WHERE: Georgia Tech Campus Recreation Center Aquatic Center, 750 Ferst Drive, Atlanta, GA 30318. The Georgia Tech Aquatic Center is a ten lane 50 meter x 25 yard 10 lane pool, this is a flat wall pool on finish and turn ends. Preliminaries for swimming will be conducted in two 10 lane courses. One pool will have all girl's events and one pool will have all boys events. The diving well will be available for warmup/warmdown during prelims. For finals there will be a 10 lane warm-up/warm-down pool available at all times prior to and during finals competition. The facility includes an active matrix scoreboard that will include athlete names for each event. The facility includes an Omega Quantum timing system with touchpads and relay takeoff equipment. Relay takeoff equipment is calibrated according to Omega Timing specifications, any relay takeoff exchange up to -.03 sec is considered a legal exchange. NFHS rules will be applied for relay exchange judging. There is stadium seating for 1900 spectators.

WARMUP/WARMDOWN:

SWIMMING WARMUPS: The competition pool will be available to all schools for their respective sessions for scheduled warm-ups. Scheduled warmup times will be posted on ghssca.com no later than the Monday prior to the meet at noon.

All swimming warmups are to be conducted according to NFHS safety rules with feet first entry only. We will designate one way sprint lanes to allow for use of the blocks in those lanes only. All warmups must be supervised by a coach. The diving well will serve as the warmup-warmdown pool will be available at all times during scheduled team warm-ups, as well as throughout prelim competition. During finals the diving well will possibly not be available for warmup.

1-5A DIVING WARMUPS: The boards will be open for warmup from 7:30 am – 8:15 am for boys and approximately 10:30 am – 11:15 am on Thursday for girls. Divers not currently competing should not come into the building until close to their warmup and competition time and must remain in the spectator gallery until it is time for their session to warmup and compete.

6-7 A DIVING WARMUPS: The boards will be open for warmup immediately after the conclusion of the 1-5A Diving on Thursday. 6-7A Divers should not enter the building until close to their warmup and competition times and **MUST** remain in the spectator gallery until the 1-5A divers are finished.

MASKS:

Masks are not required for the facility, but are strongly advised to be worn by any unvaccinated persons.

ARRIVE ATTIRED:

Locker facilities are limited, we request that swimmers and divers arrive in their suits (under their clothes or warmups) to limit the need for locker room usage.

POOL ACCESS AND TEAM CHECK-IN: FOR SWIMMING -

Teams will be able to pick up their team packets either on Thursday, Feb 3 after 9 am at the pool during diving. If you do not pick up your team pack on Thursday you **MUST** pick it up on the day of your event at 711 Marietta St., this is a location away from the pool and not located at the Campus Recreation Center, please see the map below to get an idea of that location. This is a large parking lot where teams may drive up and get their team packets with their credentials. Please note, this check in area is not located in the normal place where teams have checked in for prior state meets. Teams only have to pick up their team pack once, credentials for boys and girls will be in one team pack. Be sure to build an extra few minutes into your travel plans to accommodate this change..

Teams should **NOT** go immediately to the Athlete/Entry at the Campus Recreation Center (CRC)/Pool as the team packs will not be there. Once teams have collected their team packs, they can then proceed to the Athlete Dropoff Area and Team Entrance at the REAR of the CRC on Tech Parkway. Do **NOT** go to the front entrance of the facility that has been used in 2021. The front entrance to the building will be for **SPECTATORS ONLY**.

At check in your team will receive their meet pack including the following: team credentials, parking pass, heat sheets and relay cards as well as pay your entry fees if you have not done so already. At check in, all teams must sign for their team packs and provide final confirmation their listed roster of team personnel is accurate. This certifies that all members of the coaching staff are properly qualified to attend the meet and have met all required GHSA certifications.

Team check in will be done during a scheduled window for each team. Do not try to arrive early for team check

2022 GHSA State Swim and Dive Meet Information

in, you will not be allowed in the building until your scheduled time. You will have to wait outside (no matter how miserable it is) until your scheduled building entry time. Plan your transportation accordingly. The scheduled check in times for teams will be posted on ghssca.com no later than the Monday prior to the meet at noon.

