2022 GHS A Track & Field

Excerpts from 2021-22 GHS A Constitution (Pp. 86–87)

GENERAL INFORMATION:

- C. Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts, partners and GHS A Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.
- D. Track meet requirements:
1. There will be no interscholastic practices or exhibition meets in Track.
 2. The maximum number of meets that may be scheduled is twelve (12), but no individual student may compete in more than ten (10) meets (excluding the Region/Area, Sectional and State Meets).
 3. Track teams may compete in one (1) indoor meet, and this meet will not count as a part of the ten (10) meets allowed per athlete provided the meet is after the date for practice to begin and prior to the date to begin regular competition.
 4. It is permissible for coaches to use “split squads” during the regular season. However, the use of split squads will count as two (2) of that school’s maximum allowed competitions.
- E. **Any meet involving eight (8) or more schools must be approved by the GHS A Executive Director in accordance with the process described in By-Law 2.64: “(b): All applications for sanctioning must be submitted to the GHS A thirty (30) calendar days prior to the tournament <track meet> by a GHS A-member school.”**
- F. A contestant in Track and Field may compete in **a maximum of four (4) events** and may not be entered in more than four events, excluding relays. If a contestant is entered in more than the allowable number of events, meet management shall scratch the contestant from the excess event(s) by following the listed Order of Events. A contestant may officially compete in:
1. Four individual events - NO Relay events.
 2. Three individual events - May be listed on any number of relay events but **compete** in only one relay event.
 3. Two individual events - May be listed on any number of relay events but **compete** in only two relay events.
 4. One individual event - May be listed on any number of relay events but **compete** in only three relay events.
 5. NO individual events - May be listed on any number of relay events and **compete** in all four relay events.
- G. The following regulations apply to the Pole Vault event:
1. All GHS A schools competing in the pole vault event must meet the minimum NFHS regulations on the vaulting area, the plant box, the vaulting standards, the crossbar and the landing pads. Schools not able to meet these regulations are not allowed to practice or compete in the pole vault event at the non-complying site.
 2. A listing of approved schools has been established for the pole vault. Annually, those schools making changes in their pole vault equipment and/or facilities **MUST** report the changes to the GHS A office.
 3. In compliance with NFHS rules, coaches must verify that all vaulters and poles meet event requirements. A “Pole Vault Verification Form” (found on the [GHS A web site](#)) is to be submitted before each competition.
- H. The GHS A has elected to fully comply with the NFHS Rule 4-3-1. All competitors shall have legal uniforms. The singlet and bottom, or one-piece uniform, must be a school-issued or school-approved Track and Field uniform. Uniform bottoms clearly designed as “underwear” (including bottoms with a crotch outline) will NOT meet the NFHS or GHS A requirement. Uniform tops and one-piece uniforms with multiple manufacturer logos are NOT legal. Uniform bottoms with logos completely around the waistband are LEGAL. Team uniforms worn must clearly identify the competitors, at a glance, as being a member of a certain team. (CLARIFICATION: Team members competing in individual events must wear clearly identifying uniforms for that team, but NOT NECESSARILY of the same design. Relay team members on the same team must wear uniforms of the same design. NOTE: The ultimate responsibility for uniforms compliance lies with the coach. Coaches should inspect any/all garments competitors wear to make sure they are in compliance with GHS A and NFHS uniforms rules.
- I. Athletes may not compete while wearing electronic devices.
- J. Electronic devices, including but not limited to disc players, tape players, cell phones, pagers, walkie talkies, are permitted for use by coaches within designated coaching boxes or outside of restricted competition areas.

2019

NFHS Track and Field Pre-Meet Notes Rule Change Highlights

2019 Points of Emphasis

2. Wearable Technologies

The availability of wearable technologies that allow individuals to monitor a variety of body functions, including but not limited to, heart rate, blood pressure, pace and distance traveled are readily available and cost effective. Nearly all these wearable technologies can both transmit and receive collected data from other mechanisms. This data can be used to evaluate how the body is performing, and the user can adjust as needed based on that data.

This type of technology is being incorporated into watches, garments, shoes and jewelry and, in most cases, is nearly impossible to distinguish from the same item type that does not include the technology (e.g., Apple watch vs. traditional watch).

NFHS Track and Field and Cross Country Rules do not prohibit the use of wearable technologies, but Rules 3-2-8a and 4-6-5d state that no competitor may receive electronically transmitted data from a coach or other third party. If such communication is observed by an official, the competitor should be disqualified. While preventative officiating helps to avoid issues in any event, it is obvious that those trying to police wearable technologies by restricting what can be worn by competitors is asking event officials to perform an impossible task. Restricting the wearing of a watch because it contains GPS capability is futile when the same technology is available in the shoe, the sports bra they have on or the ring they are wearing.

The market for wearable technology is forecasted by most sales and marketing experts to continue to grow – some estimate that nearly 500 million wearables will be sold by 2021. This massive expansion creates the potential for more coaches and athletes to be "connected" through some type of wearable technology. It is important that all involved (administrators, coaches, parents, student-athletes) understand the privacy and legal issues surrounding the sharing of personal biometric information. Discussions and steps should be taken to ensure that compliance with any Federal and State policies or laws are addressed appropriately.

The GHSA MIS site (<http://app.ghsa.net/>) **MUST** be used for:

- electronic submission of Area/Region rosters and entries
 - Use of other online meet entry systems (MileSplit, Coach O, Direct Athletics, etc.) **DOES NOT FULFILL THIS REQUIREMENT!!**
 - A school’s **FAILURE** to submit Area/Region Meet rosters and entries on the GHSA MIS site **SHALL** subject that school’s entries to **DISQUALIFICATION** from participation in the State Meet Series (Area/Region/Sectional/State Meets)
- electronic submission of Area/Region Meet Results to the Area/Region Winner’s Form
- Replacements from Area/Region Meets to Sectional meets
- Replacements from Sectional Meets to State Meets.
- Each member school’s AD has been issued login credentials for submission of that school’s Area/Region roster and entries. Head Coaches should ask their AD for these login credentials.

Each Area Coordinator/Region Secretary (or designee) will be issued login credentials for submission of Area/Region Meet Results to the Area/Region Winner’s Form.

Each Region Secretary (or designee) will be issued login credentials for submission of Area/Region Meet Replacements to Sectional Meets.

Each Sectional Meet Director will be issued login credentials for submission of Sectional Meet Replacements to State Meets.

2022 GHS A Track Markings Requirements

With the addition of the 4x200 Meter Relay for the 2022 season, the GHS A will require the following track markings for the 4x200 Meter Relay and the 4x800 Meter Relay. These will be required for all Area/Region, Sectional, and State Meet competition.

4x200 Meter Relay: four-turn stagger with runners running in their lanes the ENTIRE RACE.

Many (most?) tracks will need to have these start & exchange zone markings added to their tracks for the 2022 season.

4x800 Meter Relay: A “dual-alley” start, as illustrated below.

Since many (most?) tracks will need to add the 4x200 Meter Relay start & exchange zone markings to their tracks in preparation for the 2022 season, they should also add the markings for a “dual-alley” start for the 4x800 Meter relay as illustrated below:

Dual-alley start – A type of start commonly used in large distance races where there are two waterfall starts: One standard, and a second farther down the track that is spread over the outside half of the lanes. Runners in the outside alley may break only to the middle of the track, designated by cones, until completing the first turn, at which time the runners on the outside may break toward the inside lanes where the runners who started from the full waterfall have already moved.

Region/Area Competition Guidelines and Clarifications

Excerpts from 2021-22 GHS A Constitution (Pp. 87–88)

REGION/AREA COMPETITION:

 2. Posting entries on sites other than the GHS A web site does **NOT** fulfill the GHS A requirement for electronic submission.
 3. Coaches may alter the list of entries until the deadline established by each Region/Area for their Region/Area meet.
 4. All Region Secretaries/Area Coordinators should communicate their deadline for entries before the “Scratch Meeting” that precedes the Region/Area Meet. Region Secretaries/Area Coordinators (or designee) must “close” the MIS electronic entries for the deadline established by each Region/Area.
- B. The time schedule for the Region/Area Meet shall be given to each competing school prior to the start of the Meet.
1. Events to be contested for Boys and Girls Track (18 events):

 3. Relay teams entered in the Region/Area Meet may list a maximum of eight (8) runners.
 - (a) The relay names remain the SAME throughout the State Meet Series (Region/Area/Sectional/State Meets) and are the ONLY eligible participants for qualifying relay teams throughout the State Meet Series.
 - (b) NO replacements may be made in the Relay list of runners advancing from the Region/Area Meet to the Sectional Meet to the State Meet.
 - (c) Any four (4) competitors listed on a Region/Area Meet relay event entry may run in that event in any round of advancement (Region/Area, Sectionals, State Meet Semifinals and Finals), and in any order desired.
 4. In Shot Put, Discus, Long Jump, and Triple Jump, the giving of qualifying and final trials is optional. NOTE: The Region/Area Games Committee may institute a process in which each contestant has three (3) attempts and only the best attempt counts.
 5. It is recommended that all Regions/Areas conduct the boys and girls competitions on the same dates in order to comply with the GHS A deadline for completion of Region/Area track competitions.
- C. When there is a tie in any event involving more contestants than the Region/Area is entitled to enter in the Sectional Meet, the contest must continue or be re-held until the representatives to the Sectional Meet are determined, and no points be given for the continued or re-held contest. For possible replacement purposes, all events must determine clear 5th and 6th place finishers in Classes A Public and 2A–7A, and clear 6th and 7th place finishers in Class A Private.

2022 GHS A Track & Field

POINTS OF EMPHASIS:

2022 GHSA Track & Field GHSA/NFHS Uniform Rules Clarification

- Undergarments having a crotch outline and/or opening are NOT legal as uniform bottoms.
- Uniform bottoms having a waistband with multiple logos/references of the manufacturer are **NOW LEGAL** as uniform bottoms (*new in 2022*).
- Undergarment tops and/or bottoms do not have to be the same color nor a solid color.
- Any OTHER clothing items (socks, head wear, sleeves, gloves etc.) are NOT considered part of the school issued uniform. **NO non-uniform items may be worn that are demeaning to the sport and/or present a hazard to the safety of the competitor or others.**
- Team members competing in the same individual event must wear clearly identifying uniforms for that team, but NOT NECESSARILY of the same design.
- Relay team members on the same team must wear uniforms of the same design.
- Using wearable technology to receive electronically transmitted data from a coach or third party during competition is ILLEGAL. If observed by an Official, the competitor shall be DISQUALIFIED.
- The ultimate responsibility for uniform compliance lies with the coach. Coaches should inspect any/all garments competitors wear to make sure they are in compliance with GHSA and NFHS uniform rules. On the next page is a Uniform Guidelines document.

While Uniform rules are quite specific, there is always some gray area open to interpretation by meet officials. Coaches should anticipate the strictest interpretation of the rules that their team may encounter. As the season begins, make sure your athletes thoroughly understand the rules governing uniforms. Even though many of the early smaller meets may not strictly enforce these rules, impress upon your athletes the importance of being in compliance anyway. Prevent a pattern of competing while violating these rules even if there are no apparent consequences for doing so. As important meets approach, reaffirm that all athletes are fully aware of, and in compliance with the rules. Again, try to anticipate the strictest interpretation and prepare accordingly.

NFHS and GHSA penalty for illegal uniform:

For the wearing of an illegal uniform, when a violation is observed and noted by a meet official, the competitor shall be required to make the uniform legal before becoming eligible for further competition and shall be issued a warning that a subsequent violation shall result in disqualification from the event. The referee shall be notified of the violation by the observing meet official, and the referee shall then notify or cause to be notified the head coach of the offending school of the competitor's violation and warning.

GHSAs 2021-22 Constitution & By-Laws - Section 16 - Track and Field

GENERAL INFORMATION: Sections B, H (Pp. 86-87)

- B. All GHSAs Track meets will be run in accordance with the rules published in the National Federation Track and Field and Cross Country Rule Book with any exceptions and/or adoptions noted in this section. (NOTE: Knowledge of and compliance to all exceptions is the responsibility of the head coach.)
- H. The GHSAs has elected to fully comply with the NFHS Rule 4-3-1. All competitors shall have legal uniforms. The singlet and bottom, or one-piece uniform, must be a school-issued or school-approved Track and Field uniform. Uniform bottoms clearly designed as "underwear" (including bottoms with a crotch outline) will NOT meet the NFHS or GHSAs requirement. Uniform tops and one-piece uniforms with multiple manufacturer logos are NOT legal. Uniform bottoms with logos completely around the waistband are LEGAL. Team uniforms worn must clearly identify the competitors, at a glance, as being a member of a certain team. (CLARIFICATION: Team members competing in individual events must wear clearly identifying uniforms for that team, but NOT NECESSARILY of the same design. Relay team members on the same team must wear uniforms of the same design. NOTE: The ultimate responsibility for uniforms compliance lies with the coach. Coaches should inspect any/all garments competitors wear to make sure they are in compliance with GHSAs and NFHS uniforms rules.

[COMMENT: A frequently recurring uniform violation is a competitor who wears a top and/or bottom CLEARLY "labeled" with another sport (football, volleyball, basketball, wrestling, etc.); these tops/bottoms do NOT satisfy the GHSAs REQUIREMENT of a "Track and Field uniform."]

NOTE: The ultimate responsibility for uniforms compliance lies with the coach. Coaches should inspect any/all garments competitors wear to make sure they are in compliance with GHSAs and NFHS uniforms rules.!!
