

Warner Robins High School Stage Dimensions

From edge of stage to rear curtain: 30 ft wide

SL wing to SR wing: 33 ft wide

Wing space is tight: 5 ft deep

Front Traveler closed to edge of apron: 12 feet deep

Rear traveler closed to back stage wall: 10 feet deep

(we use this area now to hold set pieces for changes----the curtain can stay open if you prefer giving an extra 10 feet of playing space.)
