CONSTITUTION

ARTICLE I - NAME OF THE ORGANIZATION

This organization shall be known as the Georgia High School Association.

ARTICLE II - OBJECT OF THE ORGANIZATION

The objective of the organization shall be the promotion of education in Georgia from a mental, physical, and moral viewpoint, to standardize and encourage participation in athletics, to promote sportsmanship and an appreciation for and study of music, speech, and other fine arts through Region and State competitions.

ARTICLE III — MEMBERSHIP

SECTION 1 SCHOOLS ELIGIBLE FOR MEMBERSHIP

The membership of the Georgia High School Association shall consist of public and private high schools in the state of Georgia.

SECTION 2 CLASSIFICATION OF MEMBERSHIP BY SIZE

- A. The membership of the Association shall be divided in five (5) classifications as follows:
 - (1) Schools with an F.T.E. count of 1,850 or more will be placed in Class AAAAA.
 - (2) Schools with an F.T.E. count of 525 or less will be placed in Class A.
 - (3) The remaining schools will be divided evenly into Classes AAAA, AAA and AA.
 - (4) Schools with the same F.T.E. count separated by a classification break point will be placed in the higher classification.
 - (5) For Class A, there will be a separate region alignment for football in addition to the alignment used for all other sports.

NOTE: See Reclassification schedule listed in By-Law #4.15.

- B. Such classifications shall be effective for a two (2) year period.
- C. Each classification will have eight (8) regions, unless otherwise needed.

SECTION 3 CLASSIFICATION — HOW DETERMINED

- A. In reclassification years, the Executive Director shall secure the F.T.E. count of member schools and assign each school to a classification. Each member school shall be notified of their proposed classification.
- B. Classification of public schools shall be based on F.T.E. membership (active enrollment) using the average of the counts of semester No. 2 and semester No. 3 of the current reclassification cycle secured from the Department of Education based on grades 9-12.
 - Note 1: Classification for the school years 2008-2009 and 2009-2010 shall be based on the reports of the spring semester 2007 and the fall semester 2007.
 - Note 2: For schools being consolidated at a classification period, the combined F.T.E. membership figure of the consolidated schools shall be used to determine the classification of the consolidated schools.
- C. Classification of private schools shall be based on enrollment information furnished by schools for grades 9-12 for the fall semester immediately preceding reclassification.

- D. Grades (9-10-11-12) shall be used as the base to determine classification figures.
- E. Unless the school has at least 35% student enrollment of each sex, it will be considered a single sex school. In this case the F.T.E. count SHALL BE DOUBLED TO DETERMINE THE CLASSIFICATION FIGURES.
- F. New schools will be assigned classification upon projected system F.T.E. membership for the school grades 9-12. Where the new school has 9th and 10th grade only, projected figures for feeder schools 7th and 8th grades apply. Where the new school has 9th grade only, projected figures for feeder schools 6th, 7th and 8th grades apply. Where a member school will lose students due to the opening or consolidation of other schools, such member schools losing students will be assigned classification upon projected system F.T.E. membership for the applicable grades as set forth above.
- G. Once a school has confirmed its F.T.E. membership with GHSA, the membership figures may not be changed, (unless there is a mathematical error in computation by the GHSA).
- H. Whenever a new member school is created either through its establishment or through the consolidation of two or more schools, the Superintendent shall file a report with the GHSA office at the time that FTE numbers are being collected that projects the enrollment of that school for the next three years. In the event that the school's enrollment exceeds the projection by 20 percent or more during the first reclassification cycle, the school will be required to play a nonregion schedule.

SECTION 4 TRANSFER TO A HIGHER CLASSIFICATION

- A. A member school desiring transfer from a lower to a higher classification must submit a request in writing to the State Office within fourteen (14) days after the notice of proposed reclassification has been made.
- B. A school that transfers to a higher classification must remain in the higher classification until schools are reclassified on a statewide basis.
- C. A request to move from a lower to a higher classification must be made over the signature of the school's administrative authorities, i.e., the Principal and Superintendent.

SECTION 5 PROPOSED REGION ASSIGNMENT

- A. After the time for requesting transfer to higher classification has expired, the Reclassification Committee shall thereafter meet to consider such requests and to assign member schools to proposed regions.
- B. Each member school shall be notified of proposed region assignments.

SECTION 6 TRANSFER TO A DIFFERENT REGION

- A. A member school desiring transfer of membership to another region must submit a request to the State Office within fourteen (14) days after the notice of proposed region alignment has been made.
- B. A school that transfers to a different region by application must remain in the region to which transferred until schools are reclassified on a statewide basis.
- C. A request to move from one region to another must be made over the signatures of the school's administrative authorities, i.e., the Principal and the Superintendent.

SECTION 7 FINAL PROPOSED REGION ALIGNMENT

A. After the time for requesting transfer to a different region has expired, the Reclassification Committee shall thereafter meet to consider such requests and to finalize the proposed assignment of member schools to regions.

B. Each member school shall be notified of the final proposed region alignment.

SECTION 8 CONSIDERATION AND APPROVAL OF REGION ALIGNMENT BY EXECUTIVE COMMITTEE

- A. The Executive Committee shall thereafter meet to approve and/or revise the final proposed region alignments as submitted by the Reclassification Committee and to make final region assignments. The Executive Committee shall have the authority to consider requests to transfer to a different region which were brought before the Reclassification Committee in a timely manner.
- B. Each member school shall be notified of final region assignments.

SECTION 9 REQUEST FOR RECONSIDERATION OF REGION ASSIGNMENT BY EXECUTIVE COMMITTEE

- A. Any member school whose final region assignment is changed by the Executive Committee, may request reconsideration of that change by submitting a request in writing to the State Office within ten (10) days after the notice of final region assignment has been made.
- B. Each member school will be notified of any revision of final region assignment.

SECTION 10 STRUCTURE OF REGIONS

- A. After reclassification, all regions will meet and submit to the State Office, after the final reclassification vote, a plan for structure of the regions. These plans must spell out subdivisions, if any, for all activities. All regions must have been approved before any scheduling may be finalized.
- B. In the event that any member school has a complaint with the structure of a region, it shall so advise the Executive Director and all other schools in the subject region of such complaint in writing within five (5) days after the region meeting following the final reclassification vote. The Executive Director shall then convene a meeting of the Reclassification Committee to review the present and proposed region structure and to attempt to arbitrate the differences and, failing that, to make a recommendation to the Executive Committee.
 - All schools in the subject region shall be advised of the meeting of the Reclassification Committee by the Executive Director and shall have the right to present evidence to the Committee. Any member of the Committee which is a member of the subject region shall be disqualified from participation on the Committee.
- C. When there are three or more schools in a region that are determined by the Reclassification Committee to be geographically isolated from the rest of the region, the isolated schools have the right to request a subdivision of the region. If the schools in that region can not agree on a suitable subdivision, the Reclassification Committee will determine the alignment.
- D. In the event there are no complaints regarding region structure or in the event such complaints are subsequently withdrawn, the structure as proposed shall stand approved without the need for a meeting of the Executive Committee.
- E. The Executive Committee shall have full authority to require all or any portion of a subregion to play cross-over games and to align or realign the subject region into new subregions.

SECTION 11 MEMBERSHIP IN ANOTHER ASSOCIATION

A school is not eligible for membership in the Georgia High School Association if it is or becomes a member of an association whose Constitution and/or By-Laws are in conflict with the Constitution and/or By-Laws of the Georgia High School Association.

ARTICLE IV - GOVERNANCE

SECTION 1 STATE OFFICERS

The State Officers of this Association shall consist of a President, a Vice President, and an Executive Director.

SECTION 2 STATE EXECUTIVE COMMITTEE

- A. Membership of the State Executive Committee shall be composed of the State Officers, the State Superintendent of Schools or his/her representative, and one member elected from each region in each classification, plus one member each appointed by the Georgia School Boards Association, the Georgia School Superintendents' Association, the Georgia Association of Secondary School Principals, the Georgia Athletic Directors Association, and the Executive Secretary of the Georgia Athletic Coaches Association. Membership shall also include two female members appointed by the Executive Committee upon recommendation of the Board of Trustees from nominees submitted by each region. The term of office shall be for three (3) years. Each member shall have the right to vote on all matters pertaining to the operation of the Association.
- B. Terms of office for members of the State Executive Committee elected by regions shall be arranged or so staggered that the terms of approximately one-third of the total number of members shall expire each year. Each term of office shall be for three (3) years.
- C. After the reclassification process, if movement of schools results in two Executive Committee members representing the same region, the region will vote on their selection. If there is only one Committee member, that representative will complete the term on the Committee.
- D. When a member of the State Executive Committee is unable to attend a State Executive Committee meeting, the President of the region shall have power to appoint an eligible member of the region concerned to represent the region at that meeting.

SECTION 3 BOARD OF TRUSTEES

- A. Membership of the Board of Trustees shall be composed of the President, Vice President, and Executive Director, plus one member from each classification and one at-large member elected by the Executive Committee. The term of office for members of the Executive Committee serving on the Board of Trustees shall be for three (3) years.
- B. The Board of Trustees shall receive and hold title to all real and personal property of said Association in trust for the benefit of said Association and shall have general custody and administration of such property with power and authority to lease, sell and convey said property of said Association; provided however, said Board of Trustees shall not sell or convey any real property so held by them in trust for said Association without first being authorized to do so by a majority vote of the State Executive Committee of said Association at a meeting duly called for such purpose.
- C. The Board of Trustees reviews pertinent issues relative to the successful operation of the organization. The Board of Trustees reviews the recommendation by the Executive Director concerning the budget, recommends committee appointments, and recommends length of contract for the Executive Director. The Board of Trustees recommends the two at-large female representatives to the Executive Committee.

SECTION 4 STATE APPEAL BOARD

- A. The State Appeal Board shall be composed of members selected from the full State Executive Committee on a rotating basis.
- B. The duties of the State Appeal Board as set forth in Sec. 9 shall be performed by four (4) members of the Board sitting on an alternating basis as selected and notified by the Executive Director.
- C. Eligibility appeals in regard to the eight-semester rule may be referred by the Executive Director to the State Executive Committee for a final ruling.
- D. There shall be no appeal of eligibility related to age restrictions set forth in the by-laws.

