2022-2023 GHSA Soccer Protocol and Procedures from GHSA Constitution and By-Laws

GENERAL INFORMATION:

- A. Soccer is a state championship event for boys and girls played in the Spring season. Schools in classes 1-A, Division 1 through 7A are aligned in Regions. Class 1-A, Division 2 will be an Area sport in soccer.
- B. All soccer matches will be played according to the rules published by the National Federation, and all National Federation recommendations for "State Adoption" have been adopted by the GHSA. Sub-varsity matches are limited to 35-minute halves.
- C. The number of soccer matches allowed (not including state tournaments) shall be eighteen (18). If a region chooses to play a region tournament, those matches must be included as part of the 18-game total allowed. Beginning and ending dates for practice and competition can be found at the front of this publication.
- D. All GHSA varsity soccer matches shall be played with one or more officially-dressed officials who are registered under the GHSA plan for the registration of officials.
- E. Teams arriving late for a contest by thirty (30) minutes or more shall forfeit the match, and shall pay the officials unless prior arrangements are made in a timely manner, and both teams agree to start the game late or reschedule it. Consideration will also be given to emergency situations over which the traveling school has no control. The host school has the responsibility of notifying the officials of these changes.
- F. A student may not participate in more than three (3) halves of soccer per day except in a tournament setting, when a player may play two full matches in a calendar day.
- G. During regular season competition played between teams of different classifications, there will be no overtime procedure invoked when regulation play ends with a tie score, unless both coaches agree and inform the match officials prior to the start of the match. During regular season competition between schools in the same classification, and during region/area and state playoff competition, the **overtime procedure** described in item "E" later in this section will be invoked.
- H. In accordance with the National Federation allowance for a state adoption (Rule 7-1-5), when there is a **competitive imbalance** between the teams, the match will be shortened as follows:
 - 1. If a team is seven (7) or more goals down at the midpoint of the first half, that will be considered the end of the half, and the teams will play a twenty (20) minute second half.
 - 2. If a team is seven (7) or more goals behind at halftime, the second half will be restricted to twenty (20) minutes.
 - 3. When a team trails by ten (10) or more goals at halftime, the game will be terminated.
- All soccer matches between schools from the same classification must be played to completion. Matches that are interrupted by weather or mechanical difficulties will be replayed from the point of interruption unless the team that is behind chooses not to complete the match.
- J. In accordance with GHSA By-Laws, soccer coaches will be required to attend a GHSA rules clinic. Failure to do so will result in a fine for the school for each coach who does not attend.
- K. Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.

REGION COMPETITION:

- A. When a Region has not adopted its own tie-breaker method, the following **Tie-Breaking Procedure** will be used for seeding purposes:
 - 1. Record against all teams in the Region/Area.
 - 2. Winning team in head-to-head competition between schools that are tied.
 - 3. Goals allowed in head-to-head competition between schools that are tied.
 - 4. Goal differential in head-to-head competition between schools that are tied (maximum of three (3) goals per game).
 - 5. Goals allowed in all Region/Area games

- 6. Goal differential in all Region/Area games (maximum of three (3) goals per game). **Note:** When figuring "goals allowed" and "goal differential" in matches decided by penalty kicks, the winning team will have one (1) goal added to its game score and the losing team will have no goals added regardless of the number of penalty kicks that were made by either team.
 - 7. In any step of the tie-breaking process if a three-way tie is broken so that all ties are broken, that step determines the placements. If two teams remain tied after a step is completed, revert back to head-to-head record to break the tie. If the tie cannot be broken, move to the next step.
- B. If Regions/Areas sub-divide, then the same tie-breaking procedures (A1 through A7) should be used.
- C. For Region/Area and State competition, if the score is still tied at the end of the second overtime period, the penalty kick procedure will be used to determine the winner.
- D. Financial procedures for all Region/Area playoffs will be determined by the Region/Area. The host school is responsible for payment of officials. The admission fees for State playoffs begin immediately after Region/Area winners are determined.

