WARMUP:

SWIMMING PRELIM WARMUPS: The competition pool will be available to 1-5A schools for prelims on Friday from 7:00 am – 8:50 am for scheduled warm-ups. The pool will be available for 6-7 A Schools from 4:20 pm – 5:50 pm for scheduled warm-ups for Friday prelims. Scheduled warmup times will be posted on ghssca.com no later than the Monday prior to the meet at noon.

FINALS SWIMMING WARMUPS: The competition pool will be available for open warmup for 1-5A schools for finals from 9:30 am – 10:50 am for open warm-ups. The pool will be available for 6-7 A schools for finals from 4:00 pm – 5:50 pm for open warm-ups (the competition pool will be available as soon as the 1-5A session is concluded).

All swimming warmups are to be conducted according to NFHS safety rules with feet first entry only. We will designate one way sprint lanes to allow for use of the blocks in those lanes only. All warmups must be supervised by a coach. The warmup-warmdown pool will be available at all times during scheduled team warm-ups, as well as throughout competition.

1-5A DIVING WARMUPS: The boards will be open for warmup from 7:00 am – 9:00 am Thursday.

6-7 A DIVING WARMUPS: The non-competition boards will be open for warmup from 7:00 am – 8:30 am Thursday, February 2, and immediately after the conclusion of the 1-5A Diving on Thursday

POOL ACCESS AND TEAM CHECK-IN:

When teams check in for the meet they will receive their team pack with credentials, heat sheets and other important meet info. At check in, all teams must sign for their team packs and provide final confirmation their listed roster of team personnel is accurate. This certifies that all members of the coaching staff are properly qualified to attend the meet and have met all required GHSA certifications. Team check in for the meet to collect your team packs will be available on Thursday, February 6 from 10 am until 5 pm. This will allow you to get your team pack including your team credentials, relay cards and other meet materials the day before the meet, as well as pay you meet entry fees if you have not done so already. This will take place at the back entry to the CRC along Tech Parkway. If you get your team pack on Thursday make sure your athletes and coaches enter the facility on their first day of competition with their credentials in hand when they enter the building.

Teams should enter the facility via the back door along Tech Parkway, please **DO NOT** try to enter the facility via the front door of the building. Teams are requested to come through the team check in area as **one team** with a coach to supervise the check in process. Please do not instruct your swimmers to arrive and enter the building whenever they like.

If your team does not check in until Friday, team check-in will be done in the back hallway of the pool deck level of the facility. There will be 3 check-in tables, separated alphabetically by team, as well as a diving only table specifically for divers and their coaches. At check in your team will receive their meet pack including the following: team credentials, parking pass, heat sheets and relay cards as well as pay your entry fees if you have not done so already.

A list of your credentialed personnel (coaches, athletes, and managers, will be posted on ghssca.com by the Tuesday of the meet. Please review this list for any omissions and notify the meet director as soon as possible so that your check-in can run as smoothly as possible. This

2020 GHSA State Swim and Dive Meet Information

process will apply for prelims as well as finals. Teams will be asked to provide the number of people with their team (this includes athletes, coaches and managers) upon check-in. If this number is greater than the number on our list your team will be billed for the additional personnel at the rate of regular paid admission.

TEAM CHECK IN SCHEDULE: Athletes will NOT be allowed into the building prior to the listed Earliest Check In. Teams arriving early will be required to wait OUTSIDE the building until the listed Earliest Check in Time. Please plan your transportation and arrival accordingly.

Group	Day	Earliest Check-In
All Divers 1-5A and 6-7 A	Thursday	6:45 am
Swimming Team Early Check In	Thursday	10:00 am
1-5A Swimmers (Prelims)	Friday	6:45 am
6-7 A Swimmers (Prelims)	Friday	3:45 pm
1-5A Swimmers (Finals)	Saturday	8:50 am
6-7 A Swimmers (Finals)	Saturday	3:00 pm

For the afternoon prelims session coaches will be allowed to come in and collect their team packs before doors open to teams at 3:45 pm. This will be permitted at the discretion of meet management. 6-7 A schools arriving early for Saturday's finals will have to wait outside until the conclusion of competition of the morning final's session. Coaches may however check in and receive their team packs as early as 3 pm. **6-7A Schools will NOT be permitted to set up their team areas until the conclusion of the last event of the 1-5A meet.**

CERTIFIED COACHES:

All teams must submit a full roster of their coaching staff to the GHSA by January 15. This list may be submitted via the following link: Access to the Coaches Name Submission System is restricted – users must login to the GHSA MIS website (<http://app.ghsa.net>) To begin, click the Coaches link on the School menu – the coaches list for your school is displayed. As a starting point the coaches appearing in the school directory are loaded

All coaches must also complete the required GHSA rules clinic and be on the GHSA authorized coaches list or be subject to a fine from the GHSA. A list of approved coaches will be published on ghssca.com and will be mailed to teams prior to the meet. Teams with unauthorized coaches are subject to a \$100 per coach fine for any coaches not meeting this requirement.

