April 2, 2011

Dear GHSARIFLERY Championship Athletes and Coaches,

Congratulations for your success in reaching a high school athletic state championship. The Georgia High School has strongly supported Olympic style rifle shooting for many years, beginning in 1944. With the development of air rifles, with their incomparable accuracy and less costly facilities needed, three-position air rifle became a varsity sport in school year 1991-92. Today marks the twentieth state championship for the event.

The increase in participants and the rising performance levels in these twenty years are very significant. Also noteworthy are the number of female athletes now at high performance levels and the number of the competitors who have received scholarships and competed in the NCAA. GHSARIFLERY's successes are well known in the Olympic style shooting community.

I believe the biggest success has been the development of the student athletes. Their overall maturity, conduct, courtesy and skills at the championships are examples for others.

We hope this championship is a special experience that you will remember fondly for many years and add to your appreciation of what high school athletics can do for you for life.

Thank you to:

The coaches who are devoted to helping student athletes improve.

The United States Army Marksmanship Unit for hosting our championship at the Pool International Shooting Complex.

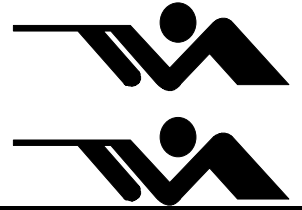

The Columbus Sports Council.

The volunteer officials who have worked to make this a great championship for you.
