

Every Child's **FIGHT** is our Fight

PARTNER WITH CURE CHILDHOOD CANCER

Join us this September during Childhood Cancer Awareness Month to support the fight against childhood cancer.

Make an impact with these easy fundraising opportunities for your school.

CURE FLAGS

Purchase a 2025 CURE Flag to hang in your classrooms, hallways, cafeteria, or school entrances to show your support for Childhood Cancer Awareness Month.

Flag sales open in July.

CURE DAY

Purchase items from our CURE store and encourage students, teachers, and staff to wear their new CURE merch to school for a CURE Day. You can purchase CURE t-shirts, hats, and much more! Or organize a GO GOLD Day, a day where everyone wears gold in exchange for a donation to CURE.

GO GOLD GAME

Host a GO GOLD Game for a sports team. Get students, staff, teachers, and fans involved! CURE can provide talking points for PA announcements, Venmo and text-to-give options for scoreboards and programs, gold ribbon tattoos, balloons, stickers, and more.

COINS4CURE

Hold a Coins4CURE coin drive (virtual or in-person). Host classroom or grade challenges, collect at car-pool lines, place at concession stands during a GO GOLD Game, or pass through the crowd. CURE provides you with coin jar labels and additional fun ideas.

Custom partnership packages available.
For more information, contact Molly Nash
at molly@curechildhoodcancer.org.

- **Brand association** with the largest and most comprehensive childhood cancer organization in the Southeast.

*All partnership benefits listed above may not be included. Each benefit opportunity is subject to specific activation. Custom partnership packages available. For more information, contact Molly Nash at molly@curechildhoodcancer.org.

“Almost every high school will have a survivor or student fighting cancer. Kids want to be a part of doing something good, and channeling their energy into helping fight childhood cancer for a classmate is great for the students and the school.”

– High School Teacher, Cherokee Bluff High School

EVERY CHILD'S FIGHT IS OUR FIGHT

Every year, more than 17,000 children in the United States and more than 400,000 worldwide are diagnosed with cancer. CURE fuels lifesaving research and critical support – bringing hope to brave families facing childhood cancer.