COACHES MEETING: A mandatory coaches meeting will be conducted 45 minutes prior to the start of each prelim session in room 147. This is located in the back hallway of the deck level of the aquatic center near the area for team check in. A member of your coaching staff must be present at this meeting.

CREDENTIALS: Per GHSA rules you will be provided credentials for all of your qualified participants, up to 4 male and 4 female relay alternates, as well as approved coaches on the GHSA swimming and diving list, and up to 2 additional team staff members (trainers or managers). Relay Alternates will NOT receive deck access credentials, they will get a pass to sit in the spectator seating upstairs. They will only be allowed deck access if they are actually needed to swim in the meet. The deck is for swimmers and credentialed team personnel only, please remind your swimmers the importance of keeping their credential if they leave the deck.

The only individuals allowed on deck will be participants, coaches, volunteers, and credentialed meet officials. Access to the deck will be monitored by meet workers and security. Please help us police this policy and instruct any parents or students not participating in the meet to remain

2020 GHSA State Swim and Dive Meet Information

upstairs in the spectator area. This will allow the swimmers to better access the blocks for their events and should minimize swimmers missing races. **Athlete and Coach credentials may only enter the building via the back entrance to the CRC. Those credentials will NOT be accepted at the front of the CRC, where spectators enter the building.** Persons caught trying to pass their credential to an unauthorized person will be subject to ejection from the facility and will be referred to the GHSA for disciplinary action.

TEAM AREAS: The top 5 schools from each scoring division from the prior year's state meet will be allowed to pre-select their seating area, this will apply for prelims and finals. This will be based on the combined team score of each team. A conference call to select seating will be conducted in January, those teams will be contacted with details of the call. All remaining teams will be assigned team areas either on the deck or in the upper seating areas. Teams assigned to the deck may sit on the deck in any of the designated team areas not selected by one of the teams allowed to pre-select their seating.

Teams assigned to sit in the upper seating areas, they are required to sit in the seats above the diving well only. The spectator seating areas over the competition pools for spectators only. Spectators are not allowed to sit in the designated team areas over the diving well, that area is for athletes and relay alternates only. This allows spectators to have the prime seats to view competition and for teams to have adequate areas for their athletes. Teams may NOT set up their team areas in the hallways off the pool deck. Please only take the space your team needs for your swimmers. Teams located in the upper seating areas are NOT ALLOWED to bring large coolers or other items into those seating areas, smaller coolers or bags that fit underneath one of the seats in the stands are permitted, but items larger than that are not permitted. Please keep this in mind when planning on what to bring to the meet.

Teams located in any areas may NOT bring tents, grills, flat screen televisions of any kind into the facility. Teams are welcome to bring team signs, but we request you use blue painter's tape or zip ties only to hang your team signs. Please do not use masking, scotch, athletic or duct tape to hang your signs. Damage caused by use of anything but blue painter's tape will be the responsibility of the offending school.

PROOF OF PERFORMANCE AND MEET ENTRIES:

To be eligible to compete in the state meet swimmers and divers must meet the qualifying standard for the event they enter. That time/score must be achieved in a GHSA meet during the 2020 season and must be submitted to as a verified performance. Coaches shall submit all of their Proof of Performances on the Georgia High School Swimming Coaches Association (GHSSCA) web site found at GHSA MIS website (<http://app.ghsa.net>). Please refer to <http://ghsa.net/ghsa-constitution-and-laws#swimming> of the GHSA "White Book" for full details on the entry and proof of performance process. For questions or concerns about State Meet eligibility and procedures for diving, contact the State Diving Coordinator, Vicky Sanchez Tuymen, (GHSA_diving@hotmail.com). **The coach must make the actual entry for the swimmer and/or diver to compete in the State Meet on the GHSA MIS website (<http://app.ghsa.net>) Friday, January 31, 2020 at 4:00 p.m.** Late entries will not be accepted for the meet. Once the meet entry deadline has expired changes will NOT be allowed to entries. Please check your entries carefully and print a copy for your records. **FAILURE TO FOLLOW THESE PROCEDURES WILL RESULT IN YOUR SWIMMERS NOT COMPETING IN THE STATE MEET.**

RESULTS: Results will be posted on deck, upstairs (outside the spectator gallery), and via the Meet Mobile app. Live results will be available via www.atlantaswimming.com/liveresults.