Team check in will be available until the start time of each swimming session, after that time, all remaining teams will be checked in at the Athlete Entry location located at the REAR of the CRC on Tech Parkway. This will only apply for teams arriving after competition begins.

All athletes/teams must enter the venue via the REAR entrance to the Campus Recreation Center on Tech Parkway. No teams will be allowed to enter the venue via the front (Ferst Drive) entrance we used in 2021, that entrance will be for SPECTATORS ONLY. Teams are requested to come through the Athlete Entry location as **one team** with a coach to supervise the arrival process. **Everyone should have a credential in hand or visibly displayed when entering the building.** Have a plan and location to meet any of your athletes who will not be traveling with your team and will be dropped off by a parent. Please do not instruct your swimmers to arrive and enter the building whenever or wherever they like. Unaccompanied athletes will NOT be allowed into the building. Please go to your designated team area and remain there until your scheduled warmup time.

FOR DIVING – Teams must enter the venue via the REAR entrance to the Campus Recreation Center on Tech Parkway. No teams will be allowed to enter the venue via the front (Ferst Drive) entrance we used in 2021, that entrance will be for SPECTATORS ONLY. Teams are requested to come through the Athlete Entry location as **one team** with a coach to supervise the arrival process. into the building to receive their team packs and credentials for your divers.

A list of your credentialed personnel (coaches, athletes, and managers, will be posted on ghssca.com by the Monday of the meet. Please review this list for any omissions and notify the meet director as soon as possible so that your check-in can run as smoothly as possible. **Athletes or coaches not on this list will not receive a credential and will not be allowed in the venue.**

TEAM CHECK IN SCHEDULE: Teams will NOT be allowed into the building prior to their scheduled check in time. Teams arriving early will be required to wait OUTSIDE the building until the listed Earliest Check in Time. Please plan your transportation and arrival accordingly.

TEAM AREAS: Each team will be assigned a specific seating location, either on the deck or in a reserved section and row in the spectator area and must sit in that section for the meet. Do not sit in a seat unless it is specifically designated for your team. Athletes and coaches should remain in their team areas at all times unless they are going to the deck to compete in a race. **The athlete seating area is for ATHLETES ON YOUR STATE MEET ROSTER and TEAM PERSONNEL ONLY, please do not allow parents/spectators or non-competing students to sit with your team. Conversely, athletes and team personnel should NOT sit in the spectator sections, those are for paid spectators only.**

Teams located in any areas may NOT bring tents, grills, flat screen televisions of any kind into the facility. Teams are NOT ALLOWED to bring large coolers or other items into those seating areas, smaller coolers or bags that fit underneath one of the seats in the stands are permitted, but items larger than that are not permitted. Teams are welcome to bring team signs, but we request you use blue painter's tape or zip ties only to hang your team signs. Please do not use masking, scotch, athletic or duct tape to hang your signs. Damage caused by use of anything, but blue painter's tape will be the responsibility of the offending school.

ATHLETES ON DECK AND TRAFFIC FLOW ON DECK: There is a limit to the number of bodies allowed on the deck your cooperation with this process will help us stay in compliance with these guidelines. Athletes seated upstairs must come to the deck via the stairs at the back of the spectator area, NOT the stairs inside the spectator gallery by the scoreboard. From there they can access the downstairs back hallway to access the deck. Please see the diagram

2022 GHSA State Swim and Dive Meet Information

below for a visual description of this traffic flow. Once a swimmer's race is done they may warm down in the diving well for a limited amount of time and then must return to their designated team area. Athletes (and coaches) must exit the deck via the doors by the timing room next to the competition pool and then return upstairs via the back stairwell. Athletes (and coaches) should NOT use the stairwell inside the pool area by the scoreboard to go upstairs.

CREDENTIALS: Per GHSA rules you will be provided credentials for all of your qualified participants, as well as approved coaches on the GHSA swimming and diving list. Due to facility and deck capacity limits support staff (managers and team trainers) will not be allowed on the deck during competition. Your cooperation with these measures is crucial, as the CRC has very specific capacity limitations for all meets. **Teams will be limited to a maximum of five coaches per session. Please help us by limiting the number of coaches you have on deck during competition.** Separate coaches credentials will be provided for deck access only. Teams should make an effort to limit being on the deck while their swimmers are either warming up, competing or warming down. **Relay Alternates will NOT receive credentials to come onto the pool deck unless they will actually be needed to compete.** If you need to "activate" an alternate to swim in the meet you will need to notify meet management ASAP to arrange for a deck credential. All relay alternates must sit in a designated area in the spectator seating gallery upstairs, even if their team area is on the pool deck.

The only individuals allowed on deck will be participants, coaches, meet staff, scheduled meet volunteers and credentialed meet officials. Spectators and non-credentialed students are not allowed on the deck for any reason. Access to the deck will be monitored by meet workers and security. Please help us police this policy. This will allow the swimmers to better access the blocks for their events and should minimize swimmers missing races. Persons caught trying to pass their credential to an unauthorized person will be subject to ejection from the facility and will be referred to the GHSA for disciplinary action.

CERTIFIED COACHES:

All teams must submit a full roster of their coaching staff to the GHSA by January 19. This list may be submitted via the following link (<http://app.ghsa.net>): Access to the Coaches Name Submission System is restricted – users must login to the GHSA MIS website (<http://app.ghsa.net>) To begin, click the Coaches link on the School menu – the coaches list for your school is displayed. As a starting point the coaches appearing in the school directory are loaded.

All coaches must also complete the required GHSA rules clinic and be on the GHSA authorized coaches list or be subject to a fine from the GHSA. A list of approved coaches will be published on ghssa.com and will be mailed to teams prior to the meet. Teams with unauthorized coaches are subject to a \$100 per coach fine for any coaches not meeting this requirement.

COACH LIMITS AND REQUIREMENTS FOR CREDENTIALS: Teams may only bring a maximum of FIVE coaches to the meet. Teams must declare who these coaches are as part of the entry process via the GHSA MIS Website (<http://app.ghsa.net>). You must list your 5 coaches as part of your team roster and "enter" them in the coaches category (there will be a check box along with the other events in the entry interface to complete this task). You may only enter certified coaches, uncertified coaches will be subject to a GHSA fine. Please only list coaches who will actually attend the meet and do your best to limit the number of coaches wherever possible.

COACHES MEETING: The coaches meeting will be done virtually via Zoom a couple of days prior to the meet. We will send details on the call in mid January. A member of your coaching staff must be present at this meeting. Failure to attend will result in possible fines and/or disciplinary action from the GHSA.

PROOF OF PERFORMANCE AND MEET ENTRIES:

To be eligible to compete in the state meet swimmers and divers must meet the qualifying standard for the event they enter. That time/score must be achieved in a GHSA meet during the 2021 season and must be submitted to as a verified performance. Coaches shall submit all of their Proof of Performances on the Georgia High School Swimming Coaches Association (GHSSCA) web site found at GHSA MIS website (<http://app.ghsa.net>). Please refer to <http://ghsa.net/ghsa>

2022 GHSA State Swim and Dive Meet Information

[constitution-and-laws#swimming](#) of the GHSA “White Book” for full details on the entry and proof of performance process. For questions or concerns about State Meet eligibility and procedures for diving, contact the State Diving Coordinator, Vicky Sanchez Tuymmer, (GHSA_diving@hotmail.com). **The coach must make the actual entry for the swimmer and/or diver to compete in the State Meet on the GHSA MIS website (<http://app.ghsa.net>) Friday, January 28, 2022 at 11:59 p.m.** Late entries will not be accepted for the meet. Once the meet entry deadline has expired changes will NOT be allowed to entries. Please check your entries carefully and print a copy for your records. **FAILURE TO FOLLOW THESE PROCEDURES WILL RESULT IN YOUR SWIMMERS NOT COMPETING IN THE STATE MEET.**

ENTRY LIMITS

Per NFHS rules governing championship meets athletes are limited to a maximum of 4 events, of which no more than 2 of those events can be individual events. Schools are limited to a maximum of 4 individuals per individual event and 1 relay per relay event.

2022 GHSA State Swim and Dive Meet Information

for points. There are scoring divisions for each meet (6A and 7A in the 6-7A session, and 1-3A and 4-5A in the 1-5A session). Teams will score points against teams in their scoring division only. The top 3 male and female teams in each scoring division will be recognized and receive team trophies for their performances.

ADMISSION: The cost of admission is \$15 per session. Students not on their team's list of qualified swimmers or team personnel will have to pay the admission and are not allowed on the pool deck.

ENTRY FEES: All teams must pay a \$15 per entrant fee. This applies to all swimmers and divers submitted in the meet entry process, this fee includes any listed relay alternates, managers or other team personnel. All fees must be paid on the first day of competition for that team. Teams may pay their fees online at http://ghssca.com/State_Invoice_Wizard_1.asp. Teams may also give their entry fee check to the check-in table when they get their team pack. One check for each team's entry fees should be made payable to ATLANTA SWIMMING. Fees not paid within 1 week of the conclusion of the state meet are subject to a 100% late fee. Entry fees are non-refundable, unless the meet is not swum.

VIDEO STREAMING: Live video streaming coverage of the Swimming Final sessions on Sat., Feb. 5 can be watched on NFHS Network - <http://www.nfhsnetwork.com/associations/ghsa>. Day pass subscription rates will apply. DVDs can also be ordered at NFHS Network.

COACHES AND OFFICIALS HOSPITALITY: We will have drinks and light snacks available, but that will be the only hospitality provided for coaches and event staff ONLY.

CONCESSIONS: Concessions for the meet will be available for this year's meet.

PARKING -Please follow these steps carefully, as it will help limit congestion and confusion. A full diagram of Team vehicles will NOT receive free parking passes. Prepaid parking for personal vehicles and SUV's can be purchased in advance of the meet. Additionally, there are a limited number of passes available for purchase for mini-buses and passenger vans that do not fit in the prepaid parking deck. Passes for those vehicles must be purchased in advance via the following link <https://gatech.pmreserve.com/> the link will be active about 2 weeks prior to the meet. Vehicles may NOT pay at arrival in the prepaid lots, those vehicles will have to park in the Day of Parking for all personal vehicles and SUV's can be done in the W10 lot, directly adjacent to the CRC, prepaid parking will be available at a link to be listed in January.

Bottom line, plan some extra time to get your athletes to the pool the day of the meet (specifically prelims) as it will be very congested. Teams may not park their team bus in any loading zone and wait until the doors open for your session.

Parking for SWIMMING AND DIVING – A full parking diagram can be found at [State Meet Parking and Transportation Map](#) Parking for this year's meet will be substantially different than in year's past. Georgia Tech has significantly reduced available parking for the meet so please follow the details below carefully.

Parking for DIVING ONLY on Thursday Feb. 3 –

Parking for Personal Vehicles for Coaches and Spectators - All personal vehicles (up to the size of an SUV) for Coaches, Athletes and Spectators will park in the W02 lot located at 355 Ferst Drive. Parking at this location is \$2/hour with at \$15 per day maximum, however if you leave that parking lot, you will be subject to paying more than the daily maximum as the clock will re-set if and when you re-enter that lot.

Mini Bus Parking - **If you plan on driving a mini bus or van you MUST purchase a parking pass via the Georgia Tech Park Mobile system.** <https://gatech.pmreserve.com/> Parking for these vehicles will take place at the north end of Tech Parkway past back entrance of the CRC. If you park in this location you will still need to enter the venue via the FRONT entrance to the pool. Overflow parking for these vehicles can try Northyards Blvd. as an option. With that

2022 GHSA State Swim and Dive Meet Information

in mind, we strongly advise teams to have a driver lined up for those mini buses so that coaches can remain with their athletes. Do NOT park personal vehicles in those spots THEY WILL BE TOWED.

Parking for SWIMMING ONLY on Friday and Saturday, Feb. 4-5 -

Prepaid Parking for Personal Vehicles for Teams, Coaches and Spectators - If you are using a personal vehicle (car or SUV) you will have to use the prepaid parking lots adjacent to the facility lot W10. **To park in this lot you MUST purchase a parking pass via the Georgia Tech Park Mobile system. <https://gatech.pmreserve.com/>** You cannot pay for parking at arrival at this lot the day of the meet. Day of parking and overflow parking will be done at the W22 and W23 lots located at 935 State St. Parking is \$15 per day.

Mini Bus Parking - If you plan on driving a mini bus or van you MUST purchase a parking pass via the Georgia Tech Park Mobile system. <https://gatech.pmreserve.com/> Parking for these vehicles will take place at the north end of Tech Parkway past back entrance of the CRC. If you park in this location you will still need to enter the venue via the FRONT entrance to the pool. Overflow parking for these vehicles can try Northyards Blvd. as an option. With that in mind, we strongly advise teams to have a driver lined up for those mini buses so that coaches can remain with their athletes. Do NOT park personal vehicles in those spots THEY WILL BE TOWED.

Large School Bus Parking - Due to construction on Hemphill Ave., there is no available on campus parking for large school buses. YOUR BEST OPTION IS TO HAVE YOUR BUS DROP YOU OFF AND PICK YOU UP ONLY. Plan to make arrangements to call your driver as competition is getting wrapped up. Please see the schedule above for estimated times for each session. The nearest offsite location to park a bus is on Northyards Dr. and will require a 10+ minute walk to get to the pool (hello Uber).

If you have no other choice and have to park your bus near GT here are your options:

- Limited spots are located at Northyards Blvd. There is no charge for those spots but they are farther from the pool and **shuttle service will not be available this year.** This location is about a 10 minute walk from the pool. With that in mind, we strongly advise teams to have a driver lined up for those full size team busses so that coaches can remain with their athletes.

MERCHANDISE: Team IP will be on site with official championship apparel and swimming related products. If they are unable to be at the event and online option for purchase will be made available. Merchandise will be available on the spectator level of the pool in the classrooms across from concessions.

PHOTOGRAPHY: Teams will not be allowed to request a photo credential for the meet. Please remember flash photography in the spectator area is not allowed. The GTAC is equipped with broadcast level lighting, flash photography is not needed. Those failing to comply with this request are subject to removal from the meet.

For the ninth straight year, River Oak Photography is thrilled to provide action photography for the GHSA State Swimming and Diving Championships. Due to COVID-19 precautions, all reservations for photography must be made in advance online at riveroakphotography.com/reserve-online/ghsa/. Please contact orders@riveroakphotography.com with any questions.

All American Diving Videographers:

Since the meet format for diving is now a 6 dive meet, there is no need for All American videography (that requires 11 dives).

OFFICIALS – Only currently approved GHSA officials will be permitted to work the meet. If possible, officials should also be currently USS approved officials in good standing with Georgia Swimming. Officials should report to the facility at least 90 minutes prior to the start of their scheduled session(s). Attire for the meet must include white polo type shirts with your official's association and/or GHSA logo. Please also wear Khaki long pants, white socks and

2022 GHSA State Swim and Dive Meet Information

white shoes. Please bring a multi-channel radio for use at the meet. All disqualifications must be reported quickly so the results may be published in a timely manner. Also please bring 2 pens in case you need to make note.

DIRECTIONS:

DRIVING SOUTH ON I-75/85 INTO ATLANTA:

The pool is located at the Campus Recreation Center Aquatic Center, 750 Ferst Drive, Atlanta, GA 30318. Take Exit #249D (North Ave.). At the top of the exit ramp, turn right onto North Ave. Cross Techwood Dr. (the first light) and continue on North Ave. to Tech Parkway and make a right. Follow Tech Parkway to the Aquatic Center. Teams may drop swimmers off at the rear entrance to the pool located on Tech Parkway. Spectators should turn right onto Means St. and follow signs to the designated parking areas.

DRIVING NORTH ON I-75/85 INTO ATLANTA:

The pool is located at the Campus Recreation Center Aquatic Center, 750 Ferst Drive, Atlanta, GA 30318. Take Exit #249D (North Ave.). Take Exit #250 (10th/14th Street). Turn left (west) onto 10th Street at the top of the exit ramp. Continue down 10th Street past Fowler Street and Atlantic Drive, making a left onto State Street. Follow State Street to Ferst Drive. Turn right onto Ferst Drive and continue to the Campus Recreation Center which will be located on your right. Teams should continue to the light at Means Street and go right. From there take your next right onto Tech Parkway. Teams may drop swimmers off at the rear entrance to the pool located on Tech Parkway. Spectators should stay on Ferst Dr. and follow the signs to the designated parking areas.
