school in August. How will affect the student's GHSA eligibility?

RULING: Students who are not admitted to the ninth grade in the fall because they did not pass a promotion test may have eligibility granted in January if the high school files a copy of the school system's promotion policy and a copy of the student's test scores. If the retention was for any other reason, the filing process is outlined in by-law 2.41. Regardless of the reason for the retention, the student's 8-semester calendar to participate in GHSA activities begins with the January entrance if the retention is approved by the GHSA.

BY-LAW 2.50 - QUALIFICATIONS TO COACH

- **SITUATION:** Are GHSA Community Coaches subject to the same regulations in regard to out-of-season coaching as coaches who are certified teachers?

INTERPRETATION: Yes, all coaching regulations apply to both Community Coaches and coaches who are certified teachers.

- **SITUATION:** A school wishes to hire a coach with a valid Georgia teaching certificate. However, there is no teaching position available in the system. What must the school do in order to use this person as a coach?

INTERPRETATION: The coaching prospect must be enrolled in and successfully complete the GHSA Coaches Education Program. Any person not employed as a teacher or administrator is classified as a Community Coach and must complete the CEP.

- **SITUATION:** Can an instructor at a cheerleading gym also be a Community Coach at the high school where the gym attendees are on the cheerleading team?

INTERPRETATION: Yes. However, as a Community Coach, the gym instructor must follow the same guidelines as a certified school coach.

- **SITUATION:** Can a gym instructor, who is also a Community Coach, coach an all-star team that includes one or more of his high school team members?

INTERPRETATION: No. A GHSA coach, either a certified teacher or a Community Coach, may not coach a non-GHSA team in a competitive setting during the school year that includes any player(s) who participates in the sport he coaches at the member school.

- **SITUATION:** Can the high school cheerleading team practice at the cheerleading gym where the Community Coach is an instructor?

INTERPRETATION: Yes. The GHSA does not specify where practices may be held. However, only the GHSA Community Coach and the certified school coach may work with the team at the gym. It would be illegal coaching for any other instructor at the gym to work with the team.

- **SITUATION:** A certified teacher is hired part-time in the local school. May he be hired to coach cheerleaders?

INTERPRETATION: Yes, if the certified person is employed for twenty (20) hours or more per week on a regular basis in a professionally contracted position, and holds a valid teaching certificate.

- **SITUATION:** A certified teacher is employed by a public school system and desires to coach at a private school. Is this permissible?

INTERPRETATION: Yes, as long as the chief administrator from each school involved signs the appropriate form agreeing to such an arrangement.

- **SITUATION:** A non-faculty coach who has completed the GHSA Community Coach requirements is under a coaching agreement with a school system. May this community coach be shared by more than one school in this school system.

INTERPRETATION: Yes, as long as this arrangement is approved within that school system. A community coach may not be under an agreement with more than one school system in any one school year.

- **SITUATION:** A licensed para-professional is hired to work full-time. May she be hired to: (a) be the head coach of the varsity cheerleading team, or (b) assist the varsity cheerleading coach?

INTERPRETATION: If the para-professional successfully completes the GHSA training program for a community coach, that individual may be an assistant coach, but never a head coach.

- **SITUATION:** A coach for a member school takes a year off for maternity leave. May that coach continue to coach even though there are no teaching responsibilities?

INTERPRETATION: Yes.

RETIRED TEACHER

- **SITUATION:** A teacher-coach, who has been teaching thirty (30) years, retires and is re-hired by the local school board to supervise the athletic program half-time and coach. Is this acceptable?

INTERPRETATION: Yes. The retired teacher/coach may be hired up to 49% of full-time and be eligible to coach.

- **QUESTION:** What is the definition of “retired?”

ANSWER: An individual who draws retirement funds each month from a teacher retirement fund administered by the state, local board of education, or an independent school is a retired person.

BY-LAW 2.60 - INTERSCHOLASTIC CONTESTS AND PRACTICES

- **SITUATION:** When do out-of-season practice restrictions begin?

INTERPRETATION: The beginning of the GHSA school year is the earliest date of the first practice for any GHSA sport, or the first day of classes – whichever comes first. On that date, all restrictions about camps, clinics, and participation of coaches go into effect.

- **SITUATION:** A student participates in a Fall baseball league offered in the community (while school is in session), and the high school coaches assists with the practices of this team.

INTERPRETATION: This is a violation of GHSA rules for coaching out-of-season.

- **SITUATION:** May a school open its gym during the school year for students to participate in basketball, volleyball, or wrestling outside the sport seasons for these activities, and may students on those school teams participate?

INTERPRETATION: The gym may be open for all students in the school, and students involved in the sports mentioned may participate, but no coach in that sport may be present during these times.

- **SITUATION:** May a faculty member officiate basketball pick up games before or after school outside of the published basketball season?

INTERPRETATION: Yes, as long as the faculty member is not a basketball coach at that school.

- **SITUATION:** May a coach in any extracurricular activity conduct voluntary, individual instruction with a student outside a team or competitive setting and outside the designated season for that activity?

INTERPRETATION: Yes, even if the instruction is in the activity that the coach coaches during the designated activity season as long as the instruction is voluntary and is outside a team or competitive setting. At any given point in time, only one coach in a particular sport may be working with one or two athletes in skill-building drills.

- **SITUATION:** A cheerleading coach desires to bring in a representative of a national cheer organization to hold a clinic for the cheerleaders: (a) during the season, or (b) just after Spring try-outs. Is this legal?

INTERPRETATION: This is a violation in either case. In (a), the violation is for illegal coaching; in (b), the violation is for out-of-season practice. Such a clinic is legal during the Summer.

- **SITUATION:** May a faculty member organize, but not require, a voluntary out-of-season weight-lifting program?

INTERPRETATION: Yes, but students must not be required to attend as a requirement for making the team. Coaches shall use caution not to suggest that participation in such a program is mandatory, or that their failure to participate could adversely affect their opportunity to make the school team. Such weight-lifting program must be open to all students in the school, and physical examinations for each participant must be on file at the school. The program shall not be sport-specific.

- **SITUATION:** A softball coach is asked to coach a traveling team that plays its schedule in the Spring and Summer months. There is one player from the coach's school team on the traveling team. May the coach accept the duty without violating GHSA rules?

