Annual Report of Chairman

To Members of the State Executive Committee:

I beg leave to submit the following annual report of the Georgia High School Association for the year 1929-30.

The new regulations adopted last May have, in the main, proved very successful and helped materially the work of the Association. This is particularly true of Section 14 regarding schools eligible to participate and Article 3, Section "B" of the Constitution, forbidding membership in another Association with conflicting rules.

It is essential to the life of the Association that member schools and officials enforce these two regulations and refuse to enter tournaments or play in games with schools except under our Association regulations and certified on our official eligibility blank.

Our Association emphasizes the District Contests and authority, and district officials should be given authority and required to enforce the State Association regulations in their territory. In no other way is it possible to avoid unnecessary invitational tournaments conducted by outsiders for gain or propaganda. The Association officials, district, state and national, should be given full authority to regulate our contests and determine those in which its members may engage.

A profitable breakfast-conference was held in Macon in April at which Mr. Whitten of the National Federation; Mr. Baird, Vice-President of the Federation for our territory and President of the Alabama Association, officers of the Florida and North Carolina Association attended.

I am pleased to report that there is a growing inter-state cooperative spirit. Mr. Baird expects to call a meeting of the state officials of the southeastern states during the meeting of the Southern Association of College in Atlanta in December.

We have had considerable pressure brought to bear from national and local schools asking that athletes be permitted to compete for more than one year in track in the same event whether they have won the district or state contest or not. It seems that our present practice is exceptional and against the general practice and judgment of associations. Why not let the mcompete as in other athletics?

Attention has been called to the fact that our practice in regard to hurdles is anomalous and it is recommended that we allow both the 120 High Hurdles and the 220 Low Hurdles.

Section 12 of the Constitution in regard to suspension of schools needs clarifying as some district officials think that they have no

discretion, if a boy was declared ineligible, they have to suspend the school for a year.

Section 14 of the Constitution requires district, but not the state treasurer, to make a report and have his books audited. This has been done but not in the law.

Some of the larger schools have complained that different committees did not seem to favor their entering the Association. We feel sure that there is some misapprehension in this regard but clearly all accredited schools are eligible to membership and schools should welcome their admission and recognize the vital fact that people in life cannot select their contestants but must meet competition as it arises. I have never been able to appreciate the criticism that large schools have so great advantage, if any, over medium size schools in literary events. In football it is different. I doubt if schools with under 150 students should engage in interscholastic football. By another year, probably we should arrange for a conference program of football with the large city schools enrolling over 500, and in two groups the northern section and southern section of the state. In other respects it is best to preserve the district organization for contests. Atlanta next year will probably be made a congressional district and other changes will be made.

We will be glad to see tennis contests encouraged in the districts and as soon as developed we could hold tennis doubles at the state meet. These are very popular in some of the states.

The regulations regarding girls' basketball were very generally followed this year. Some schools seem to have failed to recognize the new regulations, but when their attention was called to them they tried to adapt their schedule accordingly. I hope the Association will go on record as against state tournament for girls and urge the districts to confine interscholastic athletics for girls to as few contests as possible and conform to the recommendations of the committee of women athletic directors that were laid before this Association last year.

It has been suggested that each of the districts appoint one of its five members as chairman of football, another for basketball, and a third for track and baseball. If this seems wise, then I think that two additional vice-presidents should be added to the State Executive Committee—the first vice-president to have charge of football, the second basketball, and the third of track and baseball, the district officials being responsible to the district committee and the state officials to the state committee. This plan would relieve the secretary and president of considerable labor and your state chairman of much correspondence and details.

Under this arrangement during the year these officers could work out more detailed schedules or regulations for these several sports for adoption at our next meeting.

It is essential for the efficient working of the Association that a rule be passed requiring every member school to report to its district secretary at the beginning of each sport season the names of all of the eligible players to be kept in a permanent file by the secretary. It should also be required that every school should use the official eligibility blank and report immediately after a game to the

county like Madison, for instance, with four small accredited schools, why should not these schools contest among themselves between March 15th and April 10th and the winners in the several events represent Madison County in the District Meet? This would have a tendency to reduce the number of contestants in literary events. Some of these programs are long drawn out.

This report is respectfully submitted for your consideration.

Respectfully,

J. S. STEWART.

Athens, Ga., May 9, 1930.

THE CODE OF SPORTSMANSHIP

Keep your temper.

Keep yourself fit.

Keep a stout heart in defeat.

Keep your pride under in victory.

Keep a sound soul, a clean mind and a healthy body.

PLAY THE GAME

district secretary and the chairman of the given sport, if this plan is adopted, the results of each game. For the best working of the Association rules, district organizations should provide complete eligibility records so that schools wishing a game with schools in another district will have no trouble in securing the necessary data.

I believe inter-track meets between two schools should be encouraged in the same way that we have encouraged basketball games. In this way the track teams will have additional practice before the district meet and this phase of sport will be improved.

Your Executive Committee adopted this year, a GHSA pin and we recommend that this be made the official award for winners of district events according to the plan submitted to the several district presidents.

The plan of dividing the district contests for two separate weekends in April is proving very successful where it has been tried. It cuts down the matter of entertainment and time from school. In many instances the pupils and officials go and return the same day.