FINALS AND AWARDS: The top 30 individual individuals and relays return for Saturday's finals. Awards will be provided for the top 3 individuals and relays. Awards will be presented immediately after the conclusion of the championship final heat of each event. The fastest 3 times from the top 30 finalists in each scoring division will be recognized with individual/relay medals.

SCORING: The top 20 places score as follows 24, 21, 20, 19, 18, 17, 16, 15, 14, 13, 11, 9, 8, 7, 6, 5, 4, 3, 2, 1 with double points for relays. Athletes must meet or exceed the qualifying standard in either prelims or finals to be eligible for points. There are scoring divisions for each meet (6A and 7A in the 6-7A session, and 1-3A and 4-5A in the 1-5A session). Teams will score points against teams in their scoring division only. The top 3 male and female teams in each scoring division will be recognized and receive team trophies for their performances.

ADMISSION: The cost of admission is \$15 per session. Students not on their team's list of qualified swimmers or team personnel will have to pay the admission and are not allowed on the pool deck.

ENTRY FEES: All teams must pay a \$9 per entrant fee. This applies to all swimmers and divers submitted in the meet entry process, this fee includes any listed relay alternates and team managers. All fees must be paid on the first day of competition for that team. Teams may pay

2020 GHSA State Swim and Dive Meet Information

their fees online at http://ghssca.com/State_Invoice_Wizard_1.asp. Teams may also give their entry fee check to the check-in table when they get their team pack. One check for each team's entry fees should be made payable to ATLANTA SWIMMING. Fees not paid within 1 week of the conclusion of the state meet are subject to a 100% late fee.

SPECTATOR SEATING: Seats are available on a first come first served basis. Reservation of seating space for spectators is not allowed. Teams may not use towels, coats, pom-poms, etc... to reserve seats. The only thing that can reserve a seat is a body. Spectators must sit in the designated spectator seating, over the competition pool, and may not sit in the designated athlete seating areas over the diving well.

VIDEO STREAMING: Live video streaming coverage of the Swimming Final sessions on Sat., Feb. 4 can be watched on NFHS Network - <http://www.nfhsnetwork.com/associations/ghsa>. Day pass subscription rates will apply. DVDs can also be order at NFHS Network.

COACHES AND OFFICIALS HOSPITALITY: Food and beverages will be provided for members of your coaching staff and meet officials during the meet. The hospitality room is located by the diving well. Please access this room via the hallway door while diving is being conducted (the doors by the pool deck will be locked during diving competition). Please keep your athletes out of the room.

CONCESSIONS: Concessions for the meet will be provided.

TEAM ARRIVAL AND PARKING -

Please follow these steps carefully, as it will help limit congestion and confusion. Team vehicles will NOT receive free parking passes. There are a limited number of passes available for purchase mini buses and passenger vans. To request passes for those vehicles must be requested in advance. A link to purchase those passes will be sent to the teams in January. Parking for all personal vehicles will have to go in the paid parking lots by the facility. To save some money and ensure you have your pass for those lots go to <https://gatech.clickandpark.com/events>. Vehicles parked at any of the designated parking lots at or around GT without a parking pass will be ticketed, booted or towed. A full diagram of parking and the area around the pool can be found at <http://www.ghssca.com/statemeet/2019/2019%20Large%20Area%20Parking%20Map.pdf> And <http://www.ghssca.com/statemeet/2019/2019%20GT%20Parking%20Map.pdf>

Team Drop Off - Team drop off will still take place on Tech Parkway by the back entrance to the pool as it has in years past. With that side of Tech Parkway being 2 way traffic now teams are required to approach the building from the south when bringing their athletes to the pool. You will not be allowed to access Tech Parkway from Northside Drive travelling south. You must enter Tech Parkway either from North Avenue, Wallace St.(for large busses) or Means St (for mini buses or smaller). Please familiarize yourself with the map on ghssca.com so you can know where to go when you get to the pool. Bottom line, plan some extra time to get your athletes to the pool the day of the meet (specifically prelims) as it will be very congested. Please remember, buses must drop off their athletes immediately and unload as soon as possible. Teams may not park their team bus in the loading zone and wait until the doors open for your session.

