15 April, 2000

Dear State Championship Participants:

We hope that the 2000 Georgia High School Association State Rifle Championship provided all involved with a special and lasting memory. Schools and families should be proud of the athletes who represented them here today.

Georgia high school rifle competition is the best in the nation. The skill level of many of our athletes has increased dramatically. This is a direct result of the dedication of these athletes and their coaches. We have grown from twenty-two schools entering position air rifle in our first year (1991-92) to ninety-nine with additional schools entered for next year. We have the opportunity to work with more young people and teach them to be competitive in a sport where emotional control under pressure is absolutely essential for success. Many individuals have done a lot to contribute to our success in Georgia.

Thank you to those who worked to make today's championship a high quality event. I especially thank Al Williams – our Chief of Classification, Ms. Joyce Kay – GHSA, and the entire championship staff – who are all volunteers.

No high school association has done as much for our sport as has the Georgia High School Association. We all owe them our thanks for their unyielding support!
