

State Literary – A Div II and AA

Georgia Military College – Milledgeville Campus

March 25, 2023

Welcome

We are excited to welcome your state qualifiers to our campus Saturday, March 25, 2023 for the GHSA State Literary Championships. Georgia Military College is proud to work with GHSA to host the State Literary Championship for A-Division II and AA. We hope you enjoy your time on our campus and we look forward to a fantastic day of competition.

Directions

GMC has several campuses around the state. State Literary is on the Milledgeville Campus. Please be careful when putting this in your GPS. You don't want to end up at the wrong campus!

Use this address for GPS:

201 East Greene Street, Milledgeville, GA 31061

Parking

- We are a downtown campus. Parking is available in several lots on the perimeter of the main block and also in the downtown area near campus. You may park anywhere on our campus that is not blocked off.
- If you park downtown, please be aware of 2-Hour Parking signs in some areas.
- Buses may park in designated lots that are marked on the campus map attached.

Guides and Information Desk

- There will be an information desk in the Atrium between Miller and Boylan Halls that is staffed all day. Volunteers at the booth will have schedules and maps available for students and adults.

- This is the location that coaches will pick up score sheets after an event is announced.
- Students at the information desk are able to get in touch with the site hosts if necessary.
- Student volunteers will be around campus for most of the day. They can help you with schedules, directions, or most anything else. All of them will be wearing red shirts with black pants and will have on nametags.

Competition Venues on Campus

- We are using 4 buildings on campus to host all events. Please see the attached campus map to find your competition location. Locations and room numbers are indicated on the schedule. If in doubt please find a guide or call 478-456-8024 or 478-396-3272 and we will get you where you need to be.
- All buildings will open at 8:30 so feel free to arrive early to get acquainted with the campus and your venues.

Schedule

- The schedule for the day is attached for each classification.
- If you have students in multiple events and there is a conflict between events, please let us know and we will make sure your students are placed in the events to avoid conflict and have enough time to move from one event to the other
- Please let GHSA know if you are a region coordinator and a first-place winner from your region is unable to attend. GHSA needs this information by Wednesday before day of competition.

Food Options

- The college canteen will be fully stocked and open all day for competition. We know that going out to eat or picking up food adds another level of stress to coaches and kids. The Bulldog Canteen has chicken sandwiches, chicken fingers, pizza, salads, fruit, chips, candy, fountain drinks, bottled drinks and other snacks. The canteen accepts all forms of payment (Cash, Credit, and Debit).
- Since we are a downtown campus, the food choices nearby are mostly local restaurants that are dine-in. There are several fast

- food options on Hwy 441 but it will take you about 15 minutes to get to that area and you may not have time.
- You can have food delivered if you would like and the atrium area has tables available for you to use. There is also outdoor seating under umbrellas if the weather is nice.

