POWERED BY  LEARFIELD

Creative

K12 Licensing is a division of CLC, the leading collegiate licensing agency representing more than 800 premier colleges and universities. CLC Creative has been at the forefront of creative design for nearly 40 years in the collegiate industry and now offers their extensive experience to K12 client schools.

Our team at K12 Licensing can immediately make your approved new brand identity available to the industry's leading manufacturers and retailers. We guarantee that your investment will have a positive impact on your brand exposure and will result in a continuous revenue stream for your school. Additionally, K12 will create a customized Amazon store that features your new brand at no cost to you.

If you are interested or have any questions about CLC Creative or K12 Licensing, please reach out to Trajan Cunningham at help@k12licensing or call (765) 480-6499. We thank you for your time and we hope to service you in the future.
