GHSA Constitution and By-Laws for FOOTBALL

REGULAR SEASON:

- A. Football is a state championship sport in each classification, and schools are aligned on a Region basis.
 - 1. In the reclassification year (see Article III of the GHSA Constitution), all regions will meet after reclassification has been finalized by the Executive Committee and after any sub-divisions have been finalized and cross-over games have been arranged.
 - (a) No schedule is valid until the plans of all regions have been approved.
 - (b) Plans for determining the ranking and breaking ties of the four region representatives for playoffs must be drawn by the regions before the football season begins.
 - (c) All contracts should be drawn to coincide with the two-year reclassification period and show the day, date, time, opponent and game site.
 - 2. Each school must file its football schedule with the GHSA Executive Director no later than **March 1**, each year.
 - (a) The schedule must show the day, date, time, opponent, and game site.
 - (b) The GHSA Executive Director must be notified concerning any changes made to the schedule after the submission date.
 - (c) Any changes made for a region game must be made prior to the date for beginning football practice.
 - (1) Any change of opponent after that date will cause the game not to count as a sub-region or region game.
 - (2) Limitations regarding schedule changes shall also be construed to prevent a school from canceling a game when such a game could affect the region and/or sub-region standings.
 - (3) A change in date or time with the same opponent is not considered a change affecting region or sub-region status.
 - (d) Contracts with officials for varsity games must be signed by June 1 each year, and copies of the schedules must be submitted to the proper officials association(s).
 - (e) Each school must have a signed contract for its football scrimmage, and a school may be fined for failure to comply with that contract.
 - (f) There may be a \$250 penalty for schools that change their football schedules after June 1. (NOTE: Appeal procedures are available.)
- B. Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.
- C. All GHSA football games must be played according to the rules as published by the National Federation of State High School Associations, and any other rules found in this section.
- D. The number of football games allowed (excluding state playoffs) is ten (10).
 - 1. No varsity football game may be played on a night preceding a school day without specific authorization from the GHSA Executive Director.
 - 2. Only one football game may be played per week (the schedule week is a traditional week - Sunday through Saturday) by the same level team (varsity/sub-varsity) except in the case of make-up games due to special circumstances that have been approved by the Executive Director.
 - 3. A single sub-varsity game played on a night before a school day may start no later than 6:30 p.m. The first game of two sub-varsity games played on a night before a school day may start no later than 5:30 p.m.
 - 4. Football players playing on both the varsity and one sub-varsity team are limited to six quarters of competition in any seven (7) calendar day period beginning with the date of the varsity game. The penalty for violation of this rule will be forfeiture of the game in which the violation occurred and a \$1,000.00 fine.
 - 5. The football season ends for a team or individual when that team, having completed its regular-season schedule, is eliminated from playoff competition or wins the State Championship.
 - 6. All JV games will be played with 10-minute quarters. If there is an 8th grade student(s) on the JV team, then 8-minute quarters must be played.
 - 7. Schools may play 10 Mini Games at the JV level, instead of seven (7) regular games, the combination of which can not exceed the current 28 quarters allowed for sub-varsity play. Each Mini Game will be one-half of a regular game. Four (4) schools would meet at one site, with two schools playing a half and then the other two schools playing a half. Officials would be paid the regular fee for a single game.

- E. Football **practice** may begin five consecutive weekdays prior to August 1st (**NOTE:** Schools are reminded of the special **Heat and Humidity Acclimatization** restrictions listed in **By-Law 2.67-b** pertaining to football).
1. In the first five days of practice for any student, the practice may not last longer than two (2) hours, and the student may wear no other protective football equipment except helmet and mouthpieces. **NOTE:**
 - (a) The time for a session shall be measured from the time the players report to the practice or workout area until they leave that area.
 - (b) During acclimatization practices, teams may hold a walk-through as long as there is at least a two-hour break between the two activities.
 2. Beginning August 1st, any student may practice in full pads and may practice a maximum of two (2) times in a single calendar day under the following stipulations:
 - (a) A student must have participated in five conditioning practices wearing no other protective football equipment except helmet and mouthpieces before being allowed to practice in full pads.
 - (b) In a single calendar day:

 - (5) A walk-through may not be held on days when two practices are conducted.
 - (c) These procedures are derived from recommendations created by the Inter-Association Task Force for Preseason Secondary School Athletics Participants in the paper "Preseason Heat-Acclimatization Guidelines for Secondary School Athletes."
 3. **Full contact** should be limited during practices as well as during activity outside of the traditional fall practice. (**Note:** No limitation is placed on activities defined below as "AIR, BAGS or CONTROL" contact).
 - (a) For purposes of this by-law, the following definitions shall apply: **AIR** - Players run a drill unopposed without contact; **BAGS** - Players run a drill against a bag or another soft-contact surface; **CONTROL** - Players run a drill at assigned speed until the moment of contact and one player is pre-determined the "winner" by the coach. Contact remains above the waist and players stay on their feet; **THUD** - Players run a drill at competitive speed through the moment of contact with no pre-determined "winner." Contact remains above the waist, players stay on their feet and a quick whistle ends the drill; **LIVE ACTION** - Players run a drill in game-like conditions and is the only time that players are taken to the ground; **FULL CONTACT** - Contact which meets the definition of Live Action or Thud.
 - (b) **Pre-Season & Spring Practice & Summer Contact Camps:**
 - 1) Full contact shall be allowed in no more than 2 consecutive practice days per week;
 - 2) Full contact during practice shall be limited to not more than 45 minutes per day;
 - 3) Full contact during practice shall be limited to not more than 135 minutes per week; and
 - 4) During any twice-daily practice, only one session per day shall include full contact.
 - 5) In Summer Contact Camps, the only form of Full Contact allowed is **Thud**.
 - 6) Schools will be limited to attending no more than two (2) padded Team Contact Camps per summer: one in June for two days during a three consecutive day period, and one in July for two days during a three consecutive day period (no more than four (4) days total). There must be at least four (4) participating schools or the camp cannot be held.
 - (c) **Regular & Post Season Practice:**
 - 1) Full contact during practice shall be allowed in no more than three (3) practice days per week;
 - 2) Full contact during practice shall not be allowed on more than two (2) consecutive days;

 - 4) Full contact during practice shall be limited to not more than 90 minutes per week.
 - (d) **Written Practice Plans:** A written practice plan in compliance with this by-law shall be prepared in advance by the head coach prior to every practice and maintained by the school for a period of at least twelve (12) months. Such practice plans shall be made available to the GHSA upon request.

 - 1) First Offense: A fine of not less than \$500 nor more than \$2,500 per violation at the discretion of the Executive Director.
 - 2) Second Offense: The school shall be placed on probation and shall not be eligible to participate in post season play.

5. All applications for team summer camps at GHSA schools or other facilities must be submitted to the GHSA office by May 1, and all subsequent correspondence to complete the application must be completed by May 15. Coaches for these players **must** verify that the participants have had acclimatization practices for five days immediately preceding the camp.
 6. *Equipment in summer (contact) camps is limited to helmets and mouthpieces, shoulder pads, and compression-style shorts (girdles) that have thigh pads and/or girdle pads. **NO FOOTBALL PANTS OR KNEE PADS CAN BE WORN AT ANY TIME DURING SUMMER.***
- F. All varsity football games shall be played with a minimum of five (5) officially-dressed field officials who are registered under the GHSA plan for registering officials. The officiating crew also shall have an electric clock operator whose only duty is to operate the game clock.
1. In all games, the host school must provide some type of dressing facilities for officials at or near the game site that can also be used to hold the pre-game conference.
 2. During the regular season, the host school is responsible for providing a crew to work the sideline chains. These individuals must be responsible adults.
 3. In accordance with By-Law 2.71-c, the host school is responsible for providing security escorts for the officials at all regular season and playoff games.
- G. The following regulations are in place for GHSA football games.
1. All GHSA football games will have a twenty (20) minute halftime **unless** both school administrators agree in writing by Thursday of game week to shorten the halftime period to fifteen (15) minutes, or unless NFHS weather-condition rules supersede.
 2. Artificial noisemakers, except airhorns and whistles, are legal at football games. Illegal noisemakers are to be confiscated when visible and/or used.
 3. Bands are not to play during live-ball situations.
NOTE: This includes the situation in which there is no timeout and the teams are in a huddle.
 - (a) If, during a football game, a team claims interference with communications due to band noise, the Referee shall give a warning to one or both head coaches and the bands must cease playing.
 - (b) If there is a second offense by the same school's band, an unsportsmanlike conduct penalty will be imposed against that school's team.
 4. During the state playoff series, a crew of seven (7) field officials will be used.
 5. Fans shall not be allowed to enter the playing field either before the game or at halftime to form a tunnel for players to run through.
 6. In the regular season, a school may utilize a visible 25/40-second clock as long as the time is visible on both ends of the field and the clock is operated by a paid game official.
- H. **Spring Football Practice** for each school year may be held from February 1 until the end of the school year, consisting of 10 practices spaced over 13 consecutive school days. (**Note:** Spring and fall scrimmage games and jamborees are considered to be extensions of practice as far as eligibility rules are concerned.)
1. Schools must choose by February 1 each year as to whether they will have spring football practice.
 - (a) If a school conducts spring practice, all preseason practice schedules remain the same (See item D. 3(b) for a listing of contact limitations).
 - (b) If a school chooses not to conduct spring practice, the team will be allowed to hold an additional (second) scrimmage game or controlled scrimmage against another school, or a jamboree with three teams playing a half against the other two teams, in the fall.
 - (c) Schools hiring a new coach may appeal to the Executive Director to change an earlier decision.
 2. Schools that have scrimmage game/games canceled or suspended by inclement weather will have the following options:
 - (a) Play on another night during the same calendar week (defined as Sunday to Saturday.) Sunday play is not allowed.
 - (b) Play during another week when the school does not have another scrimmage or regular season game scheduled.
(**Note:** No scrimmage game may be played after a school's first varsity contest.)
 3. Schools which participate in Spring Practice are allowed to play a spring game/scrimmage with another school, or a jamboree with three teams playing a half against the other two teams, in place of their last (10th) practice of the spring (**Note:** Restrictions under by-law 2.62 (f-2) & (f-3) will apply).
 4. A football coach on the payroll of one school district, but under contract to another school district for the following year, may help with spring football at the new school, if the arrangement is satisfactory with both systems.
 5. Students enrolled in grade 8 in a middle school or junior high school that is a feeder school to the high school may participate in Spring Practice at that high school.
6. No student (eighth grade or above) may participate in more than ten (10) days of Spring Practice, and may participate for no more than one (1) school.