Parking for SWIMMING AND DIVING -

Parking for this year's meet will be substantially different than in year's past. Georgia Tech has significantly reduced available parking for the meet so please follow the details below carefully.

2020 GHSA State Swim and Dive Meet Information

Large School Bus Parking - Due to construction on Hemphill Ave., there is no available on campus parking for large school buses. YOUR BEST OPTION IS TO HAVE YOUR BUS DROP YOU OFF AND PICK YOU UP ONLY. Plan to make arrangements to call your driver as competition is getting wrapped up. Prelims for 1-5A should end around 12:15 pm and around 9:45 pm for 6-7A. The nearest offsite location to park a bus is on Northyards Dr. and will require a 10+ minute walk to get to the pool (hello Uber).

If you have no other choice and have to park your bus at GT her are your options:

- Limited spots are located at Northyards Blvd. There is no charge for those spots but they are farther from the pool and **shuttle service will not be available this year.** This location is about a 10 minute walk from the pool. With that in mind, we strongly advise teams to have a driver lined up for those full size team busses so that coaches can remain with their athletes.

Mini Bus Parking - If you plan on driving a mini bus or van you MUST request a parking pass at the following link. <https://forms.gle/DjnBdy9xwSyBEkKn7> Parking for these vehicles will take place at the north end of Tech Parkway past the team dropoff area. Overflow parking for these vehicles can try Northyards Blvd. as an option. With that in mind, we strongly advise teams to have a driver lined up for those mini buses so that coaches can remain with their athletes. Do NOT park personal vehicles in those spots THEY WILL BE TOWED.

Prepaid Parking for Personal Vehicles for Teams and Volunteers - If you are using a personal vehicle (car or SUV) you will have to use the paid parking lots adjacent to the facility. Advance parking can be purchased for a discount (\$12) at <https://gatech.clickandpark.com/events>. This deck is attached to the CRC. Only prepaid vehicles will be allowed to park in this deck. Vehicles who have not pre-bought one of these spaces will not be allowed to pay to park in this deck on site the day of the meet. I hate having to do this to teams and volunteers, but the matter is totally out of our hands. As I mentioned, Georgia Tech's parking department had taken away a large number of our regular parking spots, so carpool if possible as those spots will be gobbled up quickly.

Spectator and Non-credentialed Vehicles - For those who did not pre-buy parking passes, all spectator, athlete, and extra team vehicle (car or SUV) parking will be allowed at the Dalney St. and State St. decks, for \$15 per vehicle/session. This lot is located farther from the pool and requires a 5-10 minute walk. To avoid this advance parking can be purchased for \$12 at <https://gatech.clickandpark.com/events>.

MERCHANDISE: Team IP will be on site with official championship apparel and swimming related products. Merchandise will be available on the spectator level of the pool in the classrooms across from concessions.

PHOTOGRAPHY: Only credentialed media and press will be allowed on deck during the meet. School photographers may request a press pass from the meet director (see details below), personal team photographers will not be allowed on deck during the meet. Flash photography in the spectator area is not allowed. The GTAC is equipped with broadcast level lighting, flash photography is not needed. Those failing to comply with this request are subject to removal from the meet.

School Yearbook Photographer or Videographer:

If your school is planning on sending a staff member from the school's yearbook staff to the meet, please submit their name

2020 GHSA State Swim and Dive Meet Information

via <https://docs.google.com/a/atlantaswimming.com/forms/d/1gyP0RO49tISGif-VTw8YixFiAXL8Ktw9wyatP9O-3rQ/viewform?c=0&w=1> . One (1) photographer or videographer will be considered per team, but not guaranteed. There are a limited number of passes that will be issued on a first come-first serve basis. No requests will be taken onsite. When approved, your photographer will need to enter the building at the front and proceed to the GHSA Pass Gate, *purchase a ticket to the event*, present their ID and will be given a photo pass with deck access. Each pass is only good for one (1) session. Photographers must stay behind the ropes at all times and are not allowed behind the blocks or on the bulkheads.

All American Diving Videographers:

Since the meet format for diving is now a 6 dive meet, there is no need for All American videography (that requires 11 dives).

RiverOak Photography is the official state meet photographer. To order photos from the Diving State Championships, visit riveroakphotography.com/action/signup/ . The online form is the only way to sign up for photos from Diving event. Swimming photos will be available to order only through sign-ups at the RiverOak Photography table at the Georgia Tech Aquatic Center. Write to orders@riveroakphotography.com with questions.

DIRECTIONS:

DRIVING SOUTH ON I-75/85 INTO ATLANTA:
