

## GHSA Reclassification Proposal

The following proposal and recommendations are presented jointly by the following schools: Blessed Trinity, Greater Atlanta Christian, Holy Innocents, Lovett, Marist, Pace Academy, St. Pius X, Wesleyan, Westminster, and Woodward.

### Proposal

1. Class A, with its public/private split would remain the same.
2. For all schools above class A, a multiplier would be applied. The multiplier would apply to all students outside the service area of any school which accept students outside their service area. This would include, charter schools, city schools, magnet schools, and private schools.
3. After the multiplier was calculated no school could be moved up more than one classification.

### Recommendations

1. Create an ad hoc committee to study the problems, real and perceived, between the public, semi-private (city schools), and private schools. The committee would be

charged with making recommendations to the GHSA Executive committee.

2. Create an ad hoc committee to study eligibility, illegal recruiting, undue influence, and the enforcement of rules regarding these issues.