2022-2023 GHSA Football

- I. In case of a game being terminated in the first half (suspended game), By-Law 2.93-c must be followed.
NOTE: All varsity football games must be played to completion. Any interrupted game must be replayed from the point of interruption. The school that is behind in the score may choose not to continue the game and the score will be recorded as it was at the point of interruption. NOTE: Teams will not be allowed to play two football games in the same week, except when making up a suspended game with the permission of the Executive Director.
- J. During warmups before the game and at halftime there shall be a division of the field, and neither team shall enter the other team's portion of the field. That division shall be as follows:
1. Before the game: each team shall occupy the space from their own 45-yard line to the endline of their goal line. Neither team shall occupy the area between the 45-yard lines.
EXCEPTION: When kicking, each team shall have the area between the opponent's 45-yard line and kicking team's end zone in the side zone area on the same side of the field as their bench. Kickers shall kick toward their end zone.
 2. Re-entering the field before the game and at halftime: each team shall have the portion of the field between their bench and the near edge of each goal post - i.e., field divided lengthwise.
- K. The GHSA Overtime Procedure will be used whenever **two schools are tied** at the end of regulation play, **regardless of the classification of each team**.
1. This procedure involves giving both teams opportunities to score from the 15-yard line until the tie is broken.
 2. Overtime games are exempt from the 11:30 p.m. GHSA curfew.
- L. When there is a **competitive imbalance between teams**, the coach of a team trailing by 30 points or more at halftime may choose to play the second half with a running clock. Quarters will remain at 12 minutes.
1. If the coach does not exercise the option of the running clock, the third quarter will be played with regulation timing.
 2. If the point differential reaches, or remains, 30 or more points during the third quarter, the clock will still run according to rule for the remainder of the third quarter, but the fourth quarter will have a running clock mandated.
 3. A running clock means the clock will be stopped only:
 - (a) after a touchdown and until the ball is kicked off.
 - (b) during deliberations for penalty administration.
 - (c) during charged timeouts or official's timeouts
 4. A game that is reduced in time by use of a running clock shall constitute a "completed" game to meet other by-law considerations.

GHSA OVERTIME PROCEDURE

1. There will be a 3-minute intermission between the end of regulation play and the coin toss to start the overtime procedure.
2. The captains will meet for the coin toss, and the winner may choose one of the following:
 - (a) Be on offense first
 - (b) Be on defense first
 - (c) Choose the end of the field on which to play
3. The ball is placed on the 15-yard line and the offense keeps the ball until:
 - (a) The ball is turned over on downs (NOTE: The team on offense can gain a first down.)
 - (b) The defense gains possession of the ball (ball is dead immediately)
 - (c) The offense scores a touchdown or field goal
 - (d) The offense misses a field goal
4. After the first offensive team completes its possession, the opposing team gets its opportunity from the 15-yard line.
5. If the game remains tied after each team has had an offensive possession, there will be a 2-minute intermission and the team that lost the first coin toss has the first option for the second possession.
6. For each additional overtime period (i.e., an offensive possession by each team) the original coin toss options are alternated.
7. Beginning with the third overtime period, a team must attempt a 2-point try after a touchdown.
8. Each team is allowed one timeout per overtime period. No timeouts may be carried over from regulation play.
9. Penalty enforcement is handled the same way in overtime as in regulation play.

REGION PROCEDURES:

- A. To qualify for championship consideration in a region or sub-region, a school must play a minimum number of games with schools in its region as determined by the region and the GHSA Reclassification Committee.
 - 1. In any region or sub-region in which there are six (6) or less schools, if each school plays two (2) games, both games will count as region games. In any other case where two (2) schools have played more than once during the regular season, only the first game scheduled shall count in the region standings.
 - 2. Any school playing a non-region or non sub-region schedule (i.e., not in consideration for a region championship) will not have its games count for or against any opponent.
- B. The GHSA Executive Director, upon presentation of evidence to show that a school can not secure the required number of games in a region or sub-region, may authorize each school to substitute any number of games in any classification or region to qualify for championship consideration. NOTE: A request for substitution of game(s) must be submitted prior to September 1.
- C. Four (4) representatives from each region will enter the post-season playoffs.
 - 1. Each region will determine the way to designate the four representatives and their placement in the region (i.e., first place, second place, third place and fourth place).
 - 2. In case there is a **tie between teams** and the region does not have a different written tie-breaker plan, the following procedures will be used (**NOTE: The use of mini-games to break ties is no longer allowed**):
 - (a) If two teams tie, and one of the teams has defeated the other in a regular schedule region game, the winner shall have the higher placement. Three or more tied teams shall first be considered in sets of two-way ties. NOTE: If three or more teams are tied, use head-to-head record among the tied teams to break ties for seeding. Only utilize points to break ties among teams when the ties are a perfect triangle, with each team having the same record among the tied teams.
 - (b) If two teams tie and the tied teams split or have not played each other in a region game (no round robin), the team with the greater sum of winning margin using the following Point System, shall have the higher placement.
 - (c) If more than two teams remain tied after applying "a" above, the following Point System shall be used to eliminate all but two teams. Tabulate the sum of the winning margins of each team's region games as indicated in the following:
POINT SYSTEM:
 - (1) If the margin of victory is more than 13 points, only 13 points shall count.
 - (2) Losses shall be tallied as 0 (zero) points.
 - (3) Forfeited games: Offended teams shall receive 13 points when tabulating the sum of the winning margins for breaking region ties.
 - (d) After tabulating the sum of the winning margins, all teams except the two (2) with the greater sums shall be eliminated, and the selection process shall begin again with paragraph "a" above.
 - (e) If teams remain tied after the above procedures are applied, the playoff representatives shall be determined by a coin toss. The coin toss, supervised by the REGION OFFICERS, shall be used to eliminate all but two (2) teams, and then the process shall begin again with paragraph "a" above.
 - (f) In the event the region is eligible for more than one playoff representative, each subsequent playoff representative shall be chosen by reapplying the procedure above.
 - (g) All regions will use the adopted procedures for breaking ties that occur in the order of standings when round robin schedules are completed.

STATE PLAYOFFS:

- A. All rounds of games after the end of the regular season are considered part of the state playoff structure.
 - 1. In **ALL Rounds** except the Finals, the higher-seeded team will host. In the **Quarterfinal Round**, if both teams have the same seeding, a "universal" GHSA coin flip (see By-Law 4.39), will determine the host site.
 - 2. In **ALL Rounds** except the Finals, game date and time will be set by mutual agreement. If that agreement is not possible, the GHSA Executive Director will finalize the arrangements. If an administrator does not attend the meeting at which the playoff contract is negotiated, the coach shall be authorized by the Principal to negotiate and sign a binding contract.
 - 3. In **ALL Rounds** except the Finals, one half of all permanent and temporary seats shall be offered to the visiting team, and it is the responsibility of the home team to regulate the seating so as to guarantee designated seating to the visiting team's supporters.
 - 4. In **ALL Rounds** except the Finals, there should be adequate parking space with a recommendation of one (1) space for every four (4) spectators.
 - 5. In **ALL Rounds** except the Finals, security shall be provided at the site in the ratio of at least one officer per 500 spectators.
 - 6. In **ALL Rounds** except the Finals, facilities for officials to dress, shower, and/or hold meetings shall be made available at the site or nearby.

Class A.....2,000 seats

Class 2A.....2,500 seats

Class 6A & 7A.....6,000 seats

(d) Each principal of a school in the playoffs shall certify that the school stadium meets or does not meet football playoff requirements. If a principal certifies such information falsely, then \$2,000.00 of such school's share of the gate receipts of the contest held in the non-complying stadium shall be paid to the opposing team.

(e) The GHSA will mediate with both teams involved when there are concerns about the safety of a venue in regard to seating limitations.

(f) The **higher-seeded** team in the **Semifinal Round** will be the **host team**. If they do not have a stadium that meets GHSA minimum standards, they may secure a suitable site.

(g) The **higher-seeded** team may use portable seating to bring its home stadium seating capacity up to the GHSA minimum in order to host the game as long as (NOTE: Any portable seating brought in for games in earlier rounds also must meet these specifications):

(1) The seating meets the standards of the industry and is installed by professional installers.

(2) All seats provide clear sight lines to the field of play.

(3) No costs for the temporary seating are taken out of game receipts.

(4) Seating requirements for a semifinal game may be waived upon written agreement of the Principals of the competing schools that the host's stadium will be adequate and with the approval of the GHSA Executive Director.

(h) If both teams in the **Semifinal Round** have the **same seeding**, the "universal" GHSA coin flip (see By-Law 4.39), will determine the host team under the following procedure:

(1) The winner of the coin flip will have the opportunity to bring its stadium up to specifications as outlined in item "g" above, or to secure a suitable stadium (if their stadium does not meet GHSA specifications.)

(2) The winner of the coin flip will have until 4:00 p.m., on the Monday before the game to commit to bringing their stadium up to specifications or to secure a suitable site.

