The membership of the Georgia High School Association shall consist of public and private high schools in the state of Georgia.

SECTION 2 CLASSIFICATION OF SCHOOLS

- A. The Reclassification Committee of the GHSA Executive Committee shall place member schools in classifications and regions based on student F.T.E. figures and geographic proximity, respectively.
- B. Member schools will be realigned every two years.
- C. The number of classifications and the number of regions will be determined by the Reclassification Committee at the time of each realignment.
- D. The realignment plan of the Reclassification Committee shall be ratified by a simple majority vote of the full Executive Committee.

SECTION 3 STRUCTURE OF REGIONS

- A. After reclassification, all regions will meet and submit to the State Office, after the final reclassification vote, a plan for structure of the regions. These plans must spell out subdivisions, if any, for all activities. All regions must have been approved before any scheduling may be finalized.
- B. In the event that any member school has a complaint with the structure of a region, it shall so advise the Executive Director and all other schools in the subject region of such complaint in writing within five (5) days after the region meeting following the final reclassification vote. The Executive Director shall then convene a meeting of the Reclassification Committee to review the present and proposed region structure and to attempt to arbitrate the differences and, failing that, to make a recommendation to the Executive Committee.

All schools in the subject region shall be advised of the meeting of the Reclassification Committee by the Executive Director and shall have the right to present evidence to the Committee. Any member of the Committee which is a member of the subject region shall be disqualified from participation on the Committee.

- C. The Executive Committee shall have full authority to require all or any portion of a subregion to play cross-over games and to align or realign the subject region into new subregions.

**SECTION 4
MEMBERSHIP IN ANOTHER ASSOCIATION**

A school is not eligible for membership in the Georgia High School Association if it is or becomes a member of an association whose Constitution and/or By-Laws are in conflict with the Constitution and/or By-Laws of the Georgia High School Association.

Membership shall also include two female members appointed by the Executive Committee upon recommendation of the Board of Trustees from nominees submitted by each region. Each member shall have the right to vote on all matters pertaining to the operation of the Association.
- B. Terms of office for members of the State Executive Committee elected by regions shall coincide with the length of each reclassification cycle.

- C. The Board of Trustees reviews pertinent issues relative to the successful operation of the organization. The Board of Trustees reviews the recommendation by the Executive Director concerning the budget, recommends committee appointments, and recommends length of contract for the Executive Director. The Board of Trustees recommends the two at-large female representatives to the Executive Committee.

**SECTION 4

- A. The State Appeal Board shall be composed of members selected from the full State Executive Committee on a rotating basis.

- A. 1. The Hardship Committee shall be composed of members selected from the full State Executive Committee on a rotating basis.
- 2. The duties of the Hardship Committee shall be performed by four (4) members of the Executive Committee sitting on an alternating basis as selected and notified by the Executive Director.
- B. The Hardship Committee shall have the authority to set aside the effect of the migratory rule, the courses passed rule, and the accumulation of credits rule upon an individual student when in its opinion the rule works an undue hardship upon that student. The Hardship Committee does not hear cases regarding normal semesters, four years of participation, or appeals arising under the By-Laws.
 - 1. The Hardship Committee shall meet at a location and on dates established by the Executive Director and published in the GHSA Calendar. Requests will be considered to have a rule or rules set aside for benefit of individual students and shall consider such requests at the meetings held for that purpose, but not at any other meetings of the committee. If conditions upon which a request is based develop after April 1, the Executive Director is authorized to set a date for a special meeting to be held at the State Office to consider such case or cases.
 - 2. The principals of all member schools who have filed requests to have the effect of a rule set aside for individual students shall be notified of the time of the meeting at which such requests will be considered not less than five working days before such meeting.
 - 3. A request will be considered at a meeting only if complete information concerning the case is filed in writing with the Executive Director at least ten days prior to the date of the meeting and if a representative of the school, along with the student, is present at the meeting to furnish the Hardship Committee with information. Complete information includes a transcript.
 - 4. The conditions which cause the student to fail to meet the eligibility requirements must have been beyond the control of the school, the student, and/or his parents, and such that none of them could reasonably have been expected to comply with the rule. Ignorance of the rule on the part of any or all of them shall not be considered sufficient cause for setting aside its effects.
 - 5. The decision of the Hardship Committee shall be decided by a majority vote to set aside the effects of the rule in each individual case, and such decision shall not be considered as setting a precedent for other cases of a somewhat similar nature.
 - 6. The decision of the Hardship Committee shall be appealable to the Appeals Board by compliance with Sec. 9C. of the Constitution and then to the State Executive Committee by compliance with Sec. 9F. of the Constitution.
- C. 1. The Executive Director shall have the authority upon receiving an application by a member school to set aside the effect of any eligibility rule upon an individual student within the jurisdiction of the Hardship Committee and to grant the same without necessity of the appearance of the student or a representative of the school before the Hardship Committee when, in the judgement of the Executive Director, the circumstances regarding the application are such that:
 - (a) The conditions which cause the student to fail to meet the eligibility requirements are beyond the control of the school, the student, and/or his parents and such that none of them could reasonably have been expected to comply with the rule; and,
 - (b) The conditions which cause the student to fail to meet the eligibility requirements work an unjust, unfair, and unforeseeable hardship upon the student; and
 - (c) The facts are clear, undisputed, and supported by appropriate documentation.

2. The Executive Director shall not have the authority to deny an application for hardship status and shall be required to either grant the application or to schedule the application for hearing by the Hardship Committee.
- D. 1. The Executive Director shall have the discretion upon receiving an application by a member school to set aside the effect of any academic eligibility or eight semester rule upon individual students when, in the judgement of the Executive Director, the following criteria are met:

 - (b) The conditions which cause the student to fail to meet the eligibility requirements work an unjust, unfair and unforeseeable hardship upon the student; and
 - (c) The facts are clear, undisputed and supported by appropriate documentation and evidence; and
 - (d) The setting aside of the subject rule would not result in an unfair advantage to the school or student nor compromise the safety of any other student.
2. The decision of the Executive Director shall be appealable under the provisions of Section 9 of the GHSA Constitution and By-Laws.

SECTION 6 REGION OFFICERS

- A. Each Region of each Classification shall elect a President, a Vice President, a Secretary-Treasurer, and from one to three committee members. No two of the above shall be from the same school unless the two are President and the Secretary-Treasurer. These officers, together with any member of the State Executive Committee from the region, shall compose the Executive Committee in their region.
- B. A member of the State Executive Committee who is not an elected member of his Region Executive Committee shall be an added member of his respective Region Executive Committee. This provision that only one (1) member of the Region Executive Committee may come from the same school will apply only to the members elected by the region, and will not apply when the State Executive Committee member in the region is from the same school as an elected member.
- C. The treasurer of each region is required to make an itemized statement of the income and expenditures of all funds to the region. When a new treasurer is elected, any balance must be turned over to the new officer immediately.

SECTION 7 DUTIES OF OFFICERS

The duties of the various officers and committees shall be those usually devolving upon such officers and committees. It is specifically the duty of the State Executive Committee and the Region Executive Committees to seek at all times to educate the school officials under their jurisdiction, and at the same time, to check vigorously any practice or violation of the rules by exercising the full penalty for such violations if it is deemed necessary.

SECTION 8 ELECTION OF OFFICERS

- A. A President and a Vice President shall be elected as State Association officers at the spring meeting of the Georgia High School Association.
- B. The election and term of office of the Executive Director shall be for a term of one to five years at the discretion of the State Executive Committee and the President and Vice President of the Georgia High School Association and shall be authorized to execute a contract in the name of and for the Georgia High School Association.
- C. Only members of the State Executive Committee shall be entitled to vote in elections.
- D. Should the President become disqualified by death, resignation, or otherwise, the Vice President shall assume the office immediately and shall act as President until the vacancy is filled.

- F. Each region in each Classification shall elect at any region meeting, a President, a Vice President, a Secretary-Treasurer, and from one to three region committee members as region officers.

Terms of office shall be for two (2) years, and elections shall be held at the beginning of each reclassification cycle. Any vacancy occurring on a Region Committee shall be filled by the Region Committee until the next meeting of the region.

- G. The State Executive Committee member from each region shall be elected at any Region meeting when there is a vacancy to be filled. The term of office shall be for a period of two (2) years. Any vacancy occurring on the State Executive Committee shall be filled by the Region Committee until the next meeting of the region concerned.

SECTION 9 AUTHORITY OF EXECUTIVE DIRECTOR APPELLATE PROCEDURE

- A. The State Executive Director shall be authorized to interpret the rules of the Georgia High School Association and to impose the proper penalty for their violation. The Assistant Executive Director shall, upon the absence or at the direction of the Executive Director, have all the powers and responsibilities of the Executive Director as provided under this Constitution and the By-Laws of the GHSA. The State Executive Director shall make all arrangements for holding and conducting the State Meets and Tournaments.
- B. All questions pertaining to eligibility or any other matters under the rules of the Georgia High School Association must first be submitted to the State Executive Director. If the question concerns a violation of any of the rules of the Georgia High School Association, the State Executive Director shall notify the member schools involved and advise them of the charges and advise them of their right to submit evidence and their right to request a hearing. The State Executive Director, after hearing or examining the evidence of the party or parties concerned, shall render a decision.
- C. Should any member school not be satisfied with the decision, appeal may then be made to the State Appeal Board by filing a written notice of appeal to the State Appeal Board through the State Executive Director within five (5) days of the date of the decision, which notice of appeal shall clearly state the decision appealed and the reasons for such appeal. The State Executive Director shall notify the State Appeal Board and all other parties of the appeal. Provided however, that if the only issue under appeal is to request modification of the penalty imposed by the Executive Director, then the member school may appeal directly to the Executive Committee.
- D. Appeal Board meetings shall be set on dates established by the Executive Director and published in the GHSA Calendar.
1. Any request to the Appeal Board must be in the hands of the Executive Director five (5) days before the scheduled meeting date.
 2. Any other appeal requested (other than regularly scheduled dates) must be accompanied by a check sufficient to pay the entire estimated expenses of the Appeal Board to defray the cost of bringing the Appeal Board into session.
 3. All requests for appeals must be in writing with the stated reasons for an appeal, and signed by the administrative head of the individual school.
 - (a) An appeal of an eligibility decision must be based on one or more of the following reasons:
 - (1) There is substantial new information to be submitted that was not heard by the previous group making the decision that is being appealed.
 - (2) There is an allegation that a GHSA rule was misapplied in that ruling.
 - (3) There is an allegation that due process was not given in previous considerations.
 - (b) An appeal of a decision by the Executive Director must be based on one of the following reasons:
 - (1) There is an allegation that a GHSA rule was misinterpreted.
 - (2) There is an allegation that the Executive Director did not afford due process to the school.
 - (c) All appeals shall set forth the basis for the appeal and the facts supporting the same, and shall be screened by the Executive Director for compliance with this rule prior to scheduling a hearing.

- E. The State Appeal Board, after hearing or examining the evidence submitted by the party or parties, may affirm or reverse the decision of the Executive Director. In order to sustain an appeal, the vote of the Appeal Board shall be unanimous.
- F. Should any member school not be satisfied with the decision of the State Appeal Board, they may appeal to the State Executive Committee by filing a written notice of appeal to the State Executive Committee through the State Executive Director within five (5) days of the date of the decision. The notice of appeal shall clearly state the decision being appealed and the reasons for such appeal. Such notice of appeal shall be accompanied by a check sufficient to pay the entire expenses of the State Executive Committee when such appeal is required to be heard at a time other than regularly scheduled meetings of the State Executive Committee.
- G. The State Executive Committee, after hearing or examining the evidence submitted by the party or parties concerned, shall render a decision to affirm, reverse, or modify the decision under appeal.
- H. No other method of appeal shall be held valid and any appeal must begin with the first step outlined and not eliminate any step until reaching the final court of appeal, the State Executive Committee. When the decision by the State Executive Committee is in favor of the appealing party or parties, the State Executive Committee may charge the expense of the meeting to the Georgia High School Association and reimburse the appealing party or parties. Members of the Hardship Committee and the Appeal Board will not be eligible to vote (those members who have heard a specific case) as a member of the Executive Committee when an appeal goes before the full Executive Committee.

- A. Each school is required to abide by all rules of the Georgia High School Association as promulgated by the State Executive Committee and interpreted by the Executive Director.
- B. The Executive Director is authorized to make such investigation as may be necessary and to judge whether or not a school has violated a rule. When a school is adjudged guilty, the Executive Director is authorized to direct the penalty or penalties.
- C. A school violating any rule, whether it be due to carelessness, willfulness, ignorance or any other cause, may be subject to a fine of not more than two thousand-five hundred dollars (\$2,500.00) for each offense, and/or probation in the sports(s) in which the violation has been made, and/or suspension from the Association up to a full calendar year, and/or forfeiture of games and/or contests involved. (NOTE: See Appendix "P" at the end of this publication for a detailed schedule of fines)

**SECTION 2
ORGANIZATION PURPOSE**

- A. The purpose for which the Georgia High School Association is organized is exclusively educational within the meaning of IRC 501 (c) (3) or the corresponding provisions of any future United States Internal Revenue Law.
- B. Notwithstanding any other provisions of these articles, the Georgia High School Association shall not carry on any other activities not permitted to be carried on by an organization exempt from Federal income tax under IRC 501 (c) (3) or the corresponding provision of any future United States Internal Revenue Law.
- C. In the event of dissolution, the residual assets of the organization will be turned over to one or more organizations which themselves are exempt as organizations described in sections 501 (c) (3) and 170 (c) (2) of the Code or corresponding sections of any prior or future Internal Revenue Code, or to the Federal, State, or local government for exclusive public purpose.

BY-LAWS

The Georgia High School Association recognizes that local boards and/or governing bodies may place more stringent requirements as they deem appropriate. The Association encourages all boards of education and/or governing bodies to extend the same rules and regulations to all extra-curricular activities under their jurisdiction.

These rules establish the provisions governing student eligibility to participate in interscholastic activities.

- A. The word “student” used in these By-Laws refers either to a boy or girl participant in interscholastic athletics, cheerleading, or literary activities. Therefore, according to correct grammatical usage, since the antecedent “student” can involve persons of both sexes, the masculine pronouns he, his, or him used throughout said By-Laws will refer to either male or female participants.
- B. The word “principal” used in these By-Laws refers either to a male or female head of a secondary school. Therefore, according to correct grammatical usage, since the antecedent “principal” can involve or refer to persons of either or both sexes the masculine pronouns, he, him, or his, will refer to a male or female head of a secondary school.
- C. The abbreviations GHSA used throughout these By-Laws refers to the Georgia High School Association.

BY-LAW 1.00 - STUDENT

1.10 - CERTIFICATION OF ELIGIBILITY

- 1.11 **Students gain eligibility** to practice or compete for the school in which they are enrolled after they have been certified by the principal of that school, after the eligibility forms have been processed by the GHSA office, and after the students have met the standards of:
 - (a) academic requirements
 - (b) age
 - (c) semesters in high school
 - (d) residence in the school's service area
 - (e) transfer rules
 Note: Students establishing eligibility as entering 9th graders are automatically eligible for the first semester.
- 1.12 The **certification of eligibility** shall be submitted initially in each sport or activity no later than the date set by the GHSA for the first practice in that sport or activity.
 - (a) This due date does not consider the date of the first contest scheduled.
 - (b) EXCEPTION: Literary, One-Act Play and Riflery certification is due twenty (20) days prior to the first scheduled contest.
- 1.13 If a student ruled ineligible by the GHSA, competes interscholastically due to the terms of a **court restraining order or injunction** against his/her school and/or the GHSA, and then has the court order vacated, stayed, reversed, or ruled unjustified; the Executive Director shall take one or more of the following actions against the school involved in the interest of restitution and fairness to the competing school(s):
 - (a) Require that individual and/or team records and performances achieved during participation by the ineligible student be vacated or stricken.
 - (b) Require that team victories be forfeited to the opponent(s).
 - (c) Require that team awards earned by the school or individual awards earned by the ineligible student be returned to the GHSA.

1.20 - ENROLLMENT AND TEAM MEMBERSHIP

- 1.21 **To be eligible to participate and/or try-out** for a sport or activity, a student must be enrolled full time in grades 9-12 inclusive at the school seeking eligibility for that student.
 - (a) Enrollment is defined as follows:
 - (1) Fall Semester: when the student participates in a practice or contest before classes begin, or the student attends classes.

 - (b) The student must be in regular attendance.
 - (c) The student must be taking courses that total at least 2.5 Carnegie Units that count toward graduation.

NOTE: If an eligible student transfers from a school that uses a block-schedule format to a school using a traditional format (or vice versa) and that student cannot get a full schedule of classes with equivalent

- credit, the school may petition the Executive Director for a waiver of this rule for the semester the transfer occurs.
- (d) All or part of the course load of a student may be taken online through a virtual school as long as the student's grades are being kept at the school in which the student is enrolled. Grades from virtual school courses must be on file at the school by the first day of the new semester in order for the student to be eligible.
- 1.22 Students enrolled in **grade 9 in a middle or junior high school** which is a feeder school to the high school may participate in interscholastic activities for the parent school.
- 1.23 All-male schools may enlist female students from other schools to be on sideline cheerleading squads as long as the following conditions are met:

- (a) Physical examinations will be good for twelve (12) months from the date of the exam. EXCEPTION: Any physical examination taken on or after April 1 in the preceding year will be accepted for the entire next GHSA school year.
 - (b) The physical exam must be conducted by a licensed medical physician, doctor of Osteopathic medicine, nurse practitioner or a physician's assistant.
 - (c) The exam must be signed by an M.D., D.O., or by a Physician's Assistant, or an Advance Practice Nurse who has been delegated that task by an M.D., or D.O.
 - (d) The GHSA requires that member schools use the latest edition of the preparticipation physical evaluation form approved by the American Academy of Pediatrics, et. al., found on the GHSA web site.
- 1.42 A student has **eight (8)** consecutive **semesters** or four (4) consecutive years of eligibility from the date of entry into the ninth grade to be eligible for interscholastic competition.
- (a) A student is not considered to have entered the 9th grade when a 9th grade course is taken if:
 - (1) the student is regularly enrolled in a member's feeder school in a grade below the ninth, AND
 - (2) the course is taken as an advanced course, AND
 - (3) the principal of the school attended by the student certifies to the GHSA that the subject and course(s) meet the criteria set forth above.

- (a) Football – a player may not participate in interscholastic competitions more than six (6) quarters per week, beginning with the varsity game. Violations of this participation rule will result in a mandatory fine and an automatic forfeiture of the game in which the student exceeded the limit. Additional penalties may be imposed by the Executive Director in extreme circumstances.
 - (b) Basketball – a player may not participate in interscholastic competition more than five (5) quarters per calendar day.
 - (c) Soccer – a player may not participate in interscholastic competition more than three (3) halves per calendar day.
 - (d) All other sports - the combination of games, playdays, or weigh-ins (varsity and sub-varsity) in which the student participates may not be greater than the limit allotted to the varsity in that sport.

- 1.45 **Eighth grade students** may participate on a sub-varsity team of a high school provided they attend a feeder school of that high school.
- (a) Students in grade 8 are never eligible for a varsity event in any activity.
 - (b) Eighth grade students who play on a high school team must meet all middle school requirements as put forth by the State Department of Education.