We recommend that all letter heads and programs and printed matter contain the heading "Georgia High School Association" and in smaller type "Member of National Federation of High Schools," and then the district name and officers, etc. In this way the public will more readily appreciate the important value and strength of the Association.

We will be glad if the Association will consider the question of fees. Should all schools be required to pay the \$5.00 fee or should the larger schools with over 500 enrolled pay a larger fee and schools with between 200 and 500 a medium fee and those with an enrollment of under 500 the \$5.00 fee; the State Association receiving the present fee? The Association should also consider whether the district and state should receive a part of the proceeds of the district tournaments.

Mr. Charles E. Martin reports the following as the receipts of the expenditures for the state basketball tournament: Total gate receipts, \$508.75; disbursements, \$867.09; deficit paid by Georgia Athletic Association, \$358.34.

I would like for the Association to consider by next year whether the present girls' recitation should be changed to some other form of reading contest.

I would like for the Association to also consider the incorporating of the High School Press Association as an Association contest under rules to be made by the committee appointed by the Association.

Consideration should be given to an invitation to the boarding private schools and public agricultural schools for membership in a special division of its own athletic contests under the Association rules.

I would be glad if a committee would be appointed to consider regulations governing contests in county two year high schools where they pay a state membership fee of \$2.00. The District Associations could then regulate the county contests in the several counties.

None of the District Associations have ever taken advantages of Section 10 of the Constitution in regard to county contests. In a

Constitution

ARTICLE I.

Name. This organization shall be known as the Georgia High School Association.

ARTICLE II.

Object. The object of this association shall be to promote in Georgia the cause of education through the establishment and adequate maintenance and equipment of public schools in every county as a necessity in any modern system of education, a right of every boy and girl, rural and urban, and an efficient means of linking the elementary high schools with the colleges and universities and of improving the scholarship of the rank and file of the high school teachers and the intelligence and efficiency of the entire citizenship of the state. It purposes to promote in the school the study of public speaking, to standardize and encourage athletics in the schools, and to promote county, district, and state contests in debate, declamation, and other forms of literary work, and in athletics.

How Governed. All interscholastic contests participated in by schools which are members of the State Association shall be governed by the rules of this association.

ARTICLE III.

Section 1. **Membership.** (a) The accredited high schools of any congressional district, together with any other four-year high schools elected by the Executive Committee of that district, shall constitute the District High School Association for that district. All such four-year high schools holding membership in the district association are members of the State Association. Junior colleges and preparatory departments of colleges are ineligible.

(b) No school can be a member of the Georgia High School Association which is a member of another association, the **ELIGIBILITY** rules of which conflict with the **ELIGIBILITY** rules of the Georgia High School Association.

Sec. 2. **Officers.** The officers of the district association shall consist of a president, a vice-president and a secretary-treasurer. These, with two other officers, shall constitute the district executive committee. The state officers shall consist of a president ex-officio, Professor of Secondary Education at the University, a first vice-president in charge of football, a second vice-president in charge of basketball, a third vice-president in charge of baseball and track, and a secretary-treasurer, elected by the state executive

committee. These, with the district presidents and two members of the University staff appointed by the presidents, shall constitute the state executive committee. It is recommended that each district use the plan of electing a vice-president in charge of football, basketball, baseball and track. The University committee on arrangement for the state meet shall be appointed by the Chancellor.

Sec. 3. Duties. The duties of the various officers and committees shall be those usually devolving upon such officers and committees.

Each executive committee is to arrange for all events as authorized by the state executive committee. They shall also determine the minimum number of contests a school must enter in order to engage in the district contest.

Sec. 4. Authority. All questions of eligibility, or any other matters subject to investigation, are to be referred to this executive committee, and it is the duty of the president of the district to be active in investigating complaints and enforcing the rules of this association. Appeal may be made to the state executive committee.

Sec. 5. Reports. The executive committee of the twelve districts shall make report of all activities of their district to the state committee at the annual meet at the end of each session, as football, etc.

Sec. 6. Vote. Each school of a district association shall have one vote, and the majority of schools represented shall constitute a quorum at regular and duly called special meetings. In the state meeting each district or state officer shall have one vote and a majority of the districts represented shall constitute a quorum.

Sec. 7. Amend Constitution. It shall take a two-thirds vote of the state executive committee to amend the constitution, and a majority of votes to amend the by-laws, but changes shall not go into effect until the next school year.

Sec. 8. Contests. In the several districts, annual contests in declamation, music, debate, spelling, home economics and track athletics, or other forms which may be authorized by the state executive committee, which shall promote the cause of education, shall be held during the spring term, on one of two dates, in April of each year, as announced by the state president.

But the state organization must be kept intact according to congressional districts. Winners in the district contests may be sent to the annual state contest at the State University.

Each district association may, by authority of its executive committee, have in its district meet other contests or make other regulations not in conflict with the state regulations. But all district committees are advised not to introduce too many novelties.

Sec. 9. Delegates. Delegates from the district associations

shall be sent to the annual convention of the Georgia Educational Association and to the State High School Conference held in connection with the state contest.

Sec. 10. County Contests. Where several four-year schools are in the county these may contest or otherwise agree among themselves for the honor of representing the county in the district contest. The principals of such high schools of a county may constitute an executive committee for said county. It is recommended that each county hold annual contests and exhibitions among the upper grade elementary pupils, and among the pupils in the lower grades of high schools under the direction of the county and high school authorities.

The principal of the county seat high school, the county superintendent of schools, the county agents, in counties having these, and four other teachers, two of whom must be ladies, will constitute the county committee for the county meet to be held between the first week in March and the second week in April. Rules and general plans must be sent out each year by the state officers for these county meets and reports made by the chairmen of the county committee to the state president of the results of the meet.

Sec. 11. District Conference. Each district committee, in cooperation with the executive committee, is advised to arrange for two or more district conferences each year for the discussion of educational problems and they should also exercise general supervision over interscholastic contests in the district.

Sec. 12. Suspension of a School. A high school that knowingly plays a student who has been declared ineligible by any district executive committee shall be suspended for one year, and any high school that engages in athletics (knowingly) with a suspended school shall itself be suspended.

Sec. 13. Treasurer. The treasurer of each district association is required to make to the district executive committee an itemized statement of income and outgo of all funds with vouchers attached. The treasurer of the state association is required to make his statement to the state executive committee. Balances are to be turned over to the new treasurer.

By-Laws

Section 1. Eligibility. Only bona fide students who are amateurs shall be allowed to participate in an interscholastic contest. An amateur is one who: (a) has received no remuneration, tuition, board, gift, or pay for his athletic services; (b) has never played under an assumed name.

Sec. 2. To be eligible a student must register within fifteen

(calendar) days after the opening of the semester during which he wishes to participate and must meet the scholastic requirements of the high school.

Sec. 3. To be eligible the second year, the student must be registered a sophomore; the third year, a junior; and the fourth year, a senior.

Sec. 4. No student shall be eligible to participate in interscholastic contests who is a repeater; who is a migrant; who is a special student; or who has received his diploma.

Sec. 5. No student shall be eligible to participate in interscholastic contests for more than four years over a period of five years from date of first registration in any high school, accredited or unaccredited. (This means that if a student has to drop out of school for a year he can still play his four years provided it is done in five years. He cannot register but four times however and be eligible).

Sec. 6. Participation in any interscholastic contest shall constitute a year of participation.

Sec. 7. **Migrant Students.** No student who has participated in any interscholastic contest as a member of any school team (one who has played in any game or part of game) shall be permitted to participate in any interscholastic contest until said student has been in attendance at the school to which he has migrated one full school year. (This rule does not disqualify a student whose parents or guardian moves to and resides in or near the town or city to which the student has migrated, provided said student upon entering the second institution presents a certificate from the superintendent of the school in which he has previously enrolled as a bona fide student). This rule prohibits proselyting, a thing that is deadly to the highest ideals in sport.

Sec. 8. For interscholastic purposes, actual guardianship papers must have been issued by an authorized court twelve months before student shall be eligible for interscholastic participation.

Sec. 9. No student shall be eligible to represent his school, for whom there is not on file with the superintendent or principal a physician's statement for the current school year certifying that the pupil has passed an adequate physical examination and that in the opinion of the examining physician he is fully able to compete in interscholastic contests.

Sec. 10. Any pupil having won a first place in the district, and then withdraws from school before the state meet, can not represent his school at the state meet. The superintendent or principal must notify the state president.

Sec. 11. Except in spelling a student must be under twenty years of age at the time of participating in any interscholastic contest.

Sec. 12. Scholastic Requirements. A student to participate in any interscholastic contest must be passing in three unit subjects and in deportment at the last regular report, or be dropped from the team at least two weeks. (Two weeks shall be interpreted as fourteen calendar days from the regular date reports are issued). At the end of two weeks an examination may be given to the delinquent to determine his standing, and if he passes his work up in a satisfactory manner his delinquency shall be removed. Averages to determine the standing of delinquents must be found by combining daily grades as the regular monthly grades are determined. These examinations shall not be given oftener than once in two weeks. No pupil shall be given a second trial on an examination except in cases of sickness, or under circumstances of equal urgency. In such cases a written application for a special examination shall be made to the faculty, who shall pass on the application. A passing grade in deportment shall be made the same as that required for the unit subjects.

Sec. 13. Schools Eligible to Participate. (a) No superintendent or principal shall permit his school to participate in an interscholastic contest with any other school (of this state) not a member of a high school association, unless said school complies with the eligibility requirements of this association, and adheres to the rules and regulations of the constitution and by-laws of this association. **The rules of this association are binding at all times and on all occasions.** (b) No tournament shall be allowed in (1) a district territory except on permission of the executive committee and on application to this committee through its chairman, showing that the tournament will be held under the regulations of this association; and (2) no state or inter-district tournament shall be held except on permission of the state executive committee on application to the state chairman, showing that the tournament will be held under the regulations of the association; and (3) no schools shall be permitted to enter inter-state tournaments except on authority of the national federation chairman on application to him, the same to be held under the regulations of the federation.

Sec. 14. A student who has won first place in either a district or state event may compete again provided he complies with the other eligibility regulations.

Sec. 15. Certified List. At least two days before a scheduled game, the principal or superintendent shall get to the principal or superintendent of the competing school on the regular blank of the association a certified list of players who shall be eligible to participate in that game. These eligibility lists are to be filed for reference.

No member of the association shall play any game unless the game is properly certified by the principals or superintendents of both schools.

For uniformity the following form of the certificate of eligibility is prescribed:

Certificate of Eligibility

I hereby certify that each of the students named below is a bona fide student, under twenty years of age, regularly enrolled, registered within fifteen days after the opening of the semester, is meeting the scholastic requirements of the school (if a second year student, a sophomore; if a third year student, a junior; if a fourth year, a senior), is not a migrant, is not a repeater, is not a special student, has not received his diploma either from an accredited or unaccredited high school, is not receiving any remuneration directly or indirectly, has not played under an assumed name, has not registered more than four times within a period of five years, has passed a satisfactory physical examination and filed same with me, and so far as I have been able to ascertain by careful investigation is eligible under the rules and regulations of THE GEORGIA

HIGH SCHOOL ASSOCIATION to play on the.....

High School.....team.

.....
Superintendent or Principal.

Date.....

Sec. 16. **Certification for District Meet.** The principal of a school must certify to the president of the district association the names, ages, time in school, and scholarship of contestants at least one week before the District Meet, one eligibility blanks prepared by the State Executive Committee, and no one will be allowed to contest in the District Meet who is not thus certified to and who does not conform to the constitution and by-laws.

Sec. 17. **Entries of State Meet.** Full list of entries from the district must be furnished Dr. Stewart at least four days after district meet. Alternates may be sent to Athens when winners can not go.

Sec. 18. **Trophies.** A loving cup and pennant, the latter a permanent trophy, shall be given by the state association for the district winning the greatest number of points in the athletic contests, the cup going for the year to the school winning the most points. The winning district will each year be engraved on the cup. A similar cup shall be offered, under similar conditions to the district winning the greatest number of points in the literary contests. (The association has accepted an athletic loving cup donated by The Atlanta Constitution).

Sec. 19. **Coaches' Rule.** All coaches shall be certified teachers regularly employed by the Board of Education and their entire

salary shall be paid by that body. They shall have not less than three regular periods of classes, gymnasium or study-hall duty per day.

Sec. 20. The executive committee of each district shall determine whether girls' basketball shall be played by boys' rules or girls' rules in that district. If played by girls' rules, they shall also determine whether a two-division or three-division court be used. Their decision is binding on all the members of the association of that district. It is recommended by a vote of the association that schools should have women coaches for girls' teams, if possible, or at least a woman manager who will be present at all practices and on all trips and will at all times know the physical condition of the girls.

It is also recommended that membership be limited to only one team of varsity type.

Literary Events

Section 1. **Judges.** There shall be one to three judges for each contest, and if possible they shall be specialists in the said contest. There shall be one or more time keepers. Judges shall be selected by the executive committee from names furnished by the local committee from persons not connected with the schools contesting, unless agreed upon by all the executive committee. Judges shall name the 1st, 2nd, and 3rd places in all contests except debate.

Sec. 2. **Teachers.** In music, recitation, and declamation the contestant may study elsewhere provided the choosing of the contestant is done by school authorities.

Sec. 3. **Score Count.** In all contests, except debate, first place is to count five points, second place three points, and third place one point. In debate first place is to count ten points and second place six points.

Sec. 4. **Time Limit.** No declamation, recitation or music selection shall be longer than eight minutes. The contestants shall be called down by the time-keeper at the end of that time. Those failing to stop when called down shall not be considered by the judges, but being called down shall not act to the detriment of the contestant.

Sec. 5. **Instructions to Judges.** The following instructions to judges in declamation, recitation and music are to be read from the rostrum by the presiding officer in both district and State Meets:

(2) In all these contests, the contestants are on the same foot-

ing, and none of them are to receive favorable consideration by the judges on account of any apparent disparity of age. The selections rendered should be worthy of high school pupils.

(b) **The declamation contest** is a contest in delivery. Sincerity, earnestness, force, voice, polish and grace are the elements of delivery to be considered in the order named, securing effectiveness of delivery. The subject matter of the declamation should be prevailing serious in tone and delivered for the purpose of informing, convincing and persuading the audience. The purpose of the events is declamation is to train boys as public speakers, and not as dramatic readers or mere entertainers. All purely funny pieces, dramatic readings and impersonations are barred. This does not exclude high-class humorous selections. No accessories, such as costuming or music will be allowed. The judges shall select first, second and third places.

(c) **Girls' recitation** is a contest in delivery. The same elements of delivery as in the boys' contest are to be considered. The selections should be from good authors and in good English, not funny pieces and silly impressions.

Regina Pudney, Russell High School, East Point; winner music contest.

The purpose of the girls' contest in recitation is to develop in the girls a type of interpretative reading or speaking that will be of use to them in their duties as citizens. No accessories will be allowed. Judges shall select first, second and third places.

(d) **Music.** Each contestant must play No. 14 of Bach's "Two Part Inventions." After completing this the contestant must play a selection from one of the following composers: (Mendelssohn, Schubert, Schumann, Chopin, Grieg, MacDowell). The combined time limite for the two must no texceed eight minutes.

The judges will take into consideration the following things: accuracy of text; accuracy of dynamics; rhythm; position; carriage; posture; facial expression; interpretation.