E. OVERTIME PROCEDURE:

- 1. The overtime will consist of two (2) ten-minute periods, which will be played to their entirety.
- 2. A coin toss shall take place to determine which team will put the ball in play for the first overtime period.
- 3. If the score remains tied following the overtime periods, a "shootout" of penalty kicks will determine the winner.
- 4. The head referee shall choose the goal at which the penalty kicks will be taken.
- 5. Each coach will select any five (5) eligible players (including goalkeeper) to take the kicks.
- 6. A coin toss shall be held with the team winning the toss having the choice of kicking first or last.
- 7. Teams will alternate kickers, and there is no follow up on the kicks.
- 8. The defending team may change goalkeepers prior to each kick.
- 9. Following five kicks from each team, the team with the greater number of successful kicks will be given one (1) point and declared the winner.
- 10. If the same number of penalty kicks are successful for each team, each coach will select five (5) different eligible players who will kick in a "sudden victory" situation. Each team will have an opportunity to kick in each round of the sudden victory procedure.
- 11. If there is no "sudden victory" winner after five (5) kicks, the process will be repeated until a winner is determined.

STATE COMPETITION:

- A. Four teams from each Region in classes 1-A, Division 1 through 7A will advance to the state tournament. *In Class 1-A, Division 2, six (6) teams from each Area will advance to the state tournament.*
 - 1. Region/Area winners must be determined by the date indicated on the Beginning and Ending Dates table at the front of this publication.
 - 2. It is the responsibilities of the host team to furnish game balls beyond those furnished by the GHSA
 - 3. In the event that two schools involved cannot agree on the arrangements for the series (dates, times, etc.) the GHSA Executive Director will make a ruling to cover the situation.
 - 4. Prior to the final round, the higher seeded team will host, unless the competing teams have the same seeding. In that case, a coin flip will designate the host team.
 - 5. All Championship games will be played on the dates indicated on the Beginning and Ending Dates table at the front of this publication. Admission prices and exact schedules and sites will be posted on the GHSA web site prior to the finals.
 - 6. At neutral-site games, each participating team is allowed free admission for a maximum of 25 players and team essential personnel. Coaches will be admitted with a GHSA coaching pass.
 - 7. In the Finals, the "H" on the official GHSA bracket indicates the designated "home" team for purposes of uniform requirements only. Regardless of prior seeding, the team in the bracket with the "H" shall wear dark jerseys and socks for the game.

B. Finances:

- 1. The GHSA will receive 12% of the gross gate receipts.
- 2. Host schools will pay the Officials' Association directly for the first and second rounds of the playoffs. Please see Fee Chart for Playoff Fees. (Please see Soccer Financial Forms)
- 3. A pre-set amount for game officials' fees will be sent to the GHSA office for the Quarterfinal and Semifinal rounds, along with 12% of gross gate receipts, and the GHSA office will be responsible for paying the officials.
- 4. The visiting team shall be paid \$.80 per mile (one way) for travel.
- 5. After these three expenses are paid the schools involved will share the remaining gate receipts equally.
- 6. The host school is responsible for security, facility fees, maintenance costs, etc., and these expenses shall not be taken out of gate receipts.
- C. Admission must be charged at all playoff games. Ticket prices for State Playoff Rounds 1-3 for single games will be \$7, Doubleheaders will be \$10. Semifinal Playoff Round Ticket prices will be \$10 for single games, \$13 for Doubleheaders. All Championship Game Ticket prices will be \$15.

- D. In order to host a state playoff game, the following site requirements must be met:
- 1. Seating requirements (seats at 24 inches each):
 - A & 2A: 750; 3A: 1,000; 4A: 1,500; 5A, 6A & 7A: 2,000
 - 2. Adequate restroom facilities must be provided
 - 3. Dressing area must be provided for the visiting team and the officials.
 - 4. The playing area must be configured in such a way that spectators must enter through an admission gate.
 - 5. The field must be sufficiently lighted to allow for night play for all semifinal and championship matches.
 - 6. Championships matches will be held at neutral sites.
- E. In the post-season tournaments, it is necessary to have team benches located on the same side of the field. This will be true even in situations where fans are kept on opposite sides of the field. *Preferably, fans will be on one side of the stadium while Team Benches will be on the opposite side of the field.*