 - (g) Students enrolled in grade 8 in a middle school or junior high school which is a feeder school to the member high school may try out for cheerleader at the high school. Eighth grade students at a non-feeder school that has no system high school may participate in cheerleader tryouts at the member high school serving the student's area of residence. Such a student must be pre-enrolled at that member high school, and once pre-enrolled, the student has established eligibility at that high school.
- 1.46 The number of contests, starting and ending dates, and the number of practice days allowed for each sport or activity can be found listed in a calendar at the front of this publication.
- 1.47 **Girls** may participate **on boys' teams** when there is no girls' team offered in that sport by the school. Boys are not allowed to play on girls' teams even when there is no corresponding boys' sport. *A student's gender is determined by the gender noted on his/her certificate at birth.* NOTE: Cheerleading is a coed sport.
- 1.48 **Advisory Notice - Pregnant Students:** In response to the increasing number of pregnant students attending member schools, and the continued participation of these students in GHSA activities, the following advisory notice is being offered:
- (a) During the first 18 weeks of pregnancy, students, with written consent from a physician, may be allowed to participate in athletic activities except those activities in which a fall or other rapid deceleration is likely to occur.
 - (b) Pregnant students should not be allowed to participate in any athletic activities after the 18th week of pregnancy.
- 1.49 Schools having students participate in athletic activities with **artificial limbs** must certify that the artificial limb is no more dangerous to participants than a natural limb.
- (a) A permission form must be filed with the GHSA office.
 - (b) The form may be found in the Miscellaneous section on the GHSA web site.

1.50 - SCHOLASTIC STANDING / SCHOLARSHIP

- 1.51 To be eligible to participate, practice, and/or try out in interscholastic activities, a student must be academically eligible. A student is required to pass classes that carry at least 2.5 Carnegie Units counting toward graduation the semester immediately preceding participation.
- Exception 1: First semester ninth grade students.
- Exception 2: A cheerleader who is academically ineligible for the spring semester may try out if she is passing ALL classes at the time of the tryout. The window of opportunity to try out under these conditions is available only during the ten (10) days set aside for tryouts that the school chooses.
- (a) Passing in all GHSA member schools is a grade of seventy (70).
 - (b) Students participating in junior varsity or "B" team competition must meet all scholastic requirements.
 - (c) If an eligible student transfers from a school that uses a block-schedule format to a school using a traditional format (or vice versa) and that student cannot get a full schedule of classes with equivalent credit in the semester of the transfer, the school may petition the Executive Director for a waiver of this rule for the first semester after the transfer occurs.
 - (d) For schools offering courses with yearlong grading, eligibility must be computed for each semester.
 - (1) At the end of the first semester, the school must determine that the student has a grade of 70% or higher in classes carrying at least 2.5 Carnegie Units.
 - (2) The second semester grade will be the grade given for the entire course and shall include the end-of-course test grade.
 - (3) Remediation programs designed to bring the student's first semester grade up to 70% or higher may be used (in accordance with GHSA guidelines) if the school allows such programs for all students.

- 1.52 Students gain or lose eligibility on the first day of the subsequent semester. The first day of the Fall semester shall be interpreted as the first date of practice for the first sport.
- (a) Exception: Students who successfully complete summer school to maintain eligibility become eligible the last day of summer school.
- (1) Summer school is an extension of the previous semester and courses may be:
- remedial in nature where a previously-taken course is repeated in its entirety with a new grade being given.
 - enrichment in nature where a new course is taken that results in new credit being earned.
- (2) A maximum of two (2) Carnegie unit credits earned in summer school may be counted for eligibility purposes. NOTE: Additional credits may be earned in credit recovery programs or make-up programs.
- (3) Summer school credits earned in non-accredited home study programs or non-accredited private schools may not be used to gain eligibility. Accreditation recognized under the rule shall be from the Georgia Accrediting Commission (GAC) or a regional accreditation agency (such as SACS) or the Georgia Private School Accreditation Council (GAPSAC).
- (4) An independent study course taken in summer school must be regionally accredited and accepted by the school system for graduation credit.
- (b) Courses completed after the beginning of a new semester may not be used to gain eligibility for that semester. Example: night school classes, correspondence courses, etc.
- (c) Independent study courses taken during the school year must meet the criteria of 1.52 (a) 4.
- 1.53 Students must **accumulate Carnegie units towards** graduation according to the following criteria:

- (d) **Fourth-year students** must have **accumulated seventeen (17) Carnegie units** in the first three years, **AND passed courses carrying at least 2.5 Carnegie units** in the previous semester.
- (e) Students may accumulate the required Carnegie units for participation during the school year and eligibility will be reinstated at the beginning of the next semester.

ADVISORY NOTICE: CURRICULAR INNOVATIONS

A. BLOCK FOUR PROGRAMS:

- The student takes four courses that are worth one (1) Carnegie unit each and the classes meet twice the number of hours per week as in the standard curricular programs.
- To be eligible, a student must earn at least 2.5 Carnegie units.
- Carnegie unit requirements are the same in all curricular programs.

B. BLOCK EIGHT PROGRAMS:

- The student takes eight courses at some time during the term, and each course is worth one-half Carnegie unit.
- To be eligible, a student must earn at least 2.5 Carnegie units during the term.
- Carnegie unit requirements are the same in all curricular programs.

C. HYBRID SCHEDULING:

- Definition: A student takes a combination of courses scheduled as block courses, yearlong courses and/or traditional courses.
- To be eligible, a student must be enrolled in a combination of courses that carry at least 2.5 Carnegie units.
- To be eligible, a student must have passed a combination of courses the previous semester that carries at least 2.5 Carnegie units.

-
- 1.54 A Dual Enrollment program is defined as a program in which a fulltime student at a GHSA member high school takes one or more courses from a state public or private postsecondary institution and receives credit at the high school (toward graduation) and at the postsecondary institution.
- (a) Dual enrolled students shall take courses that are approved by the Georgia Department of Education.

- (b) Courses may be taken in a variety of formats (including distance learning and virtual courses) as long as the courses are approved.
 - (c) Postsecondary semester hour credit shall be converted to high school unit credit as follows:
 - (1) 1-2 semester hours equates to .5 unit
 - (2) 3-5 semester hours equates to 1 unit
 - (d) Postsecondary quarter hour credit shall be converted to high school unit credit as follows:
 - (1) 1-3 quarter hours equates to .5 unit
 - (2) 4-8 quarter hours equates to 1 unit
- 1.55 Students involved in approved Dual Enrollment programs shall be eligible to participate in GHSA activities provided that academic eligibility is maintained.
- (a) Courses taken each semester at the high school and/or postsecondary institution must total at least 2.5 units.
 - (b) Courses passed the previous semester at the high school and/or postsecondary institution must total at least 2.5 units
 - (c) Students will gain or lose eligibility on the first day of each semester at the high school and a college calendar that differs from the high school calendar may cause problems.
 - (d) Students who withdraw or are dropped from a Dual Enrollment program and are returned to the high school only, may encounter eligibility problems.
 - (e) Students involved in Joint Enrollment programs, Early College programs, or Gateway to College programs may not be eligible at their respective high schools.
 - (f) A student who participates on an intercollegiate athletic team may not participate in any GHSA activity.
- 1.56 **Loss of Eligibility:** Students assigned to an **alternative school** or on **out-of-school suspension for disciplinary reasons, or adjudicated to YDC**, lose their eligibility. Suspension is considered to have ended when the student is physically readmitted to the classroom.
- 1.57 **Failure to Meet Academic Standards:** When a school administrator believes that the student has failed to meet the academic eligibility requirements due to conditions that were beyond the control of the school, the student, and/or his parents, and such that none of them could have been expected reasonably to comply with the rule, he may request that the student's case be put on the agenda of the **Hardship Committee**.
- (a) Ignorance of the rule(s) on the part of any individual is not sufficient cause to set aside the rule(s).
 - (b) Schools must supply all the materials requested on the Hardship Application Form on the GHSA web site.
- 1.58 **Credit Recovery/Make-up Work:** Students who have academic deficiencies at the end of a semester may make up those deficiencies in programs that are available to any student in the school.
- (a) Credit recovery programs are short-term programs that involve a course that has been completed and a grade given. The student is given the opportunity to work on areas of deficiency.
 - (b) Make-up programs occur when a course has not been completed and an "Incomplete" grade has been given. The student is given the opportunity to work on areas of deficiency.
 - (c) Credit recovery and make-up work must be completed within fourteen (14) school days after the start of the next semester. The student is ineligible until such time as the work is completed and the required passing grade has been recorded. Exception: If the end-of-course test is not offered within 14 days of the beginning of the next semester, the student may be granted a reasonable extension by the GHSA.
 - (d) The GHSA Executive Director shall be authorized to approve credit recovery or make-up work completed later than fourteen days after the start of the next semester if he finds that the:
 - (1) timeframe was not met due to circumstances outside the control of the student, his parent(s), and the school, AND
 - (2) work was completed as soon as reasonably possible, AND
 - (3) allowance for such a delay is offered on the same basis to all students in the school.
 - (e) Credit recovery programs operated during the summer or in intersessions shall be completed within fourteen days of the beginning of the new semester. Students using those credits to gain eligibility are ineligible until the course is completed successfully. Credit recovery is used for remedial work only, and no new credit courses may be applied under this provision.
 - (f) Students using credit recovery or make-up programs must have their eligibility submitted to the GHSA office on a "Form C."
- 1.59 **Students with disabilities:**
- (a) A student with disabilities who is enrolled in a special education program which is not physically located at the parent school (example: psycho-education center, regional occupation center, community-based instruction class, etc.) shall be eligible to participate, practice, and/or try out in interscholastic activities at the parent school if IEP (Individual Education Program) requirements are met.

- (b) Schools with students having to meet only IEP requirements for course credit must establish an accounting process for the number of courses passed each semester, and for the awarding of Carnegie units. Requirements for the date of entry into the ninth grade and for age apply to students with IEPs without variation.
- (c) Competitive interscholastic activities administered through local **special education programs** shall follow Georgia Department of Education guidelines and procedures for special education, and are exempt from GHSA requirements.

1.60 - SCHOOL SERVICE AREAS / TRANSFER / MIGRANT STUDENTS / MIGRATORY WAIVER

- 1.61 School **service areas** for member public schools are those attendance boundaries established by local boards of education from which a school normally draws its students. The school service area for a member private school is the county in which the private school is located. The school service area for a startup or converted charter school will be the same as the school from which the charter school draws its students.
- 1.62 A **transfer student** who has established eligibility at a former school in grades 9-12 shall be **immediately eligible** at the new school if:
- (a) The student moved simultaneously with the entire parental unit or persons he/she resided with at the former school, and the student and parent(s) or persons residing with the student live in the service area of the new school. This is known as a “**bona fide move.**”
 - (1) The student may choose the public or private school serving that area.
 - (2) It must be apparent that the parent(s) or the persons residing with the student and the student have relinquished the residence in the former service area and have occupied a residence in the new service area.
 - (3) Relinquishment of the former residence may be met by one of the following procedures: selling the residence; having the residence listed with a real estate agent for sale at a fair market value; having a contract with a buyer; having a lease agreement at a fair market value; or abandoning the house and shutting off unnecessary utilities. When a family claims multiple residences, the residence for which they apply for a homestead exemption will be declared the primary residence.
 - (4) The bona fide move is validated when the student's family maintains the new residence for at least one calendar year. A return to the previous residence within that year renders the student to be a migrant student. All hardship appeal processes are available.
 - (b) The student was enrolled in a **private school or a magnet school** and has a bona fide move from one public school service area to another public school service area. A student in this situation may attend either the public school or a private school serving his area of residence.
 - (c) The student was enrolled in a **non-member private school in Georgia or was boarded at a school out of state** and, without a bona fide move, transferred to a GHSA-member school that serves his area of residence as long as:
 - (1) The student was enrolled at the high school serving his/her area of residence in grades 9-12 before attending the non-member school, OR
 - (2) The student has not yet established eligibility at grades 9-12 at a member school serving his area of residence, OR
 - (3) the student has previously established his attendance at a school other than the school serving his area of residence, and chooses to return to that school, AND
 - (4) it is the initial move of the student from a non-member school to a member school serving his area of residence.
 - (d) The student transfers from a non-member home school and the receiving school grants credit so that the student has accumulated sufficient Carnegie units. At the time such credit is given, the student must also have passed a minimum of at least 2.5 units the previous semester. The student becomes eligible when credit is awarded officially.
 - (e) The student is involved in a **foreign exchange program** that is approved and published on the “Advisory List of International Educational Travel and Exchange Programs” published by the Council on Standards for International Educational Travel (CSIET). This list is found on the GHSA web site.
 - (1) The student shall be considered eligible for a maximum period of one calendar year.
 - (2) The student shall not be a graduate of a secondary school in his home country.
 - (3) The student must maintain eligibility requirements at the member school.
 - (4) The foreign exchange program must assign students to schools by a method that insures that no student, school, or other interested party may influence the assignment for athletic purposes.
 - (5) All eligibility forms (Form B) for foreign exchange students must be accompanied by documentation from the CSIET-approved foreign exchange program showing that the student has been placed according to the normal procedures for that agency.
 - (f) If one of his/her parents or the custodial parent is a certified teacher or administrator teaching at the receiving school. This opportunity is available one time only at any given school.

- (g) The student has one of the following family-related situations that produces a **waiver of the bona fide move rule**:
- (1) There is a Superior Court or Juvenile Court awarded **change of permanent custody** and the student moves to the residence of the parent receiving custody.
 - (a) The student must attend the member school serving that area of residence.
 - (b) A copy of the court order must accompany the eligibility forms.
 - (c) NOTE: Temporary guardianship papers issued by a Probate Court are not valid for eligibility.
 - (2) There is a Superior Court or Juvenile Court final order awarding permanent **joint custody** to the parents and the student moves to a residence of his or her parent outside the service area of the previous school.
 - (a) This waiver may be made one time during a calendar year.
 - (b) A copy of the court order must accompany the eligibility forms.
 - (3) There is a **death of a custodial parent** and the student moves to live with the other natural parent in a new school service area.
NOTE: A copy of the death certificate shall be submitted with the eligibility papers.
 - (4) There is a military transfer of one or both custodial parents that creates a change of residence that is not a bona fide move. NOTE: A copy of the deployment order shall be submitted with the eligibility form.
- (h) Students who are U.S. citizens **returning from a foreign country** shall be eligible as long as they meet all other requirements of eligibility.
- (i) Students who are transferred from one school attendance area to another school attendance area by a **mandate of the local board of education** maintain their eligibility.
- (j) **Married students** setting up a household (domicile) shall be eligible in the school of their residence provided they meet all other requirements of eligibility.
- (k) Students at the Atlanta School for the Deaf will be eligible at the school serving their area of residence provided they meet all other eligibility requirements.
- (l) The migratory rule (See 1.63) will be waived **one time** for **students entering the following boarding schools**:
- | | | |
|-----------------------|------------------|----------------------------|
| Ben Franklin Academy | Rabun Gap School | Riverside Military Academy |
| Tallulah Falls School | | |
- Exception: Students from foreign countries not on an approved foreign exchange program are not eligible.
- (m) Students entering a school as an “unaccompanied youth” under the conditions of the McKinney-Vento Act must go through the hardship appeal process to become eligible.
- 1.63 A “**migrant student**” is a student who transfers into a GHSA school without a bona fide move or without one of the exceptions listed in by-law 1.62. The student may practice or compete at the sub-varsity level, but may not compete at the varsity level for one calendar year from the date of his entry into the new school.
- 1.64 A student who is not eligible because of GHSA rules at the former school, and then transfers to a new school, cannot regain eligibility by the transfer. Ineligible students cannot gain eligibility by being adjudicated to YDC and subsequently returning to their resident school with earned credit.
- 1.65 Students whose transfers from member school to member school have been approved by the GHSA office after the end of regular season play or during post-season play are not eligible for participation in GHSA sponsored tournaments and/or playoffs in that particular sport for the school year of transfer.
- 1.66 A student who is not eligible at one school because of **suspension or expulsion** and then transfers to a member school cannot regain eligibility by such a transfer, for the length of the suspension or one calendar year, whichever is less.
- 1.67 A **permissive transfer** is defined as an allowance by a local board of education for students and/or their parents to choose a school to attend without regard to the location of residence.
- (a) A student transferring from member school to member school on a permissive transfer is considered a migrant student.
 - (b) A student transferring to or from a school housing a system-wide, singular academic or vocation program or a magnet program on a permissive transfer is considered a migrant student.
 - (1) The offering of an individual course or series of courses by one school in a system does not provide inherent justification to grant GHSA eligibility.
 - (2) Special options offered by a school system that allow students to attend a school outside their area of residence do not provide inherent justification to grant GHSA eligibility.
 - (3) Any such permissive transfer issue may be brought before the GHSA Hardship Committee.

- (c) Students transferring under the provisions of Federal or State academic accountability regulations must be processed through the normal hardship appeals process.
- (d) When a military base is located in two school districts, a student moving onto the base for the first time may choose to attend either school district, and that district will place the student appropriately. Any transfer after the initial move will be subject to standard eligibility regulations.

1.68 **Hardship Applications** may be filed to attempt to establish eligibility in the following situations:

- (a) A student who changes schools because of a **temporary custody transfer** from a parent to a guardian, or from one guardian to another (See Article IV, Section 5, in the GHSA Constitution).
- (b) A student whose transfer is based upon his being **emancipated**, homeless, a child from a broken home, a **ward of the DFACS**, or a **ward of a Court** (See Article IV, Section 5, in the GHSA Constitution).
- (c) In order for a hardship appeal based on a financial hardship to be approved, the new school must provide proof that the family attempted to address the financial problem at the previous school, and that the need-based financial aid was non-existent or insufficient to resolve the problem. Increases in tuition or other costs at a private school do not create an automatic reason to grant the appeal, because such fee increases are considered foreseeable and not unavoidable. Documentation of the financial problem is required.

1.69 When a new school opens, student eligibility shall be determined as follows:

- (a) When a school district mandates an attendance area for a new school for all grades enrolled at the new school, all students living within the mandated attendance area in those grades are immediately eligible. All students living outside the mandated attendance area who desire to attend the new school are considered migrant students and are ineligible for one year. Hardship appeals may be filed if conditions warrant.
- (b) When a school district mandates some students to attend the new school, allows some students to stay at their present school, and permits some students to transfer to the new school, the school shall set a deadline for students living in the attendance area of the new school to decide whether they will move to the new school, or stay at the present school. The decisions exercised at the deadline date are binding. Subsequent changes render the student to be a migrant student with the one-year period of ineligibility. Students who are granted permissive transfers to enroll at the new school from other schools within the system are considered to be migrant students. Hardship appeals may be filed if conditions warrant.

1.70 - RECRUITING/UNDUE INFLUENCE

1.71 **Recruiting and Undue Influence** is **defined** as the use of influence by any person connected directly or indirectly with a GHSA school to induce a student of any age **to transfer** from one school to another, or **to enter** the ninth grade at a member school for athletic or literary competition purposes, whether or not the school presently attended by the student is a member of the GHSA.

- (a) The use of undue influence to secure OR retain a student for competitive purposes is prohibited, and shall lead to penalties being assessed against **either school**. NOTE: This violation may cause the student to forfeit eligibility for one year from the date of enrollment.
- (b) Evidence of undue influence includes, but is not limited to:
 - (1) personal contact initiated by coaches, boosters, or other school personnel in an attempt to persuade transfer
 - (2) gifts of money, jobs, supplies or clothing
 - (3) free transportation
 - (4) free admission to contests
 - (5) an invitation to attend practices and/or games
 - (6) a social event (other than an official schoolwide Open House program) specifically geared for prospective athletes
 - (7) free tuition beyond the allowable standards found in by-law 1.82
 - (8) a coach asking a prospective student for contact information
- (c) Complaints or reports of violations of this rule will be investigated and handled on a case-by-case basis. If **coaches** are found to be in violation of the recruiting rule, a copy of the investigation will be forwarded to the Professional Standards Commission of the Department of Education.
- (d) A school will be afforded an opportunity to demonstrate it could not reasonably be expected to be responsible for the actions of a booster who is found to have violated the recruiting/undue influence rules.