HOME ECONOMICS

This contest will be in cooking one year and sewing the next. The cooking contest will be based upon the preparation of food from a given recipe selected from a definite class of foods, as

doughs. The sewing contest will be based upon the making of a garment from a given pattern and definite instructions. There will also be an exhibit of the actual work done by the contestant, in class, during the year, and a short essay in both contests from an assigned subject related to the general basis of the contest. Exact regulations will be sent the judges at each contest.

ESSAY CONTEST

Sec. 6. **Subjects and Contestants.** (a) The state president shall select one subject from high school English and two from "Current Topics" discussed in the various newspapers and magazines as a basis for the essay contest. In 1931 the English subject is based on generally recognized literature readings in Senior year.

Loulie Donalson, Albany High School; winner recitation contest.

Mary Greer, Sylvester High School; winner girls' essay contest.

These must be sent in a sealed envelope to the district secretary, said seal to be broken in the presence of the contestants, after have assembled in the room for the contest. The contestants must receive no coaching during the contest.

The contestants, one boy and one girl from each school, may write upon any of the three subjects selected, an essay not exceeding 600 words. Two hours shall be given for writing the essay.

(b) **How Judged.** Verbal and grammatical correctness, spelling and punctuation shall be considered of less importance than the interest and general effectiveness of the whole composition, but should have weight. The essay shall be judged by the thought

by the order and arrangement, and by the elements of style. It is a ready writers' contest and evidence of prememorized compositions shall weigh heavily against the contestant. Boys' and girls' essays will be graded separately and separate prizes will be given.

(c) **Essays Sent.** The prize essays for each district shall be sent just as handed to the committee of the district contest, with names on separate sheet, to the president of the state meet within four days after the district meet, instead of having the pupils come to Athens, and the judges for these papers are to be selected as the other judges for the state contests.

SPELLING CONTEST

Sec. 7. **Selection of Words.** (a) "Hunt's Modern Word Spelling Book Studies," American Book Co., is adopted as the basis of the spelling contest for 1931, together with the agreement for \$30.00 in gold to the school winning first state prize and \$20.00 to school winning second place. The state president, on or about the first day of April each year, shall send securely sealed, to the district secretary as many lists of words as the district may have schools entering the contest. This list will consist of 100 words—\$0 from the adopted speller and 20 from any source—to be spelled by the senior class of said schools on the first Wednesday in April.

(b) **How Conducted.** This contest is to be under the directions of the District Executive Committee, which shall appoint for each contesting school a visiting examiner to conduct the contest in that school, said examiner being a superintendent (or his representative) of another competing school in the same district. The District President shall send by registered mail to each respective examiner at the post office where the said visiting examiner is to go, the sealed list of words with instructions on the envelope: "To be held until called for."

The visiting examiner is directed to select two assistants from the faculty of the school where the examination is being held to assist him in the conduct of the examination. The visiting examiner is to give out the words to the class and under no circumstances is a local teacher to perform this duty. The examiner is to make written report of the result of the examination, which report is to be signed by all members of the committee and he is to seal and mail to the District President on the same day on which the examination is held said report with all the examination papers of the class, together with such written explanations of absences as may be submitted to him. No excuse for absence other than a doctor's certificate is to be accepted, except in case of extraordinary providential hindrance such as death in a family or some similar circumstance. One hundred words must be counted off for each unexcused absentee. The District President must notify the state

president by the last week in March what schools in the district will enter the spelling contest. Every examination not held according to these rules and regulations shall be thrown out.

(c) **Winning Papers.** The district committee may review the lists sent in. The district president shall also send to the president of the state association the averages of all schools in his district and the papers of the winning school. The president shall from this data award first, second and third places for state prizes.

(d) **Teacher.** The teacher of spelling in any school is not eligible to give out the words in the spelling contest in the school where he teaches.

DEBATES

Sec. 8. **Notification and Arrangement.** Each school must notify the chairman of the district committee, not later than February 25th, of its intention to enter the debates for the current year. The district president will send to the state president the list of schools which have entered the debate with suggestions as to grouping of the two circles within five days thereafter.

By the 10th of March the state president shall announce the final grouping of the schools in circles in all the districts.

Home Economics Contest—Left to right: Frances DeMedices, Thomson, 10th District; Mary Johnson, East Point, 5th District (winner of first place); Wynona Copeland, Valdosta, 11th District; Frances Foster, Perry, 12th District (second place); Margaret Moore, Statesboro, 1st District; Mildred Bass, Ashburn, 3rd District (tied for third place with) Dorothy Maddox, Griffin, 6th District; Dell Perryman, 8th District; Edith Bramblett, Canton, 9th District.

Each school so grouped shall present two teams of two debaters each, one team on the affirmative and one team on the negative, the affirmative team debating at home and the negative away from home. Where schools drop out, consolidations are to be made by the district presidents and schools must be ready to meet any assigned contestants on the final date.

(a) **Order of Speeches.** At all the contests time and order of speeches shall be as follows:

Main

Affirmative	10 minutes
Negative	10 minutes
Affirmative	10 minutes
Negative	10 minutes

Rebuttal

Negative	4 minutes
Affirmative	4 minutes
Negative	4 minutes
Affirmative	4 minutes

(b) **Questions.** The question for debate between member schools, in the district and in the state meet shall be announced by the state president not later than October the first of each year.