2.67 Practice Policy for Heat and Humidity:

- (a) Schools must follow the statewide policy for conducting practices and voluntary conditioning workouts (this policy is year-round, including during the summer) in all sports during times of extremely high heat and/or humidity that will be signed by each head coach at the beginning of each season and distributed to all players and their parents or guardians. The policy shall follow modified guidelines of the American College of Sports Medicine in regard to:
 - (1) The scheduling of practices at various heat/humidity levels.
 - (2) The ratio of workout time to time allotted for rest and hydration at various heat/humidity levels.
 - (3) The heat/humidity levels that will result in practice being terminated.
- (b) Football Only: Acclimatization and Re-Acclimatization (prior to October 1st)
 - (1) Acclimatization
 - a. Football practice may begin five consecutive weekdays prior to the start date for football.
 - 1. In the first five days of practice for any student, the practice may not last longer than two (2) hours, and the student may wear no other protective football equipment except helmet and mouthpieces. NOTE:
 - (a) The time for a session shall be measured from the time the players report to the practice or workout area until they leave that area.
 - (b) During acclimatization practices, teams may hold a walk-through as long as there is at least a three-hour break between the two activities.
 - (2) Re-Acclimatization Required for any athlete who misses five (5) consecutive days of practice for any reason.
 - a. Day 1 (Only COVID related quarantine can begin on last day of quarantine): 1.5 hours conditioning helmets only
 - b. Day 2: 2 hours practice helmets only
 - c. Day 3: 2.5 hours practice with helmets and shoulder pads
 - d. Day 4: 2.5 hours practice with full pads
 - e. Day 5: 2.5 hours practice with full pads or play a game
- (c) A scientifically-approved instrument that measures the Wet Bulb Globe Temperature must be utilized at each practice (prior to October 1) to ensure that the written policy is being followed properly. WBGT readings should be taken at a minimum of every 30 minutes, beginning 30 minutes prior to the start of practice. All WBGT monitors shall be calibrated, at a minimum, every two (2) years or earlier if recommended by the manufacturer.

WBGT ACTIVITY GUIDELINES AND REST BREAK GUIDELINES

Under 82.0	Normal Activities - Provide at least three separate rest breaks each hour with a minimum duration of 3 minutes each during the workout.
82.0 - 86.9	Use discretion for intense or prolonged exercise; watch at-risk players carefully. Provide at least three separate rest breaks each hour with a minimum duration of 4 minutes each.
87.0 - 89.9	Maximum practice time is 2 hours. For Football: players are restricted to helmet, shoulder pads, and shorts during practice, and all protective equipment must be removed during conditioning activities. If the WBGT rises to this level during practice, players may continue to work out wearing football pants without changing to shorts. For All Sports: Provide at least four separate rest breaks each hour with a minimum duration of 4 minutes each.
90.0 - 92.0	Maximum practice time is 1 hour. For Football: no protective equipment may be worn during practice, and there may be no conditioning activities. For All Sports: There must be 20 minutes of rest breaks distributed throughout the hour of practice.

No outdoor workouts. Delay practice until a cooler WBGT level is reached

(d) Practices are defined as: the period of time that a participant engages in a coach-supervised, school approved sport or conditioning-related activity. Practices are timed from the time the players report to the practice or workout area until players leave that area. If a practice is interrupted for a weather-related reason, the "clock" on that practice will stop and will begin again when the practice resumes.

- (e) Conditioning activities include such things as weight training, wind-sprints, timed runs for distance, etc., and may be a part of the practice time or included in "voluntary workouts." Conditioning activities are not permitted to be used as punishment.
- (f) A walk-through is not a part of the practice time regulation, and may last no longer than one hour. This activity may not include conditioning activities or contact drills. No protective equipment may be worn during a walk-through, and no full-speed drills may be held.
- (g) Rest breaks may not be combined with any other type of activity and players must be given unlimited access to hydration. These breaks must be held in a "cool zone" where players are out of direct sunlight.
- (h) When the WBGT reading is over 86, ice towels and spray bottles filled with ice water should be available at the "cool zone" to aid the cooling process AND cold immersion tubs must be available for the benefit of any player showing early signs of heat illness. In the event of a serious EHI, the principle of "Cool First, Transport Second" should be utilized and implemented by the first medical provider onsite until cooling is completed (core temperature of 103 or less).

