

Literary Notes

Region Secretaries:

A survey will be sent out in August or early September. Schools will be asked if they are competing in Literary in the spring. If a region has four (4) or more schools competing, they will remain a region. If a region has less than four (4) schools competing, an attempt will be made to consolidate these regions in areas. The number of participants at State will remain eight (8). This will be an attempt to balance participants for regions and areas.

You will be notified as soon as decisions are made in the GHSA Office. These changes will affect all classifications.