INTERPRETATION: If the coach coached the traveling team before school was out for the students, there would be a violation. There is no violation during the Summer.

- **SITUATION:** A GHSA wrestling coach wants to take a group of his wrestlers to a "Free Style" tournament during the month of April, is this legal?

RULING: No. Wrestling is wrestling regardless of whether it is "folk style," "free style," or Greco-Roman style. GHSA out-of-season practice rules are in effect for all types of wrestling.

- **SITUATION:** A certified teacher who coaches at a member school gives instruction and/or coaches in a non-school Summer program that continues into Fall semester. What are the restrictions on the coach?

INTERPRETATION: The Summer activity is unrestricted as long as the students' participation is voluntary. After the GHSA school year begins in the Fall, the following conditions must be met:

- (a) If the students are in the school where the teacher coaches, no more than two can meet with the coach in skill-building drills at any point in time out of season.
- (b) If the student is from a school other than the one at which the teacher coaches, the student must voluntarily attend any instruction session or competition with the Summer activity without any direct or indirect influence from the school the student attends.
- (c) If any student transfers to the school where the teacher coaches, it would be prima facie evidence of undue influence and penalties could result. NOTE: This interpretation also applies to Community Coaches.

- **SITUATION:** May a basketball team have a scrimmage game against a team of the alumni or of the faculty of that school for fund-raising purposes?

INTERPRETATION: No, all participants in a practice must be eligible students currently enrolled in the school. This would be a violation in-season or out-of-season.

INTERPRETATION: 3:15 – The GHSA rule is that regular season competitions may not begin before school is out for the host school.

- **SITUATION:** A school has a teacher's workday on a Friday, and the students are not in school. May the school host a golf tournament that begins at 10:00am that day?

RULING: Yes. The golf tournament may be scheduled at that time, and any schools that are also not in session

that day may participate. If a team's school is in session, they may not participate until the normal dismissal time of the host school.

BY-LAW 2.70 - SPORTSMANSHIP

- **SITUATION:** A baseball coach is ejected on Friday, and sits out the next scheduled game on Monday. The Monday game is called because of rain in the middle of the fifth inning with the home team trailing. Does this game satisfy the "sit-out rule?"

INTERPRETATION: No, since the game was called before it was considered a completed game, the coach may not count it as a sit-out game.

- **SITUATION:** A school has several players and most of its substitutes on its baseball team ejected for a fighting incident. At the time of the next scheduled game, the school does not have enough players to field a team, and they forfeit to their opponent. Does this satisfy one game of the sit-out rule?

INTERPRETATION: Yes. The acceptance of a loss in a forfeiture is equated to playing a game to its completion.

- **SITUATION:** A football coach, who works with both the junior varsity and the varsity squads, is ejected from a JV game on Thursday afternoon. What are the conditions for his "sit-out" game?

INTERPRETATION: The coach must sit out the next game at the level at which he was ejected and any games in between. In this case, the coach could not coach at the varsity game on Friday nor at the next scheduled JV game.

 - (1) Where a new school has 9th & 10th grades only, projected figures for Grades 7-8 in feeder schools will apply.
 - (2) Where a school has 9th grade only, projected figures for Grades 6-8 in feeder schools will apply.
 - (e) Where a member school will lose students due to the opening of a new school or the consolidation of other schools, the school will be assigned classification based on the projected F.T.E. count supplied by the school system Superintendent.

- (f) Whenever a new member school is created either through its establishment or through the consolidation of two or more other schools, the Superintendent shall file a report with the GHSA office that projects the enrollment for that school for the next three years. In the event that the school exceeds that projection by more than 20%, the school will be required to play a non-region schedule.
- 4.22 The membership of the Association shall be divided into five (5) classifications as follows:
- (a) Schools with an F.T.E. count of 1,900 or more will be placed in Class AAAAA.
 - (b) Schools with an F.T.E. count of 525 or less will be placed in Class A
 - (c) The remaining schools will be divided evenly into Classes AAAA, AAA, and AA.
 - (d) Schools with the same F.T.E. count separated by a classification break point will be placed in the higher classification.
 - (e) Each classification will have eight (8) regions unless otherwise needed.
 - (f) The Executive Director shall have the authority to work with any school that is geographically isolated within its region in order to resolve difficulties in travel and time out of class.
 - (1) An individual school shall be considered to be isolated if the average distance from that school to all other schools in the region is 100 miles or more one way.
 - (2) The decision to place a school in a higher or lower classification will be based on a combination of factors that include travel distances and school population size.
 - (3) If two or three schools in a region are considered to be isolated (even if the average travel distance is less than 100 miles one way), the Reclassification Committee shall be authorized to place those schools in another classification based on travel distances and school population size.
 - (4) If four or more schools in a region are considered to be isolated (even if the average travel distance is less than 100 miles one way), the Reclassification Committee shall be authorized to form a subdivided region in which crossover games with the other subdivision will not be mandatory for region standing.
- 4.23 When the membership is divided into classifications as called for by the GHSA Constitution, the following process will be used:
- (a) The F.T.E. count for public schools will be averaged by the GHSA staff, and the staff will compile enrollment counts from private schools and system projections for new schools and other schools affected by that opening.
 - (b) Member schools will receive a listing of student population counts for their verification. When there is a major discrepancy between the school's enrollment count and the count determined by the GHSA staff, the school may appeal to the Executive Director to reconsider the count.
 - (c) When enrollment figures have been verified, schools will be placed in the proper classification and schools will have fourteen (14) days to file a request to play at a higher classification.
 - (1) A request to move to a high classification must be submitted over the signatures of the school's administrative authorities (i.e., the Principal and Superintendent).
 - (2) A school that transfers to a higher classification must remain in the higher classification until school are next reclassified on a statewide basis.
 - (d) The Reclassification Committee will meet in the month of November to place schools in regions and subregions. The decisions will be sent to the member schools after that meeting.
 - (1) There will be a mandatory subdivision of each region containing ten (10) or more schools by the Reclassification Committee (Exception: Cheerleading).
 - (2) The Reclassification Committee may subdivide a region consisting of less than ten schools if there is an extremely large geographic area within that region.
 - (3) For football, the Reclassification Committee will require crossover games between teams in the subregions to guarantee a minimum of 70% of the season schedule unless there are isolation issues.
 - (4) For all other sports, subdivided regions must guarantee member schools a minimum number of contests within the region equal to 50% of the season schedule unless there are isolation issues.
 - (e) Following the initial placement of schools into regions, each new region shall meet to audit the population numbers of its member schools.
 - (1) If the numbers are accurate, a written notice of approval shall be sent to the GHSA office.
 - (2) If there are discrepancies in the numbers, a written notice shall be sent to the GHSA office asking the Reclassification Committee to hear the appeal at the meeting that is scheduled to hear appeals for lateral transfers.
 - (f) Member schools will have fourteen (14) days to request a lateral move to another region, and that request is filed with the Reclassification Committee.
 - (1) A request to have a lateral transfer must be submitted over the signatures of the school's administrative authorities (i.e., the Principal and Superintendent).
 - (2) This appeal will be heard in December and representatives from both regions shall be notified of the appeal, and may attend the meeting to voice their approval or state their concerns about such a move.