GHSA Concussion Policy and SB 60, Sudden Cardiac Arrest Prevention Act

- (a) GHSA Concussion Policy: In accordance with Georgia law and national playing rules published by the NFHS, any athlete who exhibits signs, symptoms or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred. (NOTE: An appropriate health care professional may include: licensed physician (MD/DO) or another licensed individual under the supervision of a licensed physician, such as a nurse practitioner, physician's assistant, or certified athletic trainer who has received training in concussion evaluation and management).
- (1) No athlete is allowed to return to a game or practice on the same day that a concussion (1) has been diagnosed OR (2) cannot be ruled out.
- (2) Any athlete diagnosed with a concussion shall be cleared medically by an appropriate health care professional prior to resuming participation in any future practice or contest. The formulation of a gradual return to play protocol shall be a part of the medical clearance.
- (3) It is mandatory that every coach in each GHSA sport (including Community Coaches, Student Teachers, and Interns) participate in a free, online course on concussion management prepared by the NFHS and available at www.nfhslearn.com at least every two years.
- (4) Each school will be responsible for monitoring the participation of its coaches in the concussion management course, and shall keep a record of those who participate.
- (5) Each school must distribute to every athlete and his/her parent/guardian an information sheet that includes: the dangers of concussion injuries, the signs/symptoms of concussion, and the concussion management protocol outlined in this by-law. This sheet must be signed by the parent/guardian of each athlete and a copy kept on file at the school.
- (b) **SB 60, Jeremy Nelson and Nick Blakely Sudden Cardiac Arrest Prevention Act**: In accordance with Georgia law:
- (1) Each school must distribute to every athlete and his/her parent/guardian an information sheet that includes: the Early Warning Signs, How to Recognize Sudden Cardiac Arrest, and Learn Hands-Only CPR outlined in this by-law. This sheet must be signed by the parent/guardian of each athlete, each athlete and a copy kept on file at the school.
- (2) Each school must hold an informational meeting twice per year regarding the symptoms and warning signs of sudden cardiac arrest. At such informational meeting, an information sheet on sudden cardiac arrest symptoms and warning signs shall be provided to each student's parent or guardian. In addition to students, parents or guardians, coaches, and other school officials, such informational meetings may include physicians, pediatric cardiologists, and athletic trainers.

2022 Points of Emphasis

Points of Emphasis

SPORTSMANSHIP

- The NFHS is concerned that unsporting behavior in education-based athletic has increased across all sports. As a result, the NFHS has made sportsmanship the no. 1 Point of Emphasis for the 2022-23 school year.
- The interscholastic coach is responsible for setting the tone at athletic contests and must act in a sportsmanlike manner.
- If coaches are complaining constantly about the decision of contest officials, spectators are likely to do the same.

Points of Emphasis

SPORTSMANSHIP

- A positive, open line of communication between officials and coaches ultimately leads to better behavior by studentathletes.
- Good sporting behavior is expected before, during and after every contest.

www.nfhs.org

Points of Emphasis

SPORTSMANSHIP

- Contest officials should never engage with spectators who are exhibiting unsporting behavior. Instead, school administration, or in their absence, the home team's head coach is responsible for dealing with unruly spectators.
- The NFHS is concerned about unsporting behavior inhibiting the recruitment and retainment of officials.
- In addition, an environment with demeaning language, taunting and/or hate speech directed at players does not further the mission of education-based activity programs.

Points of Emphasis

STRATEGIC TIME-WASTING TECHNIQUES

Time-wasting techniques disrupt the flow of the game and allow a team to gain an unfair advantage.