1.72 A student athlete transferring from one member school to another shall be ruled ineligible for one year because of "undue influence" if it is proven that:

- (a) The coach of the receiving school coached an out-of-school team or all-star team on which the athlete played prior to the transfer; OR

- (b) The coach at the receiving school acted as a private athletic instructor for the transferring athlete, regardless of whether the coach was paid for his services and/or expertise; OR
- (c) The student participated in a sports camp or clinic run by a member school and/or its coach(es).
- (d) The player who played for a coach at a former GHSA school followed that coach when he/she moved to another GHSA school. (This is not applicable to dependent children of the coach.)
- (e) The situations cited in this by-law are considered to be violations even if a bona fide move has occurred, and the hardship appeal procedures are available for the demonstration that undue influence has not occurred.

1.73 A booster shall be considered to be an extension of the school and must abide by all rules applied to coaches and other school personnel. The following persons or groups may be considered boosters: members of the school's Booster Club; alumni; parents; guardians; or relatives of a student or former student; financial donors; or donors of time and effort.

1.80 - FINANCIAL AID

1.81 Any student who receives financial aid or non-GHSA approved gifts from any source and in any form (scholarships, tuition remission, cash, gifts, etc.) arising out of or **received in connection with their participation** in any sport or literary event shall be ruled ineligible. The duration of the ineligibility will last as long as the illegal benefits are being received. This prohibition shall not apply to awards under By-Law #1.90 or to other items approved by the GHSA.

- (a) If tuition is charged, it must be paid by a parent, legal guardian, or other family member with the exception of payments coming from need-based financial aid.
- (b) It is not legal for donated funds to be designated for a specific student that are given by non-family members, businesses, churches or other organizations, except for programs specified by state law.
- (c) Schools may not employ students to work off their tuition costs.
- (d) The GHSA Executive Director will determine whether the financial aid or gift arose out of or in connection with participation in any sport or literary event.
- (e) If a school allows a student who has received such financial aid or gifts to participate in competition, the Executive Director shall assess an appropriate penalty.

1.82 Financial aid in the form of free or reduced tuition or other aid must be **need-based aid** as determined by a national student aid service or financial aid based on institutional policies for academic performance (classroom record and/or test scores) that is administered by persons not in the athletic department.

1.83 Member schools who award financial aid shall issue a statement to the Executive Director signed by the principal or headmaster of the school giving the following information:

- (a) number of students enrolled in the school
- (b) number of students receiving financial aid
- (c) names of students (or a listing of student identification numbers) receiving financial aid who are involved in GHSA activities
- (d) certification that the percentage of students who participate in activities and who receive financial aid is the same percentage as the number of students receiving financial aid who do not participate in activities (plus or minus 5%)

1.90 - AMATEUR STATUS/AWARDS

1.91 A student who represents a school in interscholastic athletic competition shall be an **amateur** in that activity.

- (a) An **amateur athlete** is one who engages in athletic competition solely for the physical, mental, social, and pleasure benefits derived therefrom.
- (b) Accepting nominal, standard fees or salary for instructing, supervising, or officiating in an organized youth sports program or recreation, playground or camp activity, shall not jeopardize an athlete's amateur status.
- (c) Reasonable compensation derived from private lessons in a sport is permissible.

1.92 An athlete **forfeits amateur status** in a sport by:

- (a) competing for money or other monetary compensations except for reasonable allowances for travel, meals, and lodging. NOTE: Accepting expense allowances authorized by the United States Olympic Committee for Olympic Development Programs is acceptable for GHSA students.
- (b) receiving any award or prize of monetary value which has not been approved by the GHSA.
- (c) capitalizing on athletic fame by receiving money or gifts with monetary value except college scholarships.
- (d) signing a professional playing contract in any sport, or hiring an agent to manage his/her athletic career.

- 1.93 Only **awards** approved by the GHSA may be accepted by a high school student-athlete as a result of participation in school or non-school competition in a sport recognized by the GHSA.
- 1.94 **Symbolic awards** (i.e. non-cash) presented for winning or placing in GHSA competitions are limited to \$250 per year, per student in the aggregate, paid by the local school. These are the only GHSA-approved awards for interscholastic competition. Beyond this, a student may receive one (1) school sweater or jacket presented by the school during his high school career.
- 1.95 Athletes competing in golf or tennis events are limited to awards as specified in the United States Golf Association Rules of Golf, and the United States Tennis Association Handbook of Tennis Rules and Regulations, which includes (but not limited to) the following:
- (a) No cash awards may be accepted.
 - (b) Merchandise awards in tennis may be accepted up to a retail value of \$250.00.
 - (c) Merchandise awards in golf may be accepted up to a retail value of \$750.00.

INTERPRETATIONS, 1.00 SECTION

BY-LAW 1.10 - CERTIFICATION OF ELIGIBILITY

- **SITUATION:** A student athlete and his parents move from the service area of School A to School B, and meet all eligibility requirements. When may he participate in interscholastic activities at School B?

INTERPRETATION: The student is eligible as soon as he is enrolled at School B and certified as being eligible by the GHSA. Academic eligibility must be certified before the student may try out or practice.

BY-LAW 1.20 - ENROLLMENT AND TEAM MEMBERSHIP

8TH GRADE PARTICIPATION

- **SITUATION:** May eighth-grade students participate on sub-varsity teams at a member school?

INTERPRETATION: Yes. Eighth-grade students in a feeder school for a member school may participate on one sub-varsity team, but never on a varsity team.

- **SITUATION:** An eighth-grade student desires to try out in the Spring for the cheerleading team at a member school. Is this legal if the school the student is attending is a feeder school for the member school?

INTERPRETATION: Yes. Also, an eighth grade student in a private school that does not offer classes at the ninth grade level and above may try out for cheerleading at the public or private school serving that student's area of residence. Such a tryout must be preceded by a pre-enrollment at that GHSA school. The tryout establishes the student's eligibility at that school. NOTE: This procedure also applies to participation in spring football practice.

TRYOUT REQUIREMENTS

- **SITUATION:** A tenth-grade student who is on a cheerleading team at a member school anticipates moving to another part of the state over the Summer. May the student try out for the new school before the move is made?

INTERPRETATION: No. A student may not practice or try out at a member school until that student is properly enrolled at the new school. A student may be enrolled in only one school at a time.

BY-LAW 1.30 - AGE

- **SITUATION:** A student becomes 19 years of age on April 30, prior to his fourth year in high school. May the student participate in the fourth year?

INTERPRETATION: No. May 1 is the cut-off date.

BY-LAW 1.40 - LIMITS OF PARTICIPATION**EIGHT SEMESTER RULE**

- **SITUATION:** A student entered a member school eight (8) semesters ago. He was injured and missed one-half of the first semester of his senior year (7th semester). During the first six semesters, he has accumulated seventeen (17) units, and in the 8th semester he passed five courses and gained an additional 2.5 units. Is he eligible to participate the following Fall in his 9th semester?

INTERPRETATION: No. There are no provisions to allow for a student to participate beyond eight (8) semesters. His case could be presented to the GHSA Executive Committee for a request to waive the eight semester rule (By-Law #1.42) by Hardship application.

NON-SCHOOL PARTICIPATION

- **SITUATION:** A student is a member of a high school soccer team and a club soccer team whose seasons run concurrently. Is this permissible?

INTERPRETATION: Yes. There is no state regulation prohibiting “dual participation” on the part of a student. The high school coach may not be involved in the non-school program, however. A local school may impose a rule prohibiting dual participation.

GIRLS ON BOYS TEAMS

- **SITUATION:** A girl wants to be on the high school wrestling team made up of boys. If she meets eligibility requirements, may she do so?

INTERPRETATION: Yes. Girls may participate on boys teams when there is no girls team in that sport at that school.

- **SITUATION:** A female student desires to try out for the boys' baseball team. May she do this?

INTERPRETATION: Yes, she is allowed to try out since there is no girls' baseball team.

- **SITUATION:** A male student desires to play on a girls volleyball team. Is this legal?

INTERPRETATION: No. The Federal Title IX legislation and the Georgia Equity in Sports Act both specify that the traditionally represented gender in athletics (males) may not play on teams designed for the traditionally under-represented gender (females).

SUB-VARSITY AND VARSITY PARTICIPATION

- **SITUATION:** A junior varsity basketball player participates in a JV game on Tuesday afternoon. May he also participate in the varsity game that night?

INTERPRETATION: Yes, but the student may not participate in more than five (5) quarters that day.

- **SITUATION:** A junior varsity football player plays in a JV game on Thursday. May he also play in the varsity game on Friday?

INTERPRETATION: Yes, but the student may not participate in more than six (6) quarters in a calendar week. The schedule week (Sunday through Saturday) begins with the day of the varsity game.

- **QUESTION:** In sports other than football, basketball, and soccer, what are the restrictions on students participating on both sub-varsity and varsity teams?

ANSWER: The total number of regular-season games and tournaments a student participates in on a sub-varsity team and the varsity team may not exceed the number of games and tournaments allotted to the varsity team in that sport. **Example:** A sport allows 18 varsity games plus two tournaments. A student could legally play in 10 JV games, 8 varsity games, 1 JV tournament, and 1 varsity tournament.

- **SITUATION:** At an invitational cheerleading tournament, a AAAAA school enters its varsity team in the competition for its class, and its JV team in the competition for varsity teams of smaller schools? Is this legal?

RULING: No. Varsity teams must compete against varsity teams and non-varsity against non-varsity teams in all GHSA activities. The eligibility standards are different in the two levels of competition, and it is possible to manipulate the limits on competition by allowing this to occur. New schools and schools just beginning a sport may petition the Executive Director for a waiver of this rule.

BY-LAW 1.50 - SCHOLASTIC STANDING/SCHOLARSHIP

DUAL ENROLLMENT PROGRAMS

- **SITUATION:** During the first semester of his senior year, a student is enrolled for three traditional courses (subjects) leading toward graduation at a member school, and one course for 5 hours of credit at a local college that will be accepted by his home school for graduation credit. If the student passes all the courses for which he is enrolled and has accumulated the proper number of Carnegie units, is he eligible to participate in golf during the second semester?

INTERPRETATION: Yes. If the student is enrolled in a dual enrollment program, the student must be enrolled for at least 2.5 Carnegie units and must pass courses giving at least 2.5 Carnegie units.

ADVANCE PLACEMENT

- **SITUATION:** May a student take a college or junior college class and receive credit for this work which may be counted toward scholastic eligibility?

INTERPRETATION: Yes. Such a class may be counted toward academic eligibility, provided that the student's high school accepts the credit and counts it toward graduation. The student still must pass a minimum of 2.5 Carnegie units at the end of the semester.

ELIGIBILITY ENDS

- **SITUATION:** A student who is eligible at the beginning of basketball season only passes classes carrying 2 Carnegie units in the first semester which ends on December 17th. Is this student eligible to play in a basketball tournament December 20-23?

INTERPRETATION: The student loses eligibility on the first day of the second semester. If the tournament is played before the start of the new semester, he is eligible to play by GHSA standards.

ELIGIBILITY BEGINS

- **SITUATION:** A student who is academically ineligible for the second semester passes all courses that semester and has accumulated the proper number of units. May this student participate in practices that occur before the beginning of classes in the Fall?

INTERPRETATION: Yes. The student becomes eligible on the first day of the fall semester. The beginning of the first semester is interpreted as the first day of the first sport, or the first day of classes – whichever comes first.

- **SITUATION:** A student passes four (4) courses the last semester of the eighth grade. Is this student eligible the first semester of the ninth-grade year?

INTERPRETATION: Yes. Every student entering the ninth grade for the first time begins with a "clean slate."

SUMMER SCHOOL RULES

- **SITUATION:** A student needs a science course for graduation purposes that is not taught during Summer School. The student and principal agree on an independent study course monitored by a coach. May this course be used for eligibility purposes?

INTERPRETATION: Yes, as long as the course is regionally accredited and accepted by the school district for graduation credit.

- **SITUATION:** How many units may a student earn in Summer School for the purpose of gaining academic eligibility for the Fall?

INTERPRETATION: A maximum of two (2) Carnegie units of credit earned in Summer School may be counted for eligibility purposes.

ALTERNATIVE SCHOOL RULES

- **SITUATION:** A student is assigned to attend an alternative school for the remainder of the semester for disciplinary reasons. May the student participate on the football team during the time he will be attending the alternative school?

INTERPRETATION: No. Students assigned to an alternative school for reasons of misconduct or who are in out-of-school suspension may not participate until they have returned physically to the regular classroom. The school may appeal to the Executive Director if a school holiday prevents the student from physically returning to the classroom at the end of the penalty.

OUT-OF-STATE RULES

- **SITUATION:** A student transfers to a member school from another state where scholastic eligibility rules are less restrictive than Georgia. The student is academically eligible by the standards of the state from which he transfers, but lacks sufficient credits to be eligible by GHSA standards. As a transfer student, is he eligible academically?

INTERPRETATION: No.

ANNUAL GRADING

- **SITUATION:** Since GHSA eligibility rules are written to apply to schools with semester grading, do schools that have yearlong classes with one grade given at the end of the year have to monitor eligibility for the first half of the year?

INTERPRETATION: Yes. Schools must determine that each student-athlete has a grade of 70% or higher in courses carrying at least 2.5 Carnegie units at the end of the first semester. Any student not meeting that standard is academically ineligible.

- **SITUATION:** A student taking yearlong classes has a failing grade for the second semester, but the yearlong grade that includes end-of-course test results is above 70%. Will the student be eligible for the next semester?

INTERPRETATION: Yes - the grade reported to the GHSA for the spring semester will be the yearlong grade.

MULTI-UNIT COURSES

- **SITUATION:** A student is enrolled for four (4) regular courses (carrying .5 Carnegie units each), and one vocational course that carries the equivalent of two (2) Carnegie units. If the student fails the vocational course, is the student eligible the next semester?

INTERPRETATION: No. Since the vocational course carries the equivalent of two (2) Carnegie units and since the student passed courses totaling only 2 Carnegie units, he would not be eligible for the next semester.

MAKE-UP WORK

- **SITUATION:** A student taking five (5) subjects that carry .5 Carnegie units each receives an "Incomplete" in one of those courses. When the student returns to class on the first day of the next semester, is he eligible to practice or play?

INTERPRETATION: No. If the school allows make-up work for all students and the student makes up the "Incomplete" to a passing grade within fourteen (14) school days of the beginning of the new semester, the student could become eligible. The student is not eligible while the work is being made up.

TRYOUT ELIGIBILITY

- **SITUATION:** Cheerleader tryouts for the following year are to be held in the Spring (second semester). A student who earned only two (2) Carnegie units during the first semester would like to try out. Is this permissible?

INTERPRETATION: If the student is passing ALL courses at the time of the tryout, the student may participate.

ACCUMULATING UNITS

- **SITUATION:** A 9th grade student passed courses totaling two Carnegie units in the first semester and is ineligible for second semester. The student passed five courses in the second semester, giving him an accumulation of 4.5 Carnegie units for the year. Is the student eligible at the beginning of the second year?

INTERPRETATION: No. The student must have accumulated at least five (5) Carnegie units during the first year in order to be eligible in the second year.

- **SITUATION:** At the beginning of the 11th-grade year (third year of eligibility), a student has only accumulated 8 Carnegie units and is declared ineligible for the first semester. If the student passes all six (6) courses, and accumulates 3 units during the first semester, is the student eligible at the beginning of the second semester?

INTERPRETATION: Yes. Since the student has accumulated 11 Carnegie units at the beginning of the second semester of the third year of eligibility, he is eligible. A student may gain the units during the school year, and becomes eligible the first day of the next semester.

ADVANCED PLACEMENT COURSES

- **SITUATION:** A student is enrolled for three (3) Advanced Placement courses and two regular classes in the first semester, and all courses carry .5 Carnegie units. If the student fails one of the AP courses, is he eligible to participate second semester?

INTERPRETATION: No. There are no allowances made for course difficulty in the rule requiring the accumulation of 2.5 Carnegie units the previous semester.

BLOCK-FOUR PROGRAMS

- **SITUATION:** A member school has adopted the Block-Four Program in which students take four (4) courses each semester and receive 1 Carnegie unit for each course passed. How many units does a student have to accumulate each semester in order to be eligible?

INTERPRETATION: The students will have to accumulate at least 2.5 Carnegie units each semester in order to be eligible.

- **SITUATION:** A school is on the Block-Four Program and, additionally, requires a student to take a Physical Education course that earns .5 Carnegie unit. A student passes two (2) courses in the Block-Four setup plus the PE class. Is the student eligible?

INTERPRETATION: Yes. The two block courses provide a total of 2 units and the P.E. course provides a total of .5 units. This meets the GHSA requirement of at least 2.5 Carnegie units.

- **SITUATION:** A student in a Block-Four setting only passes one class in the Spring Semester. The student passes three (3) classes carrying .5 Carnegie units each in Summer School. Is the student eligible for Fall participation?

INTERPRETATION: Yes. The one block course provides 1 Carnegie unit and the three summer school courses provide 1.5 units, meeting the GHSA requirement of at least 2.5 Carnegie units.

BLOCK-EIGHT PROGRAMS

- **SITUATION:** A member school has adopted the Block-Eight Program in which students take eight courses over the semester and each one passed accumulates one-half Carnegie unit. How many courses do students at this school have to pass in order to be eligible for interscholastic activities?

INTERPRETATION: The students will have to earn at least 2.5 Carnegie units each semester to be eligible. The unit requirements remain the same as with any system of courses.

HYBRID SCHEDULING

- **SITUATION:** A student is taking two yearlong courses, two Block 4 courses and one traditional course during the semester. If the student failed one of the Block 4 courses, is he academically eligible for the next semester?

INTERPRETATION: Yes. The two yearlong courses and the one traditional course carry 1.5 Carnegie Units, and the Block 4 course he passed carried one (1) unit. This gives the student the 2.5 units he needs to be eligible.

BY-LAW 1.60 - SCHOOL SERVICE AREAS/TRANSFER STUDENTS/ MIGRANT STUDENTS/MIGRATORY RULE WAIVERS

SCHOOL SERVICE AREAS

- **QUESTION:** What is a public school's service area?

ANSWER: A school service area is the geographic boundary established by local boards of education that determine the public school a student must attend. **NOTE:** The service area is also referred to in this book as the "attendance area" and "area of residence."

- **QUESTION:** What is the service area designation for private schools?

ANSWER: The service area for a private school is the county in which the campus is physically located. This restriction only affects students who transfer into the school after beginning their high school careers at other schools.

- **SITUATION:** A 10th grade student moves to a county that has four school service areas (A, B, C, and D), and a city school system (service area E). The student and his parents reside in the service area of School "A," but the student decides to enter School "E." Is the student eligible in the new school?

INTERPRETATION: No. When a student and his parents move to a new service area, the student established eligibility at the school that serves his area of residence. When the student and his parents "elected" to attend a school outside his area of residence, the student became a migrant student.

FIRST-TIME ENROLLMENT

- **SITUATION:** A county has a school for students living in the county, and a separate school for students living in the city. The local boards of education allow students to choose whichever school they wish to attend (with or without tuition payments). A student and his parents live in the city, and the student is enrolled for the first time in ninth grade at the county school. Will he be able to participate in interscholastic activities?

INTERPRETATION: Yes. On a first-time entrance into the ninth grade, a student may enroll in the school of his choice if the local board of education gives approval. Once that choice is made, any other transfers must be accompanied by a corresponding move by the student and his parents. If the student transferred back to the school that serves his area of residence, the student would be ineligible for varsity competition for one year.

