- I. Questions for discussion for the Competitive Balance that need to be decided before moving forward with proposal (Continued Discussion)
- During the first year, should we move any schools up, or should we collect data and implement changes after the first cycle?
  - What measurements should be added that are not currently in proposal?
  - If we move schools up or down how many?
  - What aspects of the reclassification process can a school appeal?
  - Will schools remain in the same classification if they are not at the top or bottom of classification?
  - What role should the reclassification committee play in monitoring data throughout the reclassification cycle?
  - Four year or two-year cycle?
  - Sports or activities included in the points system?
  - What do you believe the next steps should be for this proposal?
- II General Discussion for larger classification proposal (Eli Connell)
- III Discussion on using PSR to rank teams without guaranteed playoff spots for the top two region placers.