Officials must be aware of these tactics including:

- Goalkeepers holding the ball for longer than 6 seconds before releasing the ball into play.
- Delays on restarts such as free kicks or throw-ins. For example, when players take unnecessary time to set up a free kick or throw-in by re-tying their shoe or adjusting their uniform.
- Team excessively substituting before the 5-minute rule applies.

www.nfhs.org

PENALTY KICK

- A stutter step or a hesitation move is permissible.
- The ball must be kicked forward.
- If the ball is not kicked forward, an indirect free kick is awarded to the defending team from the penalty kick mark.

Points of Emphasis

DISSENT

Rule 12-8-1c defines dissent.

- Expressions of frustration or disappointment or private dissatisfaction not directed at anyone can usually be handled by a verbal warning or private discussion with the player.
- Simply disagreeing with an official's decision isn't always dissent. Several factors to consider in each situation.
- Continual public complaining, prolonged and repeated actions or personally directing comments at the referees must be dealt with.

The non-invasive device is called the Q-Collar.
- From a medical perspective, the NFHS SMAC consents to this device being worn by interscholastic athletes.
- The respective NFHS Rules Committees will determine if the Q-Collar will be permissible based on sport-by-sport risk assessments. Soccer does not have a rule that prohibits the wearing of the Q-Collar during competition which makes its use permissible.

COACHES' GENERAL INFORMATION 2022 STATE PLAYOFFS

GHSA COORDINATOR - Kevin Giddens (229-529-4410)

Email: kevin@ghsa.net

OFFICIALS ASSIGNING COORDINATOR – Tim Wool (678-557-4808)

Email: assignor@gsoa.net

1. Officials

FIRST and SECOND rounds: The host school will contact their local referee assignor to schedule officials.

Quarterfinals: GHSA Office will assign Association crews.

Semifinals: The host school should contact Tim Wool by text or email to schedule referees.

2. Soccer Balls

Select is the official soccer ball for GHSA. Host schools are to supply the GHSA official soccer balls for the First Round, Second Round, and Quarterfinals of the Playoffs.

GHSA will ship five (5) soccer balls to the home teams for the Semifinals. After the Semifinal games, each participating team will be allowed to keep two (2) of the GHSA supplied Select balls (win or lose), and the third ball goes to the Center Judge of the Semi Final. The winning team should plan on bringing those two (2) balls to the next round. GHSA will supply all game balls for the finals.

Each team is responsible for bringing their warm-up balls.

3. Adjustments to Schedule (including doubleheaders):

The Host school SHOULD NOT take it upon themselves to make adjustments. The GHSA published schedule should be followed unless there are important school-related circumstances (i.e., Honors Night, Prom, etc.).

FIRST and SECOND ROUND: Any changes from the proposed schedule must follow this protocol:

- a. Contact the visiting school. Both schools must agree to the change.
- b. Contact your local referee assignors to make sure they can supply the referees.
- c. If both a and b are met, contact Kevin Giddens at GHSA for final approval.

Ouarterfinals and Semifinals:

- a. Contact Kevin Giddens for any proposed changes. He will make the decision whether to approve the change or not. He will contact Tim Wool.
- b. Contact the visiting school. Both schools must agree to the change.

Finals

We will have two (2) host sites for the State Finals. Mercer in Macon and McEachern High School.

4. Hosting

The higher seed will always host during the playoffs prior to the finals. If two equal seeds meet in the Quarterfinals or Semifinals, GHSA will flip a coin to determine which school will host prior to the completion of the 2nd Round.

In the finals, GHSA has designated an (H) on the brackets to designate the "Home" team. Seeding prior to the finals will not matter and the team with the (H) will be considered the "Home" team and wear dark jerseys and socks for the game. The only reason for the (H) is to determine which team will wear white and which will wear a dark uniform.

If you think that your team will have a conflict on Finals weekend, please contact Kevin Giddens (kevin@ghsa.net) at GHSA as soon as possible. Please DO NOT wait until the schedule has been made. We must have this information ASAP in order to help coordinate the times and locations for the finals.

Remember that you must contact your local referee assignor to schedule the first two (2) rounds. The GHSA Office will be responsible for assigning and coordinating the referees for the Quarterfinals and Up. Please use text to send information about your scheduled game to

INTERRUPTED GAMES:

Soccer playoff matches are placed on the same set of procedures as football. Any interrupted game that cannot be completed will be replayed from the point of interruption, at the next available date, unless the team that is behind chooses not to have it completed.