BONA FIDE MOVE DEFINED

- **QUESTION:** What is meant by the term "bona fide move?"

ANSWER: A "bona fide move" is defined as the actual physical relocation of all immediate family members residing in the previous residence, with the intent to reside indefinitely, and to relinquish the previous residence.

THE TRANSFER RULE

- **SITUATION:** A student attends School "A" while living in that school's attendance area. He and his parents move into the service area of public School "B," and the student enrolls in School "B." Is the student eligible to participate in interscholastic activities?

INTERPRETATION: Yes. This is a classic example of a bona fide move.

- **SITUATION:** A student and his parents reside in the service area for a county school. The student enters the ninth grade at a non-member private school. At the end of the ninth-grade year, the student wishes to transfer from the non-member school to the high school that serves his area of residence. Will the student be eligible at the member school?

INTERPRETATION: Yes. A student may transfer from a non-member school to a member school serving his area of residence one time in his high school career as long as all other eligibility criteria are met.

- **SITUATION:** A student begins ninth grade at the school that serves his area of residence. With one month to go in the school year, the student transfers to a non-member private school. At the beginning of the tenth-grade year, the student enrolls at a member school that does not serve his area of residence. Is this student immediately eligible at the new school?

INTERPRETATION: No. The student is now a migrant student because he transferred to a school without living in that service area. If the student had transferred back to the member school at which he began the ninth-grade, he would have been eligible.

- **SITUATION:** A student who attended ninth and tenth grade in a non-member home school enrolls at the public school that serves his area of residence. That school specifies that students from home schools must be tested in order for the course work to be accepted. May this student participate in athletics before the testing is done?

INTERPRETATION: No, because eligibility cannot be determined until the course work is accepted.

CHOICE OF PUBLIC OR PRIVATE MEMBER SCHOOLS

- **SITUATION:** A tenth-grade student and his parents reside in the service area of School “A” and attends that school. The parents and the student have a bona fide move into the service area of public School “B” and private School “C.” Does the student have a choice about which school he may attend and remain eligible?

INTERPRETATION: Yes. When a student (attending any member school) moves into a new service area, he may choose to attend the public school that serves his new area of residence, or a private school that has been assigned his new area of residence.

- **SITUATION:** A tenth-grade student at member private School “C” resides in the service area of public School “A,” and then moves into the service area of public School “B,” which is still in the service area of School “C.” Does the student have a choice in attending public School “B” or selecting a new private school that includes the service area of School “B” in its service area?

INTERPRETATION: Yes. When a student (attending any member school) moves into a new service area, he may choose to attend the public school that serves his new area of residence, or any private school that has been assigned his new area of residence.

- **SITUATION:** A twelfth-grade student has been at a member school since entering the ninth-grade. When his parents move into the service area of another school, the student wants to stay at his original school. May he remain at the school and retain his eligibility?

INTERPRETATION: Yes. Once a student has established eligibility at a school, he retains eligibility at that school as long as he is allowed by the local board of education to attend that school, and as long as he meets academic requirements.

- **SITUATION:** A school system grants a permissive transfer for a student to leave the school that serves his area of residence to go to a school that offers a course he cannot get at his home school. Is this a mandated transfer, and is the student eligible at the new school?

RULING: This is a permissive transfer and does not carry GHSA eligibility. The receiving school would have to file for a hardship in order for this student to have any chance of being eligible immediately.

- **SITUATION:** A student begins ninth grade at a magnet school, and (a) does not make grades high enough to stay in the magnet program and returns to his home school, or (b) decides to return to a regular study program at the school that serves his area of residence. Is the student eligible?

RULING: In both cases, the student is not eligible. Decisions to enter into or exit from a magnet school involve personal choices and/or permissive transfers, and do not carry GHSA eligibility. The inability of the student to meet the achievement standard was under the control of the student.

- **SITUATION:** A school district opens a new school and (a) mandates a service area for students going to the new school, or (b) gives students options about where they may attend. How does this affect eligibility for athletes?

RULING: In (a), students mandated to attend the new school are immediately eligible. In (b), the system should set up a deadline date for students to make their choices. Students may either stay or move to the mandated

school and have eligibility if the deadline is met. Any decisions made after the deadline renders the student to be a migrant student.

MIGRANT STUDENT RULE

- **SITUATION:** A student enrolls in School "A," is certified eligible, and participates in athletic contests. Then it is discovered that the student's parents do not live in the service area of School "A." After the school forfeits all contests it won when the student played, what is the status of this student's eligibility if:
 - (a) the student remains in School "A," and the parents do not move into the service area of School "A?"
 - (b) The student remains in School "A," and the parents move into the service area of School "A?"
 - (c) the student transfers to the school that serves his area of residence?

INTERPRETATION:

- (a) The student is ineligible for a period of one (1) year from the date of entry to School "A."
- (b) The student becomes eligible on the date the parents move into the service area of School "A."
- (c) The student is ineligible for one (1) year from the date of entry to the school of his service area.

- **SITUATION:** A student who has been living with his mother in another state moves in with his grandparents and enters a member school. The grandparents go to a Probate Court and get a Letter of Temporary Guardianship. Will this student be eligible for interscholastic activities?

INTERPRETATION: No. This student is considered a migrant student. The student may practice and may play in sub-varsity contests if academic requirements are met, but he will be ineligible for varsity competition for one calendar year. Guardianship is not recognized for eligibility purposes.

- **SITUATION:** A school system has a policy that the children of teachers may attend the school where the parent teaches regardless of where the family lives. The high school hired a teacher, who has a tenth-grade student, and the family lives outside the service area of that school. If the student attends the school where the parent teaches, will he be immediately eligible?

INTERPRETATION: Yes, as long as the parent is a certified teacher or administrator at the receiving school.

- **SITUATION:** A ninth-grade student transfers from one member school to another member school without a bona fide move. May he participate on the JV basketball team if he has met all academic requirements?

INTERPRETATION: Yes. The student is a migrant student and migrant students may practice and may play on a sub-varsity team during the year that he is ineligible for varsity competition.

SUSPENDED OR EXPELLED STUDENT

- **SITUATION:** A student is expelled from a member private school for behavioral problems. The student and his parents move to a different service area and the student enrolls in a member public school. Is the student eligible to participate in interscholastic activities?

INTERPRETATION: No. The student will not be eligible until the time frame of the suspension at the first school is complete or one calendar year – whichever is shorter.

UNFINISHED HOME

- **SITUATION:** A family has purchased a new home in a school district other than the one where the student has been attending school. However, the new home will not be available for occupancy until six weeks after the start of the semester. In the meantime, the new local board of education allows the student to begin attendance in anticipation of the move when the home is available. When will the student be eligible at the new school?

INTERPRETATION: The student will be eligible immediately upon the date the family physically occupies the residence in the new district.

- **SITUATION:** A family has purchased a new home in a school district other than the one where the student has been attending school. However, the new home will not be available for occupancy until six weeks after the start of the semester. The parents desire the student to begin and complete the semester at the original school, before transferring to the new school. How will this affect the student's eligibility?

INTERPRETATION: The GHSA By-Laws permit students to complete the current semester in a given district

if their parents move from that district after school has commenced. Therefore, the student in this case may remain in his original district for the remainder of the semester and be eligible in respect to residence. If the student continues to attend school in that district in the succeeding semesters, he will continue eligibility. If he begins the next semester and then decides to transfer to the school in his area of residence, he would be ineligible for varsity competition for one (1) year.

RECRUITING/UNDUE INFLUENCE

- **SITUATION:** A member school schedules a social event for any eighth grade student and his/her family to showcase the school's athletic program and facilities. Is this legal?

INTERPRETATION: No, that would be a violation of the recruiting/undue influence rules.

- **QUESTION:** Is it possible for a member school to be held responsible if someone in that school's community initiates a contact for a student to transfer for athletic purposes?

ANSWER: If the individual making the contact meets the definition of a "booster" as found in By-law 1.73, the member school may be held accountable.

- **SITUATION:** A coach at a GHSA school: (a) coaches a club soccer team; (b) coaches in an all-star football game; (c) gives personal softball pitching lessons. A student interacts with the coach in one of the settings listed above, and then transfers with a bona fide move to the school where the coach is employed. Is the student eligible?

INTERPRETATION: No. Each of these situations falls under the GHSA rules for recruiting/undue influence.

- **SITUATION:** A coach leaves School A and takes a coaching position at School B. A student who played for the coach at School A transfers to School B with a bona fide move after the coach changes jobs. Is the student eligible?

INTERPRETATION: No. The situation falls under the GHSA rules for recruiting/undue influence.

AMATEUR STATUS AND AWARDS

- **SITUATION:** A team wins the state championship and school and community people put on a banquet honoring this accomplishment. The athletes and their parents are provided the meal at no expense, and the following awards are given:
 - (a) a gift certificate for a dinner at a local restaurant to be used by the individual player at his convenience
 - (b) a jacket, sweater, and/or shoes in school colors with lettering that proclaims the state championship
 - (c) a plaque commemorating the accomplishment
 Is this legal?

INTERPRETATION: The free meal at the banquet is not a violation, nor is the plaque that was given. All other items must fit under the \$250 per student, per year allowance. NOTE: A school may provide one jacket to each athlete who letters in the student's high school career.

- **SITUATION:** A school wins the state championship and desires for the players to have a commemorative award. May the school buy rings for the players?

INTERPRETATION: Yes, symbolic awards (i.e., non-cash) presented for winning or placing in GHSA competitions are limited to \$250.00 per year, per student in the aggregate, paid for by the local school.

- **SITUATION:** A student who wins a non-GHSA tennis tournament is offered (a) a cash prize of \$100.00, or (b) a merchandise certificate worth \$250.00 in tennis equipment and/or apparel. How will these awards affect the student's amateur status?

RULING: The GHSA follows the rules of the United States Tennis Association. USTA rules forbid the acceptance of money but do allow the acceptance of merchandise not to exceed \$250.00.

- **SITUATION:** A student wins her flight in a non-GHSA golf tournament and is offered (a) a cash prize of \$150.00, or (b) a set of irons valued at \$600.00. How will these awards affect the student's amateur status?

RULING: The GHSA follows the rules of the United States Golf Association. USGA rules forbid the acceptance of money, but do allow the acceptance of merchandise not to exceed \$750.00.

 - (2) Schools failing to meet the dues-payment deadline are not eligible to participate in any contest until membership dues are paid.
- (b) Dues are prorated according to the school's classification.
NOTE: Schools with a total enrollment of less than 50 students are assessed their insurance fees according to the actual number of participants.

- 2.16 **Playing a Non-Region Schedule:** A school may choose to play a non-region schedule in football, basketball, and/or baseball, and this choice is in effect for the entire reclassification period.
- (a) A school playing a non-region schedule may not participate in post-season competition.
 - (b) Results of games with a school playing a non-region schedule may not be used in region standings.
- 2.17 **Region and Area Divisions:** A classification in any sport will be considered Regionalized when a majority of the schools (with a minimum of 5) in all regions participate in that sport. *In sports where all classifications are not regionalized, the classes may be divided into area alignments, and two or more classifications may be combined.*

2.20 - ADMINISTRATIVE RESPONSIBILITIES

- 2.21 The administrative head of each school shall have on file in the school office:
- (a) a certificate of an **annual physical examination** given by a licensed medical physician, a doctor of Osteopathic medicine, nurse practitioner or a physician's assistant indicating the student is approved for participation in athletic activities before that student may try-out, participate in practice or conditioning drills, or participate in interscholastic contests (see By-Law 1.41).
 - (b) a written Emergency Action Plan for athletic practices and games. This plan must include responses to natural disasters, serious illnesses/injuries, and terroristic events, and must have the involvement of local law enforcement agencies, rescue agencies, medical doctors and hospital personnel.
- 2.22 The administrative head of each school shall **operate** all interscholastic **contests and activities** under direct and complete control of the school administration or designated school personnel. These responsibilities are not to be delegated by the board of education, superintendent, or principal to any person or persons who are not a part of the school staff.
- 2.23 The administrative head of each school is expected to be a person who believes in fairness and honesty as evidenced by the **strict adherence to all rules** and regulations in regards to eligibility of contestants representing his/her school.
- 2.24 The administrative head of each school is expected to employ those persons who exemplify fairness and honesty. Any certificated person who violates rules in regard to student eligibility, or illegal practices, or knowingly misleads a member school and/or the GHSA will have a report of that behavior sent to the Professional Standards Commission.

- 2.27 Member schools that fail to follow stated procedures and deadlines may be assessed a fine for each violation.
- 2.28 Schools that need to cancel appointments scheduled with the Hardship Committee or the Appeals Board must do so at least 24 hours before the appointment. Failure to cancel properly will result in a fine.
- 2.29 Member schools are expected to fulfill their responsibilities for a sports season once they have committed to play that sport.
- (a) If a school commits to play a sport at the region meeting that precedes the sport, or on April 1 for Area sports, and then drops out of competition before or during the season, the school will have to play a non-region schedule in that sport the next year.
 - (b) If a school enters the competitive structure that qualifies it to advance in postseason competition, that school is expected to advance if it qualifies. Schools that drop out of competition after qualifying may be penalized with fines or probation.
 - (c) Appeals for emergency circumstances may be filed with the Executive Director.

2.30 - ELIGIBILITY REPORTS FILED BY THE SCHOOL

- 2.31 **Eligibility reports** are required for all contestants prior to the calendar date for the first possible practice in any GHSA activity. (EXCEPTION: Eligibility reports for Literary, One-Act Play and Riflery competitions are due twenty (20) days before the first contest.)
- (a) Students are not allowed to participate in academic, athletic or literary competitions until their eligibility reports have been received and processed by the GHSA Office.
 - (b) Failure to meet the eligibility deadline may lead the GHSA Executive Director to:
 - (1) Assess a fine to the school that is delinquent.
 - (2) Suspend the membership of a school that does not file eligibility reports.
 - (c) Reports not filed properly will be returned to the school for resubmission.

- 2.32 Schools **playing interscholastic contests before the filing of an eligibility report** on one or more participating students may be subject to one or more of the following penalties imposed by the GHSA Executive Director:
- a fine per game or contest in which one or more participants had no eligibility report filed.
 - forfeiture of any game in which one or more participants did not have eligibility report filed.
 - restriction from competition in any sport if the fines assessed are not paid within ten (10) days of notification.
- 2.33 **Supplementary eligibility reports** may be submitted at any time on transfer students, students coming out for the team after the initial report, and/or those students who gain eligibility at the beginning of a semester.
- 2.34 Once a student has been certified eligible by the school and has been processed by the GHSA, **eligibility is assumed to be continuing**, and no further eligibility report is necessary for that student during the school year unless situations occur that render the student ineligible.
- 2.35 If a student **loses eligibility and regains** it during the school year, a new eligibility report should be filed for that student.
- 2.36 **Changes of Eligibility Records:** When a school discovers that incorrect information has been given on an eligibility report, the following procedures shall be followed:
- To change the date of ninth grade entry:**
 - Submit a new eligibility report form on which you have written "Corrected Copy" AND a certified copy of the student's transcript
 - NOTE: a visiting examiner may be used to verify the data
 - To change the date of birth:**
 - Submit a new eligibility report form on which you have written "Corrected Copy" AND a certified copy of the student's birth certificate
 - NOTE: a visiting examiner may be used to verify the data
 - To correct other errors:**
 - Submit a new eligibility report form on which you have written "Corrected Copy"
 - Give the date of the original eligibility submission
- 2.37 Requests to investigate a student's eligibility in regard to the transfer rule must be filed with the GHSA office at least twenty (20) calendar days before the end of the regular season in order for any penalties to be applied before the end of the playoffs.

2.40 - STUDENT RETENTION FOR INTERSCHOLASTIC ATHLETIC ACTIVITIES

- 2.41 Member schools shall prohibit participation in interscholastic activities by any student who was **retained in the eighth grade for competitive purposes**. The governing body of each school system shall develop a written policy showing that the system does not allow retention for competitive purposes.

2.50 - QUALIFICATIONS TO COACH

- 2.51 An athletic coach must be a professional teacher **meeting the teaching requirements and be employed** by only one board of education or similar governing authority within the GHSA membership, regardless of whether or not they are paid for their coaching (Exception: when all boards of education or similar governing authorities and all principals/headmasters involved sign a consent form on an annual basis he/she may coach at another school system), AND:
- be employed for 20 or more hours per week on a regular basis in a professional, contracted position and must hold a **teaching certificate or leadership certificate** issued by the State of Georgia, OR
 - be employed for 20 or more hours per week on a regular basis as a **JROTC instructor** in the school's JROTC program, OR
 - be assigned as a **student intern** in a practice teaching situation under the guidance of a college or university teacher training program, OR
 - be a **retired teacher** teaching or supervising (NOTE: coaching meets the supervising requirement of this by-law) less than one-half time (forty hours considered full time), OR
 - be a certified teacher or administrator at a member school on medical leave governed by the "Family Medical Leave Act" and/or the "Georgia Teacher Maternity Leave of Absence" policy (see the GHSA web site for the required form).
 - If a currently certified faculty-coach at a member school loses his/her teaching position because of a reduction in force action, that school may petition the Executive Director in writing for that individual to continue to coach without going through the community coach training.*

- (g) *A teacher at a non-member school who is hired to be a coach at a member school **must** complete the GHSA Community Coach Education program and may **not** be a head coach. A consent form between the two schools must be completed annually.*
- 2.52 Member schools may employ persons who are not professionally certificated teachers as assistant coaches in their athletic programs. These individuals are referred to as “**community coaches.**”
- (a) Community Coach is defined as a person who does not have a professional-level certification, who relates in role and function to a professional and does a portion of the professional's job or tasks under the supervision of the professional, and whose decision-making authority is limited and regulated by the professional. Community coaches are not allowed to function without the immediate supervision of an educational professional and may not function as a varsity Head Coach or be named by the school as a varsity Head Coach.
- (b) Licensed para-professionals and full-time substitute teachers must complete the GHSA Coaches Education Program and testing program to be eligible to coach.
- (c) All community coaches should be signed to a written “agreement to coach.”
- (1) They may coach for only one board of education annually, regardless of whether or not they are paid for their services.
- (2) Community coaches may not coach the same sport at more than one school even if there are multiple schools in the system.
- (d) All community coaches must complete the **GHSA Coaches Education Training and Testing Program** in “Sport First Aid” and “Principles for Coaches.”
- (1) Prospective coaches must be subject to a criminal background check before they are registered for the GHSA coaches education program.
- (2) Courses are offered at various times each school year throughout the state.
- (3) Prospective coaches are registered with the GHSA office by the school hiring them.
- (4) No community coach may do any GHSA coaching until he/she has been notified that the GHSA Coaches Education Program had been completed successfully.
- (e) It is recommended that the following **priority for employment** be used:
- (1) certified employees in the local system (secondary, middle, elementary, central office, etc.)
- (2) retired certificated personnel
- (3) community coaches who have completed the GHSA Coaches Education Program.
- (f) All community coaches must attend a regular GHSA rules clinic each year for any sport in which they coach beginning with their first year of service or the school will be fined.
- 2.53 GHSA member schools must **register** all coaches in all GHSA governed activities according to the following:
- (a) An initial directory listing of administrators and coaches must be completed and filed with the State Office by August 1 of each year. Only professionally certificated personnel are to be included on the initial directory listings.
- (b) **Qualified** Community Coaches are to be reported on the “School Staff Roster” on the GHSA web site. Only those persons who have successfully completed the **GHSA Coaches Education Program** are to be listed. NOTE: Schools must verify the successful completion of the coaches education program BEFORE community coaches are submitted to the GHSA and BEFORE any coaching activities are allowed (forms on the GHSA web site).
- (c) After August 1, schools will have occasion to add members to their coaching staff. It is the responsibility of the member school to register these additions in a timely manner, using the School Staff Roster on the GHSA web site.
- (d) Failure to comply with these procedures could result in punitive actions including, but not limited to, fines, forfeitures and other penalties assessed to the member school.
- 2.54 **Every faculty coach, community coach, and student-teaching intern at a GHSA member school must complete a GHSA-sponsored rules clinic** if he/she coaches the following sports: football, softball, volleyball, riflery, cheerleading (spirit and/or competitive), basketball, lacrosse, wrestling, swimming and diving, track, baseball, *golf*, soccer and gymnastics. NOTE: A fine for each coach who does not complete a clinic will be assessed to the school.
- 2.55 A **football coach** on the payroll of one school district, but under contract to another school district for the following year, may help with **spring practice** at the new school if arrangements are satisfactory with both systems.
- 2.56 A person who is an active official or an assignor of officials at the high school level may **not** be a head coach or an assistant coach at a GHSA school in the same sport.