(c) **Failures.** Should all the schools but one in a circle fail to debate that school shall be declared the winner and be entitled to represent the school at the district meet. If only two schools remain these debate on the dual plan, each team sending a negative team to the other school.

(d) **Teams.** The students constituting the debating team from a given school always stand or fall together as the representatives of the school and on the same side. Mixed teams will not be permitted, neither can teams as a whole be changed.

(e) **Judging and Scoring.** In every debate there shall be three judges. A copy of the instructions as given below shall be given to each judge. In selecting the winners each decision shall count 1 and the votes of each judge shall count 1, a perfect score making 8 points. All the preliminary debates in the several districts shall be held on the fourth Friday night in March, and in case of a tie, the tie must be settled the following Friday night. The winning team of each circle will be entitled to contest at the district meet and the district president with the cooperation of two winning school representatives, shall arrange the winning teams according as they have previously won, provided that the school winning the greatest number of points shall have choice of sides, and in case of a tie the district president in the presence of the representatives

of the two contesting schools shall determine by lot the sides of the question that each school shall debate. This decision must be made within one week after the preliminary contests have been held.

(f) **No Visiting.** It will be considered dishonorable for pupils, teachers, or followerrrs of one school to visit the debates of another when the two schools are likely to meet in the same question.

(g) **Coaching.** Coaching is necessary, but does not mean writing speeches. Coaching shall be limited to (a) Instruction in the art of debating in general; (b) Help in the collection of material bearing on the question; (c) Advice, direction, suggestion, criticism, outline and English as in regular class work; (d) Drill on delivery. The coaching must be done by the school and not by outside parties. Every school will observe these general principles of honesty for the sake of the pupils.

At least three days before each debate the coach of each team shall sign and send to the principal of the opposing high school the following statement: "I hereby certify to the best of my knowledge the preparation of the argument for this debate has been the work of the members of my team who will participate."

(h) In all contests the debaters shall be separated from the audience and shall receive no coaching while the debate is in progress.

(i) **Instructions to Judges.** A copy of the following instructions shall be given to each of the three judges: "The judges, who shall sit apart during the debate, shall judge the contest as a debate, voting without consultation "Affirmative" or "Negative" on the merits of the debate irrespective of their individual opinions as to the merits of the question. In deciding which team has done the most effective debating, the judges shall take into consideration:

(1) Argument, by which is meant the substance and value of the proof offered and its skillful use in the discussion, and not the mere number of points.

(2) Rebuttal, by which is meant **impromptu argument** used to refute the **direct argument** on the opposing side as made. New evidence may be submitted, but new argument is forbidden. A marked difference in the style of the rebuttal speeches and those of the direct argument is a sign of poor preparation.

(3) Effectiveness, by which is meant the combination of good English with pleasing delivery.

In case of doubt, argument shall be stressed relatively more than delivery, and rebuttal work more than main speeches, consideration being given to the **directness** of the rebuttal and the non-use of manuscripts. At the close of the debate each judge shall indicate his choice by ballot and deliver it to the presiding officer who shall inspect the ballot in the presence of a representative of each school and announce the decision.

Sec. 9. The District Executive Committee of any Congressional

District may subdivide the District into preliminary elimination contests or hold literary or athletic events in any place provided the District Committee retains control over these contests and enforces the state regulations and secures final representatives in the different events of the State Contest.

Sec. 10. **Number of Representatives.** Each member high school of a district shall have the right to send to the district meet one boy in declamation, one girl in recitation, one boy and one girl in the essay contest, one boy or girl in music, one girl in home economics, and nine boys in athletics. Each school has one contestant only in each event, except relay.

FEES

Sec. 1. **Annual Fees.** Each school shall contribute \$5.00 a year to defray expenses of operating the association, \$3.00 to be used by the District, and \$2.00 by the State Executive Committee.

Payment must be in hands of district treasurer by midnight, November the first. No school will be eligible to enter any association contest that does not pay its fees. District treasurers must make prompt reports of fees to the state treasurer.

Sec. 2. **Charges.** The several associations shall charge such admission fee as is recommended by the executive committee or district president, the proceeds to go towards defraying the expenses of judges, printing, delegates to the state meeting, etc., and for "The Quarterly."

In every case at least part of these funds shall go to the district committee and cannot be claimed by the local committee.

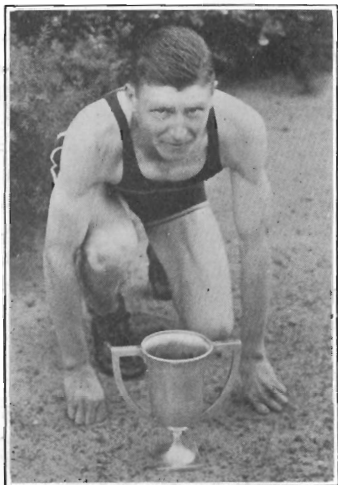

The district committee may charge as entrance fee of \$1.00 for each contestant at the district meet to help pay expenses of winners to state meet.