- (3) A school that receives a lateral transfer must remain in that region until schools are next reclassified on a statewide basis.
- (4) The decisions made by the Reclassification Committee will produce the alignment that will be presented to the full Executive Committee.
- (g) At a specially-called meeting in January, the Executive Committee shall hear any appeals from members who were denied lateral transfers by the Reclassification Committee. Representatives from both regions involved in the appeal shall be notified, and may voice their approval or state their concerns about the appeal.
- (h) Member schools may begin scheduling contests for the new reclassification cycle as soon as the final vote has been taken, the membership notified, and any region subdivisions finalized.
- (i) When a majority vote is used in a subdivided region to determine scheduling and the process for selecting teams for post-season play, one or more schools may file a “minority report” with the Executive Director if the approved procedure is alleged to be unfair to all schools in the region. If the Executive Director believes that there is unfairness with the chosen procedure, the Reclassification Committee will mediate the matter.

4.24 The following scheduling policy will be in effect for public schools entering the GHSA at the beginning of the second year of the reclassification cycle:

- (a) In sports where the region has two-year scheduling, the new school will not be able to play a complete region schedule at the varsity level. In those sports, the school could play a varsity non-region schedule or a JV schedule.
- (b) In sports having year-to-year scheduling, the new school will have full membership once it has been assigned to the new region by the Reclassification Committee.
- (c) In sports that have a region tournament to advance to post-season play, the region may allow a new school to accept a low seed in the tournament even though it did not play a complete region schedule. That is a decision made by the region.

4.25 The Reclassification Committee will utilize the following factors in reclassification decision:

- (a) consideration of travel time and costs, plus time out of school for students.
- (b) consideration of differences in the size of school populations.
- (c) consideration of competitive balance of the schools.
- (d) consideration of equitable access to playoff slots.
- (e) consideration of rivalries and gate-receipt issues.

4.26 *Charter schools that apply for membership after the reclassification process has been completed will be accepted as schools playing sub-varsity schedules and/or non-region varsity schedules for the next reclassification cycle.*

The penalty for violation of this rule will be forfeiture of the game in which the violation occurred and a \$1,000.00 fine.
 5. The football season ends for a team or individual when that team, having completed its regular-season schedule, is eliminated from playoff competition or wins the State Championship.
 6. All JV games will be played with 10-minute quarters. If there is an 8th grade student(s) on the JV team, then 8-minute quarters must be played.
- D. Football practice may begin no earlier than August 1st.
1. In the first five days, at least two days must have practices with players dressed in shorts, helmets, shoulder pads, mouthpieces and shoes only. The other three days MAY include practices that have players in full pads, but no more than two consecutive days of the first five days may have full pads in use. Coaches are not required to have any practices in full pads during the first five days of practice.
 2. At school workouts from the end of school in the spring until the first day of practice in the fall, players may wear no other protective football equipment except helmets and mouthpieces for all voluntary workouts and passing league games. NOTE: Any modification of this equipment rule in summer camps requires the approval of the Executive Director.
- E. All varsity football games shall be played with a minimum of five (5) officially-dressed field officials who are registered under the GHSA plan for registering officials. The officiating crew also shall have an electric clock operator whose only duty is to operate the game clock.
1. In all games, the host school must provide some type of dressing facilities for officials at or near the game site that can also be used to hold the pregame conference.
 2. During the regular season, the host school is responsible for providing a crew to work the sideline chains. These individuals must be responsible adults.

3. In accordance with By-Law 2.71-c, the host school is responsible for providing security escorts for the officials at all regular season and playoff games.
- F. The following regulations are in place for GHSA football games.
1. All GHSA football games will have a twenty (20) minute halftime **unless** both school administrators agree in writing by Thursday of game week to shorten the halftime period to fifteen (15) minutes.
 2. Artificial noisemakers, except airhorns and whistles, are legal at football games. Illegal noisemakers are to be confiscated when visible and/or used.
 3. Bands are not to play during live-ball situations.
NOTE: This includes the situation in which there is no timeout and the teams are in a huddle.
 - (a) If, during a football game, a team claims interference with communications due to band noise, the Referee shall give a warning to one or both head coaches and the bands must cease playing.
 - (b) If there is a second offense by the same school's band, an unsportsmanlike conduct penalty will be imposed against that school's team.
 4. During the state playoff series, a crew of six (6) field officials will be used.
 5. Fans shall not be allowed to enter the playing field either before the game or at halftime to form a tunnel for players to run through.
- G. Spring Football Practice for each school year may be held on ten (10) school days from February 1 until the end of the school year, spaced over 13 consecutive school days.
1. A football coach on the payroll of one school district, but under contract to another school district for the following year, may help with Spring football at the new school, if the arrangement is satisfactory with both systems
 2. Students enrolled in grade 8 in a middle school or junior high school that is a feeder school to the high school may participate in Spring Practice at that high school. These students must be pre-enrolled at that member high school, and once pre-enrolled, the student has established his/her eligibility at that high school.
 3. No student (eighth grade or older) may participate in more than ten (10) days of Spring Practice.
- H. In case of a game being called in the first half (suspended game), By-Law 2.93-c must be followed.
NOTE: Football games played between schools from the same classification must be played to completion. Any interrupted game must be replayed from the point of interruption. The school that is behind in the score may choose not to continue the game. NOTE: Teams will not be allowed to play two football games in the same week, except when making up a suspended game with the permission of the Executive Director.
- I. During warmups before the game and at halftime there shall be a division of the field, and neither team shall enter the other team's portion of the field. That division shall be as follows:

EXCEPTION: When kicking, each team shall have the area between the opponent's 45-yard line and kicking team's end zone in the side zone area on the same side of the field as their bench. Kickers shall kick toward their endzone.
 2. Re-entering the field before the game and at halftime: each team shall have the portion of the field between their bench and the near edge of each goal post - ie, field divided lengthwise.
- J. The GHSA Overtime Procedure will be used whenever **two schools from the same classification are tied** at the end of regulation play.
1. This procedure involves giving both teams opportunities to score from the 15-yard line until the tie is broken.
 2. Schools from differing classifications may use the overtime procedure if agreement is reached and communicated to the Referee **before** the beginning of the game.
 3. Overtime games are exempt from the 11:30 p.m. GHSA curfew.
- K. MERCY RULE: At the end of the first half of play, if a team is trailing by 30 points or more, the coach of the trailing team may choose to play the second half with a running clock. Quarters will remain at 12 minutes.
1. If the coach does not exercise the option of the running clock, the third quarter will be played with regulation timing.
 2. If the point differential reaches, or remains, 30 or more points during the third quarter, the clock will still run according to rule for the remainder of the third quarter, but the fourth quarter will have a running clock mandated.
 3. A running clock means the clock will be stopped only:
 - (a) after a touchdown and until the ball is kicked off.
 - (b) during deliberations for penalty administration.
 - (c) during charged timeouts or official's timeouts
 4. A game that is reduced in time by use of a running clock shall constitute a "completed" game to meet other by-law considerations.

GHSO OVERTIME PROCEDURE

1. There will be a 3-minute intermission between the end of regulation play and the coin toss to start the overtime procedure.
2. The captains will meet for the coin toss, and the winner may choose one of the following:
 - (a) Be on offense first
 - (b) Be on defense first
 - (c) Choose the end of the field on which to play
3. The ball is placed on the 15-yard line and the offense keeps the ball until:
 - (a) The ball is turned over on downs NOTE: The team on offense can gain a first down.
 - (b) The defense gains possession of the ball (ball is dead immediately)
 - (c) The offense scores a touchdown or field goal
 - (d) The offense misses a field goal
4. After the first offensive team completes its possession, the opposing team gets its opportunity from the 15-yard line.
5. If the game remains tied after each team has had an offensive possession, there will be a 2-minute intermission and the team that lost the first coin toss has the first option for the second possession.
6. For each additional overtime period (i.e., an offensive possession by each team) the original coin toss options are alternated.
7. Beginning with the third overtime period, a team must attempt a 2-point try after a touchdown.
8. Each team is allowed one timeout per overtime period. No timeouts may be carried over from regulation play.
9. Penalty enforcement is handled the same way in overtime as in regulation play.

REGION PROCEDURES:

- A. To qualify for championship consideration in a region or sub-region, a school must play a minimum number of games with schools in its region as determined by the region and the GHSA Reclassification Committee.
 1. In any region or sub-region in which there are six (6) or less schools, if each school plays two (2) games, both games will count as region games. In any other case where two (2) schools have played more than once during the regular season, only the first game scheduled shall count in the region standings.
 2. Any school playing a non-region or non sub-region schedule (i.e., not in consideration for a region championship) will not have its games count for or against any opponent.
- B. The GHSA Executive Director, upon presentation of evidence to show that a school can not secure the required number of games in a region or sub-region, may authorize each school to substitute any number of games in any classification or region to qualify for championship consideration. NOTE: A request for substitution of game(s) must be submitted prior to September 1.
- C. Four (4) representatives from each region will enter the post-season playoffs.
 1. Each region will determine the way to designate the four representatives and their placement in the region (i.e., first place, second place, third place and fourth place).
 2. In case there is a **tie between two teams** and the region does not have a different written tie-breaker plan, the following tie-breaking procedures will be used:
 - (a) If the teams played during the regular season, the winner of the game will have the higher placement.
 - (b) If the tie can not be broken with head-to-head competition, then the percentage of wins in all games with teams in the same classification in Georgia will be considered with the higher percentage team having the higher placement.
 - (1) Region games are added into this consideration.
 - (2) Wins are divided by the total number of games.
 - (c) If the tie remains after both "a" and "b" have been considered and both teams have qualified for a playoff spot, the region will determine the placement of the teams that are tied.
 - (d) If the tie remains after both "a" and "b" have been considered and there is a playoff spot for only one team, the two teams that are tied will meet in a GHSA Tie-Breaker Game.
 - (1) The schools shall meet at a site selected by the GHSA Executive Director for a playoff on the Monday night after the end of the regular season.
 - (2) The two teams will play a GHSA Tie-breaker Mini-game, and the winning team will have the higher placement.
 3. In case there is a tie between three or more teams and there are spots for all the teams in the playoffs, the region shall decide the seeding of the tied teams.
 4. In case there is a tie between three or more teams and there are not spots in the playoff for all three teams, the following tie-breaking procedures will be used. NOTE: At any point in this process where a tie can be broken so that only two teams remain tied, consideration of head-to-head competition will be invoked. If the tie is

completely broken for all teams involved at any step in the process, the tie-breaker process is completed. EXAMPLE: Teams A, B and C are tied for the 3rd and 4th playoff positions. No team has beaten the other two in head-to-head competition. When going to winning percentage against all teams in the classification, Team A is 75 %, Team B is 67% and Team C is 60%. The tie, therefore, has been broken and there is no need to go back to any head-to-head consideration. If Teams B and C had been tied with winning percentages of 67%, then head-to-head consideration would have been used to break that tie..

- (a) If the teams that are tied have played during the regular season game and one team has defeated the others, the undefeated team has the highest placement.
- (b) If one team has not beaten all other tied teams, the school with the highest percentage of wins against the tied teams will have the highest placement. If the percentages leave two or more teams still tied, then revert to head-to-head records.
- (c) If the tie can not be broken with head-to-head competition, then the percentage of wins in all games with teams in the same classification in Georgia (including region games) will be considered with the higher percentage team having the higher placement.
- (d) If the tie remains after both steps "b" and "c" have been considered, the two teams that are tied will meet in a GHSA Tie-breaker Mini-game.

