

### **Preparticipation Physical Examination**

#### **Signature Pages**

Per Georgia High School Association By-Law 1.41(c) and the new State of Georgia law, the "Preparticipation Physical Examination" form must be signed by an M.D., D.O., or by a Physician's Assistant, or an Advance Practice Nurse who has been delegated that task by an M.D. or D.O. Alterations (edits) to this copyrighted document are not permitted. The doctor or doctor's designee should print and then sign their name on the appropriate lines found on page 3 and page 4 of the physical evaluation form.

The GHSA By-Law 1.41(d) requires that member schools use the latest edition of the preparticipation physical evaluation form approved by the American Academy of Pediatrics, et. al., found on the GHSA web site.

I have examined the above-named student and completed the preparticipation physical evaluation. The attlete does not present apparent clinical contraindications to practice and participate in the sport(s) as cutli ned above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescribe the clear anceuntil the problem is resolved and the potential consequences are completely explained to the athlete (and parents/gu ardians).