(3) If the winner of the coin flip can't secure a suitable site, or bring theirs up to specifications, the opponent will then be awarded the home game, assuming their stadium meets requirements.

(4) If neither school meets or exceeds GHSA standards, and the winner of the coin flip can't find a suitable stadium or bring its stadium up to the specifications, the Executive Director will designate a neutral site.

(i) The GHSA will provide a supervisor at all semifinal games.

2. The stadium shall have adequate working space in the **press box** as follows (NOTE: the first priority for access to the press box after the clock operator and the PA announcer is the working media):

Classes A, 2A & 3A 30 linear feet

2.67 Practice Policy for Heat and Humidity:

- (a) Schools must follow the statewide policy for conducting practices and voluntary conditioning workouts (this policy is year-round, including during the summer) in all sports during times of extremely high heat and/or humidity that will be signed by each head coach at the beginning of each season and distributed to all players and their parents or guardians. The policy shall follow modified guidelines of the American College of Sports Medicine in regard to:
- (1) The scheduling of practices at various heat/humidity levels.
 - (2) The ratio of workout time to time allotted for rest and hydration at various heat/humidity levels.
 - (3) The heat/humidity levels that will result in practice being terminated.
- (b) Football Only: Acclimatization and Re-Acclimatization (prior to October 1st)
- (1) Acclimatization
 - a. Football practice may begin five consecutive weekdays prior to the start date for football.
 1. In the first five days of practice for any student, the practice may not last longer than two (2) hours, and the student may wear no other protective football equipment except helmet and mouthpieces. NOTE:
 - (a) The time for a session shall be measured from the time the players report to the practice or workout area until they leave that area.
 - (b) During acclimatization practices, teams may hold a walk-through as long as there is at least a three-hour break between the two activities.
 - (2) Re-Acclimatization – Required for any athlete who misses five (5) consecutive days of practice for any reason.
 - a. Day 1 (Only COVID related quarantine can begin on last day of quarantine): 1.5 hours conditioning - helmets only

 - e. Day 5: 2.5 hours practice with full pads or play a game
- (c) A scientifically-approved instrument that measures the Wet Bulb Globe Temperature must be utilized at each practice (prior to October 1) to ensure that the written policy is being followed properly. WBGT readings should be taken at a minimum of every 30 minutes, beginning 30 minutes prior to the start of practice. All WBGT monitors shall be calibrated, at a minimum, every two (2) years or earlier if recommended by the manufacturer.

WBGT ACTIVITY GUIDELINES AND REST BREAK GUIDELINES

87.0 - 89.9	Maximum practice time is 2 hours. For Football: players are restricted to helmet, shoulder pads, and shorts during practice, and all protective equipment must be removed during conditioning activities. If the WBGT rises to this level during practice, players may continue to work out wearing football pants without changing to shorts. For All Sports: Provide at least four separate rest breaks each hour with a minimum duration of 4 minutes each.
90.0 - 92.0	Maximum practice time is 1 hour. For Football: no protective equipment may be worn during practice, and there may be no conditioning activities. For All Sports: There must be 20 minutes of rest breaks distributed throughout the hour of practice.

2022-2023 GHSA Football

16

- (d) Practices are defined as: the period of time that a participant engages in a coach-supervised, schoolapproved sport or conditioning-related activity. Practices are timed from the time the players report to the practice or workout area until players leave that area. If a practice is interrupted for a weather-related reason, the "clock" on that practice will stop and will begin again when the practice resumes.
- (e) Conditioning activities include such things as weight training, wind-sprints, timed runs for distance, etc., and may be a part of the practice time or included in "voluntary workouts." Conditioning activities are not permitted to be used as punishment.
- (f) A walk-through is not a part of the practice time regulation, and may last no longer than one hour. This activity may not include conditioning activities or contact drills. No protective equipment may be worn during a walk-through, and no full-speed drills may be held.
- (g) Rest breaks may not be combined with any other type of activity and players must be given unlimited access to hydration. These breaks must be held in a "cool zone" where players are out of direct sunlight.
- (h) When the WBGT reading is over 86, ice towels and spray bottles filled with ice water should be available at the "cool zone" to aid the cooling process AND cold immersion tubs must be available for the benefit of any player showing early signs of heat illness. In the event of a serious EHI, the principle of "Cool First, Transport Second" should be utilized and implemented by the first medical provider onsite until cooling is completed (core temperature of 103 or less).

2022 NFHS FOOTBALL POINTS OF EMPHASIS

SPORTSMANSHIP

Good sporting behavior is one of the fundamental ingredients to the continued success and enjoyment of education-based high school sports and activities. In fact, in the 103-year history of organized high school sports in the United States, good sportsmanship has been one of the most important outcomes of high school activity programs.

NFHS playing rules are written to encourage sportsmanship. Participation in these programs should promote respect, integrity and sportsmanship. However, for these ideals to occur, everyone involved in these programs must be doing their part.