2.60 - INTERSCHOLASTIC CONTESTS AND PRACTICES

- 2.61 All **practices** (team and individual) and all regular-season interscholastic **contests** for GHSA-member schools shall be **conducted outside the school day of the participants' school**.
- (a) Regional, Sectional, and/or State **playoffs are exempt** from this rule.
 - (b) The “**school day**” is **defined** as: that period of time between when students are required to report to school and the time of dismissal of the host school. EXCEPTION: When the host school is not in session on a given day, competitions may be scheduled earlier than normal dismissal time for that school. However, any school that is in session on that day may not compete in that event before the normal dismissal time of the host school.
 - (c) *A player who participates in a GHSA sport may not participate in practices that occur during the school day. Practice is defined as any activity that is school-initiated, organized, coordinated or supported.*
- 2.62 The GHSA shall provide **rules and regulations for competition** among member schools for those competitive activities listed in the GHSA Constitution and By-Laws.
- (a) Member schools shall **compete, practice or scrimmage only against other member schools** or against schools who are affiliated with the State Association in their respective states. When competing internationally, member schools may compete only against school teams in that nation that are composed of students of similar ages. International exhibition competitions or scrimmages are not allowed. NOTE: When member schools compete out of state, the host state’s adaptations of NFHS playing rules will be enforced, and all GHSA by-laws regarding sportsmanship, eligibility and game times will be enforced.
 - (b) Member schools are **permitted to compete against non-member schools** in activities not listed in the GHSA Constitution and By-Laws.
 - (c) The GHSA Executive Director has the authority to approve competition between GHSA schools and **private schools from states in which membership in the State Association is not allowed**. These non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.
 - (d) A member school shall have no more than one varsity, one junior varsity, and one 9th grade team.
 - (1) Any **sub-varsity team** is limited to a maximum number of games equal to 70% of the varsity allotment in that sport. EXCEPTION: New schools that have only 9th and 10 grades with JV teams only (no varsity) are allowed to play the number of games allowed for varsity teams.
 - (2) **Competition between sub-varsity and varsity teams and/or individuals** at the same event is prohibited. An exception may be made by the Executive Director for schools just opening and for schools just starting a particular sport.
 - (3) In the sports of Cross Country, Golf, Swimming, Tennis and Wrestling, a school may use a “**split squad**” at two regular season events on the same day at the varsity or sub-varsity levels. Both of the contests must be counted against the total number of contests allowed in that sport. Individual players may not exceed the total number of contests allowed at the varsity level of that sport.
 - (4) **Unattached Competitor**: Individual athletes may participate in non-GHSA events in the sports of Cross Country, Golf, Gymnastics, Riflery, Swimming, Tennis, Track and Wrestling as long as they do not represent their school, do not wear the school uniform, and are not coached at the event, or transported to the event, by their high school coach. *“House teams” made up of wrestlers from various schools competing in a GHSA event are not considered to be unattached competitors and are illegal.*
 - (5) *No athlete will be allowed to compete in a GHSA game or contest (even in post-season play) unless accompanied by certified professional school personnel whose names have been submitted to the GHSA as coaches. Those students chaperoned by someone other than a certified professional will not be allowed to compete.*
 - (6) In any GHSA sport, there may be no “**open**” competitions or exhibition performances that extend participation beyond the three levels of competition (i.e., varsity, JV, 9th grade) mandated in this by-law. The only interscholastic contests in which results are disregarded are scrimmages as defined below.
 - (e) One **interscholastic scrimmage** (two teams meeting head-to-head) is allowed in the sports of Baseball, Basketball, Football, Lacrosse, Soccer, Softball and Volleyball.
 - (a) This scrimmage may be scheduled anytime between the beginning of practice as set by the GHSA and the first regular season game for each team.
 - (b) This scrimmage is for varsity teams only, and shall be played with normal timing and/or scoring rules except as noted in individual sports sections.
 - (c) Game officials must be used.
- 2.63 **Written contracts** are **required** for all football, basketball and wrestling contests, and are strongly **recommended** in all other interscholastic contests that are scheduled between member schools.
- (a) Contract forms can be found on the GHSA web site.

- (b) Contracts are also recommended for all sub-varsity contests.
 - (c) GHSA-member schools are expected to fulfill the conditions of any game contract that has been properly executed.
 - (1) Exceptions to the contract may be made with the agreement and consent of both schools.
 - (2) Member schools that fail to fulfill the requirements of a scheduled event may be required to make **restitution** to the competing school if that school is unable to secure an opponent. The offended school shall petition the Executive Director for the desired restitution.
 - (3) Schools failing to fulfill a game contract may be **suspended** in that sport for one (1) full calendar year or the corresponding date of the next calendar year, whichever is greater.
 - (4) **EXCEPTION:** The GHSA Executive Director may excuse the failure to fulfill a game contract if, in his opinion, the circumstances causing the failure were outside the control of the school officials.
 - (d) All athletic events hosted by GHSA-member schools (except Cross Country, Golf, Riflery, Tennis and Track) shall be officiated at all levels of competition by **officials** who are members of associations that are approved by the GHSA. (Exception: situation noted in By-Law 2.95).
 - (1) Officials' associations and their assigned schools shall include the method of payment in their contract.
 - (2) It is recommended that the same number of officials be used in regular-season competitions as the number used in playoff competitions in that sport.
 - (e) **Forfeiture and Restitution Policy**
 - (1) If a team does not arrive at the game site for any contest without notifying the host opponent of a late arrival, that contest will be forfeited 30 minutes after the scheduled game-time. If the second game or contest was to be played by a different team (EXAMPLE: girl/boy or JV/varsity combination events), then a decision to forfeit that game will be made 30 minutes after the scheduled beginning of the second game.
 - (2) If there are to be multiple games by the same team and the team does not arrive at the game site without notifying the host opponent of a late arrival, all games will be forfeited 30 minutes after the scheduled game-time of the first contest.
EXAMPLE: softball or baseball doubleheaders
 - (3) If a school fails to show up for a game or cancels a game within four (4) hours of the scheduled starting time without an emergency condition or weather-related conditions, that school shall pay a forfeiture fee to the host school equivalent to the cost of the officials.
NOTE: If the host school is the violating team, the fee will be paid directly to the officials association.
 - (4) If a school fails to show up for a game or cancels within four (4) hours of the scheduled game time without emergency reasons or weather-related reasons for a second time, that school must make restitution again and must show cause to the GHSA Executive Director as to why they should not be placed on probation by the GHSA.
 - (f) The minimum penalty for allowing an ineligible athlete to participate in an interscholastic contest is forfeiture of the game(s). Fines or other penalties may also be imposed. NOTE: If it is determined by the Executive Director that the school has exercised every reasonable precaution and has been deceived regarding the student's data, any or all penalties may be set aside.
 - (g) A team shall forfeit any team standing or points toward team honors when an ineligible student participates in a contest. In sports where individual titles may be won (Cross Country, Literary, Swimming and Diving, Traditional Wrestling, Gymnastics, Golf and Track), eligible individuals will keep their placements and opportunities to advance toward individual honors even if a teammate participated while ineligible.
- 2.64 **Tournaments or multiple-meets**, other than the Region or State elimination series must be approved (**sanctioned**) by the GHSA Executive Director, subject to the special conditions for athletics and/or other activities.
- (a) A GHSA-member school shall not enter a tournament which requires sanctioning until that tournament has been **approved by the GHSA Executive Director**.
 - (1) The GHSA Executive Director may assess a fine and/or other penalties against a member school that violates the sanctioning rules.
 - (2) Approval will not be granted for any tournament, meet, or other contest to qualify for and/or determine a **national high school championship**. The GHSA strongly discourages participation in events that qualify a team representing a member school for a national championship during the Summer.
 - (3) **Tournament participation limits** are set for each sport, and they are listed in the specific sport sections in this document.
 - (b) All **applications for sanctioning** must be submitted to the GHSA thirty (30) days prior to the tournament by a GHSA-member school.
NOTE: Tournaments that require National Federation sanctioning are an exception to this rule.
 - (c) The host school for all sanctioned tournaments shall **pay five percent (5%)** of all gross gate receipts to **the GHSA** within ten (10) days after the tournament.

- (1) Total gate receipts before expenses are paid equals the gross receipts.
 - (2) A financial report of the event shall accompany the payment.
 - (d) GHSA approval for **tournaments in contiguous states** is needed when there are four or more schools participating.
 - (e) Approval for **tournaments in Georgia** is needed when:
 - (1) it is a tournament involving four or more schools OR
 - (2) it is a tournament in which awards are given.
 - (f) Tournaments that require **approval from the National Federation** are:
 - (1) any interstate tournament in which more than eight schools participate, and at least one participant is from a non-contiguous state OR
 - (2) any interstate tournament that involves schools from *more than five* State High School Associations, and at least one of them does not border on the State of the sponsoring school OR
 - (3) any international tournament (except competition with Canadian and Mexican high schools) OR
 - (4) any interstate tournament involving two (2) or more schools which is co-sponsored by or titled in the name of an organization outside the high school community (e.g., a university, a theme park, an athletic company).
 - (g) The GHSA Executive Director has the authority to approve competition between GHSA schools and **private schools from states in which membership in the State Association is not allowed**. These non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.
 - (h) In all sports except Football, a team (subvarsity or varsity) may play multiple games on a single calendar day in a tournament setting. NOTE: In these instances, the special "quarter/half participation rules" in basketball and soccer are waived.
 - (i) For any one-day event in which more than two schools compete (i.e., a basketball showcase or some similar event), the following stipulations are in effect:
 - (1) A "host school" must be designated for each game even if the games are played at neutral sites.
 - (2) The host school must provide a Game Manager for that game.
 - (3) The host school must schedule game officials through the local association assigned to it.
 - (4) These special events will require sanctioning approval from the GHSA office.
- 2.65 **Available Seating:** Member schools shall provide a seat for each ticket sold to any contest regulated by the GHSA.
- (a) An available seat is defined as twenty-four (24) inches in width.
 - (b) Each school is required to make a determination of the available seats prior to the beginning of the contest.
 - (c) At outdoor events, "standing room" tickets may be sold as long as they are identified as such at the time of the purchase, and as long as there are no problems with safety and security with such an arrangement.
- 2.66 **Weekday Contests:** Only one day and/or night preceding a school day per week may be used for a contest or activity with a starting time of 6:00 pm or later.
- (a) Regional, Sectional, and/or State playoffs are exempt from this rule.
 - (b) The GHSA Executive Director has the authority to set aside this rule upon request when there are extenuating circumstances.
 - (c) Teams playing any regular season contest when there are classes the next day shall be limited to a travel distance of no more than 100 miles one way as determined using the maps program at www.Yahoo.com.
 - (d) No contest shall be played beyond 11:30 p.m., unless exempted under By-Law 2.93 (c2b) or by procedures found in sections of the by-laws dealing with specific sports.
- 2.67 **Practice Policy for Heat and Humidity:**
- (a) Schools must follow the statewide policy for conducting practices and voluntary conditioning workouts (*including during the summer*) in all sports during times of extremely high heat and/or humidity that will be signed by each head coach at the beginning of each season and distributed to all players and their parents or guardians. The policy shall follow modified guidelines of the American College of Sports Medicine in regard to:
 - (1) The scheduling of practices at various heat/humidity levels
 - (2) The ratio of workout time to time allotted for rest and hydration at various heat/humidity levels
 - (3) The heat/humidity levels that will result in practice being terminated
 - (b) A scientifically-approved instrument that measures the Wet Bulb Globe Temperature must be utilized at each practice to ensure that the written policy is being followed properly. *WBGT readings should be taken every hour, beginning 30 minutes before the beginning of practice.*

WBGT	ACTIVITY GUIDELINES AND REST BREAK GUIDELINES
Under 82.0	Normal Activities - Provide at least three separate rest breaks each hour with a minimum duration of 3 minutes each during the workout.
82.0 - 86.9	Use discretion for intense or prolonged exercise; watch at-risk players carefully. Provide at least three separate rest breaks each hour with a minimum duration of 4 minutes each.
87.0 - 89.9	Maximum practice time is 2 hours. For Football: players are restricted to helmet, shoulder pads, and shorts during practice, and all protective equipment must be removed during conditioning activities. <i>If the WBGT rises to this level during practice, players may continue to work out wearing football pants without changing to shorts.</i> For All Sports: Provide at least four separate rest breaks each hour with a minimum duration of 4 minutes each.
90.0 - 92.0	Maximum practice time is 1 hour. For Football: no protective equipment may be worn during practice, and there may be no conditioning activities. For All Sports: There must be 20 minutes of rest breaks distributed throughout the hour of practice.

- (d) Conditioning activities include such things as weight training, wind-sprints, timed runs for distance, etc., and may be a part of the practice time or included in “voluntary workouts.”
- (e) A walk-through is not a part of the practice time regulation, and may last no longer than one hour. This activity may not include conditioning activities or contact drills. No protective equipment may be worn during a walk-through, *and no full-speed drills may be held.*
- (f) Rest breaks may not be combined with any other type of activity and players must be given unlimited access to hydration. These breaks must be held in a “cool zone” where players are out of direct sunlight.

2.68 **GHS A Concussion Policy:** In accordance with *Georgia law* and national playing rules published by the NFHS, any athlete who exhibits signs, symptoms or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred.  - (c) Boys and girls teams in the same sport are considered the same activity.
 - (d) This prohibition does not apply to the summer months.
 - (5) Neither coaches, former coaches (including community coaches), nor any other school personnel shall suggest, require, or otherwise **attempt to influence students** to participate in or practice for a sport outside the GHSA-designated season.

BY-LAW 2.40 - STUDENT RETENTION FOR ATHLETIC ACTIVITIES

- **SITUATION:** A student is retained in the 8th grade until January because; (a) he did not pass the promotion test until the fall semester, or (b) his parents did not feel he was ready for high school in August. How will affect the student's GHSA eligibility?

RULING: Students who are not admitted to the ninth grade in the fall because they did not pass a promotion test may have eligibility granted in January if the high school files a copy of the school system's promotion policy and a copy of the student's test scores. If the retention was for any other reason, the filing process is outlined in by-law 2.41. Regardless of the reason for the retention, the student's 8-semester calendar to participate in GHSA activities begins with the January entrance if the retention is approved by the GHSA.

BY-LAW 2.50 - QUALIFICATIONS TO COACH

- **SITUATION:** Are GHSA Community Coaches subject to the same regulations in regard to out-of-season coaching as coaches who are certified teachers?

INTERPRETATION: Yes, all coaching regulations apply to both Community Coaches and coaches who are certified teachers.

- **SITUATION:** Can an instructor at a cheerleading gym also be a Community Coach at the high school where the gym attendees are on the cheerleading team?

INTERPRETATION: Yes. However, as a Community Coach, the gym instructor must follow the same guidelines as a certified school coach in regard to out-of-season coaching.

- **SITUATION:** Can a gym instructor, who is also a Community Coach, coach an all-star team during the school year that includes one or more of his high school team members?

INTERPRETATION: No. A GHSA coach, either a certified teacher or a Community Coach, may not coach a non-GHSA team in a competitive setting during the school year that includes any player(s) who participates in the sport he coaches at the member school.

- **SITUATION:** Can the high school cheerleading team practice at the cheerleading gym where the Community Coach is an instructor during the cheerleading season?

INTERPRETATION: Yes. The GHSA does not specify where practices may be held. However, only the GHSA Community Coach and the certified school coach may work with the team at the gym. It would be illegal coaching for any other instructor at the gym to work with the team.

- **SITUATION:** A certified teacher is hired part-time in the local school. May he be hired to coach cheerleaders?

INTERPRETATION: Yes, if the certified person is employed for twenty (20) hours or more per week on a regular basis in a professionally contracted position, and holds a valid teaching certificate.
- **SITUATION:** A certified teacher is employed by a public school system and desires to coach at a private school. Is this permissible?

INTERPRETATION: Yes, as long as the chief administrator from each school involved signs the appropriate form agreeing to such an arrangement.
- **SITUATION:** A school system wants to use a community coach to coach Lacrosse at several schools in that system. Is this permissible?

INTERPRETATION: No. Community coaches may not coach the same sport at more than one school.
- **SITUATION:** A licensed para-professional is hired to work full-time. May she be hired to: (a) be the head coach of the varsity cheerleading team, or (b) assist the varsity cheerleading coach?

INTERPRETATION: If the para-professional successfully completes the GHSA training program for a community coach, that individual may be an assistant coach, but never a head coach.
- **SITUATION:** A coach for a member school takes a year off for maternity leave. May that coach continue to coach even though there are no teaching responsibilities?

INTERPRETATION: Yes.
- **SITUATION:** A basketball official who also assigns basketball officials is hired by a school as a community coach in its basketball program. Is this permissible?

INTERPRETATION: No. A person who is an active official and/or assignor of officials at the high school level may not be a head coach or an assistant coach at a GHSA school in the same sport.

RETIRED TEACHER

- **SITUATION:** A teacher-coach, who has been teaching thirty (30) years, retires and is re-hired by the local school board to supervise the athletic program half-time and coach. Is this acceptable?

- **QUESTION:** What is the definition of "retired?"

ANSWER: An individual who draws retirement funds each month from a teacher retirement fund administered by the state, local board of education, or an independent school is a retired person.

- **SITUATION:** May a faculty member officiate basketball pick up games before or after school outside of the published basketball season?

INTERPRETATION: Yes, as long as the faculty member is not a basketball coach at that school.

- **SITUATION:** May a coach in any extracurricular activity conduct voluntary, individual instruction with a student outside a team or competitive setting and outside the designated season for that activity?

INTERPRETATION: Yes, even if the instruction is in the activity that the coach coaches during the designated activity season as long as the instruction is voluntary and is outside a team or competitive setting. At any given point in time, only one coach in a particular sport may be working with one or two athletes in skill-building drills.

- **SITUATION:** A cheerleading coach desires to bring in a representative of a national cheer organization to hold a clinic for the cheerleaders: (a) during the season, or (b) just after Spring try-outs. Is this legal?

INTERPRETATION: This is a violation in either case. In (a), the violation is for illegal coaching; in (b), the violation is for out-of-season practice. Such a clinic is legal during the Summer.

- **SITUATION:** May a faculty member organize, but not require, a voluntary out-of-season weight-lifting program?

INTERPRETATION: Yes, but students must not be required to attend as a requirement for making the team. Coaches shall use caution not to suggest that participation in such a program is mandatory, or that their failure to participate could adversely affect their opportunity to make the school team. Such weight-lifting program must be open to all students in the school, and physical examinations for each participant must be on file at the school. The program shall not be sport-specific.