D. When a region uses a regular-season playing date for games that determine the seeding of its four playoff teams, all games in the region that night will have officials assigned separately from the regular season assignments. The Region Secretary will work with the GHSA office to coordinate this process.

GHSA TIE-BREAKER MINI-GAME PROCEDURE (NOTE: The option to play a Mini-Game to break a tie is available only to regions that have adopted the GHSA plan for breaking ties without any modifications)

1. The schools shall meet at a site selected by the GHSA Executive Director for a playoff on the Monday night after the end of the regular season.
2. The games will consist of two five-minute halves. The play begins for the first half with a free kick, and standard game rules and scoring are used.
3. There will be a two-minute intermission between the two halves. Play begins for the second half with a free kick.
4. Each team will be given two (2) timeouts in the first five (5) minutes and one timeout in the second five (5) minutes. Unused timeouts in the first five minutes may be carried over to the second five minutes.
5. If the score is tied at the end of two overtime periods, the teams will go to the GHSA 15-yard overtime procedure.
6. A coin toss will determine the order of play.
 - a. When three teams are tied for one open spot, the team winning the toss gets a bye - and then plays the winning team of the first Tie-Breaker game.
 - Example: Team "C" gets a bye
 - Team "A" plays Team "B"
 - Team "C" plays the winner of game 1
 - Winner of game 2 qualifies for the playoffs
 - b. When three teams are tied for two open spots, the following format will be used.
 - Example: Team "C" get a bye
 - Team "A" plays Team "B" and the winner qualifies
 - Team "C" plays the loser of game 1 and the winner qualifies
 - If Team "C" wins game 2, the regular season winner between Team "C" and the winner of game 1 will have the higher placement
 - c. When four teams are tied for one open spot, the pairings will be determined by draw and the following format will be used.
 - Example: Team "A" plays Team "B" in game 1
 - Team "C" plays Team "D" in game 2
 - Winner of game 1 plays winner of game 2
 - Winner of game 3 qualifies
 - d. When four teams are tied for two open spots, the pairings will be determined by draws and the following format will be used.
 - Example: Team "A" plays Team "B" in game 1 and the winner qualifies
 - Team "C" plays Team "D" in game 2 and the winner qualifies
 - The winner of the regular season game between the two winning teams will have the higher placement

7. When teams play a mini-game tiebreaker on a Monday, their first round playoff game will be scheduled for the following Saturday unless both schools agree to play on Friday.

STATE PLAYOFFS:

- A. All rounds of games after the end of the regular season are considered part of the state playoff structure.
 1. In all rounds but the Finals, the higher seeded team will host.
 2. In all rounds except the Finals, game date and time will be set by mutual agreement. If that agreement is not possible, the GHSA Executive Director will finalize the arrangements. If an administrator does not attend the meeting at which the playoff contract is negotiated, the coach shall be authorized by the Principal to negotiate and sign a binding contract.
 3. In the Quarterfinal Round, if both teams have the same seeding, a coin toss will determine the host site.
 4. For Semifinal Round games:
 - (a) The higher seeded team will be the host team. If they do not have a stadium that meets GHSA minimum standards, they may secure a suitable site.
 - (b) If both teams have the same seeding, the following procedure will be used:
 - (1) If both sites meet or exceed GHSA standards, a coin toss will determine the host site.
 - (2) If only one site meets or exceeds GHSA standards, that school will host.
 - (3) If neither site meets or exceeds GHSA standards, the Executive Director will designate a neutral site.
 - (c) The GHSA will provide ticket sellers, pass gate workers and a supervisor at all semifinal games.

 - (d) Each principal of a school in the playoffs shall certify that the school stadium meets or does not meet football playoff requirements. If a principal certifies such information falsely, then \$2,000.00 of such school's share of the gate receipts of the contest held in the noncomplying stadium shall be paid to the opposing team.
 - (e) The GHSA will mediate with both teams involved when there are concerns about the safety of a venue in regard to seating limitations.
 - (f) For Semifinal games, the host school may use portable seating to bring the stadium seating capacity up to the GHSA minimum as long as:
 - (1) the seating meets the standards of the industry and is installed by professional installers.
 - (2) all seats provide clear sight lines to the field of play.
 - (3) no costs for the temporary seating are taken out of game receipts.

NOTE: Any portable seating brought in for games in earlier rounds must meet these specifications.
 2. One half of all permanent and temporary seats shall be offered to the visiting team, and it is the responsibility of the home team to regulate the seating so as to guarantee designated seating to the visiting team's supporters.
 3. There should be adequate parking space with a recommendation of one (1) space for every four (4) spectators.

 - 2. Following notification of entry, each school will be assigned to an Area for competition that will be overseen by an Area chairperson. Teams will be notified of squading when the total number of teams entering have been determined.