The NFHS is concerned that unsporting behavior in education-based athletics has increased across all sports. As a result, the NFHS has made sportsmanship the No. 1 Point of Emphasis for the 2022-23 school year.

Sportsmanship, or good sporting behavior, is about treating one another with respect and exhibiting appropriate behavior. It is about being fair, honest and caring. When these types of appropriate behavior occur, competitive play is more enjoyable for everyone.

Coaches set the tone during football games with their display of sportsmanship. If these individuals act in a sportsmanlike manner, their behavior sets the tone for players, spectators and others. If coaches, however, are complaining constantly about the decision of game officials, spectators are more likely to do the same.

There must be a collaborative, working relationship between game officials and game administration to promote good sportsmanship and safely conduct the game. Everyone has their roles to play in creating a positive, sportsmanlike atmosphere at games.

Game officials should focus on the actions of players, coaches and other sideline personnel. A positive, open line of communication between game officials and coaches ultimately results in a better game for everyone involved.

Game officials, however, should never engage with spectators who are exhibiting unsporting behavior. Once the game begins, school administration is responsible for dealing with unruly spectators. A proactive approach by school administration includes monitoring the behavior of spectators and intervening as needed.

If spectators are using demeaning or profane language at game officials – or at others in the stands – those individuals should be removed from the game by school administration.

In recent years, a heightened level of unsportsmanlike behavior has been occurring by spectators at high school football games, and it must be stopped. The use of demeaning language, or hate speech, by students, parents and other fans must cease.

High school football and other activities exist to lift people up, not demean or tear people down. The goal is to treat everyone fairly and treat each other with respect. Any speech or harassment that is insulting, demeaning or hurtful will not be tolerated.

2022-2023 GHSA Football

25

High schools must establish a culture that values the worth of every single person – both players on the school’s team and players on the opposing team. There must be a no-tolerance policy regarding behavior that shows disrespect for another individual.

Good sports win with humility, lose with grace and do both with dignity. It takes the efforts of everyone every day to ensure that sportsmanship remains one of the top priorities in education-based activity programs.

In providing an optimal experience to players, fans, coaches and game officials, the NFHS has continually made sportsmanship a priority. Players and coaches are the most visible exhibitors of good sportsmanship. The behavior of coaches and players sets the tone for fans, game officials and others. There is no place in scholastic sports for language that defames, demeans, abuses or bullies another competitor, teammate, game official or fan. Language of this nature should not be tolerated in the school building, at games or at practice. Education-based athletics, and specifically high school football, should serve as an example of how intense competition and civility can coexist.

Coaches and players must represent their schools and communities as ambassadors of good sporting behavior beginning with pregame activities and concluding with end-of-game procedures. Game officials are charged with enforcing NFHS football rules and penalizing unsportsmanlike behavior.

Communities are often defined by their treatment of, and interaction with, visiting teams and their fans. Foul language and inflammatory speech are not acceptable displays of sportsmanship and good sporting behavior.

Sportsmanship is a basic, vital component of education-based athletics. The lessons learned, humility, respect and integrity are the cornerstones of sportsmanship. Those lessons do not include the acceptance of profane or foul language. Those same lessons are forged and exhibited long before they are on display in the spotlight of the athletic arena. More importantly, they remain in place long after the final whistle of athletic competition. Good sports make sportsmanship a priority.

TARGETING / DEFENSELESS PLAYER

The NFHS Football Rules Committee feels coaches, game officials and players have all worked together to recognize and remove most targeting fouls from the game, but considerable work still needs to be done understanding/penalizing illegal defenseless player contact. As stakeholders in the game, removing needless contact from football should be prioritized by coaches, game officials and players.

Targeting is an act by any player who takes aim and initiates contact against an opponent above the shoulders with the helmet, forearm, hand, fist, elbow or shoulders. A defenseless player is a player, who, because of his physical position and focus of

2022-2023 GHSA Football

26

concentration, is especially vulnerable to injury. For added defenseless player clarification, please refer to 2.32.16 COMMENT in the 2022 NFHS Football Case Book.

Since defenseless players are especially vulnerable to potential injury, coaches should use video, on-field demonstrations, and establish zero tolerance of this illegal contact during practice and games to help players realize the importance of contacting players legally.

Game officials must have a clear understanding of the guidelines for defenseless player contact (Rule 9-4-3g). They must diligently observe all action and watch for illegal contact against players who are deemed defenseless. Any player contacting a defenseless player is responsible to make legal contact. Game officials must draw a distinction between contact necessary to make a legal block or tackle and that which is excessive. When there is a question in the game officials' mind about the severity of contact, the contact should be deemed excessive.

Legal contact is required by players at all times. It is imperative that players have a clear understanding of what contact is acceptable and be able to recognize when players are considered defenseless. Players must realize that when contacting any player, the responsibility for making legal contact resides with the person making the contact. Forceful contact that is avoidable should be considered unnecessary.