- **SITUATION:** A softball coach is asked to coach a traveling team that plays its schedule in the Spring and Summer months. There is one player from the coach's school team on the traveling team. May the coach accept the duty without violating GHSA rules?

INTERPRETATION: If the coach coached the traveling team before school was out for the students, there would be a violation. There is no violation during the Summer.

- **SITUATION:** A GHSA wrestling coach wants to take a group of his wrestlers to a "Free Style" tournament during the month of April, is this legal?

RULING: No. Wrestling is wrestling regardless of whether it is "folk style," "free style," or Greco-Roman style. GHSA out-of-season practice rules are in effect for all types of wrestling.

- **SITUATION:** A certified teacher who coaches at a member school gives instruction and/or coaches in a non-school Summer program that continues into Fall semester. What are the restrictions on the coach?

INTERPRETATION: The Summer activity is unrestricted as long as the students' participation is voluntary. After the GHSA school year begins in the Fall, the following conditions must be met:

- (a) If the students are in the school where the teacher coaches, no more than two can meet with the coach in skill-building drills at any point in time out of season.
- (b) If the student is from a school other than the one at which the teacher coaches, the student must voluntarily attend any instruction session or competition with the Summer activity without any direct or indirect influence from the school the student attends.
- (c) If any student transfers to the school where the teacher coaches, it would be prima facie evidence of undue influence and penalties could result. NOTE: This interpretation also applies to Community Coaches.

- **SITUATION:** May a basketball team have a scrimmage game against a team of the alumni or of the faculty of that school for fund-raising purposes?

INTERPRETATION: No, all participants in a practice must be eligible students currently enrolled in the school. This would be a violation in-season or out-of-season.

- **SITUATION:** May a school soccer team scrimmage a local recreation soccer team?

INTERPRETATION: No, all participants in a practice must be eligible students currently enrolled in the school. Interscholastic scrimmages are allowed in certain sports as long as both teams are properly sanctioned high school teams.

- **SITUATION:** At an invitational golf tournament, the host school ends its school day at 3:15 p.m. Other schools participating end their school days at times ranging from 2:30 to 3:45. What is the earliest this tournament may begin?

INTERPRETATION: 3:15 – The GHSA rule is that regular season competitions may not begin before school is out for the host school.

- **SITUATION:** A school has a teacher's workday on a Friday, and the students are not in school. May the school host a golf tournament that begins at 10:00am that day?

RULING: Yes. The golf tournament may be scheduled at that time, and any schools that are also not in session that day may participate. If a team's school is in session, they may not participate until the normal dismissal time of the host school.

- **SITUATION:** A student takes three courses that earn three Carnegie Units and is finished with those classes by 12:30 p.m., each day. His school declares its school day to run from 7:45 a.m., to 3:15 p.m. May the student go to personal golf lessons and/or practices at 1:00 p.m., during the school's golf season?

INTERPRETATION: No. A player who participates in a GHSA sport may not participate in practices that occur during school hours during the GHSA sport season, even if those practices are not a part of the school practice activities.

BY-LAW 2.70 - SPORTSMANSHIP

- **SITUATION:** A baseball coach is ejected on Friday, and sits out the next scheduled game on Monday. The Monday game is called because of rain in the third inning. Does this game satisfy the "sit-out rule?"

INTERPRETATION: No, since the game was called before it was considered a completed game, the coach may not count it as a sit-out game.

- **SITUATION:** A school has several players and most of its substitutes on its baseball team ejected for a fighting incident. At the time of the next scheduled game, the school does not have enough players to field a team, and they forfeit to their opponent. Does this satisfy one game of the sit-out rule?

INTERPRETATION: Yes. The acceptance of a loss in a forfeiture is equated to playing a game to its completion.

- **SITUATION:** A football coach, who works with both the junior varsity and the varsity squads, is ejected from a JV game on Thursday afternoon. What are the conditions for his "sit-out" game?

INTERPRETATION: The coach must sit out the next game at the level at which he was ejected and any games in between. In this case, the coach could not coach at the varsity game on Friday nor at the next scheduled JV game.

NOTE: **Gross receipts** are defined as total income before any charges such as stadium fees, officials, etc., have been deducted.
- 3.32 Regions (or Areas) that fail to follow stated procedures and deadlines may be assessed a fine for each violation.

BY-LAW 4.00 - STATE

4.20 - RECLASSIFICATION

- 4.21 Every two years, member schools will be placed in classifications for competition by one of the following procedures:
- (a) based on the FTE count for students in Grades 9-11 provided by the Georgia Department of Education for the fall semester of the second year of the current reclassification cycle
 - (1) A school will be considered a single-gender school if either gender composes less than 35% of the school population
 - (2) A single-gender school shall have its FTE numbers doubled for the purpose of reclassification
 - (b) based on the actual head count of students in Grades 9-11 at member private schools as determined on September 15th of the second year of the current reclassification cycle
 - (c) based on projected enrollments numbers for all schools affected by the opening of a new school or the consolidation of existing schools that must be submitted by the system Superintendent no later than September 15th of the second year of the current reclassification cycle.
 - (1) Projections must be filed for the next two school years and those numbers will be averaged to get the number by which the schools will be classified
 - (2) In the event that a school's actual enrollment in the first semester of the new reclassification cycle exceeds the projection average by 10% or more or an existing school exceeds the projection by 5% or more, the school shall not be eligible for post-season play in any sport for the entirety of that reclassification cycle.
 - (3) Schools may appeal the loss of post-season competition to the Reclassification Committee and then to the full Executive Committee
 - (d) determined by the Reclassification Committee in accordance with the "Isolation Rule."
- 4.22 The membership of the Association shall be divided into six (6) classifications as follows:
- (a) Schools will be placed in classifications as follows:
 - (1) Largest 14-17% of schools (according to F.T.E.) - 6A
 - (2) Next 14-17% - 5A
 - (3) Next 14-17% - 4A
 - (4) Next 14-17% - 3A
 - (5) Next 14-17% - 2A
 - (6) Remaining 21-22% - 1A
 - (b) Schools with the same F.T.E. count separated by a classification break point will be placed in the higher classification.
 - (c) Each classification will have eight (8) regions unless otherwise needed.
 - (d) The Executive Director shall have the authority to work with any school that is geographically isolated within its region in order to resolve difficulties in travel and time out of class.
 - (1) An individual school shall be considered to be isolated if the average distance from that school to all other schools in the region is 100 miles or more one way.
 - (2) The decision to place a school in a higher or lower classification will be based on a combination of factors that include travel distances and school population size.
 - (3) If two or three schools in a region are considered to be isolated (even if the average travel distance is less than 100 miles one way), the Reclassification Committee shall be authorized to place those schools in another classification based on travel distances and school population size.
 - (4) If four or more schools in a region are considered to be isolated (even if the average travel distance is less than 100 miles one way), the Reclassification Committee shall be authorized to form a subdivided region in which crossover games with the other subdivision will not be mandatory for region standing.
- 4.23 When the membership is divided into classifications as called for by the GHSA Constitution, the following process will be used:
- (a) The F.T.E. count for public schools will be averaged by the GHSA staff, and the staff will compile enrollment counts from private schools and system projections for new schools and other schools affected by that opening.
 - (b) Member schools will receive a listing of student population counts for their verification. When there is a major discrepancy between the school's enrollment count and the count determined by the GHSA staff, the school may appeal to the Executive Director to reconsider the count.

- (c) When enrollment figures have been verified, schools will be placed in the proper classification and schools will have fourteen (14) days to file a request to play at a higher classification.
 - (1) A request to move to a high classification must be submitted over the signatures of the school's administrative authorities (i.e., the Principal and Superintendent).
 - (2) A school that transfers to a higher classification must remain in the higher classification until schools are next reclassified on a statewide basis.
 - (d) The Reclassification Committee will meet in the month of November to place schools in regions and subregions. The decisions will be sent to the member schools after that meeting.
 - (1) There will be a mandatory subdivision of each region containing ten (10) or more schools by the Reclassification Committee (Exception: Cheerleading).
 - (2) The Reclassification Committee may subdivide a region consisting of less than ten schools if there is an extremely large geographic area within that region.
 - (3) For football, the Reclassification Committee will require crossover games between teams in the subregions to guarantee a minimum of 70% of the season schedule unless there are isolation issues.
 - (4) For all other sports, subdivided regions must guarantee member schools a minimum number of contests within the region equal to 50% of the season schedule unless there are isolation issues.
 - (5) Any region subdivided because of geographic considerations may vote to play a full region schedule based on a two-thirds approval of all Principals in the region.
 - (e) Following the initial placement of schools into regions, each new region shall meet to audit the population numbers of its member schools.
 - (1) If the numbers are accurate, a written notice of approval shall be sent to the GHSA office.
 - (2) If there are discrepancies in the numbers, a written notice shall be sent to the GHSA office asking the Reclassification Committee to hear the appeal at the meeting that is scheduled to hear appeals for lateral transfers.
 - (f) Member schools will have fourteen (14) days to request a lateral move to another region, and that request is filed with the Reclassification Committee.
 - (1) A request to have a lateral transfer must be submitted over the signatures of the school's administrative authorities (i.e., the Principal and Superintendent).
 - (2) This appeal will be heard in December and representatives from both regions shall be notified of the appeal, and may attend the meeting to voice their approval or state their concerns about such a move.
 - (3) A school that receives a lateral transfer must remain in that region until schools are next reclassified on a statewide basis.
 - (4) The decisions made by the Reclassification Committee will produce the alignment that will be presented to the full Executive Committee.
 - (g) At a specially-called meeting in January, the Executive Committee shall hear any appeals from members who were denied lateral transfers by the Reclassification Committee. Representatives from both regions involved in the appeal shall be notified, and may voice their approval or state their concerns about the appeal.
 - (h) Member schools may begin scheduling contests for the new reclassification cycle as soon as the final vote has been taken, the membership notified, and any region subdivisions finalized.
 - (i) When a majority vote is used in a subdivided region to determine scheduling and the process for selecting teams for post-season play, one or more schools may file a "minority report" with the Executive Director if the approved procedure is alleged to be unfair to all schools in the region. If the Executive Director believes that there is unfairness with the chosen procedure, the Reclassification Committee will mediate the matter.
- 4.24 The following scheduling policy will be in effect for public schools entering the GHSA at the beginning of the second year of the reclassification cycle:
- (a) In sports where the region has two-year scheduling, the new school will not be able to play a complete region schedule at the varsity level. In those sports, the school could play a varsity non-region schedule or a JV schedule.
 - (b) In sports having year-to-year scheduling, the new school will have full membership once it has been assigned to the new region by the Reclassification Committee.
 - (c) In sports that have a region tournament to advance to post-season play, the region may allow a new school to accept a low seed in the tournament even though it did not play a complete region schedule. That is a decision made by the region.
- 4.25 The Reclassification Committee will utilize the following factors in reclassification decision:
- (a) consideration of travel time and costs, plus time out of school for students.
 - (b) consideration of differences in the size of school populations.

- (c) consideration of competitive balance of the schools.
 - (d) consideration of equitable access to playoff slots.
 - (e) consideration of rivalries and gate-receipt issues.
- 4.26 Charter schools that apply for membership after the reclassification process has been completed will be accepted as schools playing sub-varsity schedules and/or non-region varsity schedules for the next reclassification cycle.
- 4.27 The playoff format for Class A schools will be different from all other classifications:
- (a) Public and private schools will compete with each other in post-season play in the sports of Volleyball, Wrestling, Swimming & Diving, Soccer, Lacrosse, Riflery and Gymnastics.
 - (b) Public and private schools will have separate championships in the sports of Football, Softball, Basketball and Baseball. The teams qualifying for post-season play out of their respective regions will be determined by the use of power ranking systems.
 - (c) Public and private schools will have separate championships in the sports of Cross Country, Track & Field, Golf, Tennis, One Act Play and Literary. Teams will qualify out of Area competitions in these sports. **NOTE:** Each Area shall select an **Area Coordinator** to organize procedures.

The Georgia High School Association shall, no later than October 1, 2003, and every year thereafter, submit a report to the General Assembly regarding its compliance with paragraph (1) of this subsection. Such report shall address the number, type, and disposition of written requests for the association to organize and administer regional or state events for additional or different sports; written requests for information regarding the types of athletic events for public high school students that the association organizes and administers; and written inquiries and complaints received by the association with respect to gender discrimination in connection with public high school events. The report shall address all such written requests, inquiries, and complaints, regardless of whether such request, inquiry, or complaint is made by letter, e-mail, memorandum, or any other form of written communication. Each report shall cover the time period beginning on July 1 of the previous year and ending on June 30 of the year in which the report is due. In addition, the association shall have in effect a policy requiring notification to persons who make such requests, inquiries, or complaints verbally that such request, inquiry, or complaint will not be included in the association's reporting to the General Assembly regarding compliance with this Code section unless such request, inquiry, or complaint is made in writing.

- 4.62 **Open Meeting/Open Records:** The Georgia High School Association shall comply with the requirements of Article 4 of Chapter 18 of Title 50, relating to the inspection of public records, and Chapter 14 of Title 50, relating to open and public meetings, to the extent that such records and meetings relate to the association's activities with respect to public high schools; provided, however, that such association shall not be required to comply with such statutes or to conduct open and public meetings or provide inspection of records where the sole subject of such meeting or record pertains to the academic records or performance of an individual student or the eligibility of an individual student to participate or to continue to participate in sponsored events or contests based on academics; provided. The GHSA encourages member schools to educate students and coaches about the perils of steroid usage, and the GHSA will distribute educational materials about this issue to member schools.
- 4.64 **Penalties for Violations:** In accordance with the GHSA Constitution, the Executive Director is empowered to make a determination as to whether a violation of GHSA rules has occurred, and to assess the appropriate penalty which may include a fine and/or probation. SECTION 1 BASEBALL

GENERAL INFORMATION:

- A. Baseball is a state championship event in each classification, and schools are aligned on a regional basis. In Class A, there will be separate championships for public and private schools.
- B. All baseball games will be played by the baseball rules as published by the National Federation of State High School Associations.
- C. The maximum number of baseball **games** allowed (not including state playoffs) is twenty-six (26). Beginning and ending dates for practice and competition can be found at the front of this publication.
- D. A school shall not allow its baseball team to engage in an interscholastic practice and/or scrimmage game, except for one (1) interscholastic scrimmage consisting of a 7-inning game using a “free substitution” format and umpires registered with the GHSA.
- E. All varsity baseball games shall be played with officially-dressed officials who are registered under the GHSA plan for the registration of officials.
 1. The assignment of officials for regular-season games, invitational tournaments, and any sub-region or region playoffs allowed in the 26-game limit will be made by the GHSA office.
 - (a) The GHSA will assign one or more associations to each school for their games.
 - (b) The school and the local association(s) will sign a contract for the games that are assigned.
 2. In accordance with By-Law 2.71-c, the host school has the responsibility of providing security escorts for umpires at all regular-season and post-season games.
- F. The following items allowed in the National Federation rule book as “State Adoptions” have been adopted by the GHSA:
 1. A game will end anytime that a team is 10 or more runs behind and has completed five or more turns at bat. A game will end anytime that a team is 15 or more runs behind and has completed three or more turns at bat.
 2. The suspended game rule will be used:
 - (a) When a game is stopped before it becomes a legal game (4.5 or 5 innings), it is considered “no contest” and any replay will begin from the first inning.
 - (b) When a game is stopped after it becomes a legal game and a winner can be determined, it is a completed game.
 - (c) When a game is stopped after it becomes a legal game and a winner can not be determined, any replay will begin from the point of interruption.

 1. Termination of the game due to weather, unplayable conditions, or mechanical malfunctions:
 - (a) The umpires may halt play for up to two hours when conditions do not allow play to continue.

- (e) When a pitcher exceeds the pitching limits, he becomes an ineligible player.

STATE PLAYOFFS:

- A. Four teams from each region will advance to the state playoffs. Regions must determine their four winners within the 26-game playing limit. Class A teams will qualify for the playoffs through a power rating system.
- B. When a region does not have a tie breaker method in place, the following procedure will be used for seeding purposes:
 - 1. Percentage of head-to-head wins against tied teams
 - 2. Least number of runs allowed between tied teams
 - 3. Least number of runs allowed overall region play
 - 4. Mini-game of five (5) innings

 - 5. At the end of each day's competition, the host school will report the results to the GHSA office, or a designated location.
 - 6. The responsibilities of the host team are to:
 - (a) furnish game balls beyond those furnished by the GHSA

NOTE: When a coed team consists of only one male, and loses that one male, the team will still be required to compete in the coed division, unless a waiver is granted by the GHSA for a hardship reason.
 4. Coed teams and non coed teams may not compete against one another in the regular season.
 5. The Coed Sectionals will be held on Saturday, November 9, 2013, at Columbus State University. The top sixteen (16) teams will advance to the State Championship.
 6. The Coed State Championship will be held on Friday, November 15, 2013, at the Columbus Civic Center. NOTE: The GHSA office has the authority to make adjustments in the Coed format depending on the number of teams declared Coed.

 - 1. In the reclassification year (see Article III of the GHSA Constitution), all regions will meet after reclassification has been finalized by the Executive Committee and after any sub-divisions have been finalized and cross-over games have been arranged.
 - (a) No schedule is valid until the plans of all regions have been approved.
 - (b) Plans for determining the ranking and breaking ties of the four region representatives for playoffs must be drawn.
 - (c) All contracts should be drawn to coincide with the two-year reclassification period and show the day, date, time, opponent and game site.
 - 2. Each school must file its football schedule with the GHSA Executive Director no later than **March 1**, of each year.
 - (a) The schedule must show the day, date, time, opponent, and game site.
 - (b) The GHSA Executive Director must be notified concerning any changes made to the schedule after the submission date.
 - (c) Any changes made for a region game must be made prior to the date for beginning football practice.
 - (1) Any change of opponent after that date will cause the game not to count as a sub-region or region game.
 - (2) Limitations regarding schedule changes shall also be construed to prevent a school from cancelling a game when such a game could affect the region and/or sub-region standings.
 - (3) A change in date or time with the same opponent is not considered a change affecting region or sub-region status.
 - (d) Contracts with officials for varsity games must be signed by June 1 each year, and copies of the schedules must be submitted to the proper officials association(s).
 - (e) Each school must have a signed contract for its football scrimmage, and a school may be fined for failure to comply with that contract.
- B. All GHSA football games must be played according to the rules as published by the National Federation of State High School Associations, and any other rules found in this section.
- C. The number of football games allowed (excluding state playoffs) is ten (10).
 - 1. No varsity football game may be played on a night preceding a school day without specific authorization from the GHSA Executive Director.
 - 2. Only one football game may be played per week (*the schedule week is a traditional week - Sunday through Saturday*) by the same level team (varsity/sub-varsity) except in the case of the GHSA Tie-Breaker Playoff or make-up games due to special circumstances that have been approved by the Executive Director.
 - 3. A single sub-varsity game played on a night before a school day may start no later than 6:30 p.m. The first game of two sub-varsity games played on a night before a school day may start no later than 5:30 p.m.
 - 4. Football players playing on both the varsity and one sub-varsity team are limited to six quarters of competition in any seven (7) day period beginning with the date of the varsity game. The penalty for violation of this rule will be forfeiture of the game in which the violation occurred and a \$1,000.00 fine.
 - 5. The football season ends for a team or individual when that team, having completed its regular-season schedule, is eliminated from playoff competition or wins the State Championship.
 - 6. All JV games will be played with 10-minute quarters. If there is an 8th grade student(s) on the JV team, then 8-minute quarters must be played.
- D. Football practice may begin five consecutive weekdays prior to August 1st.
 - 1. In the first five days of practice for any student, the practice may not last longer than two (2) hours, and the student may wear no other protective football equipment except helmet and mouthpieces. NOTE:
 - (a) The time for a session shall be measured from the time the players report to the practice or workout area until they leave that area.

