

The Sectional date for all 5A Classification will be November 1, 2025.

The meet links and registration have been created on MileSplit GA. We will expand the roster to 14 this year and we will allow JV races, but only after the varsity qualifying races have been completed. We will allow hosts to decide how many JV athletes can run, depending on your course limitations. Some schools want to run them all. Please keep the athletes safe. **In addition, make sure that no more than 7 run for the varsity qualifying races.** Timers will need to separate JV and varsity races accordingly on MileSplit results.