SECTION 5 HARDSHIP COMMITTEE

- A. 1. The Hardship Committee shall be composed of members selected from the full State Executive Committee on a rotating basis.
 - 2. The duties of the Hardship Committee shall be performed by four (4) members of the Executive Committee sitting on an alternating basis as selected and notified by the Executive Director.
- B. The Hardship Committee shall have the authority to set aside the effect of the migratory rule, the courses passed rule, and the accumulation of credits rule upon an individual student when in its opinion the rule works an undue hardship upon that student. The Hardship Committee does not hear cases regarding normal semesters, four years of participation, or appeals arising under the By-Laws.
 - 1. The Hardship Committee shall meet at a location and on dates established by the Executive Director and published in the GHSA Calendar. Requests will be considered to have a rule or rules set aside for benefit of individual students and shall consider such requests at the meetings held for that purpose, but not at any other meetings of the committee. If conditions upon which a request is based develop after April 1, the Executive Director is authorized to set a date for a special meeting to be held at the State Office to consider such case or cases.
 - 2. The principals of all member schools who have filed requests to have the effect of a rule set aside for individual students shall be notified of the time of the meeting at which such requests will be considered not less than five working days before such meeting.
 - 3. A request will be considered at a meeting only if complete information concerning the case is filed in writing with the Executive Director at least ten days prior to the date of the meeting and if a representative of the school, along with the student, is present at the meeting to furnish the Hardship Committee with information. Complete information includes a transcript.
 - 4. The conditions which cause the student to fail to meet the eligibility requirements must have been beyond the control of the school, the student, and/or his parents, and such that none of them could reasonably have been expected to comply with the rule. Ignorance of the rule on the part of any or all of them shall not be considered sufficient cause for setting aside its effects.
 - 5. The decision of the Hardship Committee must be unanimous to set aside the effects of the rule in each individual case, and such decision shall not be considered as setting a precedent for other cases of a somewhat similar nature.
 - 6. The decision of the Hardship Committee shall be appealable to the Appeals Board by compliance with Sec. 9C. of the Constitution and then to the State Executive Committee by compliance with Sec. 9F. of the Constitution.
- C. 1. The Executive Director shall have the authority upon receiving an application by a member school to set aside the effect of any eligibility rule upon an individual student within the jurisdiction of the Hardship Committee and to grant the same without necessity of the appearance of the student or a representative of the school before the Hardship Committee when, in the judgement of the Executive Director, the circumstances regarding the application are such that:
 - (a) The conditions which cause the student to fail to meet the eligibility requirements are beyond the control of the school, the student, and/or his parents and such that none of them could reasonably have been expected to comply with the rule; and,
 - (b) The conditions which cause the student to fail to meet the eligibility requirements work an unjust, unfair, and unforeseeable hardship upon the student; and
 - (c) The facts are clear, undisputed, and supported by appropriate documentation.
 - 2. The Executive Director shall not have the authority to deny an application for hardship status and shall be required to either grant the application or to schedule the application for hearing by the Hardship Committee.
- D. 1. The Executive Director shall have the discretion upon receiving an application by a member school to set aside the effect of any academic eligibility or eight semester rule upon individual students when, in the judgement of the Executive Director, the following criteria are met:
 - (a) The conditions which cause the student to fail to meet the eligibility requirements are beyond the control of the school, the student and his parents, and such that none of them could reasonably have been expected to comply with the rule; and

- (b) The conditions which cause the student to fail to meet the eligibility requirements work an unjust, unfair and unforeseeable hardship upon the student; and
- (c) The facts are clear, undisputed and supported by appropriate documentation and evidence; and
- (d) The setting aside of the subject rule would not result in an unfair advantage to the school or student nor compromise the safety of any other student.
- 2. The decision of the Executive Director shall be appealable under the provisions of Section 9 of the GHSA Constitution and By-Laws.

SECTION 6 REGION OFFICERS

- A. Each Region of each Classification shall elect a President, a Vice President, a Secretary-Treasurer, and from one to three committee members. No two of the above shall be from the same school unless the two are President and the Secretary-Treasurer. These officers, together with any member of the State Executive Committee from the region, shall compose the Executive Committee in their region.
- B. A member of the State Executive Committee who is not an elected member of his Region Executive Committee shall be an added member of his respective Region Executive Committee. This provision that only one (1) member of the Region Executive Committee may come from the same school will apply only to the members elected by the region, and will not apply when the State Executive Committee member in the region is from the same school as an elected member.
- C. The treasurer of each region is required to make an itemized statement of the income and expenditures of all funds to the region. When a new treasurer is elected, any balance must be turned over to the new officer immediately.

SECTION 7 DUTIES OF OFFICERS

The duties of the various officers and committees shall be those usually devolving upon such officers and committees. It is specifically the duty of the State Executive Committee and the Region Executive Committees to seek at all times to educate the school officials under their jurisdiction, and at the same time, to check vigorously any practice or violation of the rules by exercising the full penalty for such violations if it is deemed necessary.

SECTION 8 ELECTION OF OFFICERS

- A. A President and a Vice President shall be elected as State Association officers at the spring meeting of the Georgia High School Association.
- B. The election and term of office of the Executive Director shall be for a term of one to five years at the discretion of the State Executive Committee and the President and Vice President of the Georgia High School Association and shall be authorized to execute a contract in the name of and for the Georgia High School Association.
- C. Only members of the State Executive Committee shall be entitled to vote in elections.
- D. Should the President become disqualified by death, resignation, or otherwise, the Vice President shall assume the office immediately and shall act as President until the vacancy is filled.
- E. Any vacancy which may occur in the office of President or Vice President shall be filled at the next meeting of the State Executive Committee.
- F. Each region in each Classification shall elect at any region meeting, a President, a Vice President, a Secretary-Treasurer, and from one to three region committee members as region officers.
 - Terms of office shall be for two (2) years, and elections shall be held at the beginning of each reclassification cycle. Any vacancy occurring on a Region Committee shall be filled by the Region Committee until the next meeting of the region.
- G. The State Executive Committee member from each region shall be elected at any Region meeting when there is a vacancy to be filled. The term of office shall be for a period of three (3) years. Any vacancy occurring on the State Executive Committee shall be filled by the Region Committee until the next meeting of the region concerned.

SECTION 9 AUTHORITY OF EXECUTIVE DIRECTOR APPELLATE PROCEDURE

- A. The State Executive Director shall be authorized to interpret the rules of the Georgia High School Association and to impose the proper penalty for their violation. The Assistant Executive Director shall, upon the absence or at the direction of the Executive Director, have all the powers and responsibilities of the Executive Director as provided under this Constitution and the By-Laws of the GHSA. The State Executive Director shall make all arrangements for holding and conducting the State Meets and Tournaments.
- B. All questions pertaining to eligibility or any other matters under the rules of the Georgia High School Association must first be submitted to the State Executive Director. If the question concerns a violation of any of the rules of the Georgia High School Association, the State Executive Director shall notify the member schools involved and advise them of the charges and advise them of their right to submit evidence and their right to request a hearing. The State Executive Director, after hearing or examining the evidence of the party or parties concerned, shall render a decision.
- C. Should any member school not be satisfied with the decision, appeal may then be made to the State Appeal Board by filing a written notice of appeal to the State Appeal Board through the State Executive Director within five (5) days of the date of the decision, which notice of appeal shall clearly state the decision appealed and the reasons for such appeal. The State Executive Director shall notify the State Appeal Board and all other parties of the appeal. Provided however, that if the only issue under appeal is to request modification of the penalty imposed by the Executive Director, then the member school may appeal directly to the Executive Committee.
- D. Appeal Board meetings shall be set on dates established by the Executive Director and published in the GHSA Calendar.
 - 1. Any request to the Appeal Board must be in the hands of the Executive Director five (5) days before the scheduled meeting date.
 - 2. Any other appeal requested (other than regularly scheduled dates) must be accompanied by a check sufficient to pay the entire estimated expenses of the Appeal Board to defray the cost of bringing the Appeal Board into session.
 - 3. All requests for appeals must be in writing with the stated reasons for an appeal, and signed by the administrative head of the individual school.
 - 4. If no appeals are filed with the Executive Director, the meeting date will be abolished via telephone at least two (2) days before the scheduled date of the meeting.
- E. The State Appeal Board, after hearing or examining the evidence submitted by the party or parties, may affirm or reverse the decision of the Executive Director. In order to sustain an appeal, the vote of the Appeal Board shall be unanimous.
- F. Ineligible students cannot gain eligibility by being adjudicated to YDC and subsequently returning to their resident school with earned credit.
- 1.65 Students whose transfers from member school to member school have been approved by the GHSA office after the end of regular season play or during post-season play are not eligible for participation in GHSA sponsored tournaments and/or playoffs in that particular sport for the school year of transfer.
- 1.66 A student who is not eligible at one school because of suspension or expulsion and then transfers to a member school cannot regain eligibility by such a transfer, for the length of the suspension or one calendar year, whichever is less.
- 1.67 A **permissive transfer** is defined as an allowance by a local board of education for students and/or their parents to choose a school to attend without regard to the location of residence.
 - (a) A student transferring from member school to member school on a permissive transfer is considered a migrant student.
 - (b) A student transferring to or from a school housing a system-wide, singular academic or vocation program or a magnet program on a permissive transfer is considered a migrant student.
 - (c) Students transferring under the provisions of "No Child Left Behind" and the failure to make "Adequate Yearly Progress" must be processed through the normal Hardship Appeal procedures. Such students must demonstrate that they have been materially affected by the issue(s) that caused the former school to be placed on the "Need to Improve" list.
- 1.68 Hardship Applications may be filed to attempt to establish eligibility in the following situations:
 - (a) A student who changes schools because of a **temporary custody transfer** from a parent to a guardian, or from one guardian to another (See Article IV, Section 5, in the GHSA Constitution).
 - (b) A student whose transfer is based upon his being **emancipated**, homeless, a child from a broken home, a **ward of the DFACS**, or a **ward of a Court** (See Article IV, Section 5, in the GHSA Constitution).

- 1.69 When a new school opens, student eligibility shall be determined as follows:
 - (a) When a school district mandates an attendance area for a new school for all grades enrolled at the new school, all students living within the mandated attendance area in those grades are immediately eligible. All students living outside the mandated attendance area who desire to attend the new school are considered migrant students and are ineligible for one year. Hardship appeals may be filed if conditions warrant.
 - (b) When a school district mandates some students to attend the new school, allows some students to stay at their present school, and permits some students to transfer to the new school, the school shall set a deadline for students living in the attendance area of the new school to decide whether they will move to the new school, or stay at the present school. The decisions exercised at the deadline date are binding. Subsequent changes render the student to be a migrant student with the one-year period of ineligibility. Students who are granted permissive transfers to enroll at the new school from other schools within the system are considered to be migrant students. Hardship appeals may be filed if conditions warrant.

1.70 - RECRUITING/UNDUE INFLUENCE

- 1.71 Recruiting and Undue Influence is defined as the use of influence by any person connected directly or indirectly with a GHSA school to induce a student of <u>any</u> age to transfer from one school to another, or to enter the ninth grade at a member school for athletic or literary competition purposes, whether or not the school presently attended by the student is a member of the GHSA.
 - (a) The use of undue influence to secure OR retain a student for competitive purposes is prohibited, and shall lead to penalties being assessed against either school. NOTE: This violation may cause the student to forfeit eligibility for one year from the date of enrollment.
 - (b) Evidence of undue influence includes, but is not limited to, personal contact by coaches and sponsors in an attempt to persuade transfer, gifts of money, jobs, supplies, clothing, free transportation, admission to contests, invitation to attend practices and/or games, or free tuition.
 - (c) Complaints or reports of violations of this rule will be investigated and handled on a case-by-case basis. If **coaches** are found to be in violation of the recruiting rule, a copy of the investigation will be forwarded to the Professional Standards Commission of the Department of Education.
- 1.72 A student athlete transferring from one member school to another shall be ruled ineligible for one year because of "undue influence" if it is proven that:
 - (a) the coach of the receiving school coached an out-of-school team on which the athlete played prior to the transfer; OR
 - (b) the coach at the receiving school acted as a private athletic instructor for the transferring athlete, regardless of whether the coach was paid for his services and/or expertise
 - (c) Articles (a) and (b) shall be enforced even in the event the student made a bona fide move into the receiving school's service area.