- (b) *During acclimatization practices, teams may hold a walk-through as long as there is at least a two-hour break between the two activities.*
 - 2. Beginning August 1st, any student may practice in full pads and may practice a maximum of two times in a single calendar day under the following stipulations:
 - (a) A student must have participated in five conditioning practices wearing no other protective football equipment except helmet and mouthpieces before being allowed to practice in full pads.

 - (2) The total amount of time in the two practices shall not exceed five (5) hours.
 - (3) There must be at least a three-hour time of rest between sessions.
 - (4) There may not be consecutive days of two-a-day practice sessions. All double-session days must be followed by a single-session day or a day off.
 - (5) *A walk-through may not be held on days when two practices are conducted.*
 - (c) These procedures are derived from recommendations created by the Inter-Association Task Force for Preseason Secondary School Athletics Participants in the paper "Preseason Heat-Acclimatization Guidelines for Secondary School Athletes."
 - 3. From the end of school in the spring until the first day of preseason practice, players may wear no other protective football equipment except helmets and mouthpieces for all voluntary workouts and passing league games. Institutional heat policies are also in effect for voluntary workouts supervised by school personnel.
 - 4. *Team camps that have been approved in writing by the Executive Director may allow participants to wear shoulder pads for blocking drills. Coaches for these players **must** verify that the participants have had acclimatization practices for five weekdays immediately preceding the camp.*
- E. All varsity football games shall be played with a minimum of five (5) officially-dressed field officials who are registered under the GHSA plan for registering officials. The officiating crew also shall have an electric clock operator whose only duty is to operate the game clock.
- 1. In all games, the host school must provide some type of dressing facilities for officials at or near the game site that can also be used to hold the pregame conference.
 - 2. During the regular season, the host school is responsible for providing a crew to work the sideline chains. These individuals must be responsible adults.
 - 3. In accordance with By-Law 2.71-c, the host school is responsible for providing security escorts for the officials at all regular season and playoff games.
- F. The following regulations are in place for GHSA football games.
- 1. All GHSA football games will have a twenty (20) minute halftime **unless** both school administrators agree in writing by Thursday of game week to shorten the halftime period to fifteen (15) minutes.
 - 2. Artificial noisemakers, except airhorns and whistles, are legal at football games. Illegal noisemakers are to be confiscated when visible and/or used.
 - 3. Bands are not to play during live-ball situations.
NOTE: This includes the situation in which there is no timeout and the teams are in a huddle.
 - (a) If, during a football game, a team claims interference with communications due to band noise, the Referee shall give a warning to one or both head coaches and the bands must cease playing.
 - (b) If there is a second offense by the same school's band, an unsportsmanlike conduct penalty will be imposed against that school's team.
 - 4. During the state playoff series, a crew of six (6) field officials will be used.
 - 5. Fans shall not be allowed to enter the playing field either before the game or at halftime to form a tunnel for players to run through.
 - 6. In the regular season, a school may utilize a visible 25-second clock as long as the time is visible on both ends of the field and the clock is operated by a paid game official.
- G. Spring Football Practice for each school year may be held on ten (10) school days from February 1 until the end of the school year, spaced over 13 consecutive school days.
- 1. *Schools must choose by February 1 each year as to whether they will have spring football practice.*
 - (a) *If a school conducts spring practice, all preseason practice schedules remain the same.*
 - (b) *If a school chooses not to conduct spring practice, the team will be allowed to hold an additional (second) scrimmage game or controlled scrimmage against another school in the fall.*
 - (c) *Schools hiring a new coach may appeal to the Executive Director to change an earlier decision.*
 - 2. A football coach on the payroll of one school district, but under contract to another school district for the following year, may help with Spring football at the new school, if the arrangement is satisfactory with both systems.
 - 3. Students enrolled in grade 8 in a middle school or junior high school that is a feeder school to the high school may participate in Spring Practice at that high school. These students must be pre-enrolled at that member high school, and once pre-enrolled, the student has established his/her eligibility at that high school.

4. No student (eighth grade or older) may participate in more than ten (10) days of Spring Practice.
- H. In case of a game being terminated in the first half (suspended game), By-Law 2.93-c must be followed.
NOTE: Football games played between schools from the same classification must be played to completion. Any interrupted game must be replayed from the point of interruption. The school that is behind in the score may choose not to continue the game. NOTE: Teams will not be allowed to play two football games in the same week, except when making up a suspended game with the permission of the Executive Director.
- I. During warmups before the game and at halftime there shall be a division of the field, and neither team shall enter the other team's portion of the field. That division shall be as follows:
 1. Before the game: each team shall occupy the space from their own 45-yard line to the endline of their goal line. Neither team shall occupy the area between the 45-yard lines.
EXCEPTION: When kicking, each team shall have the area between the opponent's 45-yard line and kicking team's end zone in the side zone area on the same side of the field as their bench. Kickers shall kick toward their endzone.
 2. Re-entering the field before the game and at halftime: each team shall have the portion of the field between their bench and the near edge of each goal post - ie, field divided lengthwise.
- J. The GHSA Overtime Procedure will be used whenever **two schools from the same classification are tied** at the end of regulation play.
 1. This procedure involves giving both teams opportunities to score from the 15-yard line until the tie is broken.
 2. Schools from differing classifications may use the overtime procedure if agreement is reached and communicated to the Referee before the beginning of the game.
 3. Overtime games are exempt from the 11:30 p.m. GHSA curfew.
- K. MERCY RULE: At the end of the first half of play, if a team is trailing by 30 points or more, the coach of the trailing team may choose to play the second half with a running clock. Quarters will remain at 12 minutes.
 1. If the coach does not exercise the option of the running clock, the third quarter will be played with regulation timing.
 2. If the point differential reaches, or remains, 30 or more points during the third quarter, the clock will still run according to rule for the remainder of the third quarter, but the fourth quarter will have a running clock mandated.
 3. A running clock means the clock will be stopped only:
 - (a) after a touchdown and until the ball is kicked off.
 - (b) during deliberations for penalty administration.
 - (c) during charged timeouts or official's timeouts
 4. A game that is reduced in time by use of a running clock shall constitute a "completed" game to meet other by-law considerations.

GHSA OVERTIME PROCEDURE

1. There will be a 3-minute intermission between the end of regulation play and the coin toss to start the overtime procedure.
2. The captains will meet for the coin toss, and the winner may choose one of the following:
 - (a) Be on offense first
 - (b) Be on defense first
 - (c) Choose the end of the field on which to play
3. The ball is placed on the 15-yard line and the offense keeps the ball until:
 - (a) The ball is turned over on downs NOTE: The team on offense can gain a first down.
 - (b) The defense gains possession of the ball (ball is dead immediately)
 - (c) The offense scores a touchdown or field goal
 - (d) The offense misses a field goal
4. After the first offensive team completes its possession, the opposing team gets its opportunity from the 15-yard line.
5. If the game remains tied after each team has had an offensive possession, there will be a 2-minute intermission and the team that lost the first coin toss has the first option for the second possession.
6. For each additional overtime period (i.e., an offensive possession by each team) the original coin toss options are alternated.
7. Beginning with the third overtime period, a team must attempt a 2-point try after a touchdown.
8. Each team is allowed one timeout per overtime period. No timeouts may be carried over from regulation play.
9. Penalty enforcement is handled the same way in overtime as in regulation play.

REGION PROCEDURES:

- A. To qualify for championship consideration in a region or sub-region, a school must play a minimum number of games with schools in its region as determined by the region and the GHSA Reclassification Committee.
1. In any region or sub-region in which there are six (6) or less schools, if each school plays two (2) games, both games will count as region games. In any other case where two (2) schools have played more than once during the regular season, only the first game scheduled shall count in the region standings.
 2. Any school playing a non-region or non sub-region schedule (i.e., not in consideration for a region championship) will not have its games count for or against any opponent.
- B. The GHSA Executive Director, upon presentation of evidence to show that a school can not secure the required number of games in a region or sub-region, may authorize each school to substitute any number of games in any classification or region to qualify for championship consideration. NOTE: A request for substitution of game(s) must be submitted prior to September 1.
- C. Four (4) representatives from each region will enter the post-season playoffs.
1. Each region will determine the way to designate the four representatives and their placement in the region (i.e., first place, second place, third place and fourth place). Class A teams will qualify for the state playoffs through a power rating system.
 2. In case there is a **tie between two teams** and the region does not have a different written tie-breaker plan, the following tie-breaking procedures will be used:
 - (a) If the teams played during the regular season, the winner of the game will have the higher placement.
 - (b) If the tie remains and both teams have qualified for a playoff spot, the region will determine the placement of the teams that are tied.
 - (c) If the tie remains and there is a playoff spot for only one team, the two teams that are tied will meet in a GHSA Tie-Breaker Game.
 - (1) The schools shall meet at a site selected by the GHSA Executive Director for a playoff on the Monday night after the end of the regular season.
 - (2) The two teams will play a GHSA Tie-breaker Mini-game, and the winning team will have the higher placement.
 3. In case there is a tie between three or more teams and there are spots for all the teams in the playoffs, the region shall decide the seeding of the tied teams.
 4. In case there is a tie between three or more teams and there are not spots in the playoff for all three teams, the following tie-breaking procedures will be used. NOTE: At any point in this process where a tie can be broken so that only two teams remain tied, consideration of head-to-head competition will be invoked. If the tie is completely broken for all teams involved at any step in the process, the tie-breaker process is completed.
 - (a) If the teams that are tied have played during the regular season game and one team has defeated the others, the undefeated team has the highest placement.
 - (b) If one team has not beaten all other tied teams, the school with the highest percentage of wins against the tied teams will have the highest placement. If the percentages leave two or more teams still tied, then revert to head-to-head records.
 - (c) If the tie remains, the two teams that are tied will meet in a GHSA Tie-breaker Mini-game.
- D. When a region uses a regular-season playing date for games that determine the seeding of its four playoff teams, all games in the region that night will have officials assigned separately from the regular season assignments. The Region Secretary will work with the GHSA office to coordinate this process.

GHSA TIE-BREAKER MINI-GAME PROCEDURE (NOTE: The option to play a Mini-Game to break a tie is available only to regions that have adopted the GHSA plan for breaking ties without any modifications)

1. The schools shall meet at a site selected by the GHSA Executive Director for a playoff on the Monday night after the end of the regular season.
2. The games will consist of two five-minute halves. The play begins for the first half with a free kick, and standard game rules and scoring are used.
3. There will be a two-minute intermission between the two halves. Play begins for the second half with a free kick.
4. Each team will be given two (2) timeouts in the first five (5) minutes and one timeout in the second five (5) minutes. Unused timeouts in the first five minutes may be carried over to the second five minutes.
5. If the score is tied at the end of two overtime periods, the teams will go to the GHSA 15-yard overtime procedure.
6. A coin toss will determine the order of play.
 - a. When three teams are tied for one open spot, the team winning the toss gets a bye - and then plays the winning team of the first Tie-Breaker game.

Example: Team "C" gets a bye

- Team "A" plays Team "B"
 - Team "C" plays the winner of game 1
 - Winner of game 2 qualifies for the playoffs
- b. When three teams are tied for two open spots, the following format will be used.
 - Example: Team "C" get a bye
 - Team "A" plays Team "B" and the winner qualifies
 - Team "C" plays the loser of game 1 and the winner qualifies
 - If Team "C" wins game 2, the regular season winner between Team "C" and the winner of game 1 will have the higher placement
- c. When four teams are tied for one open spot, the pairings will be determined by draw and the following format will be used.
 - Example: Team "A" plays Team "B" in game 1
 - Team "C" plays Team "D" in game 2
 - Winner of game 1 plays winner of game 2
 - Winner of game 3 qualifies
- d. When four teams are tied for two open spots, the pairings will be determined by draws and the following format will be used.
 - Example: Team "A" plays Team "B" in game 1 and the winner qualifies
 - Team "C" plays Team "D" in game 2 and the winner qualifies
 - The winner of the regular season game between the two winning teams will have the higher placement
- 7. When teams play a mini-game tiebreaker on a Monday, their first round playoff game will be scheduled for the following Saturday unless both schools agree to play on Friday.

STATEPLAYOFFS:

- A. All rounds of games after the end of the regular season are considered part of the state playoff structure.
 - 1. In all rounds but the Finals, the higher seeded team will host.
 - 2. In all rounds except the Finals, game date and time will be set by mutual agreement. If that agreement is not possible, the GHSA Executive Director will finalize the arrangements. If an administrator does not attend the meeting at which the playoff contract is negotiated, the coach shall be authorized by the Principal to negotiate and sign a binding contract.
 - 3. In the Quarterfinal Round, if both teams have the same seeding, a coin toss will determine the host site.
 - 4. For Semifinal Round games:
 - (a) The higher seeded team will be the host team. If they do not have a stadium that meets GHSA minimum standards, they may secure a suitable site.
 - (b) If both teams have the same seeding, the following procedure will be used:
 - (1) If both school/school system sites meet or exceed GHSA standards, a coin toss will determine the host site.
 - (2) If only one school/school system site meets or exceeds GHSA standards, that school will host.
 - (3) If neither site meets or exceeds GHSA standards, the Executive Director will designate a neutral site.
 - (c) The GHSA will provide ticket sellers, pass gate workers and a supervisor at all semifinal games.
 - 5. Playoff ticket prices are as follows (NOTE: Only babies in arms do not need a ticket.):
 - First Round: \$8.00 (All classes)
 - Second Round: \$10.00 (2A through 6A)
 - Quarterfinals: \$12.00 (All classes)

- A. Soccer is a state championship event for boys and girls played in the Spring season. Schools in classes 2A through 6A are aligned in Regions, while Class A schools are aligned in Areas.
- B. All soccer matches will be played according to the rules published by the National Federation, and all National Federation recommendations for "State Adoption" have been adopted by the GHSA. Sub-varsity matches are limited to 35-minute halves.
- C. Notification of entry in Class A Soccer must be filed in writing with the GHSA Office no later than *May 1*, for the upcoming school year so that teams may be placed into Areas for competition. All other classifications are structured according to regions.
- D. The number of soccer matches allowed (not including state tournaments) shall be eighteen (18). If a region/area chooses to play a region/area tournament, those matches must be included as part of the 18-game total allowed. Beginning and ending dates for practice and competition can be found at the front of this publication.

- E. All GHSA varsity soccer matches shall be played with one or more officially-dressed officials who are registered under the GHSA plan for the registration of officials.
- F. In accordance with By-Law 2.66, only one night before a school day per week may be used with competitions beginning at 6:00 p.m. or later.
 - 1. For evening matches, a single match must start no later than 7:30 p.m.
 - 2. For evening matches, a double-header must start no later than 6:00 p.m.
- G. Teams arriving late for a contest by thirty (30) minutes or more shall forfeit the match, and shall pay the officials unless prior arrangements are made in a timely manner, and both teams agree to start the game late or reschedule it. Consideration will also be given to emergency situations over which the traveling school has no control. The host school has the responsibility of notifying the officials of these changes.
- H. A student may not participate in more than three (3) halves of soccer per day except in a tournament setting, when a player may play two full matches in a calendar day.
- I. During regular season competition played between teams of different classifications, there will be no overtime procedure invoked when regulation play ends with a tie score, unless both coaches agree and inform the match officials prior to the start of the match. During regular season competition between schools in the same classification, and during region/area and state playoff competition, the overtime procedure listed below will be invoked:
 - 1. The overtime will consist of two (2) five-minute periods.
 - 2. If the score remains tied following the overtime periods, a "shootout" of penalty kicks will determine the winner.
 - 3. A coin toss shall take place to determine which team will put the ball in play for the first overtime period.
- J. In accordance with the National Federation allowance for a state adoption (Rule 7-2), when there is a competitive imbalance between the teams, the match will be shortened as follows:
 - 1. If a team is seven (7) or more goals down at the midpoint of the first half, that will be considered the end of the half, and the teams will play a twenty (20) minute second half.
 - 2. If a team is seven (7) or more goals behind at halftime, the second half will be restricted to twenty (20) minutes.
 - 3. When a team is ten (10) or more goals behind in the second half, the game will be terminated.
- K. All soccer matches between schools from the same classification must be played to completion. Matches that are interrupted by weather or mechanical difficulties will be replayed from the point of interruption unless the team that is behind chooses not to complete the match.
- L. In accordance with GHSA By-Laws, soccer coaches will be required to attend a GHSA rules clinic. Failure to do so will result in a fine for the school for each coach who does not attend.

REGION/AREA COMPETITION:

- A. Region or Area Tie-Breaking Procedure (to use for seeding purposes):
 - 1. Record against all teams in the Area.
 - 2. Winning team in head-to-head competition between schools that are tied.
 - 3. Goals allowed in head-to-head competition between schools that are tied.
 - 4. Goal differential in head-to-head competition between schools that are tied (maximum of three (3) goals per game).
 - 5. Goals allowed in all Area games
 - 6. Goal differential in all Area games (maximum of three (3) goals per game). NOTE: When figuring "goals allowed" and "goal differential" in matches decided by penalty kicks, the winning team will have one (1) goal added to its game score and the losing team will have no goals added regardless of the number of penalty kicks that were made by either team.
 - 7. In any step of the tie-breaking process if a three-way tie is broken so that all ties are broken, that step determines the placements. If two teams remain tied after a step is completed, revert back to head-to-head record to break the tie. If the tie cannot be broken, move to the next step.
- B. If Region/Areas sub-divide into Sub-Regions/Sub-Areas, then the same tie-breaking procedures (A1 through A7) should be used substituting the word "Sub-Area" for "Area."
- C. For Area and State competition, if the score is still tied at the end of the second overtime period, the penalty kick procedure will be used to determine the winner.
- D. Financial procedures for all Region/Area playoffs will be determined by the Region/Area. The host school is responsible for payment of officials out of the gate receipts. The admission fees for State playoffs begin immediately after Region/Area winners are determined.

E. PENALTY KICK PROCEDURE:

The teams will go into a penalty kick "shootout" immediately after the two (2) five-minute overtime procedure has taken place, if a tie score still exists.

1. The head referee shall choose the goal at which the penalty kicks will be taken.
2. Each coach will select any five eligible players (including goalkeeper) to take the kicks.
3. A coin toss shall be held with the team winning the toss having the choice of kicking first or last.
4. Teams will alternate kickers, and there is no follow-up on the kicks.
5. The defending team may change goalkeepers prior to each kick.
6. Following the five (5) kicks from each team, the teams with the greater number of successful kicks will be given one (1) point and declared the winner.
7. If the same number of penalty kicks are successful for each team, each coach will select five (5) different eligible players who will kick in a "sudden victory" situation. NOTE: Each team will have an opportunity to kick in each round of the "sudden victory" situation.
8. If there is no "sudden victory" after the five (5) kicks, keep repeating the process until a winner is determined.

STATE COMPETITION:**A. Four teams from each Region in classes 2A through 6A, and four teams from each Area in class A, will advance to the state tournament.**

1. Region/Area winners must be determined by April 23, 2014.
2. It is the responsibilities of the host team to furnish game balls beyond those furnished by the GHSA
3. In the event that two schools involved can not agree on the arrangements for the series (dates, times, etc.) the GHSA Executive Director will make a ruling to cover the situation.
4. Prior to the final round, the higher seeded team will host, unless the competing teams have the same seeding. In that case, the (H) printed on the bracket will designate the host team.
5. All Championship games will be played at a neutral site and the home team will be determined by the "H" in the bracket.