To ensure the long-term success of high school football, risk minimization must remain a priority for all stakeholders of the game. Coaches, game officials and players must understand the importance of removing unnecessary contact from the game. A concerted effort must be made by all to eliminate targeting and illegal defenseless player contact from football.

LEGAL UNIFORMS AND EQUIPMENT

The purpose of the NFHS Football Equipment Rules is to ensure the safety and protection of both the player wearing the equipment and their opponent. Due to the potential for injury, it is essential that game officials strictly enforce equipment rules and that coaches support that enforcement.

The head coach is primarily responsible for the legality of a team's equipment. Prior to the start of each game, the head coach must verify to the referee and another game official that all players are legally equipped in compliance with the rules and that no illegal equipment will be used. Most equipment violations can be prevented by the coaching staff communicating the equipment rules to players prior to the teams arriving at the game.

During pregame duties, game officials should take time to spot-check players for illegal or improperly worn equipment and alert players and coaching staffs of any potential violations. Game officials should not allow any players to participate until all equipment issues have been resolved.

Prior to the ball becoming live, game officials through normal observations should verify that each player is properly and legally equipped. If a player is observed to not meet proper equipment rules, the play clock should be stopped and the equipment violation addressed. Different rules will apply to enforcement depending if the stoppage was for illegal, improperly worn or missing equipment.

Unless halftime or overtime intermission occurs, any time the play clock is interrupted for improperly worn or missing equipment by a player, the player is to be removed from the game for at least one play. Examples of improperly worn equipment include but are not limited to: Knee pads that do not cover the player's knees; shoulder pads that are not fully covered by the jersey; undershirts not tucked in that extend below the top of the waistline of the pants; and failure to wear a tooth or mouth protector. If any equipment becomes improperly worn during play, correction must be made before continued player participation is allowed. The player would not be required to be removed from the game if the repair can be made promptly and does not delay the ready for play by more than 25 seconds.

Any time a player is found participating with illegal equipment, the player is to be removed from the game and the head coach should be penalized for unsportsmanlike conduct. Examples of illegal equipment include but are not limited to: Eye shade that is not a solid stroke or includes words, numbers, logos or other symbols; eye shields that are not clear (without the presence of any tint); play cards not worn on the wrist or arm; and uniform adornments (exemptions are legal towels and sweatbands properly worn).

2022 Football Season Points of Emphasis Details-GHSA

Sportsmanship:

Profanity of any kind, inappropriate language,
Racial or Ethnic slurs, Sexist or Homophobic comments, directed at an official or opponent are not representative of the positive values of an education-based education. **Penalty will be DEADBALL UNS-15 yards, Cumulative for each player/coach. If they receive a second UNS for any reason, that coach or player will be ejected. (NFHS Rule 9-8)**

Head Coach Only Addresses Officials:

Coaches have an expected level of "goodness" when working with student-athletes. They are considered "role models" for the young and impressionable. Good sportsmanship should never be replaced by derogatory, obscene, and distasteful actions. The behavior of coaches is directly reflected in their players and fans.

The HEAD COACH ONLY shall be allowed to discuss and/or comment about officials' rulings

with game officials. No other sideline personnel, INCLUDING ASSISTANT COACHES, will be able to address the game officials. Penalty will be DEADBALL UNS-15 yards, cumulative for the HEAD COACH. If a second UNS is given on either the Head Coach or Other Sideline Personnel, for any reason, the HEAD COACH will be ejected. (NFHS Rule 9-8)

Sideline Etiquette:

Coaches must stay behind the restricted zone on the sidelines during the game unless during time outs or dead ball periods, once the game begins until it has been completed. If a coach repeatedly stands across the restricted zone on the sideline, the first violation will be a sideline warning. The 2nd violation will be a 5 yard penalty, and any further violations will be DEADBALL UNS-15 yards, cumulative for the HEAD COACH. (NFHS Rule 9-8)

Game Administrators and Security for Officials:

When the Game Officials arrive at the game site, the host school:

GHSA Penalty Enforcement in Overtime 2022

This document outlines how penalties are enforced in GHSA Overtime. The driving desire behind this is for **all overtime possessions to begin at the 15 yard line if at all possible**. This policy overrides existing NFHS rules in remarkably rare situations which are outlined below.

Types of Fouls

In high school football there are three types of fouls:

1. Live ball fouls- those that occur while the ball is live
2. Dead ball fouls- those that occur prior to the ball becoming live during a down or those that occur after the down ends and prior to the ball again becoming live

3. Fouls that are always enforced as dead ball fouls (succeeding spot)- unsportsmanlike conduct, non-player fouls such as sideline interference

GHSA Overtime

Whenever possible each overtime possession is to begin on the 15 yard line and in nearly all instances that will be the case. There are NFHS rules (8-2, 8-3 and 8-4) which outline carryover penalties on scoring plays of live and dead ball fouls and those fouls always enforced as dead ball fouls (USL, non-player). **GHSA policies of enforcement supersede these NFHS rules.** As such, it is possible for a head coach or team to experience a different enforcement choice or outcome in regulation play versus overtime even in the same game.