1.80 - FINANCIAL AID

- 1.81 Any student who receives financial aid or non-GHSA approved gifts from any source and in any form (scholarships, tuition remission, cash, gifts, etc.) arising out of or received in connection with their participation in any sport or literary event shall be ruled ineligible. This prohibition shall not apply to awards under By-Law #1.90 or to other items approved by the GHSA.
 - (a) The GHSA Executive Director will determine whether the financial aid or gift arose out of or in connection with participation in any sport or literary event.
 - (b) If a school allows a student who has received such financial aid or gifts to participate in competition, the Executive Director shall assess an appropriate penalty.
- 1.82 Financial aid in the form of free or reduced tuition or other aid must be **need-based aid** as determined by a national student aid service or financial aid based on institutional policies for academic performance (classroom record and/or test scores) that is administered by persons not in the athletic department.
- 1.83 Member schools who award financial aid shall issue a statement to the Executive Director signed by the principal or headmaster of the school giving the following information:
 - (a) number of students enrolled in the school
 - (b) number of students receiving financial aid
 - (c) names of students (or a listing of student identification numbers) receiving financial aid who are involved in GHSA activities
 - (d) certification that the percentage of students who participate in activities and who receive financial aid is the same percentage as the number of students receiving financial aid who do not participate in activities (plus or minus 5%)

1.90 - AMATEUR STATUS/AWARDS

- 1.91 A student who represents a school in interscholastic athletic competition shall be an amateur in that activity.
 - (a) An **amateur athlete** is one who engages in athletic competition solely for the physical, mental, social, and pleasure benefits derived therefrom.
 - (b) Accepting nominal, standard fees or salary for instructing, supervising, or officiating in an organized youth sports program or recreation, playground or camp activity, shall not jeopardize an athlete's amateur status.
 - (c) Reasonable compensation derived from private lessons in a sport is permissible.

1.92 An athlete **forfeits amateur status** in a sport by:

- (a) competing for money or other monetary compensations except for reasonable allowances for travel, meals, and lodging. NOTE: Accepting expense allowances authorized by the United States Olympic Committee for Olympic Development Programs is acceptable for GHSA students.
- (b) receiving any award or prize of monetary value which has not been approved by the GHSA.
- (c) capitalizing on athletic fame by receiving money or gifts with monetary value except college scholarships.
- (d) signing a professional playing contract in any sport, or hiring an agent to manage his/her athletic career.
- 1.93 Only **awards** approved by the GHSA may be accepted by a high school student-athlete as a result of participation in school or non-school competition in a sport recognized by the GHSA.
- 1.94 Symbolic awards (i.e. non-cash) presented for winning or placing in GHSA competitions are limited to \$250 per year, per student in the aggregate, paid by the local school. These are the only GHSA-approved awards for interscholastic competition. Beyond this, a student may receive one (1) school sweater or jacket presented by the school during his high school career.
- 1.95 Athletes competing in golf or tennis events are limited to awards as specified in the United States Golf Association Rules of Golf, and the United States Tennis Association Handbook of Tennis Rules and Regulations, which includes (but not limited to) the following:
 - (a) No cash awards may be accepted.
 - (b) Merchandise awards in tennis may be accepted up to a retail value of \$250.00.
 - (c) Merchandise awards in golf may be accepted up to a retail value of \$750.00.

INTERPRETATIONS, 1.00 SECTION

BY-LAW 1.10 - CERTIFICATION OF ELIGIBILITY

■ <u>SITUATION</u>: A student athlete and his parents move from the service area of School A to School B, and meet all eligibility requirements. When may he participate in interscholastic activities at School B?

<u>INTERPRETATION</u>: The student is eligible as soon as he is enrolled at School B and certified as being eligible by the GHSA. Academic eligibility must be certified before the student may try out or practice.

BY-LAW 1.20 - ENROLLMENT AND TEAM MEMBERSHIP

8TH GRADE PARTICIPATION

■ SITUATION: May eighth-grade students participate on sub-varsity teams at a member school?

<u>INTERPRETATION</u>: Yes. Eighth-grade students in a feeder school for a member school may participate on any sub-varsity team, but <u>never</u> on a varsity team.

■ <u>SITUATION</u>: An eighth-grade student desires to try out in the Spring for the cheerleading team at a member school. Is this legal if the school the student is attending is a feeder school for the member school?

<u>INTERPRETATION</u>: Yes. Also, an eighth grade student in a private school that does not offer classes at the ninth grade level and above may try out for cheerleading at the public or private school serving that student's area of residence. Such a tryout must be preceded by a pre-enrollment at that GHSA school. The tryout establishes the student's eligibility at that school. NOTE: This procedure also applies to participation in spring football practice.

TRYOUT REQUIREMENTS

SITUATION: A tenth-grade student who is on a cheerleading team at a member school anticipates moving to another part of the state over the Summer. May the student try out for the new school before the move is made?

<u>INTERPRETATION</u>: No. A student may not practice or try out at a member school until that student is properly enrolled at the new school. A student may be enrolled in only one school at a time.

BY-LAW 1.30 - AGE

■ <u>SITUATION</u>: A student becomes 19 years of age on April 30, prior to his fourth year in high school. May the student participate in the fourth year?

INTERPRETATION: No. May 1 is the cut-off date.

BY-LAW 1.40 - LIMITS OF PARTICIPATION

EIGHT SEMESTER RULE

■ <u>SITUATION</u>: A student entered a member school eight (8) semesters ago. He was injured and missed one-half of the first semester of his senior year (7th semester). During the first six semesters, he has accumulated seventeen (17) units, and in the 8th semester he passed five courses and gained an additional 2.5 units. Is he eligible to participate the following Fall in his 9th semester?

INTERPRETATION: No. There are no provisions to allow for a student to participate beyond eight (8) semesters. His case could be presented to the GHSA Executive Committee for request to waive the eight semester rule (By-Law #1.42) by Hardship application.

NON-SCHOOL PARTICIPATION

■ <u>SITUATION</u>: A student is a member of a high school soccer team and a club soccer team whose seasons run concurrently. Is this permissible?

<u>INTERPRETATION</u>: Yes. There is no state regulation prohibiting "dual participation" on the part of a student. The high school coach may not be involved in the non-school program, however. A local school may impose a rule prohibiting dual participation.

GIRLS ON BOYS TEAMS

■ <u>SITUATION</u>: A girl wants to be on the high school wrestling team made up of boys. If she meets eligibility requirements, may she do so?

<u>INTERPRETATION</u>: Yes. Girls may participate on boys teams when there is no girls team in that sport at that school.

■ <u>SITUATION:</u> A female student desires to try out for the boys' baseball team. May she do this?

INTERPRETATION: Yes, she is allowed to try out since there is no girls' baseball team.

SITUATION: A male student desires to play on a girls volleyball team. Is this legal?

<u>INTERPRETATION</u>: No. The Federal Title IX legislation and the Georgia Equity in Sports Act both specify that the traditionally represented gender in athletics (males) may not play on teams designed for the traditionally under-represented gender (females).

SUB-VARSITY AND VARSITY PARTICIPATION

■ <u>SITUATION</u>: A junior varsity basketball player participates in a JV game on Tuesday afternoon. May he also participate in the varsity game that night?

INTERPRETATION: Yes, but the student may not participate in more than five (5) guarters that day.

■ <u>SITUATION</u>: A junior varsity football player plays in a JV game on Thursday. May he also play in the varsity game on Friday?

INTERPRETATION: Yes, but the student may not participate in more than six (6) quarters in a calendar week. The week begins with the day of the varsity game.

■ QUESTION: In sports other than football, basketball, and soccer, what are the restrictions on students participating on both sub-varsity and varsity teams?

ANSWER: The total number of regular-season games and tournaments a student participates in on a subvarsity team and the varsity team may not exceed the number of games and tournaments allotted to the varsity team in that sport. **Example:** A sport allows 18 varsity games plus two tournaments. A student could legally play in 10 JV games, 8 varsity games, 1 JV tournament, and 1 varsity tournament.

■ <u>SITUATION</u>: At an invitational cheerleading tournament, a AAAAA school enters its varsity team in the competition for its classification, and enters its JV team in the competition for varsity teams of smaller schools? Is this legal?

<u>RULING:</u> No. Varsity teams must compete against varsity teams and non-varsity against non-varsity teams in all GHSA activities. The eligibility conditions are different in the two levels of competition, and it is possible to manipulate the limits on competition by allowing this to occur. New schools and schools just beginning a sport may petition the Executive Director for a waiver of this rule.

BY-LAW 1.50 - SCHOLASTIC STANDING/SCHOLARSHIP

POST-SECONDARY OPTIONS

■ <u>SITUATION</u>: During the first semester of his senior year, a student is enrolled for three traditional courses (subjects) leading toward graduation at a member school, and one course for 5 hours of credit at a local college that will be accepted by his home school for graduation credit. If the student passes all the courses for which he is enrolled and has accumulated the proper number of Carnegie units, is he eligible to participate in golf during the second semester?

INTERPRETATION: Yes. If the student is enrolled in post-secondary options, the course at the college level is equated at 7.5 quarter hours equals 1 Carnegie unit or 5 semester hours equals 1 Carnegie unit. The student must earn 2.5 Carnegie units or more each semester.

VOCATIONAL-TECHNICAL SCHOOL OPTIONS

■ <u>SITUATION</u>: A senior is enrolled at a member school, but is attending a vocational-technical school for five hours each day, and is receiving credit for those courses at the member school. Is he eligible to participate in athletics at the home school?

INTERPRETATION: Yes. A student enrolled at a member school and attending a vocational-technical school taking courses carrying a minimum of 2.5 Carnegie Units may participate if the member school accepts the credit earned toward graduation at the vocational-technical school.

ADVANCE PLACEMENT

■ <u>SITUATION</u>: May a student take a college or junior college class and receive credit for this work which may be counted toward scholastic eligibility?

INTERPRETATION: Yes. Such a class may be counted toward academic eligibility, provided that the student's high school accepts the credit and counts it toward graduation. The student still must pass a minimum of 2.5 Carnegie units at the end of the semester. College credits are equated as 7.5 quarter hours equal 1 Carnegie unit or 5 semester hours equal 1 Carnegie unit.

ELIGIBILITY ENDS

■ <u>SITUATION</u>: A student who is eligible at the beginning of basketball season only passes four (4) traditional classes in the first semester which ends on December 17th. Is this student eligible to play in a basketball tournament December 20-23?

<u>INTERPRETATION</u>: The student loses eligibility on the first day of the second semester. If the tournament is played before the start of the new semester, he is eligible to play by GHSA standards.

ELIGIBILITY BEGINS

■ <u>SITUATION</u>: A student who is academically ineligible for the second semester passes all courses that semester and has accumulated the proper number of units. May this student participate in practices that occur before the beginning of classes in the Fall?

<u>INTERPRETATION</u>: Yes. The beginning of the first semester is interpreted as the first day of the first sport, or the first day of classes – whichever comes first.

■ <u>SITUATION:</u> A student passes four (4) courses the last semester of the eighth grade. Is this student eligible the first semester of the ninth-grade year?

INTERPRETATION: Yes. Every student entering the ninth grade for the first time begins with a "clean slate."

WITHDRAWN PASSING

■ <u>SITUATION</u>: A student withdrew, passing, from school after 65 days of attendance in the Fall semester. He did not attend school again until the first day of the succeeding Spring semester. Is he academically eligible?

<u>INTERPRETATION</u>: No. "Withdrawn Passing" is not considered to be passing work for the semester, therefore, this student is ineligible.

SUMMER SCHOOL RULES

■ <u>SITUATION</u>: A student needs a science course for graduation purposes that is not taught during Summer School. The student and principal agree on an independent study course monitored by a coach. May this course be used for eligibility purposes?

<u>INTERPRETATION</u>: Yes, as long as the course is regionally accredited and accepted by the school district for graduation credit.

■ <u>SITUATION:</u> How many units may a student earn in Summer School for the purpose of gaining academic eligibility for the Fall?

INTERPRETATION: A maximum of two (2) Carnegie units of credit earned in Summer School may be counted for eligibility purposes.

ALTERNATIVE SCHOOL RULES

■ <u>SITUATION</u>: The principal of a member school assigned a student to attend an alternative school for the next six (6) weeks for disciplinary reasons. May the student participate on the football team during the six weeks he will be attending the alternative school?

INTERPRETATION: No. Students assigned to an alternative school for reasons of misconduct or who are in out-of-school suspension may not participate until they have returned physically to the regular classroom. The school may appeal to the Executive Director if a school holiday prevents the student from physically returning to the classroom at the end of the penalty.

OUT-OF-STATE RULES

■ <u>SITUATION</u>: A student transfers to a member school from another state where scholastic eligibility rules are less restrictive than Georgia. The student is academically eligible by the standards of the state from which he transfers, but lacks sufficient credits to be eligible by GHSA standards. As a transfer student, is he eligible academically?

INTERPRETATION: No.

ANNUAL GRADING

■ <u>SITUATION</u>: Since GHSA eligibility rules are written to apply to schools with semester grading, do schools that have yearlong classes with one grade given at the end of the year have to monitor eligibility for the first half of the year?

<u>INTERPRETATION</u>: Yes. Schools must determine that each student-athlete has a grade of 70% or higher in at least five courses at the end of the first semester. Any student not meeting that standard is academically ineligible.

MULTI-UNIT COURSES

■ <u>SITUATION</u>: A student is enrolled for four (4) regular courses, and one vocational course that carries the equivalent of two (2) Carnegie units. If the student fails the vocational course, is the student eligible the next semester?

<u>INTERPRETATION</u>: No. Since the vocational course carries the equivalent of two (2) Carnegie units and since the student passed only four subjects, he would not be eligible for the next semester.

MAKE-UP WORK

■ <u>SITUATION</u>: A student taking five (5) subjects leading toward graduation receives an "Incomplete" in one of those courses. When the student returns to class on the first day of the next semester, is he eligible to practice or play?

INTERPRETATION: No. If the school allows make-up work for all students and the student makes up the "Incomplete" to a passing grade within fourteen (14) days of the beginning of the new semester, the student could become eligible. The student is not eligible while the work is being made up.

TRYOUT ELIGIBILITY

■ <u>SITUATION</u>: Cheerleader tryouts for the following year are to be held in the Spring (second semester). A student who passes only four (4) subjects during the first semester would like to try out. Is this permissible?

<u>INTERPRETATION</u>: No. Students who are academically ineligible are not allowed to practice or try out. This also applies to Spring football practices.

ACCUMULATING UNITS

■ <u>SITUATION</u>: A 9th-grade student passes four (4) traditional subjects in the first semester and is ineligible for second semester. The student passes five subjects in the second semester, giving him an accumulation of 4.5 Carnegie units for the year. Is the student eligible to participate in the Fall semester?

<u>INTERPRETATION</u>: Yes. The student must have accumulated the proper number of Carnegie units at the end of the 9th grade year (first year), which means he must have accumulated four (4) units.

■ <u>SITUATION</u>: At the beginning of the 11th-grade year (third year of eligibility), a student has only accumulated 8 Carnegie units and is declared ineligible for the first semester. If the student passes all six (6) courses, and accumulates 3 units during the first semester, is the student eligible at the beginning of the second semester?

<u>INTERPRETATION</u>: Yes. Since the student has accumulated 11 Carnegie units at the beginning of the second semester of the third year of eligibility, he is eligible. A student may gain the units during the school year, and becomes eligible the first day of the next semester.

ADVANCED PLACEMENT COURSES

■ <u>SITUATION</u>: A student is enrolled for three (3) Advanced Placement courses and two regular classes in the first semester, and all courses are counted toward graduation. If the student fails one of the AP courses, is he eligible to participate second semester?

<u>INTERPRETATION</u>: No. There are no allowances made for course difficulty in the rule of passing five (5) courses the previous semester.

BLOCK-FOUR PROGRAMS

■ <u>SITUATION</u>: A member school has adopted the Block-Four Program in which students take four (4) courses each semester and receive 1 Carnegie unit for each course passed. How many courses does a student in this school have to pass in order to be eligible for interscholastic activities?

<u>INTERPRETATION</u>: The students will have to pass three (3) courses each semester to be eligible. Since each course meets twice the required time, each course should be doubled when reported on the eligibility form. **EXAMPLE**: A student passing 3 out of 4 courses will be recorded on the eligibility form as passing six (6) courses. The unit requirements remain the same as with any system of courses.

■ <u>SITUATION:</u> A school is on the Block-Four Program and, additionally, requires a student to take a Physical Education course that earns .5 Carnegie unit. A student passes two (2) courses in the Block-Four setup plus the PE class. Is the student eligible?

INTERPRETATION: Yes. The two courses in the Block-Four setup count as four (4) 1/2 unit courses, and the PE class gives the student the fifth course needed to be eligible.

■ <u>SITUATION:</u> A student in a Block-Four setting only passes one class in the Spring Semester. The student passes three (3) classes in a traditional Summer School Program. Is the student eligible for Fall participation?

INTERPRETATION: Yes. The one Block-Four class counts as two (2) 1/2 unit courses and the three (3) in Summer School gives the five (5) courses needed to be eligible.

BLOCK-EIGHT PROGRAMS

■ <u>SITUATION</u>: A member school has adopted the Block-Eight Program in which students take eight courses over the semester and each one passed accumulates one-half Carnegie unit. How many courses do students at this school have to pass in order to be eligible for interscholastic activities?

<u>INTERPRETATION</u>: The students will have to pass five (5) courses each semester to be eligible. The unit requirements remain the same as with any system of courses.

HYBRID SCHEDULING

■ <u>SITUATION</u>: A student is taking two yearlong courses, two Block 4 courses and one traditional course during the semester. If the student failed one of the Block 4 courses, is he academically eligible for the next semester?

INTERPRETATION: Yes. The two yearlong courses and the one traditional course carry 1.5 Carnegie Units, and the Block 4 course he passed carried one (1) unit. This gives the student the 2.5 units he needs to be eligible.

BY-LAW 1.60 - SCHOOL SERVICE AREAS/TRANSFER STUDENTS/ MIGRANT STUDENTS/MIGRATORY RULE WAIVERS

SCHOOL SERVICE AREAS

QUESTION: What is a public school's service area?

<u>ANSWER</u>: A school service area is the geographic boundary established by local boards of education that determine the public school a student must attend. NOTE: The service area is also referred to in this book as the "attendance area" and "area of residence."

QUESTION: What is the service area designation for private schools?

<u>ANSWER:</u> The service area for a private school is the county in which the campus is physically located. This restriction only affects students who transfer into the school after beginning their high school careers at other schools.

■ <u>SITUATION</u>: A 10th grade student moves to a county that has four school service areas (A, B, C, and D), and a city school system (service area E). The student and his parents reside in the service area of School "A," but the student decides to enter School "E." Is the student eligible in the new school?

<u>INTERPRETATION</u>: No. When a student and his parents move to a new service area, the student established eligibility at the school that serves his area of residence. When the student and his parents "elected" to attend a school outside his area of residence, the student became a migrant student.

FIRST-TIME ENROLLMENT

■ <u>SITUATION</u>: A county has a school for students living in the county, and a separate school for students living in the city. The local boards of education allow students to choose whichever school they wish to attend (with or without tuition payments). A student and his parents live in the city, and the student is enrolled for the first time in ninth grade at the county school. Will he be able to participate in interscholastic activities?

INTERPRETATION: Yes. On a first-time entrance into the ninth grade, a student may enroll in the school of his choice if the local board of education gives approval. Once that choice is made, any other transfers must be accompanied by a corresponding move by the student and his parents. If the student transferred back to the school that serves his area of residence, the student would be ineligible for varsity competition for one year.

BONA FIDE MOVE DEFINED

■ QUESTION: What is meant by the term "bona fide move?"

<u>ANSWER</u>: A "bona fide move" is defined as the actual physical relocation of all immediate family members residing in the previous residence, with the intent to reside indefinitely, and to relinquish the previous residence.

THE TRANSFER RULE

■ <u>SITUATION</u>: A student attends School "A" while living in that school's attendance area. He and his parents move into the service area of public School "B," and the student enrolls in School "B." Is the student eligible to participate in interscholastic activities?

INTERPRETATION: Yes. This is a classic example of a bona fide move.

■ <u>SITUATION</u>: A student and his parents reside in the service area for a county school. The student enters the ninth grade at a non-member private school. At the end of the ninth-grade year, the student wishes to transfer from the non-member school to the high school that serves his area of residence. Will the student be eligible at the member school?

<u>INTERPRETATION</u>: Yes. A student may transfer from a non-member school to a member school serving his area of residence one time in his high school career as long as all other eligibility criteria are met.

■ <u>SITUATION</u>: A student begins ninth grade at the school that serves his area of residence. With one month to go in the school year, the student transfers to a non-member private school. At the beginning of the tenth-grade year, the student enrolls at a member school that does not serve his area of residence. Is this student immediately eligible at the new school?

<u>INTERPRETATION</u>: No. The student is now a migrant student because he transferred to a school without living in that service area. If the student had transferred back to the member school at which he began the ninth-grade, he would have been eligible.

■ <u>SITUATION:</u> A student who attended ninth and tenth grade in a non-member home school enrolls at the public school that serves his area of residence. That school specifies that students from home schools must be tested in order for the course work to be accepted. May this student participate in athletics before the testing is done?

INTERPRETATION: No, because eligibility cannot be determined until the course work is accepted.

CHOICE OF PUBLIC OR PRIVATE MEMBER SCHOOLS

■ <u>SITUATION</u>: A tenth-grade student and his parents reside in the service area of School "A" and attends that school. The parents and the student have a bona fide move into the service area of public School "B" and private School "C." Does the student have a choice about which school he may attend and remain eligible?

<u>INTERPRETATION</u>: Yes. When a student (attending any member school) moves into a new service area, he may choose to attend the public school that serves his new area of residence, or a private school that has been assigned his new area of residence.

- <u>SITUATION</u>: A tenth-grade student at member private School "C" resides in the service area of public School "A," and then moves into the service area of public School "B," which is still in the service area of School "C." Does the student have a choice in attending public School "B" or selecting a new private school that includes the service area of School "B" in its service area?
 - <u>INTERPRETATION</u>: Yes. When a student (attending any member school) moves into a new service area, he may choose to attend the public school that serves his new area of residence, or any private school that has been assigned his new area of residence.
- <u>SITUATION</u>: A twelfth-grade student has been at a member school since entering the ninth-grade. When his parents move into the service area of another school, the student wants to stay at his original school. May he remain at the school and retain his eligibility?
 - INTERPRETATION: Yes. Once a student has established eligibility at a school, he retains eligibility at that school as long as he is allowed by the local board of education to attend that school, and as long as he meets academic requirements.
- <u>SITUATION</u>: A school system grants a permissive transfer for a student to leave the school that serves his area of residence to go to a school that offers a course he cannot get at his home school. Is this a mandated transfer, and is the student eligible at the new school?
 - <u>RULING:</u> This is a permissive transfer and does not carry GHSA eligibility. The receiving school would have to file for a hardship in order for this student to have any chance of being eligible immediately.
- <u>SITUATION:</u> A student begins ninth grade at a magnet school, and (a) does not make grades high enough to stay in the magnet program and returns to his home school, or (b) decides to return to a regular study program at the school that serves his area of residence. Is the student eligible?
 - <u>RULING:</u> In both cases, the student is not eligible. Decisions to enter into or exit from a magnet school involve personal choices and/or permissive transfers, and do not carry GHSA eligibility. The inability of the student to meet the achievement standard was under the control of the student.
- <u>SITUATION:</u> A school district opens a new school and (a) mandates a service area for students going to the new school, or (b) gives students options about where they may attend. How does this affect eligibility for athletes?
 - <u>RULING:</u> In (a), students mandated to attend the new school are immediately eligible. In (b), the system should set up a deadline date for students to make their choices. Students may either stay or move to the mandated school and have eligibility if the deadline is met. Any decisions made after the deadline renders the student to be a migrant student.