B. Finances:

1. The GHSA will receive 12% of the gross gate receipts.
2. A pre-set amount for game officials fees will be sent to the GHSA office, along with the 12% of gross gate receipts, and the GHSA office will be responsible for paying the officials.
3. The visiting team shall be paid \$.80 per mile (one way) for travel.
4. After these three expenses are paid the schools involved will share the remaining gate receipts equally.
5. The host school is responsible for security, facility fees, maintenance costs, etc., and these expenses shall not be taken out of gate receipts.

C. Admission must be charged at all playoff games. Beginning immediately after Area winners are determined, fees for single playoff games are \$7.00 for adults, and \$5.00 for students high school and under, for pre-sale only when applicable. When pre-sale is not applicable, all fees at the gate will be \$7.00. Doubleheaders will be \$10.00.**D. In order to host a state playoff game, the following site requirements must be met:**

SECTION 13
TENNIS

GENERAL INFORMATION:

- A. Tennis is a team championship sport for boys and girls that is based on Region play in all classifications except for Class A, which is based on Area play and will have separate championships for private and public schools. Beginning and ending dates for practice and competition can be found at the front of this publication.
- B. All tennis matches will be played according to tennis rules published by the U.S. Tennis Association (USTA) unless otherwise specified by the Georgia High School Association.
- The rules of the USTA Handbook relating to lateness for a match will apply to GHSA matches.
 - There will be continuous play except that a coach may talk to players as they change ends of the court after a game, but the players must stay on the court.

3. In regular season play and in the Region/Area tournament, the 8-game Pro Set format is allowed. The host coach shall notify all opponents of the format to be used at least 24 hours before the competition. 8-Game Pro Set: First player to win 8 games by a margin of 2 games (ie, 8-5, 8-6, 9-7) wins the set - if score gets to 8-8, the tie-breaker as outlined in this section is used.
- C. Teams are restricted to no more than eighteen (18) varsity matches excluding Region/Area and State tournaments. The 18 matches are for the complete team (singles and doubles). There will be no singles tournaments allowed.
1. Each match played in an invitational tournament or multiple match counts toward the maximum of eighteen (18).
 2. No school shall enter any invitational tournament unless it has been approved by the GHSA Executive Director.
 3. In accordance with By-Law 2.66, only one night before a school day per week may be used with competitions beginning at 6:00 p.m. or later.
 4. It is permissible for coaches to use "split squads" during the regular season. However, the use of split squads will count as two (2) of that school's maximum allowed competitions.
 5. There shall be no interscholastic practices and/or scrimmages.
- D. The format for all GHSA tennis matches shall be three (3) singles matches and two (2) doubles matches. With prior agreement of both coaches, JV squads may use a format of two (2) singles matches and one (1) doubles match.
1. A player may play in either one (1) singles match or one (1) doubles match.
 2. No player is permitted to play in both a singles and a doubles match.
 3. Substitution is not permitted once a match has begun. If any injury occurs during play that prevents a player from completing the match, that player defaults and the opponent is awarded the victory.
- E. 12-Point Tie-Breaker for Singles (Team A vs B)
1. This is used when the score is tied 6-6 (or 8-8 in Pro-Set) in any set (1st, 2nd, or 3rd).
 2. Player A serves the first point from the right service area.
 3. Player B serves the second and third points from the left and right service areas respectively.
 4. Player A serves the fourth and fifth points - again alternating the service areas.
 5. Player B serves the next two points and ends of the court are changed between these two points.
 6. Player A serves the eighth and ninth points.
 7. After this, the serve is alternated on every two points.
 8. If the tie-breaker ends with a 6-6 score, the players change ends of the court and alternate serves until one player is ahead by two (2) points - which gives that player a set victory of 7-6.
 9. Players switch ends of the court after every six (6) points and at the end of the tie-breaker.
- F. 12-Point Tie-Breaker for Doubles (Team A & B vs C & D)
1. Player A serves the first point from the right service area.
 2. Player C serves the second and third points - alternating the service areas.
 3. Player B serves the fourth and fifth points.
 4. Player D serves the sixth and seventh points, and ends of the court are changed between the points.
 5. After this, play continues with the same service rotation until one team has either won seven (7) of the first twelve (12) points, or a team established a two-point margin after twelve (12) points have been played.
 6. Teams change ends of court after every six (6) points and at the end of the tie-breaker.

REGION / AREA COMPETITION:

- A. Each Region/Area will determine how it will choose its top four (4) teams.
1. In classes 2A through 6A, the top 4 Region representatives shall be determined no later than April 19, 2014. In class A, the top four teams from each Area must be determined no later than April 24, 2014.
 2. The top four Region teams must be submitted to the GHSA by 9:00 a.m., on April 21, 2014; the top four Area teams must be submitted to the GHSA by 9:00 a.m., on April 25, 2014.
 3. Five percent (5%) of the gross gate receipts (if admission is charged) will be sent to the GHSA, and then the Region/Area will decide how to handle expenses and disbursements.
- B. At the end of the regular season and prior to any post-season play, each coach will submit to the Region/Area tournament director an official playoff roster (form to be found on GHSA website) listing the singles players as Nos. 1, 2, and 3 and the doubles teams as Nos. 1 and 2, **in proper order of ability** (based on the integrity of the coach). This roster will be the lineup used in ALL tournament play thereafter, unless an alternate is used under the restrictions listed below. NOTE: If no Region/Area tournament is held, the lineup must be submitted to the Region Secretary at the end of the regular season and prior to the start of the state tournament.
1. *Stacking of one's lineup is strictly prohibited in any regular-season match, invitational tournament or state tournament match. An obvious attempt to stack a lineup (i.e., use a player or doubles team below their relative*

ability level on the team) may result in the immediate disqualification of the entire team.

- (a) For each regular-season match, the coach will choose three players (A, B & C) to play singles and two pairs of players (D1 & D2) to play doubles that day. The best player of A, B and C must play the No. 1 position in singles and the weakest must play No. 3 singles. The best doubles team of D1 and D2 must play No. 1 doubles (Note: Points may only be forfeited beginning with the lower positions and working upward unless an injury or illness occurs after a match has begun).
 - (b) It is not stacking to alternate from match to match during the regular season the positions of A and B, B and C, and even A and C if the players are of relatively equal ability. Likewise, D1 and D2 could alternate if these teams are of relatively equal ability.
 - (c) It is not stacking if players alternate from singles to doubles, and vice versa, from match to match during the regular season as long as the singles players being used that day are listed from No. 1 to No. 3 according to relative ability, and the best doubles team being used that day plays at No. 1 doubles.
 - (d) A player listed as a singles player on the **playoff roster** shall not switch over to doubles competitions in any later round, or vice-versa.
2. Designate up to four (4) alternates to be used under the following conditions:
 - (a) Alternates should not be better in ability than ANY of the players listed on the playoff roster in the positions of Nos. 1, 2, or 3 singles OR Nos. 1 or 2 doubles.
 - (b) Alternates may be used in either singles or doubles competitions, but the same player may not be used for both in the same round of competition.
 - (c) No individual alternate may be used more than a total of two (2) times during the cumulative rounds of the sub-region, region, or state tournaments.
 - (d) Substitutions made after the official playoff roster has been submitted must be made at the lowest level of singles play with all others moving to the higher level of competition. In doubles competition, the coach has the option to place the alternate in the open slot or to place the alternate on the No. 2 doubles team and move a player from the No. 2 doubles team to the No. 1 doubles team, if the original vacancy is on the No. 1 team. A player may never be used in a position lower than his original position.
 - (e) If the original contestant(s) resumes play, everyone moves back to their original positions listed on the submitted playoff roster.
 3. A serious injury, illness, suspension or other conflict MAY warrant a waiver of the anti-stacking restrictions listed above. Such waivers will be considered on a case-by-case basis upon receipt of proper documentation to the GHSA office, including a letter signed by the school's principal.
 4. The objecting school must provide documentation (newspaper articles, scorebooks, or written confirmation from opposing coaches) of any stacking violations.

STATE TOURNAMENT:

- A. The State Tournament is considered a continuation of the Region/Area Tournament.
 1. Tournaments will be held for both boys teams and girls teams in each classification with separate tournaments for public and private schools in Class A.
 2. Trophies shall be presented to the champions and runners-up in each classification - both boys and girls.
 3. In order to host a State Tournament match beyond the region level, the host school must have available a minimum of two (2) courts. Four (4) courts is preferable.
 4. All State Tournament matches must be played on composition (hard) surfaces unless the competing schools agree to play on a non-composition surface prior to the matches.

If the teams are equal seeds, then a coin flip will determine the host school.
 6. In class A (public and private schools), the **First Three (3) Rounds** of the State Tournament will take place on the "home" courts of the higher seeded teams with the following schedule: The **First Round** must be completed **no later than** April 29, 2014; the **Quarterfinal Round** must be completed no later than May 3, 2014; and the **Semifinal Round** must be completed no later than May 7, 2014. If the teams are equal seeds, then a coin flip will determine the host school.
 7. In each round of the state playoffs, the following will apply:
 - (a) Coaches will contact each other and set up a mutually agreeable time and date.
 - (b) In the event an agreement on time and date cannot be reached, the GHSA Executive Director will set the time and date.
 - (c) In situations where fewer than five (5) courts are available per team match, the order of play shall be as follows: No. 1 singles, No. 1 doubles, No. 2 singles, No. 2 doubles, No. 3 singles.

1. A team winning three (3) of the five matches (3 singles/2 doubles) shall be the winner.
 2. A team match is concluded as soon as three (3) points have been won.
- C. Each team shall furnish five (5) cans of high-quality, heavy-duty tennis balls.
1. New balls will be used in the first team match.
 2. After the team match, the losing team will keep the balls used in that match, and the winning team takes the unopened cans of balls to the next round of competition.
 3. In the final match, the winner will be given the choice of the balls used in that match or the unopened balls.
- D. For all rounds of the state playoffs prior to the finals, the host school shall provide a designated "site manager" to make rulings concerning sportsmanship, lateness, or other rules violations that might occur during the match. This person should be a certified USTA official when possible, hired and paid for by the host school. In instances where a USTA official cannot be secured, a school administrator must be the replacement. For the finals, the GHSA will secure the site manager.

ALLIANCE OF GEORGIA HIGH SCHOOL ASSOCIATION AND AMERICAN ASSOCIATION OF ADAPTED SPORTS PROGRAMS

Since 2001, the GHSA has been involved in an alliance with the American Association of Adapted Sports Programs. This is a growing relationship in which both organizations are working together for the benefit of physically disabled and visually impaired students.

The Georgia High School Association and the National Federation of State High School Associations have long held the philosophy that participation in competitive activities is an integral part of the educational experiences of high school students.

While the GHSA has accommodated participation of disabled students in several sports and activities, we have not ventured into the area of facilitating participation of disabled students in adapted sports.

The GHSA recognizes that AAASP is the premier organization administering adapted sports, and the GHSA wishes to partner with AAASP by providing competitive activities for our disabled students in addition to lending our resources to their endeavors. Under the leadership of Beverly Vaughn and Tommie Storms, this organization provides tremendous opportunities in the area of adapted sports.

AAASP oversees competitions in wheelchair basketball, wheelchair track, indoor wheelchair soccer, power hockey, wheelchair football and beep baseball throughout the state of Georgia. Additionally, AAASP personnel travel throughout the United States helping establish and maintain recreational and athletic programs for disabled persons.

It is important for school personnel to understand the opportunities available for disabled athletes, and to share that understanding with students in their schools. It is also important that coaches appreciate the value of athletics in the lives of disabled students, and the particular techniques involved in coaching disabled athletes.

AAASP stands ready to assist school personnel in their endeavors. For more information, please use the following contacts:

APPENDIX 'E'

ELIGIBILITY REPORT INSTRUCTIONS

Items to which specific attention should be directed are:

1. GHSA Eligibility Form A and Form B, instructions, and other eligibility forms are provided to all member schools in the GHSA FORMS NOTEBOOK under the "Eligibility Section" and on the GHSA website.
2. The report submitted to the State Office becomes a permanent record. Care should be taken to have the information fully correct and complete. An error could seriously affect the eligibility of a student and penalize a school.
3. The signature of the principal or assistant principal or superintendent, along with the report preparer is required on the Form A, Form B and Form C Eligibility Certificates. That signature certifies that all data is correct and accurate.
4. Boys and girls may be listed on the same Form A, and more than one activity may be listed on the same Form A.
5. Once a student has been certified eligible in a given school year, it is not necessary to re-file that student in subsequent activities unless region rules specify differently. The GHSA office maintains that once a student has been reported and declared eligible for the school year, no further report is necessary for that student during the school year UNLESS his/her eligibility has been interrupted. There is no longer any need to submit a Form B for a previously-cleared transfer student. Transfer students are never listed on a Form A.
6. An eligibility report must be filed prior to the calendar date for the first possible **practice** in any activity. Supplemental filings may be made throughout the season. (EXCEPTION: Eligibility reports for Literary, One-Act Play and Riflery competitions are due twenty (20) days before the first contest.)
7. When filing an eligibility report, use only current GHSA approved forms. A COMPATIBLE computer format of the eligibility report from member schools will be acceptable **so long as the information is in the exact order and form** as shown on the GHSA Eligibility Forms.
8. Once the form has been reviewed and processed in the GHSA office, one copy will be returned to the filing school, and one copy retained at the GHSA office.

9. CERTIFICATE OF ELIGIBILITY (Non-Transfer Students) - FORM A

- A. Form A must be typed. No certificates will be accepted that are handwritten.
- B. NAME: List students in alphabetical order by date of entry - ninth grade (9-10-11-12). Give the full name with the last name listed first.
- C. DATE OF BIRTH: Give the month, day, and year of the student's birth. A student whose 19th birthday was prior to May 1 of the preceding school year, is overage and not eligible to participate. You will be assisting the student if you require a birth certificate to be presented to you for verification of age.
- D. DATE STUDENT ENTERED 9th GRADE: Complete the month, day, and year the student took the first 9th grade class at any school. This is not necessarily the date the student first entered your school. A student will not be eligible for participation for more than eight (8) semesters from the date of taking the first ninth grade subject.
- E. TOTAL UNITS EARNED PREVIOUS SEMESTER: Show the total number of units the student earned the previous semester. In order to be eligible, (beginning with the second semester of 9th grade) the student must have earned at least 2.5 units or their equivalent the semester immediately preceding participation. Place an "E" in the Units Earned column and Total Units Accumulated column for entering ninth graders.
- F. TOTAL UNITS ACCUMULATED: Show the total number of Carnegie units the student has accumulated thus far in his high school career. To be eligible, the student must accumulate Carnegie units that count towards graduation as follows:

END OF FIRST YEAR: 5 Units

END OF SECOND YEAR: 11 Units

END OF THIRD YEAR: 17 Units

Students who lose eligibility for not meeting the unit requirements at the beginning of the year may regain eligibility during the school year by accumulating the units required at the end of the semester and by passing the required number of subjects the previous semester. REMINDER: Eligibility is lost or regained on the first day of the new semester.

G. ELIGIBILITY STATUS: This column is for GHSA use only.

10. CERTIFICATE OF ELIGIBILITY - TRANSFER STUDENTS - FORM B

- A. TRANSFER STUDENTS: FORM B MUST BE TYPED. If a student has transferred to your school during the past twelve (12) months after entering 9th grade (and has not been cleared previously) complete and submit a Form B for that student. If the transfer student has been in your school one full calendar year, do not file a Form B. NOTE: Transfer students who do not meet eligibility guidelines for migrant students are eligible to participate at the subvarsity level ONLY, provided they meet academic standards.
- B. ACADEMIC DATA: This is the same information that is required for non-transfer students on Form A.
- C. YEARS ATTENDED: List all previous schools the student attended beginning with the 9th grade.
- D. ADDRESS (PRESENT/PREVIOUS): Give full street addresses and DO NOT use post office box numbers.
- E. LIVES WITH/LIVED WITH: Use the full name(s) of the parents, step-parents, guardians, etc. With blended families it is sometimes confusing when complete names are not given.
- F. DATE STUDENT ENROLLED: Be precise as to the date the student entered your school.
- G. EXCEPTIONS: Certain situations allow a student to be eligible without a bona fide change of address. See By-Law #1.60.

FOR THE CURRENT YEAR (2013-14):

1. A student whose birth date was prior to May 1, 1994, is overage and is not eligible.
2. A student who entered 9th grade prior to August of 2010, has exceeded eight (8) semesters and is not eligible.

11. CERTIFICATE OF ELIGIBILITY - FORM C

- A. STUDENTS WITH INTERRUPTED ACADEMIC ELIGIBILITY: Form C must be typewritten. A student gains or loses eligibility on the first day of each semester. If the student is not eligible because he has an "Incomplete" in one or more classes, or if the student is in a Credit Recovery Program at the beginning of a new semester, the student has 14 school days to become eligible. That student may not practice or compete in the interim. (see By-Law 1.58). Students who have had their academic progress interrupted need to be filed on a Form C, even if their eligibility form has been submitted previously. Be certain that the relevant portions of this form are filled out completely.
- B. FILING PROCEDURES:
 1. The upper half of the Form C is to be completed just like a Form A. The numbers in the "Total Courses Passed" column and the "Total Units Accumulated" column should reflect the progress made in the 14-school-day period.
 2. The lower half of the Form C is to be completed according to the particular issue for the student. One portion is completed if the student was making up "Incompletes," and the other is completed if the student was involved in a "Credit Recovery Program."If the course work is not made up in the allotted 14-school-day period, the student is ineligible for that semester. The Principal still has the option of filing a "Hardship Application" if there are special circumstances that prevented the completion of the coursework in the 14-school-day period.

APPENDIX 'P'

GHSA FINES STRUCTURE FOR RULES VIOLATIONS

In accordance with Section 13 of Article IV of the Constitution of the Georgia High School Association, member schools are required to abide by all the rules of the Association.

The Executive Director of the Association is empowered to make a determination as to whether a violation of GHSA rules has occurred, and to assess an appropriate penalty that may include:

1. a fine of not more than \$2,500.00 per offense, and/or
2. probation in the sport(s) in which the violation occurred, and/or
3. suspension from the Association for up to a full calendar year, and/or

Pursuant to such authority, the Georgia High School Association, by and through its Executive Director and with the approval of the GHSA Executive Committee, implements and publishes the following ranges of fines for certain designated offenses. Such fines are in addition to the other penalties set forth above. The amount of such fines and the imposition of other penalties shall be determined by the Executive Director upon consideration of the facts and circumstances of the violation and shall include, but not be limited to, the following factors:

1. Whether the violation was the result of carelessness, willfulness, or ignorance.
2. The length of time the violation continued.
3. Whether the offense was self-reported or resulted from a complaint by another school, and the extent of cooperation by school officials in the investigation of the violation.
4. The number of violations involved.
5. The result of the violation (i.e.:
 - a. injury to a person
 - b. financial gain of the offending school or financial loss to another school and the amount thereof
 - c. damage to the reputation of the GHSA
 - d. whether the violation substantially contributed to winning or losing a game or contest
6. Whether the school involved has had similar or other violations within the past three (3) years.
7. Any other factors deemed by the Executive Director to merit a more or less severe fine and/or penalty.

The list of violations set forth in this listing is not all-inclusive, and if a violation of rules occurs which is not listed herein, then the Executive Director shall have the authority to assess penalties that he deems appropriate.

In addition to the listed fines and penalties, the Executive Director may issue a severe warning to a member school which places the school on notice that further violations of GHSA rules will result in increased fines and/or penalties.