Going into Overtime

A game tying score with time expiring for the fourth quarter or a subsequently successful try of one or two points could send the game into overtime. We will begin our examples of overtime enforcement with live ball fouls.

- A. Team K kicks a game tying field goal. During the kick there is a live ball foul by the defense – most commonly a personal foul such as roughing the kicker, holder or snapper. In regulation play Team K could accept and have a replay of the down after a yardage penalty plus in some instances an automatic first down. Or they could accept with enforcement from the succeeding spot. In nearly all instances a kickoff. This comes under Rule 8-4-3. **In GHSA overtime this would not be allowed.** Team K may only choose to replay the down after penalty enforcement or take the results of the play (points) by declining the penalty.
- B. Team A scores a touchdown tying the game as time expires for the fourth quarter. During the play there is a live ball defensive penalty such as pass interference. In regulation play Team A would be allowed to enforce this penalty on the try or carryover to the subsequent kickoff. Rule 8-2-2. The obvious problem is that there is no kickoff in overtime so the **only option is to enforce on the try.**
- C. Team A scores a touchdown as time expires for the fourth quarter leaving them behind by one or two points. A successful try for one or two points ties the game. During the try a live ball foul on Team B occurs. Rule 8-3-5 would allow acceptance with enforcement on a replay of the down or acceptance with enforcement from the succeeding spot. **In GHSA overtime this would not be allowed. In accepting the points the penalty must be declined.**

Where Do Problems Arise? Non-player or unsportsmanlike fouls

These are always enforced from the succeeding spot. Going into or while in overtime that would not be an option under GHSA policy in most instances. There are rare instances where they would. Below is an example. Coaches the burden of avoiding these types of fouls- especially sideline interference- falls on you and your staff. Let's look at a play.

- A. During a game tying field goal by Team K as time expires or while in overtime the head coach of Team B (defense) calls the Line Judge a profanity laced expletive. Even though this occurred during the live ball kick it is still enforced as a dead ball foul from the succeeding spot. This will be on the subsequent overtime possession. It cannot be declined. Here a team will face the consequences of an illegal act affecting the succeeding overtime possession.
- B. There are existing NFHS rules regarding the timing of USL fouls that are in regulation or while in overtime. An example is a USL prior to the ready for play for the try but after the score during the dead ball period. **Whether in GHSA overtime or regulation this can only be enforced on the try.**

Dead Ball Fouls

In many respects the enforcement of these is easier to understand. They occur after a down is over. After a touchdown with regulation time expiring during the down, the dead ball foul must be enforced on the try. Even multiple dead ball fouls. After a successful or unsuccessful try or field goal and a dead ball foul occurs these may be enforced from the succeeding spot. This is another rare instance where the starting point of overtime may not be the 15 yard line.

- A. Team A scores a game tying touchdown with time for the fourth quarter expiring during the down. After the score a Team B player pushes a Team A player to the ground. This will be enforced on the try.
- B. Team A scores a game tying field goal. As time expires for the fourth quarter. As the teams head to the sideline a Team A player shoves a Team B player to the ground. This will be enforced in overtime and the next possession will not start at the 15 yard line.

Summary for Officials

- A. Going into overtime live ball fouls which would alter the subsequent possession from starting at the 15 yard line must be declined or enforced on a replay of the down
- B. Dead ball, unsportsmanlike or non-player fouls are from the succeeding spot and **may** change the 15 yard starting point. This is a very rare event.
- C. Dead ball fouls between a touchdown and a try-even multiple fouls- must be assessed on the try.
- D. Remember there is no PSK enforcement in overtime

Summary for Coaches

Officials will guide you as to which penalties must be declined unless a replay ensues. The list is short but includes all live ball fouls on scoring plays that tie the game and no other scoring attempt will be made such as a try. Dead ball, non-player or unsportsmanlike fouls between a touchdown and the try must be enforced on the try. Any dead ball foul after the down is over, unsportsmanlike or non-player foul that happens after a game tying score and no other scoring play will be attempted will be penalized in overtime and **may** affect the 15 yard starting point. These are avoidable penalties.

GoFan Digital Ticket Sales

In preparing your financial reports for **GHSA State Playoffs in all sports**, this is a reminder to you that **GoFan Digital Ticket sales are part of your total gate**. The playoff forms for all sports have a separate line item for you to show the # of digital tickets sold and the resulting gate income. GoFan furnishes a report to GHSA for all playoff games at all member schools showing the # of digital tickets sold – please make sure your financial report reflects that information.

If for any reason, the # of GoFan tickets are not shown on your playoff financial reports and included in the total gate revenue, GHSA will invoice you for the GHSA portion of the gate proceeds relating to digital tickets and a notice to pay your visiting team their portion of the omitted gate proceeds as well. **It will be easier for all if you include your digital tickets on the original financial report sent to GHSA.**

Please do not hesitate to contact the GHSA office if you have questions concerning the digital ticket program.