MIGRANT STUDENT RULE

- <u>SITUATION</u>: A student enrolls in School "A," is certified eligible, and participates in athletic contests. Then it is discovered that the student's parents do not live in the service area of School "A." After the school forfeits all contests it won when the student played, what is the status of this student's eligibility if:
 - (a) the student remains in School "A," and the parents do not move into the service area of School "A?"
 - (b) The student remains in School "A," and the parents move into the service area of School "A?"
 - (c) the student transfers to the school that serves his area of residence?

INTERPRETATION:

- (a) The student is ineligible for a period of one (1) year from the date of entry to School "A."
- (b) The student becomes eligible on the date the parents move into the service area of School "A."
- (c) The student is ineligible for one (1) year from the date of entry to the school of his service area.
- <u>SITUATION</u>: A student who has been living with his mother in another state moves in with his grandparents and enters a member school. The grandparents go to a Probate Court and get a Letter of Temporary Guardianship. Will this student be eligible for interscholastic activities?
 - <u>INTERPRETATION</u>: No. This student is considered a migrant student. The student may practice and may play in sub-varsity contests if academic requirements are met, but he will be ineligible for varsity competition for one calendar year. Guardianship is not recognized for eligibility purposes.

■ <u>SITUATION</u>: A school system has a policy that the children of teachers may attend the school where the parent teaches regardless of where the family lives. A teacher is hired who has a tenth-grade student and the family lives outside the service area of that school. If the student attends the school where the parent teaches, will he be immediately eligible?

INTERPRETATION: Yes, as long as the parent is a certified teacher or administrator at the receiving school.

■ <u>SITUATION</u>: A ninth-grade student transfers from one member school to another member school without a bona fide move. May he participate on the JV basketball team if he has met all academic requirements?

<u>INTERPRETATION</u>: Yes. The student is a migrant student and migrant students may practice and may play on a sub-varsity team during the year that he is ineligible for varsity competition.

SUSPENDED OR EXPELLED STUDENT

■ <u>SITUATION</u>: A student is expelled from a member private school for behavioral problems. The student and his parents move to a different service area and the student enrolls in a member public school. Is the student eligible to participate in interscholastic activities?

<u>INTERPRETATION</u>: No. The student will not be eligible until the time frame of the suspension at the first school is complete or one calendar year – whichever is shorter.

UNFINISHED HOME

■ <u>SITUATION</u>: A family has purchased a new home in a school district other than the one where the student has been attending school. However, the new home will not be available for occupancy until six weeks after the start of the semester. In the meantime, the new local board of education allows the student to begin attendance in anticipation of the family move when the home is available. When will the student be eligible at the new school?

<u>INTERPRETATION</u>: The student will be eligible immediately upon the date the parents physically occupy the residence in the new district.

SITUATION: A family has purchased a new home in a school district other than the one where the student has been attending school. However, the new home will not be available for occupancy until six weeks after the start of the semester. The parents desire the student to begin and complete the semester at the original school, before transferring to the new school. How will this affect the student's eligibility?

<u>INTERPRETATION</u>: The GHSA By-Laws permit students to complete the current semester in a given district if their parents move from that district after school has commenced. Therefore, the student in this case may remain in his original district for the remainder of the semester and be eligible in respect to residence. If the student continues to attend school in that district in the succeeding semesters, he will continue eligibility. If he begins the next semester and then decides to transfer to the school in his area of residence, he would be ineligible for varsity competition for one (1) year.

RECRUITING/UNDUE INFLUENCE

QUESTION: What factors are involved in the determination of "undue influence?"

<u>ANSWER</u>: In addition to the specific statement of the By-Laws, "undue influence" shall be determined by considering the following issues as factors:

- (a) personal contact by a coach, teacher or administrator
- (b) offer or award of any part of the student's tuition, books, and/or fees based on athletic performance or potential
- (c) other privileges or considerations not accorded to other students similarly situated
- (d) a coach at the receiving school coached the transferring student on a non-school team
- (e) a coach at the receiving school gave the transferring student private athletic instructions

AMATEUR STATUS AND AWARDS

SITUATION: A team wins the state championship and school and community people put on a banquet honoring this accomplishment. The athletes and their parents are provided the meal at no expense, and the following awards are given:

- (a) a gift certificate for a dinner at a local restaurant to be used by the individual player at his convenience
- (b) a jacket, sweater, and/or shoes in school colors with lettering that proclaims the state championship
- (c) a plaque commemorating the accomplishment Is this legal?

<u>INTERPRETATION</u>: The free meal at the banquet is not a violation, nor is the plaque that was given. All other items must fit under the \$250 per student, per year allowance. NOTE: A school may provide one jacket to each athlete who letters in the student's high school career.

- SITUATION: A school wins the state championship and desires for the players to have a commemorative award. May the school buy rings for the players?
 - INTERPRETATION: Yes, symbolic awards (i.e., non-cash) presented for winning or placing in GHSA competitions are limited to \$250.00 per year, per student in the aggregate, paid for by the local school.
- <u>SITUATION</u>: A student who wins a non-GHSA tennis tournament is offered (a) a cash prize of \$100.00, or (b) a merchandise certificate worth \$250.00 in tennis equipment and/or apparel. How will these awards affect the student's amateur status?
 - <u>RULING</u>: The GHSA follows the rules of the United States Tennis Association. USTA rules forbid the acceptance of money but do allows the acceptance of merchandise not to exceed \$250.00.
- SITUATION: A student wins her flight in a non-GHSA golf tournament and is offered (a) a cash prize of \$150.00, or (b) a set of irons valued at \$600.00. How will these awards affect the student's amateur status?

<u>RULING</u>: The GHSA follows the rules of the United States Golf Association. USGA rules forbid the acceptance of money, but do allow the acceptance of merchandise not to exceed \$750.00.

2.40 - STUDENT RETENTION FOR INTERSCHOLASTIC ATHLETIC ACTIVITIES

2.41 Member schools shall prohibit participation in interscholastic activities by any student who was retained in grades six, seven, or eight for competitive purposes. The governing body of each school system shall develop a written policy showing that the system does not allow retention for competitive purposes.

- 2.42 If a student is retained in grades six, seven or eight because the student did not satisfy grade promotion testing (e.g., CRCT), the school/school district must submit the following items to the Executive Director:
 - (a) A summary of the local governing board's policy of testing, promotion, and retention

 - (3) superintendent or school board president
- 2.44 As an option, a school may elect to present the case file to the GHSA Executive Director and the GHSA Executive Committee member from the school's region for determination of future eligibility prior to the beginning of the retentive year. A student's eligibility begins the semester the student enters 9th grade.
- 2.45 The GHSA Executive Director (and staff) and the GHSA Executive Committee member from the school's region may **review** the case file to see if the system's policy has been violated.

 - (a) Community Coach is defined as a person who does not have a professional-level certification, who relates in role and function to a professional and does a portion of the professional's job or tasks under the supervision of the professional, and whose decision-making authority is limited and regulated by the professional. Community coaches are not allowed to function without the immediate supervision of a professional.
 - (b) Licensed para-professionals and full-time substitute teachers must complete the GHSA Coaches Education Program and testing program to be eligible to coach.

- 2.53 GHSA member schools must register all coaches in all GHSA governed activities according to the following:
 - (a) An initial directory listing of administrators and coaches must be completed and filed with the State Office by August 1 of each year. Only professionally certificated personnel are to be included on the initial directory listings.
 - (b) Qualified Community Coaches are to be reported on the "List of Community Coaches' form. Only those persons who have successfully completed the GHSA Coaches Education Program are to be listed on this form. NOTE: Schools must verify the successful completion of the coaches education program BEFORE community coaches are submitted to the GHSA and BEFORE any coaching activities are allowed (forms on the GHSA web site).
 - (c) After August 1, schools will have occasion to add members to their coaching staff. It is the responsibility of the member school to register these additions in a timely manner. (A supplemental staffing form has been provided on the GHSA web site).
 - (d) Failure to comply with these procedures could result in punitive actions including, but not limited to, fines, forfeitures and other penalties assessed to the member school.
- 2.54 Every faculty coach, community coach, and student-teaching intern at a GHSA member school must attend a GHSA-sponsored rules clinic if he/she coaches the following sports: football, softball, volleyball, riflery, cheerleading (spirit and/or competitive), basketball, lacrosse, wrestling, swimming and diving, track, baseball, soccer and gymnastics. 2.60 - INTERSCHOLASTIC CONTESTS AND PRACTICES

- 2.61 All **practices** (team and individual) and all regular-season interscholastic **contests** for GHSA-member schools shall be **conducted outside the school day of the participants' school.**
 - (a) Regional, Sectional, and/or State playoffs are exempt from this rule.
 - (b) The "school day" is defined as: that period of time between when students are required to report to school and the time of dismissal of the host school. EXCEPTION: When the host school is not in session on a given day, competitions may be scheduled earlier than normal dismissal time for that school. However, any school that is in session on that day may not compete in that event before the normal dismissal time of the host school.
- 2.62 The GHSA shall provide **rules and regulations for competition** among member schools for those competitive activities listed in the GHSA Constitution and By-Laws.
 - (a) Member schools shall compete, practice or scrimmage only against other member schools or against schools who are affiliated with the State Association in their respective states. NOTE: When member schools compete out of state, the host state's adaptations of NFHS playing rules will be enforced, and all GHSA by-laws regarding sportsmanship, eligibility and game times will be enforced.
 - (b) Member schools are permitted to compete against non-member schools in activities not listed in the GHSA Constitution and By-Laws.

 - (d) A member school shall have no more than one varsity, one junior varsity, and one 9th grade team.
 - (1) Any **sub-varsity team** is limited to a maximum number of games equal to 70% of the varsity allotment in that sport. EXCEPTION: New schools that have only 9th and 10 grades with JV teams only (no varsity) are allowed to play the number of games allowed for varsity teams.
 - (2) Competition between sub-varsity and varsity teams and/or individuals at the same event is

- prohibited. An exception may be made by the Executive Director for schools just opening and for schools just starting a particular sport.
- (3) In the sports of Cross Country, Golf, Swimming, Tennis and Wrestling, a school may use a "split squad" at two regular season events on the same day at the varsity or sub-varsity levels. Both of the contests must be counted against the total number of contests allowed in that sport. Individual players may not exceed the total number of contests allowed at the varsity level of that sport.
- (4) Unattached Competitor: Individual athletes may participate in non-GHSA events in the sports of Cross Country, Golf, Gymnastics, Riflery, Swimming, Tennis, Track and Wrestling as long as they do not represent their school, do not wear the school uniform, and are not coached at the event, or transported to the event, by their high school coach.
- (5) In any GHSA sport, there may be no "open" competitions or exhibition performances that extend participation beyond the three levels of competition (i.e., varsity, JV, 9th grade) mandated in this bylaw. The only interscholastic contests in which results are disregarded are scrimmages as defined below.
- (e) One **interscholastic scrimmage** (two teams meeting head-to-head) is allowed in the sports of Baseball, Basketball, Football, Lacrosse, Soccer, Softball and Volleyball.
 - (a) This scrimmage may be scheduled anytime between the beginning of practice as set by the GHSA and the first regular season game for each team.
 - (b) This scrimmage is for varsity teams only, and shall be played with normal timing and/or scoring rules except as noted in individual sports sections.
 - (c) Game officials must be used.

