## Region Sportsmanship Winner

### **“GEMC Cooperative Spirit Sportsmanship Award”**

---

Interscholastic athletics are an integral part of the educational curriculum and experience. High school athletics promote the character development of the participants, enhance the educational mission and promote civility in society. Therefore, student-athletes, coaches, spectators and all others associated with high school activities programs should adhere to the fundamental values of respect, fairness, honesty and responsibility. These values should be established as a priority among all GHSA member high schools.

It is the responsibility of each member high school to establish policies for sportsmanship and ethical conduct consistent with the educational mission and goals of that school and to continually educate students, coaches, teachers, parents and all involved with those policies.

Activities provide an arena in which students grow as they understand and value these concepts of sportsmanship and teamwork. Activities provide opportunities for coaches and other school personnel to teach and model sportsmanship behaviors, school pride and student-community involvement. Sportsmanship is good citizenship in action.

#### **Therefore –**

Each region **MUST** submit an award-winning school. The region may use the GHSA criteria form, or use its own selection criteria or method. **Region selections need to be made by May 18<sup>th</sup> each year and submitted to the GHSA Office.**

We send the names of all winners to the Georgia Electric Membership Corporation and they will contact each winning school about setting up a presentation by a local GEMC Agent.

## **GHSA Sportsmanship Standards**

The GHSA and its member schools have made a commitment to promote good sportsmanship by student/athletes, coaches, and spectators at all GHSA sanctioned events. Profanity, degrading remarks, and intimidating actions directed at officials or competitors will not be tolerated, and are grounds for removal from the event site. Spectators are not allowed to enter the competition area during warm-ups or while the contest is being conducted. Thank you for your cooperation in the promotion of good sportsmanship at today's event.

Region Sportsmanship Award Criteria**

Sportsmanship is a concept that is taught by the administrators and coaches to the athletes, cheerleaders and spectators. Therefore the criteria for the Region Sportsmanship Award are reflected by all personnel involved in the school's athletic program.

An ejection of coaches and/or athletes is a major consideration when selecting a Region Sportsmanship Award winner. A school that has **3** or more ejections during the course of a school year will not be eligible for the award.

**To determine the Region Sportsmanship Award**, rate each category and circle the appropriate number from **1** to **5** with **5** indicating excellence. The maximum total points will be **25**. The school with the highest score will win the Sportsmanship Award.
