

Preparticipation Physical Examination

Signature Pages

Per Georgia High School Association By-Law 1.41(c) and the new State of Georgia law, the "Preparticipation Physical Examination" form must be signed by an M.D., D.O., or by a Physician's Assistant, or an Advance Practice Nurse who has been delegated that task by an M.D. or D.O. Alterations (edits) to this copyrighted document are not permitted. The doctor or doctor's designee should print and then sign their name on the appropriate lines found on page 3 and page 4 of the physical evaluation form.

The GHSA By-Law 1.41(d) requires that member schools use the edition of the preparticipation physical evaluation form approved by the American Academy of Pediatrics, et. al., found on the GHSA web site.