 - (a) Contract forms can be found on the GHSA web site.
 - (b) Contracts are also recommended for all sub-varsity contests.
 - (c) GHSA-member schools are expected to fulfill the conditions of any game contract that has been properly executed.
 - (1) Exceptions to the contract may be made with the agreement and consent of both schools.
 - (2) Member schools who fail to fulfill the requirements of a scheduled event may be required to make **restitution** to the competing schools after a hearing by the GHSA Executive Director.
 - (3) Schools failing to fulfill a game contract may be **suspended** in that sport for one (1) full calendar year or the corresponding date of the next calendar year, whichever is greater.
 - (4) EXCEPTION: The GHSA Executive Director may excuse the failure to fulfill a game contract if, in his opinion, the circumstances causing the failure were outside the control of the school officials.
 - (d) Forfeiture and Restitution Policy
 - (1) If a team does not arrive at the game site for any contest without notifying the host opponent of a late arrival, that contest will be forfeited 30 minutes after the scheduled game-time. If the second game or contest was to be played by a different team (EXAMPLE: girl/boy or JV/varsity combination events), then a decision to forfeit that game will be made 30 minutes after the scheduled beginning of the second game.
 - (2) If there are to be multiple games by the same team and the team does not arrive at the game site without notifying the host opponent of a late arrival, all games will be forfeited 30 minutes after the scheduled game-time of the first contest.
 - EXAMPLE: softball or baseball doubleheaders
 - (3) If a school fails to show up for a game or cancels a game within four (4) hours of the scheduled starting time without an emergency condition or weather-related conditions, that school shall pay a forfeiture fee to the host school equivalent to the cost of the officials.
 - NOTE: If the host school is the violating team, the fee will be paid directly to the officials association.
 - (4) If a school fails to show up for a game or cancels within four (4) hours of the scheduled game time without emergency reasons or weather-related reasons for a <u>second time</u>, that school must make restitution again and must show cause to the GHSA Executive Director as to why they should not be placed on probation by the GHSA.
 - (e) The minimum penalty for allowing an ineligible athlete to participate in an interscholastic contest is forfeiture of the game(s). Fines or other penalties may also be imposed. NOTE: If it is determined by the Executive Director that the school has exercised every reasonable precaution and has been deceived regarding the student's data, any or all penalties may be set aside.
 - (f) A team shall forfeit any team standing or points toward team honors when an ineligible student participates in a contest. In sports where individual titles may be won (Cross Country, Literary, Swimming and Diving, Traditional Wrestling, Gymnastics, Golf and Track and Field), eligible individuals will keep their placements and opportunities to advance toward individual honors even if a teammate participated while ineligible.

- 2.64 Tournaments or multiple-meets, other than the Region or State elimination series must be approved (sanctioned) by the GHSA Executive Director, subject to the special conditions for athletics and/or other activities.
 - (a) A GHSA-member school shall not enter a tournament which requires sanctioning until that tournament has been **approved by the GHSA Executive Director**.
 - (1) The GHSA Executive Director may assess a fine and/or other penalties against a member school that violates the sanctioning rules.
 - (2) Approval will not be granted for any tournament, meet, or other contest to qualify for and/or determine a **national high school championship.** The GHSA strongly discourages participation in events that qualify a team representing a member school for a national championship during the Summer.
 - (3) **Tournament participation limits** are set for each sport, and they are listed in the specific sport sections in this document.
 - (b) All **applications for sanctioning** must be submitted to the GHSA thirty (30) days prior to the tournament by a GHSA-member school.
 - NOTE: Tournaments that require National Federation sanctioning are an exception to this rule.
 - (c) The host school for all sanctioned tournaments shall **pay five percent** (5%) of all gross gate receipts **to the GHSA** within ten (10) days after the tournament.
 - (1) Total gate receipts before expenses are paid equals the gross receipts.
 - (2) A financial report of the event shall accompany the payment.
 - (d) GHSA approval for tournaments in contiguous states is needed when there are four or more schools participating.
 - (e) Approval for tournaments in Georgia is needed when:
 - (1) it is a tournament involving four or more schools OR
 - (2) it is a tournament in which awards are given.
 - (f) Tournaments that require approval from the National Federation with a processing fee of \$100.00 (NOTE: All NFHS sanctioning forms must be submitted to the State Association ninety (90) days prior to the event.) are:
 - (1) any interstate tournament in which more than eight schools participate, and at least one participant is from a non-contiguous state OR
 - (2) any interstate tournament that involves schools from five or more State High School Associations, and at least one of them does not border on the State of the sponsoring school OR
 - (3) any international tournament (except competition with Canadian and Mexican high schools) OR
 - (4) any interstate tournament involving two (2) or more schools which is co-sponsored by or titled in the name of an organization outside the high school community (e.g., a university, a theme park, an athletic company).
 - (g) The GHSA Executive Director has the authority to approve competition between GHSA schools and private schools from states in which membership in the State Association is not allowed. These non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.
- 2.65 Available Seating: Member schools shall provide a seat for each ticket sold to any contest regulated by the GHSA.
 - (a) An available seat is defined as twenty-four (24) inches in width.
 - (b) Each school is required to make a determination of the available seats prior to the beginning of the contest.
 - (c) At outdoor events, "standing room" tickets may be sold as long as they are identified as such at the time of the purchase, and as long as there are no problems with safety and security with such an arrangement.
- 2.66 **Weekday Contests:** Only one day and/or night preceding a school day per week may be used for a contest or activity with a starting time of 6:00 pm or later.
 - (a) Regional, Sectional, and/or State playoffs are exempt from this rule.
 - (b) The GHSA Executive Director has the authority to set aside this rule upon request when there are extenuating circumstances.
 - (c) Teams playing any regular season contest when there are classes the next day shall be limited to a travel distance of no more than 100 miles one way as determined using the maps program at www.Yahoo.com.
- 2.67 Practice Policy for Heat and Humidity:
 - (a) Each member school shall have a written policy for conducting practices in all sports during times of extremely high heat and/or humidity that will be signed by each head coach and distributed to all players. The policy shall include, but is not limited to:
 - (1) the time of day the practices are to be scheduled at various heat index levels
 - (2) the ratio of workout time to time allotted for rest and hydration at various heat index levels
 - (3) the heat index level that will result in outdoor practices being terminated

- (b) A scientifically-approved instrument that measures the heat index must be utilized at each practice to ensure that the written policy is being followed properly.
- 2.68 All athletic events hosted by GHSA-member schools (except Cross Country, Golf, Riflery, Swimming, Tennis and Track) shall be officiated at all levels of competition by **officials** who are members of associations that are approved by the GHSA. (Exception: situation noted in By-Law 2.95)
 - (a) In Soccer, Volleyball and Wrestling, when competing schools cannot agree on officials for regularseason games, the principals should send in a written request for the GHSA office to assign the officials.
 - (1) This shall be done for both years of the reclassification period.
 - (2) The visiting team shall pay the mileage fees for the assigned officials, and the home team will pay the game fees.
 - (b) Officials' associations and their assigned schools shall include the method of payment in their contract.

INTERPRETATIONS, 2.00 SECTION

BY-LAW 2.40 - STUDENT RETENTION FOR ATHLETIC ACTIVITIES

■ <u>SITUATION</u>: A student is retained in the 8th grade until January because; (a) he did not pass the promotion test until the fall semester, or (b) his parents did not feel he was ready for high school in August. How will affect the student's GHSA eligibility?

RULING: Students who are not admitted to the ninth grade in the fall because they did not pass a promotion test may have eligibility granted in January if the high school files a copy of the school system's promotion policy and a copy of the student's test scores. If the retention was for any other reason, the filing process is outlined in by-law 2.42. Regardless of the reason for the retention, the student's 8-semester calendar to participate in GHSA activities begins with the January entrance if the retention is approved by the GHSA.

BY-LAW 2.50 - QUALIFICATIONS TO COACH

- <u>SITUATION</u>: Are GHSA Community Coaches subject to the same regulations in regard to out-of-season coaching as coaches who are certified teachers?
 - <u>INTERPRETATION</u>: Yes, all coaching regulations apply to both Community Coaches and coaches who are certified teachers.
- <u>SITUATION</u>: A school wishes to hire a coach with a valid Georgia teaching certificate. However, there is no teaching position available in the system. What must the school do in order to use this person as a coach?
 - <u>INTERPRETATION</u>: The coaching prospect must be enrolled in and successfully complete the GHSA Coaches Education Program. Any person not employed as a teacher or administrator is classified as a Community Coach and must complete the CEP.
- SITUATION: Can an instructor at a cheerleading gym also be a Community Coach at the high school where the gym attendees are on the cheerleading team?
 - <u>INTERPRETATION</u>: Yes. However, as a Community Coach, the gym instructor must follow the same guidelines as a certified school coach. They can only coach the cheerleading team members during the season at their gym; or, coach no more than two team members at a specific time during the off season.
- <u>SITUATION</u>: Can a gym instructor, who is also a Community Coach, coach an all-star team that includes one or more of his high school team members?
 - <u>INTERPRETATION</u>: No. A GHSA coach, either a certified teacher or a Community Coach, may not coach a non-GHSA team in a competitive setting during the school year that includes any player(s) who participates in the sport he coaches at the member school.
- <u>SITUATION</u>: Can the high school cheerleading team practice at the cheerleading gym where the Community Coach is an instructor?
 - INTERPRETATION: Yes. The GHSA does not specify where practices may be held. However, only the GHSA Community Coach and the certified school coach may work with the team at the gym. It would be illegal coaching for any other instructor at the gym to work with the team.
- <u>SITUATION</u>: A certified teacher is hired part-time in the local school. May he be hired to coach cheerleaders?
 - <u>INTERPRETATION</u>: Yes, if the certified person is employed for twenty (20) hours or more per week on a regular basis in a professionally contracted position, and holds a valid teaching certificate.

- <u>SITUATION</u>: A certified teacher is employed by a public school system and desires to coach at a private school. Is this permissible?
 - <u>INTERPRETATION:</u> Yes, as long as the chief administrator from each school involved signs the appropriate form agreeing to such an arrangement.
- <u>SITUATION:</u> A non-faculty coach who has completed the GHSA Community Coach requirements is under a coaching agreement with a school system. May this community coach be shared by more than one school in this school system.
 - <u>INTERPRETATION:</u> Yes, as long as this arrangement is approved within that school system. A community coach may not be under an agreement with more than one school system in any one school year.
- <u>SITUATION</u>: A licensed para-professional is hired to work full-time. May she be hired to: (a) be the head coach of the varsity cheerleading team, or (b) assist the varsity cheerleading coach?
 - <u>INTERPRETATION</u>: If the para-professional successfully completes the GHSA training program for a community coach, that individual may be an assistant coach, but never a head coach.
- <u>SITUATION:</u> A coach for a member school takes a year off for maternity leave. May that coach continue to coach even though there are no teaching responsibilities?

INTERPRETATION: Yes.

RETIRED TEACHER

- <u>SITUATION</u>: A teacher-coach, who has been teaching thirty (30) years, retires and is re-hired by the local school board to supervise the athletic program half-time and coach. Is this acceptable?
 - INTERPRETATION: Yes. The retired teacher/coach may be hired up to 49% of full-time and be eligible to coach.
- QUESTION: What is the definition of "retired?"
 - <u>ANSWER</u>: An individual who draws retirement funds each month from a teacher retirement fund administered by the state, local board of education, or an independent school is a retired person.