Awards and Announcements

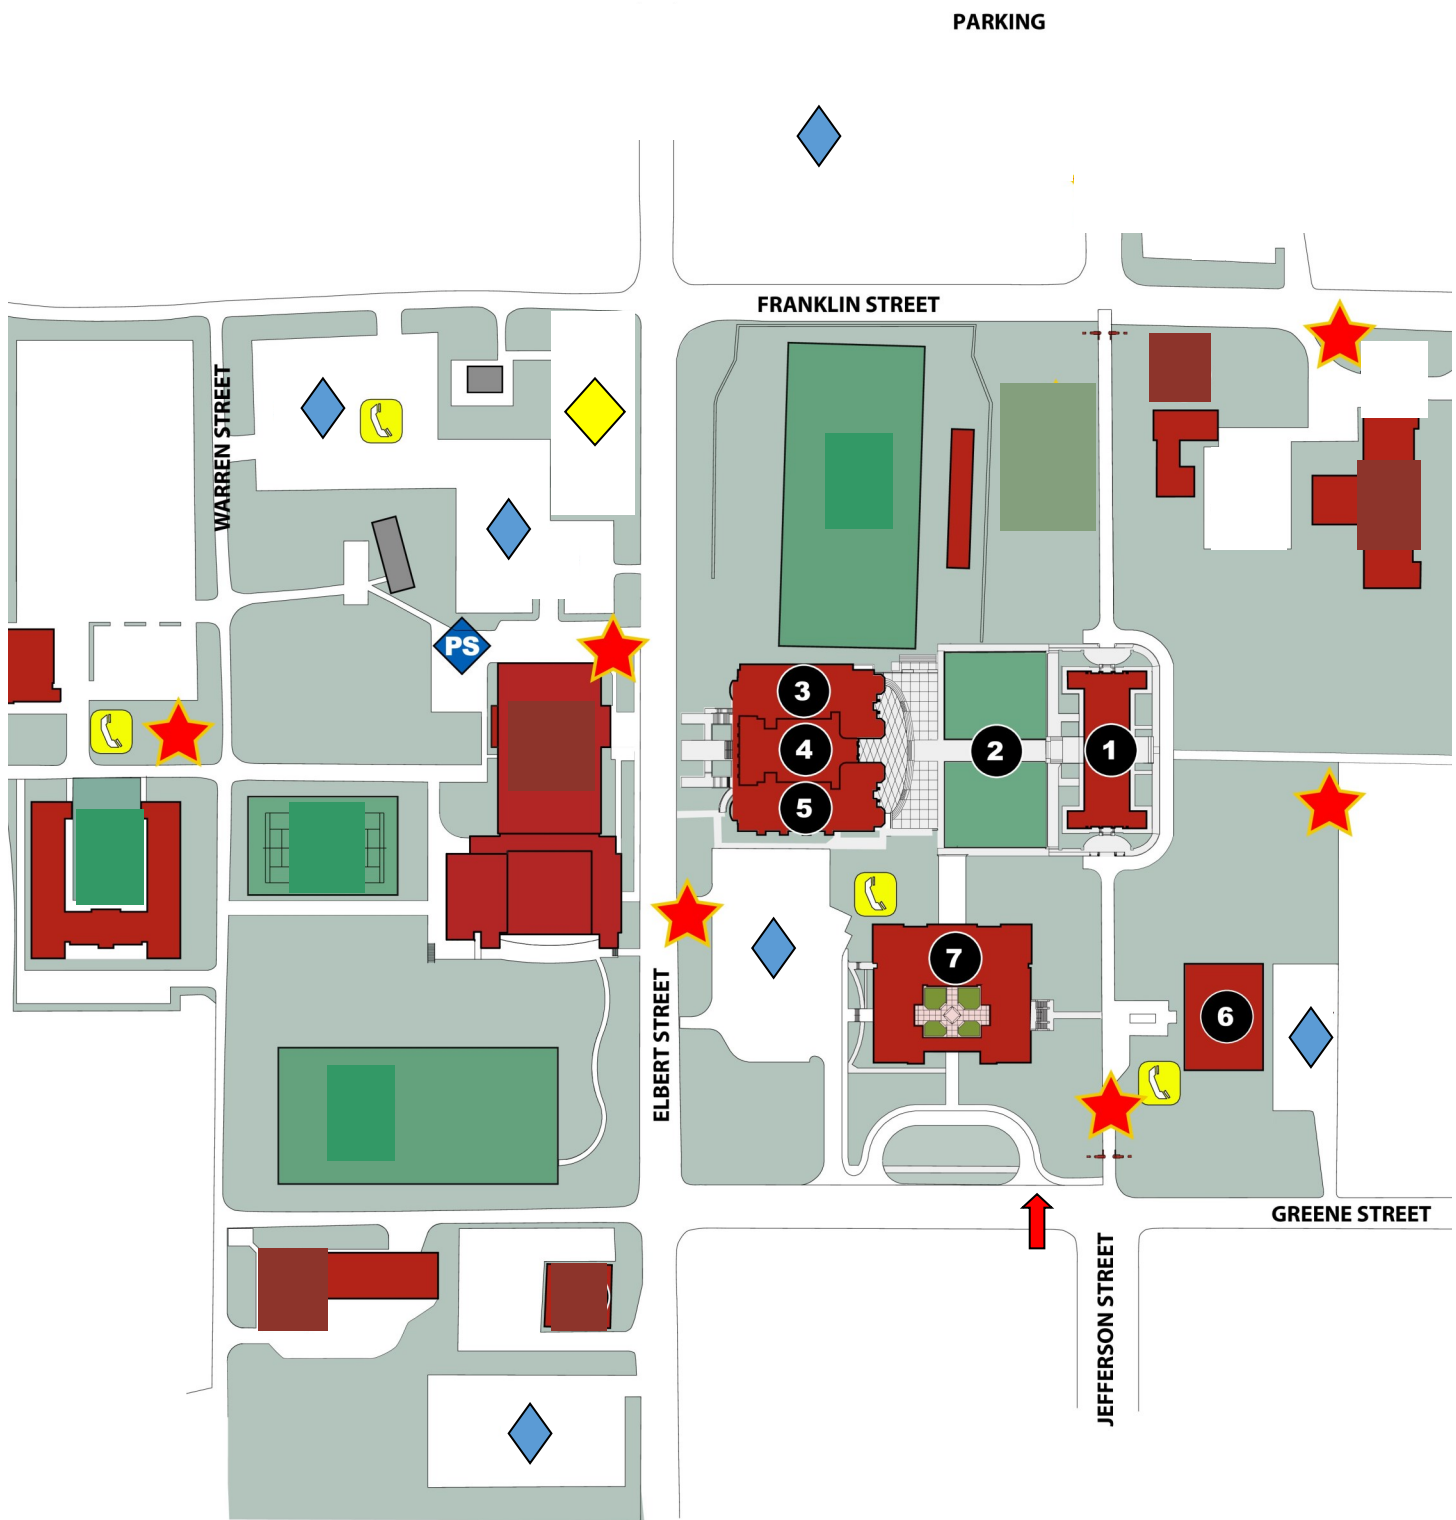

- Awards will be announced in the Atrium between Miller and Boylan Halls. Both classifications will be awarded in this area and placements for individual events will be announced as they are finalized.
- Points for teams will be posted throughout the day in Atrium as well. Team champions will be awarded at the end of the day
- Champions should have their picture taken behind the large GHSA sign before leaving. You may appear on the GHSA website!

*****New This Year – Pre-Placement in Events*****

- This year GHSA has implemented a rotation for placement in each event instead of drawing for order the day of the contest.
- We have set the order starting with the performance events. Essays will be labeled and assigned just like last year since the contest is not dependent on performance order.
- The rotation and region numbers are included on the attached schedule.
- The rotation changes with each event so that a school doesn't go in the same order for every event.
- *AS ALWAYS WE WILL WORK WITH YOU TO MAKE SURE STUDENTS IN MULTIPLE EVENTS ARE ACCOMODATED TO MAKE SURE THEY CAN COMPETE IN EACH. PLEASE CHECK FOR AN UPDATED SCHEDULE AFTER ALL REGION RESULTS ARE FINAL. The student will use the number listed even if they are placed in a differed order to compete.*

Please let us know if you have any questions. Mark Weaver and Jenny Morris are your site hosts and can be reached at 478-456-8024 or 478-396-3272. We look forward to hosting you and your students on campus!