Track Regulations

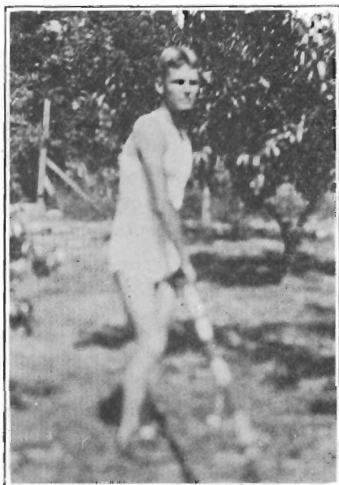

Upon suggestion of Dr. J. S. Stewart, and a majority vote of the members of the State Executive Committee, this section has been omitted. It was a copy of the N. C. A. A. track and field guide, a copy of which can be secured from the A G Spalding Co., Atlanta, Ga. It is suggested that each principal and superintendent secure a copy of these rules. Read these rules carefully. Study what equipment is necessary to hold a track meet and have as nearly as possible all this equipment ready and in its place at the proper time. Follow the time schedule given or make one of your own and follow it.

People have demonstrated that they will watch baseball games or football games for two hours, but no longer. Might it not be

true that interest in track is lagging because we take all the afternoon to hold a meet that should be held in two hours. Make the meet two hours and no more. It can be done by careful preparation.

Woodrow Davis, Portal High School; winner 440-yard dash.

W. Wilkes, Lincolnton High School; winner pole vault.

SPECIAL REGULATIONS APPLYING TO DISTRICT AND STATE TRACK MEETS

1. Instead of the 120 yard high hurdles the regulation event in the G. H. S. A. is the 120 yard low hurdles. The spacing of the hurdles is the same as that given for high hurdles and the specifications of the hurdle itself is the same as for 220 low hurdles.

2. In the shot put, discus throw, and broad jump events the giving of qualifying and final trials is optional. If the District Executive Committee wishes to do so, it may dispense with qualifying tries and allow each contestant in any of these events three trials. **the best** of the three trials to count only.

The following track events shall be held in the order named at both district and state contests: 100-yard dash, shot put, 220-yard dash, running broad jump, 120-yard low hurdles, running high jump, 440-yard dash, pole vault, discus, half-mile relay race (four men).

SUGGESTED ORDER OF EVENTS AND TIME SCHEDULE FOR THE DISTRICT AND STATE MEETS

When heats are necessary.

1. Trials of the 100 yard dash	3:00 p. m.
2. Trials of the 120 yard low hurdles.....	3:10 p. m.
3. Shot put	3:15 p. m.
4. Finals of the 100 yard dash.....	3:30 p. m.
5. Finals of the 120 yard low hurdles.....	3:40 p. m.
6. Discus throw	3:50 p. m.
7. Trials of the 220 yard dash.....	4:00 p. m.
8. 440 yard dash finals.....	4:15 p. m.
9. Finals of the 220 yard dash.....	4:30 p. m.
10. Running broad jump	4:30 p. m.
11. Half-mile relay	5:00 p. m.
Pole vault	3:00 p. m.
Running high jump	3:40 p. m.

RECOMMENDATIONS

The State Association recommends that an average of ~~one~~ inter-scholastic athletic contest per week, per pupil during the playing season, is a reasonable maximum for the promotion of both academic and physical education objectives of the school.

MUSIC SCHOLARSHIP

The Bureau Conservatory, through President H. J. Parce, offers to each winner of the district music contest a music scholarship for one year valued at \$100.00; and to the winner of the state music contest a scholarship, including board and tuition for one year, valued at \$400.00. This offer has been accepted by the state executive committee and is therefore an official prize for the music contest. These scholarships have been given by President Pearce for over ten years and have done much to stimulate interest in music in the schools.

THE DISTRICT EXECUTIVE COMMITTEE

The district executive committee should hold a meeting as soon as possible after the receipt of this bulletin and arrange to carry out the regulations of the association. These regulations are binding on all the members just as Federal laws are for all the States, but other regulations not in conflict with these may be made, just as states make local laws.

The several committees should at once ask for the annual dues and furnish the state secretary the names of schools in good standing. It would be well to secure the membership of all schools in the district eligible for membership, whether city schools or smaller

towns schools, provided they come within the rule governing membership.

REPORT OF GAMES

The state president would appreciate a report of athletic schedules of each school in football, basketball and baseball; also a monthly report of games won and lost. If these are sent promptly to the president they can be printed in the ITEMS each month.

The schools in good standing will also be printed in the November ITEMS.

Principals should be careful in filling out eligibility certificates.

Each principal should have each contestant fill out athletic blank and file the name for each of his players with the president of his district association for reference and ruling on eligibility. Appeals may be made to the state president and from him to the state executive committee.

The district committee should arrange for two high school conferences, one in the fall and one in the winter. A general outline for discussion will be sent out in October of each year.

1931 TOURNAMENT

The 1931 basketball tournament will be held in Athens March 5, 6, 7, and all district tournaments must have been held at least one week earlier and reports of winning teams with eligibility blanks must be filed with the State Chairmannot later than March 3, sooner, if possible.

THE ORATORICAL CONTEST ON THE CONSTITUTION OF THE UNITED STATES

This is an international contest, comprising the following nations: United States, England, France, Germany, Mexico, Canada and Japan. For the sixth year, Mr. Clarke Howell of the Atlanta Constitution, is sponsoring this contest in the state of Georgia in cooperation with our Georgia High School Association. The rules of the international contest will govern.