VERIFICATION OF SCHEDULES

Coaches must verify game details at www.gsoa.net/ghsa_playoffs (no need to login). If an update/revision is required for the game details contact Kevin Giddens and Tim Wool IMMEDIATELY. The accuracy of this information is critical for the officiating crew assigned to the game.

UNIFORMS

The "VISITING TEAM" MUST wear solid white shirts and socks to comply with NFHS uniforms standards. The HOME TEAM must wear dark shirt and socks.

CHANGING PLAYING DATES:

The GHSA establishes the playing dates that are found with the Constitution and By-laws with the intent of keeping reasonable spacing between the games in the playoff process. There are also concerns about too many games on a particular night because of the number of playoff-quality officials across the state.

Schools MAY NOT take it upon themselves to make adjustments. Please reference the earlier page for procedures on changing game dates for the playoffs.

Scheduling around school events is very difficult. The soccer playoff schedule has not varied greatly in a number of years, so the playoff soccer dates should not come as a surprise. Each request for a date change because of school issues will be handled on a case-by-case basis. Academic issues will have precedence over social events. Schools may be required by the GHSA Office to alter match times rather than match dates if schools cannot agree on an acceptable game time.

DOUBLEHEADERS: Sometimes requests are made to play a boy-girl doubleheader if one school is to host both games that round. There are inherent problems with this change that may have negative effects on the visiting schools. The schools involved lose potential revenue when a doubleheader is played instead of two single games. It is not recommended that the host school clear the stands between games unless there is a significant time lapse between those games. Therefore the following issues need to be addressed before asking to play doubleheaders:

- 1. Both visiting teams must agree in writing to play the doubleheader.
- 2. The assignor of officials must verify that the games can be covered with the date change.
- 3. The admission fee for this doubleheader must be set at \$10.00 instead of \$7.00

FINANCES

Admission must be charged at all playoff games. Ticket prices for State Playoff Rounds 1-3 for single games will be \$7, Doubleheaders will be \$10. Semifinal Playoff Round Ticket prices will be \$10 for single games, \$13 for Doubleheaders. All Championship Game Ticket prices will be \$15

Visiting Team: \$.80 per mile (one way)

GHSA Fee: 12% of gross gate receipts.

Game Officials: The Fee for Officials in Rounds 1 and 2 is \$460.00 per game (\$920 for a doubleheader): Schools pay directly to their associations for the First and Second Rounds.

In the Quarterfinals, the Fee for Officials is \$460 per game (\$920 for Doubleheader). In the Quarterfinal Round, schools pay GHSA who will then pay the officials.

In the Semifinals, the Fee for Officials is \$470.00 per game (\$940 for a doubleheader). Schools pay GHSA who will then pay the officials.

TEAM BENCHES

Throughout the playoffs the team benches shall be located on the same side of the field. If possible, opposite from the spectators side.

OTHER

The "Host School" should supply game balls, water for both teams, and ball boys/girls.

GAME RESULTS

The "Host School" is responsible for reporting game results via text to Kevin Giddens (229-529-4410) immediately following the contest.

RE: GoFan Digital Ticket Sales

In preparing your financial reports for GHSA State Playoffs in all sports, this is a reminder to you that GoFan Digital Ticket sales are part of your total gate. The playoff forms for all sports have a separate line item for you to show the # of digital tickets sold and the resulting gate income. GoFan furnishes a report to GHSA for all playoff games at all member schools showing the # of digital tickets sold – please make sure your financial report reflects that information.

If for any reason, the # of GoFan tickets are not shown on your playoff financial reports and included in the total gate revenue, GHSA will invoice you for the GHSA portion of the gate proceeds relating to digital tickets and a notice to pay your visiting team their portion of the omitted gate proceeds as well. It will be easier for all if you include your digital tickets on the original financial report sent to GHSA.

Please do not hesitate to contact the GHSA office if you have questions concerning the digital ticket program.