3. Contestants in riflery must be certified as being eligible through the GHSA Office.
 4. Beginning and ending dates for practice and competition can be found at the front of this publication.
 5. JROTC programs may use school rifle team members in JROTC program competitive events. The athletes must be currently enrolled in JROTC and be entered as a JROTC unit and not as a school team.
- B. The latest edition of the "NATIONAL STANDARD THREE-POSITION AIR RIFLE RULES" (published by the National Three-Position Air Rifle Council, Camp Perry, P. O. Box 576, Port Clinton, OH 43452 - also available on website: <http://www.odcmp.com/3p.htm>) for precision air rifle will govern all GHSA matches except the following:
1. The course of fire will be the team event 4x3x10. All matches will be shoulder to shoulder. Postal matches will not be accepted. Team members will be distributed equally between relays if more than one relay is used.
 2. Except at the State Championship, Sectional and Semifinal competitions, the coach may assist team members (without disturbing other shooters), but may not physically assist the shooters in loading, cocking or adjusting the sights.
 3. The "pair" referred to in National Standard Rule 8.3 will consist of a scorer from each team if outside scorers with no interest in the outcome are not used.
 4. The amount of protest period time (Rule 8.2) should be established by each Rifle Area prior to start of season or agreed upon by both coaches prior to the beginning of the match.
 5. The following regulations are mandatory for ALL competitions, training and practices: Clear Barrel Indicators (CBIs) will be in all rifles when not firing. They will be inserted in the rifle when taken out of storage or cases. The CBI must visibly extend beyond both ends of the barrel when installed. The CBIs may be removed when the preparation and changeover phases begin. They will be reinserted after each position stage. CBIs must be inserted anytime someone goes forward of the firing line or removes the rifle from the firing line.
- C. Each Area shall draw up schedules for each team in the Area.
1. Each Area schedule must be filed with the GHSA Office.
 2. The home or host schools should fax or e-mail team and individual scores to the area chairperson by the next day after completion of the match.
 3. Four competitors comprise a rifle team and will be used for post season competition. Areas may organize their competitions as they elect in regard to the number of team members involved as long as the top four (4) scores count toward the school's team score.
 4. Standings will be determined by won-loss results. A team may compete against only one other team in a given regular season match. Ties will be broken using National Standard Rule 8.6. If tie breaking rules are exhausted and the match is still tied, the match will be scored as a tie and each team credited with one-half win and one-half loss. In cases of identical won-loss records, the results of their season competition against each other will determine standings. If still tied then a shoot-off match will be held if necessary.
 5. Before the start of the regular season, the Area will establish structure for determining Area winners and Sectional seedings. The Area will also appoint an appeals committee to handle protests and appeals in area playoff competitions. NOTE: Decisions by the Area Appeals Committee may be appealed to the Executive Director when it is believed that region procedures have been violated.
 6. Area competition must be completed by March 4, 2011. Final Area standings must be reported to both the State Director and the GHSA office no later than March 8, 2011.

for the state individual competition. All other GHSA competitors firing a 290 or better in a regular season GHSA Area match or in the Sectionals or Semifinals also qualify for the state individual competition if their team does not qualify.  7. Percentage of wins in all games with teams in the same classification.
 8. In any step of the tie-breaking process if a three-way tie is broken so that all ties are broken, that step determines the placements. If two teams remain tied after a step is completed, revert back to head-to-head record to break the tie. If the tie cannot be broken, move to the next step.
- B. If Region/Areas sub-divide into Sub-Regions/Sub-Areas, then the same tie-breaking procedures (A1 through A7) should be used substituting the word "Sub-Area" for "Area."

 6. Following the five (5) kicks from each team, the teams with the greater number of successful kicks will be given one (1) point and declared the winner.
 7. If the same number of penalty kicks are successful for each team, each coach will select five (5) different eligible players who will kick in a "sudden victory" situation. *NOTE: Each team will have an opportunity to kick in each round of the "sudden victory" situation.*

SECTION 13
TENNIS

GENERAL INFORMATION:

- A. Tennis is a team championship sport for boys and girls that is based on region play in all classifications. Beginning and ending dates for practice and competition can be found at the front of this publication.
- B. All tennis matches will be played according to tennis rules published by the U. S. Tennis Association (USTA) unless otherwise specified by the Georgia High School Association.
1. The rules of the USTA Handbook relating to lateness for a match will apply to GHSA matches.
 2. There will be continuous play except that a coach may talk to players as they change ends of the court after a game, but the players must stay on the court.
 3. In regular season play and in the region tournament, the 8-game Pro Set format is allowed. The host coach shall notify all opponents of the format to be used at least 24 hours before the competition. 8-Game Pro Set: First player to win 8 games by a margin of 2 games (ie, 8-5, 8-6, 9-7) wins the set - if score gets to 8-8, the tie-breaker as outlined in this section is used.
- C. Teams are restricted to no more than eighteen (18) varsity matches excluding region and state tournaments. The 18 matches are for the complete team (singles and doubles). There will be no singles tournaments allowed.
1. Each match played in an invitational tournament or multiple match counts toward the maximum of eighteen (18).
 2. No school shall enter any invitational tournament unless it has been approved by the GHSA Executive Director.
 3. In accordance with By-Law 2.66, only one night before a school day per week may be used with competitions beginning at 6:00 p.m. or later.
 4. It is permissible for coaches to use "split squads" during the regular season. However, the use of split squads will count as two (2) of that school's maximum allowed competitions.
 5. There shall be no interscholastic practices and/or scrimmages.
- D. The format for all GHSA tennis matches shall be three (3) singles matches and two (2) doubles matches.
1. A player may play in either one (1) singles match or one (1) doubles match.
 2. No player is permitted to play in both a singles and a doubles match.
 3. Substitution is not permitted once a match has begun. If any injury occurs during play that prevents a player from completing the match, that player defaults and the opponent is awarded the victory.
- E. 12-Point Tie-Breaker for Singles (Team A vs B)
1. This is used when the score is tied 6-6 (or 8-8 in Pro-Set) in any set (1st, 2nd, or 3rd).
 2. Player A serves the first point from the right service area.
 3. Player B serves the second and third points from the left and right service areas respectively.
 4. Player A serves the fourth and fifth points - again alternating the service areas.
 5. Player B serves the next two points and ends of the court are changed between these two points.
 6. Player A serves the eighth and ninth points.
 7. After this, the serve is alternated on every two points.
 8. If the tie-breaker ends with a 6-6 score, the players change ends of the court and alternate serves until one player is ahead by two (2) points - which gives that player a set victory of 7-6.
 9. Players switch ends of the court after every six (6) points and at the end of the tie-breaker.
- F. 12-Point Tie-Breaker for Doubles (Team A & B vs C & D)
1. Player A serves the first point from the right service area.
 2. Player C serves the second and third points - alternating the service areas.

3. Player B serves the fourth and fifth points.
4. Player D serves the sixth and seventh points, and ends of the court are changed between the points.
5. After this, play continues with the same service rotation until one team has either won seven (7) of the first twelve (12) points, or a team established a two-point margin after twelve (12) points have been played.
6. Teams change ends of court after every six (6) points and at the end of the tie-breaker.