In conducting these contests in Georgia the local district and state contests will be under the supervision of the officials of the Georgia High School Association.

The United States is divided into seven zones and the winner of each zone is given a three months' trip through Europe. The Atlanta Constitution also gives district and state prizes and there are also many local prizes given. This contest should grow out of the work in United States History and Civics, in the senior and junior years, and some teacher could be assigned to direct the contest in each school.

Ex-president Coolidge considers it "the greatest competition of its kind ever held in the world." We appreciate the help of the Atlanta Constitution in making it available to the youth of Georgia.

GOOD SPORTSMANSHIP FOR STUDENTS AND OTHERS

"Sportsmanship is that quality of honor that desires always to be courteous, fair, and respectful, and it is interpreted in the conduct of players, spectators, coaches, and school authorities."—Fielding H. Yost.

High School Students

High school students should set a good example in the matter of sportsmanship and should quickly condemn unsportsmanlike conduct on the part of either other students or adults. To this end they should—

- (1) Remember that a student spectator represents his school the same as does the athlete.
- (2) Recognize that the good name of the school is more valuable than any game won by unfair play.
- (3) Respond with enthusiasm to the calls of the cheer leader for yells in support of the team especially when it is losing.
- (4) Learn the rules of the various athletic games so that either as spectators or critics they will be intelligent.
- (5) Accept decisions of officials without question.
- (6) Express disapproval of rough play or poor sportsmanship on the part of the players representing the school.
- (7) Express disapproval of any abusive remarks from the sidelines.
- (8) Recognize and applaud an exhibition of fine play or good sportsmanship on the part of the visiting team.
- (9) Be considerate of the injured on the visiting team.
- (10) Insist on the courteous treatment of the visiting team as it passed through the streets or visits the local school building, and extend the members every possible courtesy.
- (11) Acquaint the adults of the community and the grade pupils with the ideals of sportsmanship that are acceptable to the high school.
- (12) Impress upon the community its responsibility for the exercise of self-control and fair play at all athletic contests.
- (13) Insist on fair, courteous, and truthful accounts of athletic contests in local papers.
- (14) Be familiar with the state rules of eligibility and support their strict enforcement.
- (15) Encourage the full discussion of fair play, sportsmanship, and school spirit through class work and auditorium programs in order to discover ways by which students and schools can develop and demonstrate good sportsmanship.—Michigan Association.

National Federation of State High School Athletic Association

CONSTITUTION

Article I.—Name.

This organization shall be known as the National Federation of State High School Athletic Associations.

Article II.—Object.

The object of this Federation shall be to protect and regulate the interstate athletic interests of the high schools belonging to the various associations and to promote pure amateur sport.

Article III.—Membership.

The unit of membership in this Federation shall be the State

Athletic Association. The charter members of this Federation are Michigan, Wisconsin, Iowa, and Illinois, by the ratification of this Constitution by the respective state associations. A new member may be admitted to this Federation by the following procedure:

1. By making application to the Secretary of the Federation through its own officers.
2. By receiving a two-thirds vote of the National Council.
3. By paying into the Treasury such membership fees or dues, as may, from time to time, be fixed by the National Council.

Article IV.—National Council.

Section 1. The legislative body of this Federation shall be the National Council consisting of one member from each state association, elected by the executive committee or board of control from its officers or board of control.

Sec. 2. The officers of the National Council shall be a President, Vice-President, and Secretary-Treasurer, who shall be elected by the Council from among its members.

Sec. 3. The officers of the National Council shall constitute the Executive Committee, which is hereby authorized to determine all necessary expenditures of money and to exercise all the powers and duties expressed or implied in this Constitution and By-Laws.

Sec. 4. The officers of the National Council shall be elected at any annual meeting, at which a vacancy is apparent, and shall serve for three years each, or until their successors have qualified. Provided, however, that any office shall become automatically vacant at the time of the next annual meeting following the date at which the incumbent of the office ceases to be a member of his State Board of Control.

NOTE: At the annual meeting in 1925, the President shall be elected for one year, the Vice-President for two years, and the Secretary-Treasurer for three years. Thereafter their respective successors shall be elected in accordance with the preceding section.

Article V.—Meetings.

Section 1. The annual meeting of the National Council shall be held at such place and time as may be determined by the Executive Committee provided that written notice of such annual meeting shall be sent to the officers of each unit member at least 30 days preceding the meeting.

Sec. 2. Special meetings may occur at any time upon the order of the President or upon the call of a majority of the members of the National Council, the call to be issued by the Secretary.

Sec. 3. Each state association shall be represented by the member of its executive committee, or board of control designated for that purpose. In case he is absent any member of the executive committee or board of control who is present is authorized to represent his state. All members of the executive committees and boards of control of the various state associations are authorized to be present at the meetings of the National Council and to participate in its discussions.

Sec. 4. In the transaction of the business of the National Council, each state association shall have one vote.

Sec. 5. A quorum for the transaction of business shall consist of representatives of a majority of the state associations belonging to the Federation.

Article VI.—Amendments.

This Constitution and any By-Laws which may be enacted may be amended at any meeting of the National Council by a two-thirds vote of those present, provided the number present shall not be less than a quorum.

BY-LAWS