BY-LAW 2.60 - INTERSCHOLASTIC CONTESTS AND PRACTICES

- <u>SITUATION:</u> When do out-of-season practice restrictions begin?
 - <u>INTERPRETATION:</u> The beginning of the GHSA school year is the earliest date of the first practice for any GHSA sport, or the first day of classes whichever comes first. On that date, all restrictions about camps, clinics, and participation of coaches go into effect.
- <u>SITUATION</u>: A student participates in a Fall baseball league offered in the community (while school is in session), and the high school coaches assists with the practices of this team.
 - <u>INTERPRETATION</u>: This is a violation of GHSA rules for coaching out-of-season.
- SITUATION: May a school open its gym during the school year for students to participate in basketball, volleyball, or wrestling outside the sport seasons for these activities, and may students on those school teams participate?
 - <u>INTERPRETATION</u>: The gym may be open for all students in the school, and students involved in the sports mentioned may participate, but no coach in that sport may be present during these times.
- <u>SITUATION</u>: May a faculty member officiate basketball pick up games before or after school outside of the published basketball season?
 - INTERPRETATION: Yes, as long as the faculty member is not a basketball coach at that school.
- <u>SITUATION</u>: May a coach in any extracurricular activity conduct voluntary, individual instruction with a student outside a team or competitive setting and outside the designated season for that activity?

INTERPRETATION: Yes, even if the instruction is in the activity that the coach coaches during the designated activity season as long as the instruction is voluntary and is outside a team or competitive setting. At any given point in time, only one coach in a particular sport may be working with one or two athletes in skill-building drills.

■ <u>SITUATION:</u> A cheerleading coach desires to bring in a representative of a national cheer organization to hold a clinic for the cheerleaders: (a) during the season, or (b) just after Spring try-outs. Is this legal?

INTERPRETATION: This is a violation in either case. In (a), the violation is for illegal coaching; in (b), the violation is for out-of-season practice. Such a clinic is legal during the Summer.

■ <u>SITUATION</u>: May a faculty member organize, but not require, a voluntary out-of-season weight-lifting program?

<u>INTERPRETATION</u>: Yes, but students must not be required to attend as a requirement for making the team. Coaches shall use caution not to suggest that participation in such a program is mandatory, or that their failure to participate could adversely affect their opportunity to make the school team. Such weight-lifting program must be open to all students in the school, and physical examinations for each participant must be on file at the school. The program shall not be sport-specific.

■ <u>SITUATION:</u> A softball coach is asked to coach a traveling team that plays its schedule in the Spring and Summer months. There is one player from the coach's school team on the traveling team. May the coach accept the duty without violating GHSA rules?

INTERPRETATION: If the coach coached the traveling team before school was out for the students, there would be a violation. There is no violation during the Summer.

■ <u>SITUATION</u>: A GHSA wrestling coach wants to take a group of his wrestlers to a "Free Style" tournament during the month of April, is this legal?

<u>RULING</u>: No. Wrestling is wrestling regardless of whether it is "folk style," "free style," or Greco-Roman style. GHSA out-of-season practice rules are in effect for all types of wrestling.

■ <u>SITUATION</u>: A certified teacher who coaches at a member school gives instruction and/or coaches in a non-school Summer program that continues into Fall semester. What are the restrictions on the coach?

<u>INTERPRETATION</u>: The Summer activity is unrestricted as long as the students' participation is voluntary. After the GHSA school year begins in the Fall, the following conditions must be met:

- (a) If the students are in the school where the teacher coaches, no more than two can meet with the coach at any point in time out of season.
- (b) If the student is from a school other than the one at which the teacher coaches, the student must voluntarily attend any instruction session or competition with the Summer activity without any direct or indirect influence from the school the student attends.
- (c) If any student transfers to the school where the teacher coaches, it would be prima facie evidence of undue influence and penalties could result. NOTE: This interpretation also applies to Community Coaches.
- <u>SITUATION</u>: May a basketball team have a scrimmage game against a team of the alumni or of the faculty of that school for fund-raising purposes?

<u>INTERPRETATION</u>: No, all participants in a practice must be eligible students currently enrolled in the school. This would be a violation in-season or out-of-season.

SITUATION: May a school soccer team scrimmage a local recreation soccer team?

<u>INTERPRETATION:</u> No, all participants in a practice must be eligible students currently enrolled in the school. Interscholastic scrimmages are allowed in certain sports.

■ <u>SITUATION:</u> At an invitational golf tournament, the host school ends its school day at 3:15 p.m. Other schools participating end their school days at times ranging from 2:30 to 3:45. What is the earliest this tournament may begin?

<u>INTERPRETATION:</u> 3:15 – The GHSA rule is that regular season competitions may not begin before school is out for the host school.

SITUATION: A school has a teacher's workday on a Friday, and the students are not in school. May the school host a golf tournament that begins at 10:00am that day?

<u>RULING</u>: Yes. The golf tournament may be scheduled at that time, and any schools that are also not in session that day may participate. If a team's school is in session, they may not participate until the normal dismissal time of the host school.

BY-LAW 2.70 - SPORTSMANSHIP

- <u>SITUATION</u>: A baseball coach is ejected on Friday, and sits out the next scheduled game on Monday. The Monday game is called because of rain in the middle of the fifth inning with the home team trailing. Does this game satisfy the "sit-out rule?"
 - INTERPRETATION: No, since the game was called before it was considered a completed game, the coach may not count it as a sit-out game.
- <u>SITUATION</u>: A school has several players and most of its substitutes on its baseball team ejected for a fighting incident. At the time of the next scheduled game, the school does not have enough players to field a team, and they forfeit to their opponent. Does this satisfy one game of the sit-out rule?
 - INTERPRETATION: Yes. The acceptance of a loss in a forfeiture is equated to playing a game to its completion.
- <u>SITUTATION</u>: A football coach, who works with both the junior varsity and the varsity squads, is ejected from a JV game on Thursday afternoon. What are the conditions for his "sit-out" game?

<u>INTERPRETATION</u>: The coach must sit out the next game at the level at which he was ejected and any games in between. In this case, the coach could not coach at the varsity game on Friday nor at the next scheduled JV game.

 - (1) Any change of opponent after that date will cause the game not to count as a sub-region or region game.
 - (2) Limitations regarding schedule changes shall also be construed to prevent a school from cancelling a game when such a game could affect the region and/or sub-region standings.
 - (3) A change in date or time with the same opponent is not considered a change affecting region or subregion status.
 - (d) Contracts with officials for varsity games must be signed by June 1 each year, and copies of the schedules must be submitted to the proper officials association(s).

 - 2. Bands are not to play during live-ball situations.
 - NOTE: This includes the situation in which there is no timeout and the teams are in a huddle.
 - (a) If, during a football game, a team claims interference with communications due to band noise, the Referee shall give a warning to one or both head coaches and the bands must cease playing.
 - (b) If there is a second offense by the same school's band, an unsportsmanlike conduct penalty will be imposed against that school's team.
 - 3. During the state playoff series, a crew of six (6) field officials will be used.
 - 4. Fans shall not be allowed to enter the playing field either before the game or at halftime to form a tunnel for players to run through.
- G. Spring Football Practice for each school year may be held on ten (10) school days from February 1 until the end of the school year, spaced over 13 consecutive school days.

- J. The GHSA Overtime Procedure will be used whenever two schools from the same classification are tied at the end of regulation play.
 - 1. This procedure involves giving both teams opportunities to score from the 15-yard line until the tie is broken.
 - 2. Schools from differing classifications may use the overtime procedure if agreement is reached <u>and communicated</u> to the Referee **before** the beginning of the game.
 - 3. Overtime games are exempt from the 11:30 p.m. GHSA curfew.

- 3. A running clock means the clock will be stopped only:
 - (a) after a touchdown and until the ball is kicked off.
 - (b) during deliberations for penalty administration.
 - (c) during charged timeouts or official's timeouts
- 4. A game that is reduced in time by use of a running clock shall constitute a "completed" game to meet other bylaw considerations.

GHSA OVERTIME PROCEDURE

- There will be a 3-minute intermission between the end of regulation play and the coin toss to start the overtime procedure.
- 2. The captains will meet for the coin toss, and the winner may choose one of the following:
 - (a) Be on offense first
 - (b) Be on defense first
 - (c) Choose the end of the field on which to play
- 3. The ball is placed on the 15-yard line and the offense keeps the ball until:
 - (a) The ball is turned over on downs NOTE: The team on offense can gain a first down.
 - (b) The defense gains possession of the ball (ball is dead immediately)
 - (c) The offense scores a touchdown or field goal
 - (d) The offense misses a field goal
- 4. After the first offensive team completes its possession, the opposing team gets its opportunity from the 15-yard line.
- 5. If the game remains tied after each team has had an offensive possession, there will be a 2-minute intermission and the team that lost the first coin toss has the first option for the second possession.
- 6. For each additional overtime period (i.e., an offensive possession by each team) the original coin toss options are alternated.
- 7. Beginning with the third overtime period, a team must attempt a 2-point try after a touchdown.
- 8. Each team is allowed one timeout per overtime period. No timeouts may be carried over from regulation play.
- 9. Penalty enforcement is handled the same way in overtime as in regulation play.

REGION PROCEDURES:

- A. To qualify for championship consideration in a region or sub-region, a school must play a minimum number of games with schools in its region as determined by the region and the GHSA Reclassification Committee.
 - 1. In any region or sub-region in which there are six (6) or less schools, if each school plays two (2) games, both games will count as region games. In any other case where two (2) schools have played more than once during the regular season, only the first game scheduled shall count in the region standings.
 - 2. Any school playing a non-region or non sub-region schedule (i.e., not in consideration for a region champion-ship) will not have its games count for or against any opponent.
- B. The GHSA Executive Director, upon presentation of evidence to show that a school can not secure the required number of games in a region or sub-region, may authorize each school to substitute any number of games in any classification or region to qualify for championship consideration. NOTE: A request for substitution of game(s) must be submitted prior to September 1.
- C. Four (4) representatives from each region will enter the post-season playoffs.
 - 1. Each region will determine the way to designate the four representatives and their placement in the region (i.e., first place, second place, third place and fourth place).
 - 2. In case there is a **tie between two teams** and the region does not have a different written tie-breaker plan, the following tie-breaking procedures will be used:
 - (a) If the teams played during the regular season, the winner of the game will have the higher placement.
 - (b) If the tie can not be broken with head-to-head competition, then the percentage of wins in all games with teams in the same classification in Georgia will be considered with the higher percentage team having the higher placement.
 - (1) Region games are added into this consideration.
 - (2) Wins are divided by the total number of games.
 - (c) If the tie remains after both "a" and "b" have been considered and both teams have qualified for a playoff spot, the region will determine the placement of the teams that are tied.
 - (d) If the tie remains after both "a" and "b" have been considered and there is a playoff spot for only one team, the two teams that are tied will meet in a GHSA Tie-Breaker Game.
 - (1) The schools shall meet at a site selected by the GHSA Executive Director for a playoff on the Monday night after the end of the regular season.

- (2) The two teams will play a GHSA Tie-breaker Mini-game, and the winning team will have the higher placement.
- 3. In case there is a tie between three or more teams and there are spots for all the teams in the playoffs, the region shall decide the seeding of the tied teams.
- 4. In case there is a tie between three or more teams and there are not spots in the playoff for all three teams, the following tie-breaking procedures will be used. NOTE: At any point in this process where a tie can be broken so that only two teams remain tied, consideration of head-to-head competition will be invoked. If the tie is completely broken for all teams involved at any step in the process, the tie-breaker process is completed. EXAMPLE: Teams A, B and C are tied for the 3rd and 4th playoff positions. No team has beaten the other two in head-to-head competition. When going to winning percentage against all teams in the classification, Team A is 75 %, Team B is 67% and Team C is 60%. The tie, therefore, has been broken and there is no need to go back to any head-to-head consideration. If Teams B and C had been tied with winning percentages of 67%, then head-to-head consideration would have been used to break that tie..
 - (a) If the teams that are tied have played during the regular season game and one team has defeated the others; the undefeated team has the highest placement.
 - (b) If the tie can not be broken with head-to-head competition, then the percentage of wins in all games with teams in the same classification in Georgia (including region games) will be considered with the higher percentage team having the higher placement.
 - (c) If the tie remains after both steps "b" and "c" have been considered, the two teams that are tied will meet in a GHSA Tie-breaker Mini-game.