REGION COMPETITION:

- A. Each region will determine how it will choose its top four (4) teams.
 1. The top 4 region representatives shall be determined no later than April 16, 2011.
 2. The results must be submitted to the GHSA by 9:00 a.m. on April 18, 2011.
 3. Five percent (5%) of the gross gate receipts (if admission is charged) will be sent to the GHSA, and then the region will decide how to handle expenses and disbursements.
- B. Beginning at the region/subregion tournament (based on the integrity of the coach), each coach will submit to the tournament director an official playoff roster (form to be found on GHSA website) listing the singles players as Nos. 1, 2, and 3 and the doubles teams as Nos. 1 and 2, in proper order of ability. This roster will be the lineup used in ALL tournament play thereafter, unless an alternate is used under the restrictions listed below.
NOTE: If no region/subregion tournament is held, the lineup must be submitted to the Region Secretary at the end of the regular season and prior to the start of the state tournament.
 1. Any attempt to "stack" a lineup or use a player below his/her relative ability level on the team will result in the immediate disqualification of the entire team.
 - (a) The best singles players in ability MUST be listed at #1 singles. The player who has played the majority of the team's regular season matches at #1 singles must be listed at that position.
 - (b) No singles players may be listed more than one slot lower or higher than they have played during the regular season. Example: A player who has played even one match at #1 singles during the regular season may not be listed on the playoff roster at #3 singles, or vice-versa.
 - (c) No player who has played more than half of the team's scheduled regular season matches at any singles position may be listed as a doubles player on the playoff roster, or vice-versa.
 - (d) A player listed as a singles player on the playoff roster shall not switch over to doubles competitions in any later round, or vice-versa.
 2. Designate up to four (4) alternates to be used under the following conditions:
 - (a) Alternates should not be better in ability than ANY of the players listed on the playoff roster in the positions of Nos. 1, 2, or 3 singles OR Nos. 1 or 2 doubles.
 - (b) Alternates may be used in either singles or doubles competitions, but the same player may not be used for both in the same round of competition.
 - (c) No individual alternate may be used more than a total of two (2) times during the cumulative rounds of the sub-region, region, or state tournaments.
 - (d) Substitutions made after the official playoff roster has been submitted must be made at the lowest level of singles play with all others moving to the higher level of competition. In doubles competition, the coach has the option to place the alternate in the open slot or to place the alternate on the No. 2 doubles team and move a player from the No. 2 doubles team to the No. 1 doubles team, if the original vacancy is on the No. 1 team. A player may never be used in a position lower than his original position.
 - (e) If the original contestant(s) resumes play, everyone moves back to their original positions listed on the submitted playoff roster.
 3. A serious injury, illness, suspension or other conflict MAY warrant a waiver of the anti-stacking restrictions listed above. Such waivers will be considered on a case-by-case basis upon receipt of proper documentation to the GHSA office, including a letter signed by the school's principal.
 4. The objecting school must provide documentation (newspaper articles, scorebooks, or written confirmation from opposing coaches) of any stacking violations.

STATE TOURNAMENT:

- A. The State Tournament is considered a continuation of the Region Tournament.
 1. Tournaments will be held for both boys teams and girls teams in each classification.
 2. Trophies shall be presented to the champions and runners-up in each classification - both boys and girls.
 3. In order to host a State Tournament match beyond the region level, the host school must have available a minimum of two (2) courts. Four (4) courts is preferable.
 4. All State Tournament matches must be played on composition (hard) surfaces unless the competing schools agree to play on a non-composition surface prior to the matches.
 5. The **First Round** of the State Tournament will take place on the "home" courts of the higher seeded teams and

must be completed **no later than** April 22, 2011. The **Second Round** will take place on the “home” courts of the higher seeded teams and must be completed no later than April 27, 2011. The **Quarterfinal Round** will take place on the “home” courts of the higher seeded teams and must be completed no later than May 3, 2011. If the teams are equal seeds, then the (H) in the bracket will determine the host school. In each round, the following will apply:

- (a) Coaches will contact each other and set up a mutually agreeable time and date.
 - (b) In the event an agreement on time and date cannot be reached, the GHSA Executive Director will set the time and date.
 - (c) In situations where fewer than five (5) courts are available per team match, the order of play shall be as follows: No. 1 singles, No. 1 doubles, No. 2 singles, No. 2 doubles, No. 3 singles.
 - (d) The **home team** is responsible for reporting the winners and scores to the GHSA office by noon the day after the match.

 2. A team match is concluded as soon as three (3) points have been won.
- C. Each team shall furnish five (5) cans of high-quality, heavy-duty tennis balls.
 1. New balls will be used in the first team match.
 2. After the team match, the losing team will keep the balls used in that match, and the winning team takes the unopened cans of balls to the next round of competition.
 3. In the final match, the winner will be given the choice of the balls used in that match or the can of unopened balls.
- D. During the first three rounds of the state playoffs, the host school shall provide a designated “site manager” to make rulings concerning sportsmanship, lateness, or other rules violations that might occur during the match. This person should be a certified USTA official when possible, hired and paid for by the host school. ALLIANCE OF GEORGIA HIGH SCHOOL ASSOCIATION AND AMERICAN ASSOCIATION OF ADAPTED SPORTS PROGRAMS

Since 2001, the GHSA has been involved in an alliance with the American Association of Adapted Sports Programs. This is a growing relationship in which both organizations are working together for the benefit of physically disabled and visually impaired students.

The Georgia High School Association and the National Federation of State High School Associations have long held the philosophy that participation in competitive activities is an integral part of the educational experiences of high school students.

While the GHSA has accommodated participation of disabled students in several sports and activities, we have not ventured into the area of facilitating participation of disabled students in adapted sports.

The GHSA recognizes that AAASP is the premier organization administering adapted sports, and the GHSA wishes to partner with AAASP by providing competitive activities for our disabled students in addition to lending our resources to their endeavors. Under the leadership of Beverly Vaughn and Tommie Storms, this organization provides tremendous opportunities in the area of adapted sports.

AAASP oversees competitions in wheelchair basketball, wheelchair track, indoor wheelchair soccer, power hockey, wheelchair football and beep baseball throughout the state of Georgia. Additionally, AAASP personnel travel throughout the United States helping establish and maintain recreational and athletic programs for disabled persons.

It is important for school personnel to understand the opportunities available for disabled athletes, and to share that understanding with students in their schools. It is also important that coaches appreciate the value of athletics in the lives of disabled students, and the particular techniques involved in coaching disabled athletes.

AAASP stands ready to assist school personnel in their endeavors. For more information, please use the following contacts:

APPENDIX 'E'

ELIGIBILITY REPORT INSTRUCTIONS

Items to which specific attention should be directed are:

1. GHSA Eligibility Form A and Form B, instructions, and other eligibility forms are provided to all member schools in the GHSA FORMS NOTEBOOK under the "Eligibility Section" and on the GHSA website.
2. The report submitted to the State Office becomes a permanent record. Care should be taken to have the information fully correct and complete. An error could seriously affect the eligibility of a student and penalize a school.
3. The signature of the principal or assistant principal or superintendent, along with the report preparer is required on the Form A, Form B and Form C Eligibility Certificates. That signature certifies that all data is correct and accurate.
4. Boys and girls may be listed on the same Form A, and more than one activity may be listed on the same Form A.
5. Once a student has been certified eligible in a given school year, it is not necessary to re-file that student in subsequent activities unless region rules specify differently. The GHSA office maintains that once a student has been reported and declared eligible for the school year, no further report is necessary for that student during the school year UNLESS his/her eligibility has been interrupted. There is no longer any need to submit a Form B for a previously-cleared transfer student. Transfer students are never listed on a Form A.
6. An eligibility report must be filed at least twenty (20) days prior to the calendar date for the first possible game or contest in any activity. Supplemental filings may be made throughout the season. (EXCEPTION: Eligibility reports for Literary, One-Act Play and Rifflery competitions are due twenty (20) days before the first contest.
7. When filing an eligibility report, use only current GHSA approved forms. A COMPATIBLE computer format of the eligibility report from member schools will be acceptable **so long as the information is in the exact order and form** as shown on the GHSA Eligibility Forms.
8. Once the form has been reviewed and processed in the GHSA office, one copy will be returned to the filing school, and one copy retained at the GHSA office.

9. CERTIFICATE OF ELIGIBILITY (Non-Transfer Students) - FORM A

- A. Form A must be typed. No certificates will be accepted that are handwritten.
- B. NAME: List students in alphabetical order by date of entry - ninth grade (9-10-11-12). Give the full name with the last name listed first.
- C. DATE OF BIRTH: Give the month, day, and year of the student's birth. A student whose 19th birthday was prior to May 1 of the preceding school year, is overage and not eligible to participate. You will be assisting the student if you require a birth certificate to be presented to you for verification of age.
- D. DATE STUDENT ENTERED 9th GRADE: Complete the month, day, and year the student took the first 9th grade class at any school. This is not necessarily the date the student first entered your school. A student will not be eligible for participation for more than eight (8) semesters from the date of taking the first ninth grade subject.
- E. TOTAL UNITS EARNED PREVIOUS SEMESTER: Show the total number of units the student earned the previous semester. In order to be eligible, (beginning with the second semester of 9th grade) the student must have earned at least 2.5 units or their equivalent the semester immediately preceding participation. Place an "E" in the Units Earned column and Total Units Accumulated column for entering ninth graders.
- F. TOTAL UNITS ACCUMULATED: Show the total number of Carnegie units the student has accumulated thus far in his high school career. To be eligible, the student must accumulate Carnegie units that count towards graduation as follows:

END OF FIRST YEAR: 5 Units

END OF SECOND YEAR: 11 Units

END OF THIRD YEAR: 16 Units

Students who lose eligibility for not meeting the unit requirements at the beginning of the year may regain eligibility during the school year by accumulating the units required at the end of the semester and by passing the required number of subjects the previous semester. REMINDER: Eligibility is lost or regained on the first day of the new semester.

G. ELIGIBILITY STATUS: This column is for GHSA use only.

10. CERTIFICATE OF ELIGIBILITY - TRANSFER STUDENTS - FORM B

- A. TRANSFER STUDENTS: FORM B MUST BE TYPED. If a student has transferred to your school during the past twelve (12) months after entering 9th grade (and has not been cleared previously) complete and submit a Form B for that student. If the transfer student has been in your school one full calendar year, do not file a Form B. NOTE: Transfer students who do not meet eligibility guidelines for migrant students are eligible to participate at the sub-varsity level ONLY, provided they meet academic standards.
- B. ACADEMIC DATA: This is the same information that is required for non-transfer students on Form A.
- C. YEARS ATTENDED: List all previous schools the student attended beginning with the 9th grade.
- D. ADDRESS (PRESENT/PREVIOUS): Give full street addresses and DO NOT use post office box numbers.
- E. LIVES WITH/LIVED WITH: Use the full name(s) of the parents, step-parents, guardians, etc. With blended families it is sometimes confusing when complete names are not given.
- F. DATE STUDENT ENROLLED: Be precise as to the date the student entered your school.
- G. BONA FIDE CHANGE OF ADDRESS: In order for a student to have a bona fide move, the student must have moved with the person(s) he/she lived with previously and must have moved from another service area to your school's service area. Answer "Yes" or "No."
- H. EXCEPTIONS: Certain situations allow a student to be eligible without a bona fide change of address. See By-Law #1.60.

FOR THE CURRENT YEAR:

1. A student whose birth date was prior to May 1, 1991, is overage and is not eligible.
2. A student who entered 9th grade prior to 2007, has exceeded eight (8) semesters and is not eligible.

11. CERTIFICATE OF ELIGIBILITY - FORM C

A. STUDENTS WITH INTERRUPTED ACADEMIC ELIGIBILITY: Form C must be typewritten. A student gains or loses eligibility on the first day of each semester. If the student is not eligible because he has an "Incomplete" in one or more classes, or if the student is in a Credit Recovery Program at the beginning of a new semester, the student has 14 school days to become eligible. That student may not practice or compete in the interim. (see By-Law 1.58). Students who have had their academic progress interrupted need to be filed on a Form C, even if their eligibility form has been submitted previously. Be certain that the relevant portions of this form are filled out completely.

B. FILING PROCEDURES:

1. The upper half of the Form C is to be completed just like a Form A. The numbers in the "Total Courses Passed" column and the "Total Units Accumulated" column should reflect the progress made in the 14-school-day period.
2. The lower half of the Form C is to be completed according to the particular issue for the student. One portion is completed if the student was making up "Incompletes," and the other is completed if the student was involved in a "Credit Recovery Program."

If the course work is not made up in the allotted 14-school-day period, the student is ineligible for that semester. The Principal still has the option of filing a "Hardship Application" if there are special circumstances that prevented the completion of the coursework in the 14-school-day period.