GHSA TIE-BREAKER MINI-GAME PROCEDURE (NOTE: The option to play a Mini-Game to break a tie is available only to regions that have adopted the GHSA plan for breaking ties without any modifications)

- 1. The schools shall meet at a site selected by the GHSA Executive Director for a playoff on the Monday night after the end of the regular season.
- 2. The games will consist of two five-minute halves. The play begins for the first half with a free kick, and standard game rules and scoring are used.
- 3. There will be a two-minute intermission between the two halves. Play begins for the second half with a free kick.
- 4. Each team will be given two (2) timeouts in the first five (5) minutes and one timeout in the second five (5) minutes. Unused timeouts in the first five minutes may be carried over to the second five minutes.
- 5. If the score is tied at the end of two overtime periods, the teams will go to the GHSA 15-yard overtime procedure.
- 6. A coin toss will determine the order of play.
 - a. When three teams are tied for one open spot, the team winning the toss gets a bye and then plays the winning team of the first Tie-Breaker game.

Example: Team "C" gets a bye

Team "A" plays Team "B"

Team "C" plays the winner of game 1 Winner of game 2 qualifies for the playoffs

b. When three teams are tied for two open spots, the following format will be used.

Example: Team "C" get a bye

Team "A" plays Team "B" and the winner

qualifies

Team "C" plays the loser of game 1 and

the winner qualifies

If Team "C" wins game 2, the regular season winner between Team "C" and the winner of game 1 will have the higher

placement

c. When four teams are tied for one open spot, the pairings will be determined by draw and the following format will be used.

Example: Team "A" plays Team "B" in game 1

Team "C" plays Team "D" in game 2
Winner of game 1 plays winner of game 2

Winner of game 3 qualifies

d. When four teams are tied for two open spots, the pairings will be determined by draws and the following format will be used.

Example: Team "A" plays Team "B" in game 1 and

the winner qualifies

Team "C" plays Team "D" in game 2 and

the winner qualifies

The winner of the regular season game between the two winning teams will

have the higher placement

7. When teams play a mini-game tiebreaker on a Monday, their first round playoff game will be scheduled for the following Saturday unless both schools agree to play on Friday.

STATE PLAYOFFS:

- A. All rounds of games after the end of the regular season are considered part of the state playoff structure.
 - 1. In all rounds but the Finals, the higher seeded team will host.
 - 2. In all rounds except the Finals, game date and time will be set by mutual agreement. If that agreement is not possible, the GHSA Executive Director will finalize the arrangements. If an administrator does not attend the meeting at which the playoff contract is negotiated, the coach shall be authorized by the Principal to negotiate and sign a binding contract.
 - 3. In the Quarterfinal Round, if both teams have the same seeding, a coin toss will determine the host site.

 - (1) If both sites meet or exceed GHSA standards, a coin toss will determine the host site.

- (e) Region Secretaries shall collect seating information from each school in their region and file it with the GHSA office by August 15th each year. The form shall include the number of permanent seats on the home and on the visitor's side.

 - (2) all seats provide clear sight lines to the field of play.
 - (3) no costs for the temporary seating are taken out of game receipts.
 - NOTE: Any portable seating brought in for games in earlier rounds must meet these specifications.

- 3. There should be adequate parking space with a recommendation of one (1) space for every four (4) spectators.
- 4. The stadium shall have adequate working space in the press box as follows (NOTE: the first priority for access

ALLIANCE OF GEORGIA HIGH SCHOOL ASSOCIATION AND AMERICAN ASSOCIATION OF ADAPTED SPORTS PROGRAMS

Since 2001, the GHSA has been involved in an alliance with the American Association of Adapted Sports Programs. This is a growing relationship in which both organizations are working together for the benefit of physically disabled and visually impaired students.

The Georgia High School Association and the National Federation of State High School Associations have long held the philosophy that participation in competitive activities is an integral part of the educational experiences of high school students.

While the GHSA has accommodated participation of disabled students in several sports and activities, we have not ventured into the area of facilitating participation of disabled students in adapted sports.

The GHSA recognizes that AAASP is the premier organization administering adapted sports, and the GHSA wishes to partner with AAASP by providing competitive activities for our disabled students in addition to lending our resources to their endeavors. Under the leadership of Beverly Vaughn and Tommie Storms, this organization provides tremendous opportunities in the area of adapted sports.

AAASP oversees competitions in wheelchair basketball, wheelchair track, indoor wheelchair soccer, power hockey, wheelchair football and beep baseball throughout the state of Georgia. Additionally, AAASP personnel travel throughout the United States helping establish and maintain recreational and athletic programs for disabled persons.

It is important for school personnel to understand the opportunities available for disabled athletes, and to share that understanding with students in their schools. It is also important that coaches appreciate the value of athletics in the lives of disabled students, and the particular techniques involved in coaching disabled athletes.

AAASP stands ready to assist school personnel in their endeavors. For more information, please use the following contacts:

AAASP P.O. Box 451047 Atlanta, GA 31145 Phone (404) 294-0070 Website www.adaptedsports.org

APPENDIX 'E'

ELIGIBILITY REPORT INSTRUCTIONS

Items to which specific attention should be directed are:

- 1. GHSA Eligibility Form A and Form B, instructions, and other eligibility forms are provided to all member schools in the GHSA FORMS NOTEBOOK under the "Eligibility Section."
- 2. The report submitted to the State Office becomes a permanent record. Care should be taken to have the information fully correct and complete. An error could seriously affect the eligibility of a student and penalize a school.
- 3. The <u>signature</u> of the principal or assistant principal or superintendent, <u>along with the report preparer is required</u> on the Form A, Form B and Form C Eligibility Certificates. That signature certifies that all data is correct and accurate.
- 4. Boys and girls may be listed on the same Form A, and more than one activity may be listed on the same Form A.
- 5. Once a student has been certified eligible in a given school year, it is not necessary to re-file that student in subsequent activities unless region rules specify differently. The GHSA office maintains that once a student has been reported and declared eligible for the school year, no further report is necessary for that student during the school year UNLESS his/her eligibility has been interrupted. There is no longer any need to submit a Form B for a previously-cleared transfer student. Transfer students are never listed on a Form A.
- 6. An eligibility report must be filed at least twenty (20) days prior to the calendar date for the first possible game or contest in any activity. Supplemental filings may be made throughout the season. (EXCEPTION: Eligibility reports for Literary, One-Act Play, Debate, and Riflery competitions are due twenty (20) days before the first contest.
- 7. When filing an eligibility report, use only current GHSA approved forms. A COMPATIBLE computer format of the eligibility report from member schools will be acceptable so long as the information is in the exact order and form as shown on the GHSA Eligibility Forms.
- 8. Once the form has been reviewed and processed in the GHSA office, one copy will be returned to the filing school, and one copy retained at the GHSA office.

9. CERTIFICATE OF ELIGIBILITY (Non-Transfer Students) - FORM A

- A. Form A must be typed. No certificates will be accepted that are handwritten.
- B. NAME: List students in alphabetical order by date of entry ninth grade (9-10-11-12). Give the full name with the last name listed first.
- C. DATE OF BIRTH: Give the month, day, and year of the student's birth. A student whose 19th birthday was prior to May 1 of the preceding school year, is overage and not eligible to participate. You will be assisting the student if you require a birth certificate to be presented to you for vertication of age.
- D. DATE STUDENT ENTERED 9th GRADE: Complete the month, day, and year the student took the first 9th grade class at any school. This is <u>not</u> necessarily the date the student first entered your school. A student will not be eligible for participation for more than eight (8) semesters from the date of taking the first ninth grade subject.
- E. TOTAL COURSES PASSED PREVIOUS SEMESTER: Show the total number of courses the student passed the previous semester. In order to be eligible, (beginning with the second semester of 9th grade) the student must have passed five (5) courses or their equivalent the semester immediately preceding participation. Place an "E" in the Courses Passed column and Total Units Accumulated column for entering ninth graders. **Note: Double the number of courses passed for students on Block Four Programs**
- F. TOTAL UNITS ACCUMULATED: Show the <u>total number of Carnegie Units</u> the student has accumulated thus far in his high school career. To be eligible, the student must accumulate Carnegie units that count towards graduation as follows:

END OF FIRST YEAR: 4 Units
END OF SECOND YEAR: 10 Units
END OF THIRD YEAR: 16 Units

Students who lose eligibility for not meeting the unit requirements at the beginning of the year may regain eligibility during the school year by accumulating the units required at the end of the semester and by passing the required number of subjects the previous semester. REMINDER: Eligibility is lost or regained on the first day of the new semester.

G. ELIGIBILITY STATUS: This column is for GHSA use only.

10. CERTIFICATE OF ELIGIBILITY - TRANSFER STUDENTS - FORM B

- A. TRANSFER STUDENTS: FORM B MUST BE TYPED. If a student has transferred to your school during the past twelve (12) months after entering 9th grade (and has not been cleared previously) complete and submit a Form B for that student. If the transfer student has been in your school one full calendar year, do not file a Form B. NOTE: Transfer students who do not meet eligibility guidelines for migrant students are eligible to participate at the subvarsity level ONLY, provided they meet academic standards.
- B. ACADEMIC DATA: This is the same information that is required for non-transfer students on Form A.
- C. YEARS ATTENDED: List all previous schools the student attended beginning with the 9th grade.
- D. ADDRESS (PRESENT/PREVIOUS): Give full street addresses and DO NOT use post office box numbers.
- E. LIVES WITH/LIVED WITH: Use the full name(s) of the parents, step-parents, guardians, etc. With blended families it is sometimes confusing when complete names are not given.
- F. DATE STUDENT ENROLLED: Be precise as to the date the student entered your school.
- G. BONA FIDE CHANGE OF ADDRESS: In order for a student to have a bona fide move, the student must have moved with the person(s) he/she lived with previously and must have moved from another service area to your school's service area. Answer "Yes" or "No."
- H. EXCEPTIONS: Certain situations allow a student to be eligible without a bona fide change of address. See By-Law #1.60.

FOR THE CURRENT YEAR:

- 1. A student whose birth date was prior to May 1, 1989, is overage and is not eligible.
- 2. A student who entered 9th grade prior to 2005, has exceeded eight (8) semesters and is not eligible.

11. CERTIFICATE OF ELIGIBILITY - FORM C

A. STUDENTS WITH INTERRUPTED ACADEMIC ELIGIBILITY: Form C <u>must be typewritten</u>. A student gains or loses eligibility on the first day of each semester. If the student is not eligible because he has an "Incomplete" in one or more classes, or if the student is in a Credit Recovery Program at the beginning of a new semester, the student has 14 school days to become eligible. That student may not practice or compete in the interim. (see By-Law 1.58). Students who have had their academic progress interrupted need to be filed on a Form C, even if their eligibility form has been submitted previously. Be certain that the relevant portions of this form are filled out completely.

B. FILING PROCEDURES:

- 1. The upper half of the Form C is to be completed just like a Form A. The numbers in the "Total Courses Passed" column and the "Total Units Accumulated" column should reflect the progress made in the 14-school-day period.
- 2. The lower half of the Form C is to be completed according to the particular issue for the student. One portion is completed if the student was making up "Incompletes," and the other is completed if the student was involved in a "Credit Recovery Program."

If the course work is not made up in the allotted 14-school-day period, the student is ineligible for that semester. The Principal still has the option of filing a "Hardship Application" if there are special circumstances that prevented the completion of the coursework in the 14-school-day period.

.
